RESOLUTIONS FOR APPROVAL THROUGH POSTAL BALLOT

SPECIAL BUSINESS:

ITEM NO. 1:

To approve Material Related Party Transaction(s) with Clean Max Ahhope Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Ahhope Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 323.30 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 2:

To approve Material Related Party Transaction(s) with Clean Max Kenai Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Kenai Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 46.97 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 3:

To approve Material Related Party Transaction(s) between CMES Power 2 Private Limited and Clean Max Kenai Private Limited, Fellow Subsidiaries of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), between CMES Power 2 Private Limited and Clean Max Kenai Private Limited, Fellow Subsidiaries of Clean Max Enviro Energy Solutions Limited ("the Company") for an aggregate value up to INR 2.92 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 4:

To approve Material Related Party Transaction(s) with Clean Max Prithvi Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors

of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Prithvi Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 20.00 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 5:

To approve Material Related Party Transaction(s) between Clean Max Surya Energy Private Limited and Clean Max Terra Private Limited, Fellow Subsidiaries of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), between Clean Max Surya Energy Private Limited and Clean Max Terra Private Limited, Fellow Subsidiaries of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 34.68 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 6:

To approve Material Related Party Transaction(s) with Clean Max Iguazu Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Iguazu Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 87.69 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 7:

To approve Material Related Party Transaction(s) with Clean Max Ilgohp Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"**RESOLVED THAT** pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Ilgohp Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 67.17 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 8:

To approve Material Related Party Transaction(s) with Clean Max Kanha Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Kanha Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 182.16 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 9:

To approve Material Related Party Transaction(s) with Clean Max Karakoram Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Karakoram Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 79.46 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and

such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 10:

To approve Material Related Party Transaction(s) with Clean Max Leo Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Leo Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 312.15 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 11:

To approve Material Related Party Transaction(s) with Clean Max Sapphire Private Limited, a Step Down Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Sapphire Private Limited, a Step Down Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an

aggregate value up to INR 820.00 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 12:

To approve Material Related Party Transaction(s) with Clean Max Ajanta Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Ajanta Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 1,488.79 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 13:

To approve Material Related Party Transaction(s) with Clean Max Beta Private Limited, a Step Down Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Beta Private Limited, a Step Down Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 574.17 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 14:

To approve Material Related Party Transaction(s) with Clean Max Ganga Private Limited, a Step Down Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Ganga Private Limited, a Step Down Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 3,348.30 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and

such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 15:

To approve Material Related Party Transaction(s) with Clean Max Ichi Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Ichi Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 100.22 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 16:

To approve Material Related Party Transaction(s) with Clean Max Patagonia Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Patagonia Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate

value up to INR 704.74 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 17:

To approve Material Related Party Transaction(s) with Clean Max Roku Private Limited, a Wholly Owned Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Roku Private Limited, a Wholly Owned Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 37.55 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 18:

To approve Material Related Party Transaction(s) with Clean Max San Private Limited, a Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material

modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max San Private Limited, a Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 43.46 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 19:

To approve Material Related Party Transaction(s) with Clean Max Shi Private Limited, a Wholly Owned Subsidiary of the Company

To consider and, if thought fit, to pass, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Regulations 2(1)(zc), 23(4) and other applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time ('SEBI Listing Regulations'), and Sections 2(76), 177 and 188 along with other applicable provisions of the Companies Act, 2013 ('Act') read with the applicable rules issued under the Act (including any statutory modification(s) or re-enactment thereof, for the time being in force), the Company's Policy on materiality of Related Party Transactions and dealing with Related Party Transactions including material modifications and all other applicable laws and regulations, as amended, supplemented or re-enacted from time to time and pursuant to the approval and recommendations by the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded to enter into and/or execute new contract(s)/ arrangement(s)/transaction(s) and/ or to continue with the existing contract(s)/arrangement(s)/ transaction(s) if any, more specifically set out in the explanatory statement, (whether by way of an individual transaction or a series of transactions taken together), with Clean Max Shi Private Limited, a Wholly Owned Subsidiary of Clean Max Enviro Energy Solutions Limited ("the Company"), for an aggregate value up to INR 105.11 crore, subject to such contract(s)/ arrangement(s)/transaction(s) being carried out at arm's length and in the ordinary course of business of the Company.

RESOLVED FURTHER THAT the Audit Committee, Board of Directors or any other person(s) authorised by the Board/Committee be and is hereby authorised to do and perform all such acts, deeds, matters and things, as may be necessary and expedient, including finalizing the terms and conditions, methods and modes in respect thereof and finalizing and executing necessary documents, including contract(s), scheme(s), agreement(s) and such other documents, file applications and make representations in respect thereof and seek approval from relevant authorities, including Governmental authorities in this regard and deal with any matters, take necessary steps as the Board may, in its absolute discretion deem necessary, desirable or expedient, to give effect to this resolution and to settle any question that may arise in this regard and incidental thereto, without being required to seek any further consent or approval of the Members or otherwise to the end and intent that the Members shall be deemed to have given their approval thereto expressly by the authority of this resolution."

ITEM NO. 20:

To approve Material Related Party Transaction(s) with Clean Max Vayu Private Limited, a Subsidiary of the Company

Notes:

1. Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (the "Act") read with Rule 22 of the Companies (Management and Administration) Rules, 2014, as amended, setting out material facts relating to the resolutions proposed to be passed is annexed hereto and forms part of this Notice.

2. The Board of Directors of the Company has appointed Ms. Nikita Kothari, proprietor of N Kothari & Associates, Company Secretaries, or in her absence, Mr. Amit Diwate, partner of M/s DMJ & Partners, Company Secretaries as the Scrutinizer for conducting the Postal Ballot process in a fair and transparent manner. The Scrutinizer will submit the report after completion of the scrutiny to the Chairperson of the Board of the Company or any person authorized by him. The result of the e-voting will be announced not later than 2 working days from the conclusion of the e-voting and the same shall be communicated to the BSE Limited and the National Stock Exchange of India Limited and shall also be available on the Company's website www.cleanmax.com and on the website of RTA https://instavote.linkintime.co.in and also will be displayed at the Registered Office of the Company. The Resolutions, if assented by the requisite majority, shall be deemed to be passed on the last date specified for e-voting i.e. **Thursday, 24 December 2026**.

3. In accordance with the MCA Circulars, this Postal Ballot Notice is being sent by electronic mode only to those Members whose names appear in the list of Beneficial Owners as on **Friday, 20 November 2026 ("Cut-Off Date")** received from the Depositories and whose e-mail addresses are registered with the Depositories. Physical copies of the Postal Ballot Notice along with postal ballot forms and pre-paid business reply envelopes will not be sent to the Members for this Postal Ballot.

4. Members would be able to cast their votes and convey their assent or dissent to the proposed resolution only through the remote e-voting process. Members whose names appear on the list of Beneficial Owners as on the Cut-Off Date will only be considered eligible for the purpose of e-voting. A person who becomes a member after the Cut-Off Date should treat this notice for information purpose only.

5. This Postal Ballot Notice will also be available on the Company's website at www.cleanmax.com, websites of the Stock Exchanges, that is, the BSE Limited and the National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of RTA i.e. https://instavote.linkintime.co.in. Any member seeking a copy of this Notice may also write to us at secretarial@cleanmax.com.

   Pursuant to the applicable provisions of the Act and Rules framed thereunder and the SEBI Listing Regulations, the Company can serve notices and other communication through electronic mode to those Members whose e-mail addresses are registered with the Depositories. Members who have not registered their Email IDs so far, are requested to register their Email IDs, in respect of electronic holdings with the Depository through their concerned Depository Participants.

