Dear Sir/Madam,

Sub: Payout to Specified Creditors pursuant to Scheme of Arrangement between National Spot Exchange Limited ("NSEL") and its Specified Creditors ("Scheme").

Further to our earlier communications on the above subject, please find enclosed a press release issued by the Company's subsidiary National Spot Exchange Limited, the contents of which are self-explanatory.

We further inform that we have received intimation from the Escrow Agent under the Scheme of Arrangement that payouts have been initiated to the Specified Creditors in accordance with Clause 8. Hence, the Settlement Trigger Event, as defined in the Scheme has taken place. The consequences, as provided in the Scheme on occurrence of the Settlement Trigger Event, shall accordingly follow with no further obligations of the Company remaining pending pursuant to the Scheme.

Kindly take the above information on your records.

Thanking you,

Yours faithfully,

For 63 moons technologies limited

Hariraj Chouhan
Sr. VP & Company Secretary

NSEL One-Time Settlement (OTS) Payout Released

- **First-of-its-kind financial settlement in the history of Corporate India**
- **Unique OTS paves way for a model of amicable resolution of financial default in future**

Mumbai, November 23: In a unique and first-of-its-kind case in the history of Corporate India, the payout to eligible claimants was released today in the One-Time Settlement (OTS) of National Spot Exchange Limited (NSEL), thereby bringing a historic resolution to the counter-party payment default on NSEL's exchange platform after about 14 years of legal battle.

The OTS is unprecedented and historic since it is for the first time that a financial crisis has been amicably resolved because of the constructive approach of the Hon'ble Courts, the Central and Maharashtra Governments. Besides, the Economic Offences Wing (EoW), Mumbai, and the Enforcement Directorate (ED) also deserve a special mention for their constructive and positive approach towards this one-time settlement.

With this, it can be proudly said that Maharashtra has become the first state in the country to set an exemplary template for the fair, just and amicable resolution of such a financial crisis reflecting its maturity as a forward-looking and growth-oriented financial centers in the world like New York, London and Singapore, which also witnessed similar situations in the past and resolved them in a similar fashion.

This resolution would not have been possible without the able leadership of the Central Government to put India at par with New York, London and Singapore for such a fair and just resolution that happened for the first time in the history of India, which is a landmark by itself. Hopefully, other states would adopt

the Maharashtra model of solving the crisis, which brings smiles on the faces of all the concerned.

The OTS, hitherto unheard of in Corporate India, is also unique in its resolution since it has been voluntarily offered out of 63 moons' own money despite no money trail having been found to NSEL, 63 moons and its promoters by any investigative agency. The entire money trail is established to 17 defaulter groups from whom the money will be recovered.

The efforts of NSEL Investors Forum (NIF), an association representing a large number of traders, led by its Chairman Mr. Sharad Saraf, member Mr. Sushil Jiwarajka, and eight members of the management committee also deserve a mention.

The OTS Scheme of Rs. 1,950 crore was originally proposed by the NIF. Later, NSEL, with the support of 63 moons, accepted the proposal of NIF and filed a Scheme of Settlement before Hon'ble National Company Law Tribunal (NCLT), Mumbai, for a one-time, amicable, full and final settlement with 5,682 claimants.

The NCLT, Mumbai, approved the OTS between NSEL and claimants after putting it to a vote, wherein a whopping 92.81% of claimants in number and 91.35% in value voted in favour of the OTS.

This settlement has brought relief to claimants as they do not need to wait any longer for the recovery from the defaulters who defaulted on their payment obligations back in July 2013.

Reflecting on this historic development, Mr. Jignesh Shah, Mentor & Coach, 63 moons technologies limited, said, "This OTS is unprecedented in the history of Corporate India. It sets a unique benchmark for a fair and constructive resolution of financial crises in the future. We are deeply grateful to the leadership of the Central Government, the leadership of Government of Maharashtra, the investigative agencies,

including the EOW, ED and CBI, and above all, the Hon'ble Indian Judiciary for their constructive approach in making this historic settlement possible. It is said that every 5,500 years, history of '*Satyamev Jayate'* is repeated. This Kurukshetra of NSEL battle, which has resulted in establishing '*Satyamev Jayate'* one more time, brings to mind the Kurukshetra of Mahabharata."

Mr. Saraf expressed his gratitude to the Central and the Maharashtra Governments along with the investigating agencies for their support to create history in Corporate India. He complimented the unprecedented and herculean efforts done by NSEL and 63 moons teams. "This OTS payout is not only just and fair for the claimants but, more importantly, it will no doubt provide a roadmap for settlement in any financial crisis in future," he added.

Mr. S Rajendran, MD & CEO, 63 moons technologies, said, "The payout is historic because no money trail was ever established to 63 moons, and its promoters by any investigative agencies and the courts. Nevertheless, 63 moons took a positive and solution-oriented approach on the OTS Scheme."

Notably, practicing the same morals and ethics, back in August 2013, NSEL, with the support of 63 moons, had paid around Rs. 179 crore, thereby giving relief to 7,053 small claimants with outstanding dues of less than Rs. 10 lakh. All claimants below Rs. 10 lakh have received 100% of their dues.

NSEL MD & CEO Mr. Neeraj Sharma said, "Such a milestone would not have been possible without the support and positive attitude of the authorities, the courts and the NIF."