6. All documents referred to in this Postal Ballot Notice will be available for inspection electronically until the last date of remote e-voting. Members seeking to inspect such documents can send an email to secretarial@cleanmax.com.

7. Voting rights of a Member / Beneficial Owner shall be in proportion to his/her/its shareholding in the paid-up equity share capital of the Company as on the Cut-Off Date.

8. Non-resident Indian Members are requested to inform about the following immediately to the concerned Depository Participant(s):

   (a) the change in the residential status on return to India for permanent settlement; and
   (b) the particulars of the NRE account with a Bank in India, if not furnished earlier.

9. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/ mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to the RTA by visiting their site https://web.in.mpms.mufg.com/KYCdownloads.html in case the shares are held in physical form. Further, those

Members who have already registered their e-mail addresses are requested to keep their e-mail addresses validated/ updated with their DPs/RTA to enable servicing of notices / documents /Annual Reports and other communications electronically to their e-mail address in future.

The instructions and other information relating to remote e-voting are as under:

The remote e-voting period begins at 09:00 a.m. (IST) on Wednesday, 25 November 2026 and ends at 05:00 p.m. (IST) on Thursday, 24 December 2026. The remote e-voting module shall be disabled by MUFG Intime for voting thereafter.

Login method for Individual shareholders holding securities in demat mode:

Individual Shareholders holding securities in demat mode with NSDL

METHOD 1 - NSDL OTP based login

Event No. can be viewed on the home page of InstaVote under "On-going Events".
d) Enter "16-digit Demat Account No.".

e) Refer the Resolution description and cast your vote by selecting your desired option 'Favour / Against' (If you wish to view the entire Resolution details, click on the 'View Resolution' file link). After selecting the desired option i.e. Favour / Against, click on 'Submit'.
f) A confirmation box will be displayed. If you wish to confirm your vote, click on 'Yes', else to change your vote, click on 'No' and accordingly modify your vote.
(Once you cast your vote on the resolution, you will not be allowed to modify or change it subsequently).

METHOD 2 - VOTES UPLOAD

a) Visit URL: https://instavote.linkintime.co.in and login with InstaVote Login credentials.
b) After successful login, you will see "Notification for e-voting".
c) Select "View" icon for "Company's Name / Event number".
d) E-voting page will appear.
e) Download sample vote file from "Download Sample Vote File" tab.
f) Cast your vote by selecting your desired option 'Favour / Against' in the sample vote file and upload the same under "Upload Vote File" option.
g) Click on 'Submit'. 'Data uploaded successfully' message will be displayed.
(Once you cast your vote on the resolution, you will not be allowed to modify or change it subsequently).

NOTE: **Non-Individual Body corporate shareholders** shall send a scanned copy of the board resolution authorising its representative to vote, to the scrutinizer at registered email address with a copy marked to RTA at enotices@in.mpms.mufg.com and the Company at registered email address.

HELPDESK:

Shareholders holding securities in physical mode / Non-Individual Shareholders holding securities in demat mode:

Shareholders holding securities in physical mode / Non-Individual Shareholders holding securities in demat mode facing any technical issue in login may contact INSTAVOTE helpdesk by sending a request at enotices@in.mpms.mufg.com or contact on: - Tel: 022 – 4918 6000.

Individual Shareholders holding securities in demat mode:

Individual Shareholders holding securities in demat mode may contact the respective helpdesk for any technical issues related to login through Depository i.e., NSDL and CDSL.

Login type	Helpdesk details
Individual Shareholders holding securities in demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending request at evoting@nsdl.co.in or call at: 022 - 4886 7000
Individual Shareholders holding securities in demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 22 55 33

Forgot Password:

Individual Shareholders holding securities in physical mode / Non-Individual Shareholders holding securities in demat mode:

Individual Shareholders holding securities in physical mode / Non-Individual Shareholders holding securities in demat mode have forgotten the USER ID [Login ID] or Password or both then the shareholder can use the "Forgot Password" option available on: https://instavote.linkintime.co.in

- Click on **"Login"** under 'SHARE HOLDER' tab.
- Further Click on **"forgot password?"**
- Enter User ID, select Mode and Enter Image Verification code (CAPTCHA).

InstaVote USER ID		
	NSDL	User ID is 8 Character DP ID followed by 8 Digit Client ID (e.g.IN123456) and 8 digit Client ID (eg.12345678).
	CDSL	User ID is 16 Digit Beneficiary ID.
	Shares held in physical form	User ID is Event No + Folio no. registered with the Company

- Click on "SUBMIT".

In case Custodian / Corporate Body/ Mutual Fund has forgotten the USER ID [Login ID] or Password or both then the shareholder can use the "Forgot Password" option available on: https://instavote.linkintime.co.in

- Click on 'Login' under "Custodian / Corporate Body/ Mutual Fund" tab
- Further Click on **"forgot password?"**
- Enter User ID, Organization ID and Enter Image Verification code (CAPTCHA).
- Click on "SUBMIT".

In case shareholders have a valid email address, Password will be sent to his / her registered e-mail address. Shareholders can set the password of his/her choice by providing information about the particulars of the Security Question and Answer, PAN, DOB/DOI etc. The password should contain a minimum of 8 characters, at least one special character (!#$&), at least one numeral, at least one alphabet and at least one capital letter.*

Individual Shareholders holding securities in demat mode with NSDL/ CDSL has forgotten the password:

Individual Shareholders holding securities in demat mode have forgotten the USER ID [Login ID] or Password or both, then the Shareholders are advised to use Forget User ID and Forget Password option available at above mentioned depository/ depository participants website.

General Instructions - Shareholders

- ❖ It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- ❖ For shareholders/ Members holding shares in physical form, the details can be used only for voting on the resolutions contained in this Notice.

During the voting period, shareholders/ Members can login any number of time till they have voted on the resolution(s) for a particular "Event".

10. Mr. Rajiv Ranjan, Sr. Assistant Vice President - e-voting, MUFG Intime India Pvt. Ltd., Address: C 101, 247 Park, L.B.S.Marg, Vikhroli (West), Mumbai - 400083, Contact no.: +91 22 49186000, email id: enotices@in.mpms.mufg.com, is responsible for addressing the grievances connected with facility for voting by electronic means.

All the documents referred to in the Notice, are available for inspection electronically until the last date of remote e-voting. Members seeking to inspect the same can also send an email to secretarial@cleanmax.com from their registered email address mentioning their names, DP ID and Client ID.

EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013 AND ADDITIONAL INFORMATION AS REQUIRED UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 AND CIRCULARS ISSUED THEREUNDER.

Item No. 1 to 61

INTRODUCTION

Before we deep dive into the transaction specific details and disclosures as mandated by applicable law, to facilitate and aid shareholders decision on the approval of the related party transactions, set out below are some details in relation to the business model of the Company, the regulatory contours within which Company has to function, the requirements of the business and the applicable law requirements for related party transactions.

1. **Business Background**

1.1. Your Company, Clean Max Enviro Energy Solutions Limited [Formerly known as Clean Max Enviro Energy Solutions Private Limited] (the 'Company') is recognized as India's largest provider of renewable energy solutions for the commercial and industrial (C&I) sectors. The Company specializes in supplying renewable power, as well as offering energy services and carbon credit solutions to a diverse range of domestic and international customers. We provide a comprehensive suite of renewable energy offerings, which are delivered through two key business segments: (i) the Renewable Energy Power Sales Segment, and (ii) the Renewable Energy Services Segment.

1.2. Renewable Energy Power Sales Segment:

1.2.1. In this segment, the Company generates electricity through its renewable energy plants and sells it to customers via long-term Power Purchase Agreements **("PPAs")** and Energy Attribute Purchase Agreements **("EAPAs")**, employing a Special Purpose Vehicle **("SPV")** model for each project. These agreements ensure a stable and predictable revenue stream while supporting the customers' transition to clean, renewable energy.

1.2.2. In this segment, the SPVs will qualify as 'related party' under the Companies Act, 2013 **("Companies Act")** and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 **("SEBI LODR Regulations" or "SEBI Listing Regulations")**.

1.3. Renewable Energy Services Segment:

1.3.1. In this segment, the Company offers a wide range of turnkey development services. These services include land acquisition, evacuation infrastructure development, engineering, procurement and construction **("EPC")** services, power evacuation, and long-term operation and maintenance **("O&M")** support to the SPV for the life of the project.

2. **Law applicable on the Company Business Model**

2.1. In the context of the prevailing legal framework in India's power sector, power projects are classified as "captive generating plants" **("CGP")**, where a significant portion of the power output is committed to a captive user (customer). Under the Electricity Act, 2003, along with the Electricity Rules, 2005 **("Captive Regulations")**, specific conditions must be met for a plant to qualify as a CGP. It mandates that the captive

user(s) must hold at least 26% of the plant's ownership. Additionally, applicable rules clarify that "ownership" refers to equity share capital with voting rights in the generating station or power plant. To comply with these Captive Regulations and ensure that its power plants qualify as CGPs, the Company establishes project-specific SPVs for each major customer (the captive user).

2.2. These SPVs are structured so that the relevant customer/customers holds a minimum of 26% of the ownership (equity share capital with voting rights or profit share), while the Company holds the remaining 74%. The creation and investment in these SPVs are crucial and central to the Company's strategic business activities of developing and operating renewable energy power plants.

3. **Project Lifecycle and Structure of RPTs**

3.1. The Proposed RPTs under Resolutions 1 to 61 are not discretionary related party arrangements, they are the operational backbone of the Company's mandated business structure under Indian electricity law. To clarify under the group captive structure approvals are sought for specific underlying project tied to a Power Purchase Agreement which may have not been executed as on the date of this notice.

3.2. Each project follows a defined five-step sequence, which explains the nature and necessity of the RPTs proposed in this Postal Ballot Notice.

(a) Step 1 - Power Purchase Agreement: Before any construction activity or capital commitment is made, the Company negotiates and signs a binding PPA with the corporate customer. Key features of such PPA include: (i) a weighted average tenure of over 25 years, providing long-term revenue visibility across the project's life; (ii) over 95% of the Company's business is with A/AA/AAA-rated or MNC customers which are among the highest-quality offtaker bases in Indian renewable energy and all customers undergo a process of approval from Risk Management Committee of the Company before PPAs are entered into with them. In the event any of the customer of the Wholly Owned Subsidiary is a 'related party' (as defined under the applicable law) of the Company then before entering into any arrangement with such customer which are material related party transaction, the same will be brought to approval of the shareholders in accordance with the applicable law requirement; and (iii) at the time of PPA negotiation, the customer is generally an independent third party – once the PPA is entered into and the customer has invested at least 26% in the subsidiary, the customer would qualify as related party of the subsidiary on a going forward basis, with all commercial terms including tariff rates, EPC charges, being agreed on an arm's length basis before any related party relationship exists. The customer is not a related party of the Group Captive SPV till the customer has invested their minimum equity stake. The customer becomes a related party only after infusing equity into the dedicated SPV pursuant to a shareholders' agreement in Step 2, as required under the Captive Regulations.

(b) Step 2 - Equity Infusion and SPV Structure: To comply with the Captive Regulations, each customer's project is typically housed in a dedicated SPV. The customer infuses at least 26% equity into the SPV (with voting rights), as legally mandated. the Company holds the balance (typically 74%). The operational and governance control at all times rest with the Company

(c) Step 3 - EPC Contract and Land Transfers: The Company acts as the EPC contractor and signs a turnkey EPC contract with each subsidiary SPV for the

design, procurement, and construction of the renewable energy asset, as the Company is the developer and master contractor of each of its project sites. Additionally, the land is transferred/subleased from common infrastructure SPV to the Group Captive SPVs. The purchase or lease of land is for purposes of the construction of the project related farms, maintenance and administrative offices etc.

(d) Step 4 - Project Financing: Each SPV's project costs are funded by a combination of equity (from the Company and the offtaker as per Step 2) and debt. The debt structure comprises two components: (i) third-party (bank) debt which is senior secured, backed by the underlying renewable energy asset and guaranteed by the Company in its capacity as EPC contractor, a standard project finance structure given the Company's role in constructing and operating the asset; these corporate guarantees form part of the RPT programme and are approved by the Audit Committee; and (ii) Inter-Corporate Loans ('ICLs') / Long Term Loans or non-interest bearing perpetual debt instruments from the Company or through subscription of Optionally Convertible Debentures ('OCD') by the Company which is subordinated, unsecured funding extended by the Company. Both third-party debt and ICLs carry for a tenure basis the underlying PPA and are serviced entirely from the cashflows generated by the SPV.

Most project SPVs, in their initial years of operations, are typically not profitable and may lack sufficient liquidity to fully service the finance costs associated with their borrowings, both external and internal. To alleviate this liquidity pressure, non-interest bearing perpetual debt is provided with flexible servicing terms. This structure would enable the project SPVs to service such debt obligations only when adequate liquidity becomes available.

Further, the Company sometimes group multiple subsidiaries to enable access to financing on more favourable and economical terms, as well as to expedite the financing process and arrangements with the lenders are entered into by the group subsidiaries. Under this pooling structure, in the event of a shortfall in debt servicing by any subsidiary within the pool, only surplus cash flows (if any) from other subsidiaries in the same pool may be utilized to bridge such shortfall, in accordance with agreed financing terms. This results in the creation of inter-se obligations and financial support arrangements among the SPVs. As these transactions involve arrangements between subsidiaries of the Company, they qualify as related party transactions.

(e) Step 5: Operations (O&M and Support Services): Once the plant is commissioned and operational, the Company continues to provide O&M services to the SPV for the life of the project. In addition, the Company provides support services, including employee support, office support, and other shared services to the SPVs on an allocated cost-plus basis.

3.3. Basis the above description, the RPTs relevant for the business can be categorized in the following broad buckets:

3.3.1. Infusion of Debt (through Inter-Corporate Loan/ Perpetual Debt):

1. Inter-Corporate Loans (ICLs): The Company infuses funds via inter-corporate Loan and other long-term loans to the other SPVs for the facilitation of projects, repayment of project finance loans, and working capital requirements of the SPVs.

3. Perpetual Debt: Most project SPVs, particularly during their initial years of operations, may have limited liquidity to service finance costs and other funding obligations. Accordingly, non-interest-bearing perpetual debt is provided as a flexible source of long-term funding to support project development, construction and working capital requirements. The flexible servicing terms enable the SPVs to service such debt obligations based on the availability of cash flows generated from the underlying projects.

3.3.2. Rendering of engineering, procurement and construction (EPC) projects, Operation & Maintenance (O&M) services, Sale/ purchase of products, Support fees and other charges:

Rendering of EPC Projects: The Company and certain group companies provide Engineering, Procurement, and Construction (EPC) services to other group entities. These companies undertake end-to-end project execution, including design, procurement of materials and equipment, construction, commissioning, and project management support.

Engineering, Procurement and Construction (EPC Supply): The Parent Company provides Engineering, Procurement, and Construction (EPC) supply services to other group entities. The Parent Company undertakes procurement of materials and equipment, construction, and project management support.

Engineering, Procurement, and Construction (EPC Installation & Commissioning): Certain group companies provide Engineering, Procurement, and Construction (EPC) Installation & Commissioning services to other group entities. These companies undertake installation and commissioning of the project.

Operations & Maintenance Services: As per the current business model, certain group companies provide Operations & Maintenance (O&M) services to other group entities, leveraging specialized technical expertise and operational capabilities. These services support efficient plant operations, asset reliability and regulatory compliance.

Support Fees and Management Service Fees and other charges: Support fees are charges paid by the SPV to the Company for providing technical, operational, administrative, financial and regulatory support services required for the development, management and efficient operation of the renewable energy project. These services enable the SPV to leverage the Company's expertise, centralized resources and industry experience, thereby ensuring operational efficiency, regulatory compliance and project performance on an arm's length basis.

Materials/stock transfer: Materials/stock transfer refers to the supply/ transfer of renewable energy equipment, components, systems and other related products by the Company to the related party/SPV in the ordinary course of business. These products are required for the development, installation, expansion and operation of renewable energy projects and are supplied on an arm's length basis and on terms comparable to those offered to unrelated parties.

3.3.3. Common infrastructure facilities:

SPVs engaged in the business of owning, operating, and maintaining common infrastructure assets for renewable energy projects, including pooling substations, transmission lines, and other facilities necessary for evacuation and delivery of power from renewable energy projects provide Common Infrastructure Facility to other project SPVs. The Common Infrastructure SPVs charges fee payable for common infrastructure facilities provided for the project.

3.3.4. Sale of Power:

Sale of Power refers to the sale of electricity generated from renewable energy projects by the Company or its SPVs to related parties. Such transactions enable optimal utilization and monetization of renewable energy assets, ensure compliance with power purchase agreements and regulatory requirements, and are undertaken in the ordinary course of business on an arm's length basis. Pursuant to the group captive structure, the offtaker/consumer, SPV, and the Company are related parties. The proposed power purchase agreements (PPA) or Virtual Power Purchase Agreement (VPPA) are to be entered into between SPVs with respective offtaker/consumer.

3.3.5. Corporate/ Bank Guarantee (Guarantees):

Corporate or bank guarantees are provided by the Company in favour of lenders, counterparties or other stakeholders of the SPVs/related parties to support financing and contractual obligations associated with renewable energy projects and charges thereon are recovered from the said SPVs/related parties. Such guarantees facilitate access to funding and enable project execution and operations and are provided in the ordinary course of business on arm's length terms and in compliance with applicable laws.

For Resolution No. 60, the aggregate value of the corporate guarantee to be extended by the Company in favour of multiple related parties viz. Cleanmax Energy (Thailand) Co., Ltd., GSB Energy Company Limited and Massmunch Company Limited shall be up to INR 600 crore, which may be allocated, utilised or reallocated amongst the aforesaid entities in any combination, as may be required from time to time, without any fixed entity-wise allocation, subject to the overall aggregate limit of INR 600 crore.

3.3.6. Mortgage of Assets and charges thereon:

a. For Resolution No. 6, 8, 10, 15, 17-18, 20, 25, 28, 40-41 and 52:

The Company proposes to raise funds through the issuance of Non-Convertible Debentures ("NCDs") of up to INR 3000 crore (Indian Rupee Three Thousand Crore only) within the borrowing limits previously approved by the shareholders. Raising funds at the Company level enables the Company to access financing on more competitive terms and optimize the overall cost of borrowing for the Group. The NCDs will be secured by certain customary security interests, including pledge of securities, assignment of receivables and project documents, and other related rights of the Company. Such security will be created in accordance with the financing documents and applicable legal requirements.

In addition to the security provided by the Company, in connection with such fund raising, certain project assets of the Company's SPVs will be offered as security in favour of the lenders. The security would comprise a first exclusive charge over identified project assets, comprising majorly fixed assets and

other assets such as current assets, receivables, etc. As these other assets are varying in nature, the aggregate value of such other assets proposed to be secured shall be around 10% of the value of the fixed assets. Further, the aggregate value of the security to be provided in connection with the NCDs issuance (by all SPVs cumulatively) shall at all times be limited to the outstanding principal amount of the NCDs (i.e. INR 3000 crore) together with all interest due or payable thereon.

The proposed creation of security is within the borrowing and security creation limits already approved by the shareholders of the respective SPVs under Section 180(1)(a) of the Companies Act, 2013. Mortgage of assets relates to creation of security interests over project assets (as detailed above) in favour of lenders and financial institutions by the SPVs for securing borrowings and financing facilities availed or to be availed by the Company and for providing such security interest, the SPVs cross charges the Company and as such the Mortgage of assets and the charges thereon will be a related party transaction between the Company and such SPVs. The proceeds of this issue would also be utilised to repay/refinance SPVs borrowings. Such arrangements are integral for the Company to avail funding and deploy efficiently for SPVs requirements. These transactions are undertaken in the ordinary course of business, on arm's length basis.

b. For Resolution No. 1-2, 7, 9, 12, 14, 16, 19, 21-23, 26-27, 29-36, 42-49, 51, 53-54:

The Company proposes to avail a rupee term loan facility (for funding construction of projects) of up to INR 750 crore (Indian Rupee Seven Hundred and Fifty Crore only) within the borrowing limits previously approved by the shareholders, to support the capital expenditure requirements of identified SPVs and to bridge temporary funding gaps (which could be due to pending debt tie-ups or delayed disbursement of long-term project financing at the SPVs level).

In connection with such facility, the security would comprise a first exclusive charge over identified SPVs project assets, comprising majorly fixed assets and other assets such as current assets, receivables, book debts, etc. As these other assets are varying in nature, the aggregate value of such other assets proposed to be secured shall be around 10% of the value of the fixed assets. The aggregate value of the security shall at all times be limited to the outstanding principal amount of the facility together with all interest and other amounts payable thereunder. The proposed creation of security is within the limits approved by the shareholders of the respective SPVs under Section 180(1)(a) of the Companies Act, 2013. The aggregate value of the security to be provided by all SPVs (cumulatively) in connection with the foregoing shall at all times be limited to the outstanding principal amount of the facility (i.e. INR 750 crore) together with all interest due or payable thereon.

3.3.7. Sale/Lease/Sublease of Land (including land development charges):
As per the current business model, land is transferred/subleased from common infrastructure SPVs to the project SPVs. The transfer or lease of land is for purposes of the maintenance and construction of the project related farms, administrative offices etc. The land development charges

currently are incurred by the common infrastructure SPV which are later cross charged to the project SPVs.

3.3.8. Cash Pooling Arrangements

This is the centralized management of surplus funds and short-term funding requirements among the Company and its related parties/SPVs to improve liquidity management, optimize utilization of financial resources and reduce overall financing costs. Such arrangements facilitate efficient treasury operations and are undertaken in the ordinary course of business on arm's length terms and in compliance with applicable laws.

3.3.9. Investment in Optionally Convertible Debentures ('OCD')

The investment in Optionally Convertible Debentures ('OCDs') is proposed to fund the development and construction requirements of renewable energy project(s) being undertaken by the relevant project SPV. The OCD structure provides flexibility to fund the project through debt while retaining an option for conversion into equity in accordance with the agreed terms and applicable laws. For the purposes of this approval, certain subsidiaries of the Company will be subscribing to the OCDs of fellow subsidiaries.

The Company uses a mix of equity and debt instruments for funding renewable energy SPVs, depending on the stage of the project, funding requirement, liquidity position and financing structure of the relevant SPV. The existing ICLs/perpetual debt and the proposed OCDs therefore serve as alternative/complementary funding instruments rather than duplicate arrangements. The OCD structure enables funding to initially remain in the nature of debt while providing flexibility to convert the instrument into equity, if commercially appropriate and permissible under the applicable regulatory and contractual framework. The Postal Ballot Notice accordingly describes OCDs as unsecured subordinated debt instruments carrying an option for conversion into equity and aligns their tenure with the underlying project/PPA tenure.

The proposed subscription to OCDs by fellow subsidiaries is intended to provide flexibility in deployment of available funds within the Group for identified project requirements. The Notice specifically contemplates subscription by certain subsidiaries to OCDs issued by their immediate Parent Company. Such investments are subject to the transaction-specific limits approved by the Audit Committee/shareholders, applicable corporate law requirements and the Company's arm's-length pricing framework.

A direct investment by the holding company is therefore not necessarily required in every case. The financing route is determined having regard to the availability and efficient deployment of funds, the funding requirements of the relevant SPV and the overall project financing structure. The proposed OCD arrangement does not, by itself, result in an equity cross-holding in their respective subsidiaries. An equity holding would arise only if and when the OCD is actually converted.

The Company confirms that conversion of OCDs will not be undertaken in a manner that results in the captive user's ownership falling below the minimum level required under the applicable captive power regulations.

As explained in the Postal Ballot Notice, under the group captive framework the relevant captive user/customer is required to hold at least 26% ownership, represented by equity share capital carrying voting rights. The project SPVs are accordingly structured to maintain the required captive-user ownership.

Therefore, where conversion of OCDs into equity is proposed in a group captive SPV, the conversion will be structured and implemented only after ensuring compliance with the applicable captive ownership requirements. The required minimum 26% ownership of the captive user(s) will be maintained at the time of and after such conversion, as and when required.

The shareholder approval is being sought for the overall OCD investment framework and the maximum transaction limits rather than for immediate conversion into a predetermined number of equity shares. The precise conversion terms would therefore be documented in the terms of issue of the relevant OCDs and determined having regard to the applicable law, valuation/pricing requirements, capital structure of the relevant SPV and the captive-user ownership requirements prevailing at the time of conversion. Accordingly, it may not be appropriate to prescribe a single conversion ratio at this stage across all SPVs because the conversion shall depend on the future milestones and events, equity valuations, etc. The Notice itself states that OCD investments may be made in one or more tranches depending on project funding requirements and project timelines, within the shareholder-approved maximum cap. It further provides a tenure of up to 25 years from the earlier of approval or signing of the underlying PPA, aligned to the project/PPA tenure and permitting repayment or conversion depending on the SPV's financial requirements and project cash flows.

The Notice also provides that domestic OCDs are intended to be unsecured subordinated instruments, with the interest rate expected to be in the range of 8.65% to 13% per annum, determined having regard to the PPA tenure, prevailing industry practices, commercial considerations and applicable law.

Further, any conversion of OCDs into equity will be undertaken only in accordance with the terms of issue of the OCDs, applicable law and the contractual arrangements governing the relevant SPV. The conversion price/ratio will be determined in compliance with the applicable valuation and pricing requirements at the relevant time, and in the case of a group captive SPV, conversion will be structured so that the minimum ownership requirement applicable to the captive user(s) is maintained.

Categorisation of Proposed Related Party Transactions:

For ease of reference and to provide clarity to the shareholders, the proposed related party transactions in this postal ballot have been classified into the following categories (in addition to the new related party transactions), having regard to the nature of the transactions, the historical approvals obtained, the proposed enhancement in limits and the requirement of approval under the SEBI Listing Regulations:

Resolution Nos. 1 to 25:

Revision and further enhancement of transactions previously approved by shareholders

The transactions covered under Resolution Nos. 1 to 25 were earlier placed before and approved by the shareholders of the Company. Such approvals were obtained for the then estimated value of transactions proposed to be undertaken with the respective related parties. Annexure B set outs the limits that were previously approved and the incremental limits for which the approval of shareholders is being sought.

Notwithstanding the fact that the underlying transactions have already been approved by the shareholders, considering the Company's continued business growth, evolving commercial requirements, higher operational volumes and ongoing business needs, it is considered necessary to revise and enhance the transaction limits that were previously approved by the shareholders. Fresh shareholder approval is being sought for the revised and enhanced transaction limits set out in Resolution Nos. 1 to 25. Upon approval, the Company will be authorised to enter into, continue and/or undertake such transactions within the enhanced limits, subject to compliance with the applicable provisions of law, the SEBI Listing Regulations, the RPT Policy, and such terms and conditions as may be approved by the Audit Committee and the Board of Directors from time to time.

Resolution Nos. 26 to 50:

Transactions previously approved by the Audit Committee, now becoming material

The transactions covered under Resolutions Nos. 26 to 50 were previously reviewed and approved by the Audit Committee, based on the information placed before it as required under applicable law.

At the time the Audit Committee approved these transactions, their value was within the prescribed thresholds requiring only Audit Committee approval. However, considering the proposed increase in transaction limits and the Company's anticipated business needs, the aggregate value of such transactions, whether undertaken individually or collectively, in one or more tranches, is expected to exceed the materiality thresholds specified under Regulation 23 of the SEBI Listing Regulations and the RPT Policy. Annexure B set outs the limits that were previously approved by the audit committee and the enhanced limits for which the approval of shareholders is being sought.

Approval of the shareholders is therefore being sought under Resolutions Nos. 26 to 50 to authorise the Company to enter into, continue and/or carry out such transactions up to the proposed limits, in accordance with the applicable provisions of the Listing Regulations and the RPT Policy.

Resolution Nos. 51 to 61:

New Material Related Party Transactions approved by the audit committee being put up for shareholders' approval

4. **Categories of Related Parties**

In terms of Regulation 2(1)(zc) of the SEBI LODR Regulations, a Related Party Transaction **("RPT")** includes any transaction involving the transfer of resources, services, or obligations between a listed entity or any of its subsidiaries, on one hand, and a related party of the listed entity or any of its subsidiaries, on the other hand, regardless of whether a consideration is charged. Basis the same, in context of the Proposed RPTs, arrangement with the following will classify as an RPT for the purposes of the Company.

4.1. Wholly Owned Subsidiaries that will be converted into Group Captive SPVs, and Group Captive SPVs:

Certain SPVs are presently structured as Wholly Owned Subsidiary of the Company. In the normal course of project development under the group captive framework, SPVs mentioned in resolution nos. 17, 19, 36, 42-43, 45-48, 52-56 and 58-59 may cease to be Wholly Owned Subsidiary pursuant to the corporate customer acquiring the minimum equity stake of 26%, as legally required. Upon such transition, these SPVs would constitute related parties under Regulation 23 of the SEBI Listing Regulations. Accordingly, the Company is proactively seeking shareholders' prior approval for the proposed transactions to ensure continued compliance in the event of such changes in ownership structure. Group Captive SPV, common infrastructure SPVs are subsidiaries of the Company and therefore will classify as related parties.

4.2. Common Infrastructure SPVs:

The Company has incorporated certain SPVs for the sole purpose of owning, maintaining, and operating common infrastructure facilities, including pooling substations, transmission lines, and associated evacuation infrastructure. Company's renewable energy projects are typically developed in large solar and wind parks, which are subsequently apportioned to individual customers of SPVs. However, power generated across such parks is evacuated through shared infrastructure managed by such common infrastructure SPVs. As a result, any arrangement between the Group Captive SPVs and the common infrastructure SPVs are related party transactions. The services provided by these common infrastructure SPVs include contracts for execution of common infrastructure, common infrastructure support services and operational & maintenance services. Additionally, these common infrastructure SPVs also raise project debt and financing via ICLs, non-interest bearing perpetual debt and OCDs from the Company to fund such works.

5. **Statutory Background**

In accordance with Regulation 2(1)(zc) of the SEBI LODR Regulations, a Related Party Transaction **("RPT")** includes any transaction involving the transfer of resources, services, or obligations between a listed entity or any of its subsidiaries, on one hand, and a related party of the listed entity or any of its subsidiaries, on the other hand, regardless of whether a consideration is charged. The term "transaction" shall be construed to include a single transaction or a group of transactions forming part of a contract or arrangement.

Further, in terms of Regulation 23 of the SEBI Listing Regulations, all material related party transactions require prior approval of the shareholders through ordinary resolutions, even if such transactions are undertaken in the ordinary course of business and are at arm's length. As per the SEBI Listing Regulations, the transactions shall be considered material if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year exceeds scale-based threshold basis as prescribed in Schedule XII of the regulation. Accordingly, the Annual consolidated turnover of the Company for the financial year 2025-26 is INR 1,912.87 Crore and basis to which the materiality threshold for the Company for seeking shareholders' approval for related party transactions is INR 191.29 Crore. These limits are applicable irrespective of whether the transactions are in the ordinary course of business and/or at arm's length.

Considering the nature, volume and frequency of the Proposed RPTs, the aggregate value of such transaction(s), whether to be undertaken individually or collectively or in tranches, is expected to exceed the materiality thresholds prescribed under Regulation 23 of the SEBI Listing Regulations and the RPT Policy.

Accordingly, in the above context, resolution Nos. 1 to 61 are being placed for the approval of the Shareholders of the Company along with necessary details on the proposed RPTs provided in this Statement **("Proposed RPTs")**.

Based on the review, the Audit Committee has approved and noted that the Proposed RPTs are in the ordinary course of business of the Company and are at arm's length. The Board of

Directors has also approved and recommended Resolution Nos. 1 to 61 for the approval of the Members of the Company as ordinary resolutions, for entering into and/or continuing with the existing and proposed related party arrangements and transactions.

Also, SEBI vide its circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated 26 June 2025, has introduced the Industry Standards on "Minimum information to be provided for review of the audit committee and shareholders for approval of a related party transaction" **('Standards')** to facilitate a uniform approach and assist listed companies in complying with the provisions of Regulation 23 of the SEBI Listing Regulations read with the SEBI Master Circular no. SEBI/HO/CFD/PoD2/CIR/P/0155 dated 11 November 2024 **('SEBI Circular')**. The Standards inter alia requires listed entity to provide minimum information, in specified format, relating to the proposed RPTs, to the Members while seeking approval. The details as required under the Standard are set out in **Schedule 1** of this statement.

The Audit Committee has also reviewed the certificate provided by the Managing Director and the Chief Financial Officer of the Company, as required under the Standards.

Members may note that, in terms of the provisions of the SEBI Listing Regulations, all related parties (whether or not they are a party to the aforesaid transactions) shall abstain from voting for the relevant resolutions. None of the Directors or Key Managerial Personnel of the Company or their relatives, except to the extent of their shareholding, if any, in the Company, are in any way concerned or interested, financially or otherwise, in the proposed ordinary resolutions set out at item nos. 1 to 61 of this Notice.

All the amounts mentioned in this document are in crore.

The Board of Directors recommends the ordinary resolutions for approval by the Members.

SCHEDULE 1

MINIMUM INFORMATION TO BE PROVIDED TO THE AUDIT COMMITTEE AND SHAREHOLDERS FOR APPROVAL OF RELATED PARTY TRANSACTIONS AS PER RPT INDUSTRY STANDARDS FOR THE RESOLUTIONS 1 TO 61

PART A

A (1) - Basic Details of the Related Party

S. No.	Particulars of the Information	Information provided by the management
1.	Name of the related party	*Please refer to* ***Annexure A***
2.	Country of incorporation of the related party	*Please refer to* ***Annexure A***
3.	Nature of business of the related party	*Please refer to* ***Annexure A***

A(2) - Relationship and Ownership of the Related Party

S. No.	Particulars of the Information	Information provided by the management
1.	Relationship between the listed entity/subsidiary (in case of transaction involving the subsidiary) and the related party – including nature of its concern (financial or otherwise) and the following:	*Please refer to* ***Annexure A***
1a.	Shareholding of the listed entity/ subsidiary (in case of transaction involving the subsidiary), whether direct or indirect, in the related party.	*Please refer to* ***Annexure A***
1b.	Where the related party is a partnership firm or a sole proprietorship concern or a body corporate without share capital, then capital contribution, if any, made by the listed entity/ subsidiary (in case of transaction involving the subsidiary).	NA
1c.	Shareholding of the related party, whether direct or indirect, in the listed entity/ subsidiary (in case of transaction involving the subsidiary).	*NA*

A(3) - Details of previous transactions with the Related Party

S. No.	Particulars of the Information	Information provided by the management
1.	Total amount of all the transactions undertaken by the listed entity or subsidiary with the related party during the financial year 2025-26.	*Please refer to* ***Annexure B***
2.	Total amount of all the transactions undertaken by the listed entity or subsidiary with the related party in the current financial year up to the quarter immediately preceding the quarter in which the approval is sought.	*Please refer to* ***Annexure B***
3.	Any default, if any, made by a related party concerning any obligation undertaken by it under a transaction or arrangement entered into with the listed entity or its subsidiary during the last financial year.	NA

A(4) - Amount of the Proposed Transactions

S. No.	Particulars of the Information	Information provided by the management
1.	Amount of the proposed transactions being placed for approval in the meeting of the Shareholders.	Please refer to **Annexure C** for the aggregate maximum amount of the Proposed RPTs with each of the related parties and **Annexure E** for maximum amount of each category of proposed RPT with the relevant related party disclosed individually. Please note that the aggregate amounts for the related party transactions reflect different categories of transactions, including EPC project costs, the financing instruments that fund those same projects, and recurring profit and loss items, each of which is counted separately as different legs of the same underlying projects. While the same project may contribute to multiple related party transaction categories (EPC, guarantee, and ICL), this does not mean that the Company has separate financial commitments of the size of the amounts mentioned in **Annexure C**, for each category.
2.	Whether the proposed transactions taken together with the transactions undertaken with the related party during the current financial year would render the proposed transaction a material RPT?	Yes, the transactions with related parties in the current financial year (i.e. 2026-27) are expected to cross materiality thresholds.

S. No.	Particulars of the Information	Information provided by the management
3.	Value of the proposed transactions as a percentage of the listed entity's annual consolidated turnover for the immediately preceding financial year	Please refer to **Annexure C**
4.	Value of the proposed transactions as a percentage of subsidiary's annual standalone turnover for the immediately preceding financial year (in case of a transaction involving the subsidiary and where the listed entity is not a party to the transaction)	Please refer to **Annexure C**
5.	Value of the proposed transactions as a percentage of the related party's annual consolidated turnover (if consolidated turnover is not available, calculation to be made on standalone turnover of related party) for the immediately preceding financial year, if available.	Please refer to **Annexure C**
6.	Financial performance of the related party for the immediately preceding financial year (2025-26)	Please refer to **Annexure D**

A(5) - Basic details of the Proposed Transactions

S. No.	Particulars of the Information	Information provided by the management
1.	Specific type of the proposed transaction (e.g. sale of goods/services, purchase of goods/services, giving loan, borrowing etc.)	Please refer to **Annexure E**
2.	Details of each type of the proposed transaction	Please refer to **Annexure E**
3.	Tenure of the proposed transaction (tenure in number of years or months to be specified)	Please refer to **Annexure E** for the tenure of each of the Proposed RPT.
4.	Whether omnibus approval is being sought?	This is not an omnibus approval for multiple transactions. The approval is being sought for the specific related party transactions, the details of which have been provided in **Annexure E** The duration of the shareholder approval being sought is equal to the tenure of each Proposed RPT as provided in **Annexure E**

S. No.	Particulars of the Information	Information provided by the management
		Each resolution names a specific related party, specifies the nature of each transaction type, provides individual monetary caps per transaction type, discloses the transaction tenure, and has received prior Audit Committee approval. The INR amounts approved under each resolution represent maximum aggregate ceilings over the full transaction tenure — not amounts committed to be deployed in any year.
5.	Value of the proposed transaction during a financial year. If the proposed transaction will be executed over more than one financial year, provide estimated break-up financial year wise.	Please refer to **Annexure E** for details in relation to value and tenures of each Proposed RPTs. A year wise split cannot be provided even when the transactions are executed in more than one financial year, due to the following reasons: **1. EPC, O&M, and C&I:** Given the nature of the business including construction timelines, milestone-based billing, and procurement schedules are dynamic and cannot be reliably apportioned to a specific financial year at the stage of approval. However, the overall cost with the maximum cap will not change. **2. ICLs/ Perpetual debt:** A year-wise commitment for ICLs / Perpetual debt drawdowns and repayments cannot be provided because repayment is subject to the availability of funds at the SPV level, which in turn depends on PPA cashflow generation, project commissioning timelines, and debt service obligations, none of which can be precisely pre-determined at the approval stage. However, the overall commitment with the maximum cap will not change. **3. Corporate/ Bank Guarantees (CGs/ BGs) (Guarantees):** The period of continuity of a corporate guarantee cannot be determined at the stage of approval. Whilst CGs are issued in favour of project lenders at the time of loan disbursement, upon any refinancing of the underlying loan, the existing CG may fall away entirely or a fresh CG may need to be issued in favour of the incoming lender, depending on the refinancing terms. This inherent uncertainty makes a year-wise split impractical. **4. Support Fees:** Support fees represent the actual SG&A costs of the Company allocated proportionately to each subsidiary on the basis of its contribution to consolidated revenues. Since future revenues of each SPV cannot be precisely forecast year-on-year over the tenure

S. No.	Particulars of the Information	Information provided by the management
		of the contract, the year-wise allocation of support fees similarly cannot be committed to at the approval stage. **5. Sale of Power:** Transfer/sale of Power are linked to the underlying renewable power generation and may accrue and be monetized over the project tenure based on actual generation, issuance and market conditions. Hence year-wise allocation cannot be committed. **6. Sale/Lease/Sublease of Land:** This is subject to completion of commercial negotiations, fulfilment of conditions precedent, regulatory approvals and execution of definitive agreements. Accordingly, the timing of transfer and receipt of consideration cannot be determined with reasonable certainty and may span multiple financial years. Accordingly, neither the timing of transfer nor the timing and manner of receipt of consideration can be determined with reasonable certainty at this stage and may span multiple financial years. Hence, a year-wise bifurcation of the transaction value is not feasible at this stage, and approval is sought for the overall transaction value. **7. Land development charges:** The land development charges are dependent on the stage-wise progress of the project, actual development activities undertaken and related operational requirements. Since the timing and quantum of such activities may vary based on project execution schedules and business needs, the charges may be incurred over multiple financial years and cannot be accurately estimated on a year-wise basis at this stage. That said the overall charges will not exceed the maximum limits for which approval is being sought. Accordingly, approval is sought for the overall transaction value. **8. Mortgage of Assets and charges thereon:** The mortgage of fixed assets and other current assets and receivables and charges thereon is undertaken in connection with the issuance of NCDs (for an amount of INR 3000 crore) and a term loan facility of (INR 750 crore). The tenure of the NCDs and the term loan facility will be for a period of 10 years from the date of availment of the facilities. Such security may be created, modified, substituted, enhanced (within the limits approved) or released based on lender requirements and project funding needs. Since the timing and extent of such

S. No.	Particulars of the Information	Information provided by the management
		security creation depend on financing and operational requirements basis the drawdowns, the transaction may span multiple financial years and cannot be accurately apportioned on a year-wise basis. Accordingly, approval is sought for the overall transaction value/limit. **9. Transfer of material/ stock:** The transfer of material/stock is undertaken in the ordinary course of business, and the actual quantity, value and timing of transfers depend on project requirements, procurement schedules and operational needs. Accordingly, the transactions may occur in multiple tranches during the approval period, and a financial year-wise break-up cannot be reasonably estimated at this stage. **10. Cash Pooling Arrangement:** A financial year-wise break-up cannot be reliably provided as the Cash Pooling Arrangement functions as a contingent liquidity management and debt servicing mechanism amongst participating entities. The actual utilization and inter-se obligations depend on factors such as cash flow availability, debt servicing requirements, lender directions, refinancing events and operational performance of individual projects, all of which are uncertain and cannot be accurately forecast at the time of seeking shareholder approval. Accordingly, only the aggregate maximum exposure under the arrangement can be reasonably disclosed. **11. Investment in Optionally Convertible Debentures ('OCD'):** A year-wise break-up cannot be reliably estimated as the timing and quantum of investment will depend upon the actual funding requirements and project timelines of the relevant SPV. The investment may therefore be made in one or more tranches, subject to the overall approved maximum cap.
6.	Justification as to why the RPTs proposed to be entered into are in the interest of the listed entity	The Proposed RPTs are in the interest of the Company because they are the operational backbone of the Company's mandated business structure under Indian electricity law and, from the Company's business perspective, are ordinary course. The Company develops renewable energy projects under the group captive framework, which requires each captive project to be housed in a separate SPV with the prescribed ownership structure. Consequently, the establishment of project-specific SPVs and the transactions entered into with such SPVs are a legal and commercial necessity for implementation of the Company's business

S. No.	Particulars of the Information	Information provided by the management
		model and are not discretionary arrangements. The Company is one of India's largest provider of renewable energy solutions to the C&I sector. It develops projects under the group captive framework which legally requires a separate SPV for each customer project, and accordingly, the structure and quantum of the Proposed RPTs flows directly from this business model. The Proposed RPTs facilitate the development, financing, construction, operation and maintenance of renewable energy projects and enable the Company to execute its long-term contracted business while complying with the applicable legal and regulatory framework. Each transaction type generates direct commercial benefit: (i) EPC contracts are the Company's primary revenue-generating activity as master developer and contractor; (ii) O&M and support services generate recurring long-duration income streams for over 20 years post-commissioning; (iii) ICLs/ Perpetual Debt generate interest income for the Company, with ICLs/ Perpetual Debt serviced entirely from SPV cashflows over the project life; (iv) Common Infrastructure SPVs charges fee payable for common infrastructure facilities provided for the project (v) Corporate/ Bank guarantees facilitate access to project financing on competitive terms, thereby improving project viability and enabling timely execution of projects; (vi) sale/ lease/ sublease of land enables efficient monetisation of assets and unlocks value for deployment towards business operations, growth initiatives and other strategic requirements across SPVs. The transaction is expected to enhance liquidity and support optimal capital allocation in line with the Company's business objectives; (vii) Land development charges: It facilitates the development of project-related infrastructure and supports timely execution of business and operational objectives. The arrangement enables efficient project implementation and contributes to value creation for the Company and its stakeholders; (viii) Mortgage of Assets and charges thereon: Mortgage of Assets and charges thereon facilitate access to financing on competitive terms for the group as a whole and supports funding requirements for its business and project activities. The arrangement strengthens the Company's financial flexibility and enables efficient execution of its growth

S. No.	Particulars of the Information	Information provided by the management
		plans (xi) Transfer of product/material/stock facilitates efficient procurement and inventory management, optimises utilisation of resources and supports uninterrupted execution of projects and business operations. The arrangement enhances operational efficiency and enables effective management of working capital and supply chain requirements. (xii) Sale of power: sale or transfer of Power enables the Company to support its renewable energy business, meet customer and contractual requirements, and enhance the value proposition of its clean energy offerings. Such transactions facilitate monetization of environmental attributes associated with renewable energy generation and contribute to revenue generation and overall business growth, thereby serving the best interests of the Company and its stakeholders. (xiii) Cash pooling arrangements optimize liquidity management across project SPVs and support efficient debt servicing in accordance with lender requirements, thereby enhancing overall financing efficiency. (xiv) Investment in Optionally Convertible Debentures ('OCD') provides a flexible source of funding to the relevant SPV for timely development and execution of renewable energy projects, while retaining the flexibility for conversion into equity as per the agreed terms.
7.	Details of the promoter(s)/ director(s) / key managerial personnel of the listed entity who have interest in the transaction, whether directly or indirectly. a. Name of the director / KMP b. Shareholding of the director / KMP, whether direct or indirect, in the related party	None of the promoters/director(s)/Key Managerial Personnel of the Company have any direct or indirect interest in the proposed transactions, other than through their shareholding in the Company, if any.
8.	A copy of the valuation or other external party report, if any, shall be placed before the Audit Committee.	Please refer to **Annexure G** for details in relation to compliance with arm's length requirement.
9.	Other information relevant for decision making.	NA

PART B

B(1): Disclosure only in case of transactions relating to sale, purchase or supply of goods or services or any other similar business transaction and trade advances

S. No.	Particulars of the Information	Information provided by the management
1.	Bidding or other process, if any, applied for choosing a party for sale, purchase or supply of goods or services.	Bids have not been pursued due to the business model through which the Company operates. Please refer to Para 1 and para 2 of the introduction for details on the business model of the Company.
2.	Basis of determination of price.	The Proposed RPTs will be entered on an arm's length basis and the transaction price will be determined in accordance with the guidelines outlined in the (a) Related Party Transaction framework approved by the Audit Committee of the Company and (b) and Arm's Length Pricing framework ("**ALP Framework**") developed by an independent expert which is an eminent Big 4 firm, covering every transaction category with independent third-party benchmarking. Please refer to **Annexure G** for more details on the basis of determination of price of each type of Proposed RPT and the principles followed for the same.
3.	In case of Trade advance (of upto 365 days or such period for which such advances are extended as per normal trade practice), if any, proposed to be extended to the related party in relation to the transaction, specify the following: (a) Amount of Trade advance (b) Tenure (c) Whether same is self-liquidating?	(a) A trade advance is provided for the initial phase, up to 20% - 30% of the Proposed RPTs which are in relation to Engineering Procurement and Construction ("**EPC**") contract value upon signing. In accordance with the current industrial practice, the first billing occurs after the 20% - 30% completion of works, with subsequent billing for the goods and services based on the project milestones as agreed upon in the EPC contract. (b) As per the terms of the EPC contract and based on the industry practices, the trade advance is granted till 20% to 30% of the scope of work under the EPC contract is completed which usually take 10 to 12 months in most cases. (c) Yes

B(2) - Disclosure only in case of transactions relating to loans and advances (other than trade advances) or inter-corporate deposits given by the listed entity or its subsidiary

S. No.	Particulars of the Information	Information provided by the management
1.	Source of funds in connection with the proposed transaction.	The funds for the Proposed RPTs in relation to loans and advances or ICLs or perpetual debt given or OCDs subscribed by the Company or its subsidiaries, are arranged primarily through internal accruals, with a minor portion funded

S. No.	Particulars of the Information	Information provided by the management
		through borrowings (including issuance of Non-Convertible Debentures).
2.	Where any financial indebtedness is incurred to give loan, inter- corporate deposit or advance, specify the following: a. Nature of indebtedness b. Total cost of borrowing c. Tenure d. other details	a. Internal accruals and overseas borrowed fund, if any. b. Expected to be in the range of 12%–15% of the borrowing amount. c. Expected to be up to earlier of 25 years from approval or duration of underlying PPA. d. –
3.	Rate of interest at which the listed entity or its subsidiary is borrowing from its bankers/ other lenders. *Note: (1) This item of disclosure is not applicable to listed banks/ NBFCs/insurance companies/ housing finance companies. (2) Disclosure shall be made of borrowings undertaken by the listed entity with a comparable maturity profile to the loan/ICL being granted by the listed entity*.	**Domestic Transactions** The interest rate is expected to be in the range of 7%–14% per annum. The same shall be in compliance with the applicable provisions of the Companies Act, 2013. **International Transactions** The interest rate is expected to be in the range of 4%-12% per annum. The same shall be in compliance with the applicable provisions of the Companies Act, 2013.
4.	Proposed interest rate to be charged by listed entity or its subsidiary from the related party.	**Domestic Transactions** For ICL and OCDs, the interest rate is expected to be in the range of 8.65% –13% per annum and will be determined based on the tenure of the PPA, in line with prevailing industry practices and commercial considerations, including material costs. The same shall be in compliance with the applicable provisions of the Companies Act, 2013. **International Transactions** For ICLs, the interest rate is expected to be in the range of 6% - 10% per annum and will be determined based on the tenure of the PPA, in line with prevailing industry practices and commercial considerations, including material costs. The same shall be in compliance with the applicable provisions of the Companies Act, 2013. The rate of interest for these transactions proposed to be entered into for financial year 2026-27 is expected to be more or less in line of the interest rates mentioned above. Perpetual Debt will be non-interest bearing. Please also see **Annexure G** for details in relation to the arm's length policy of the Company.

S. No.	Particulars of the Information	Information provided by the management
5.	Maturity / due date	**Domestic Transactions** The transaction shall have a pre-defined tenure, with a clearly specified maturity/due date, aligned with the nature and purpose of the transaction. Please see **Annexure E** for Tenure. **International Transactions** The transaction shall have a pre-defined tenure, with a clearly specified maturity/due date, aligned with the nature and purpose of the transaction. Please see **Annexure E** for Tenure.
6.	Repayment schedule & terms	The funds shall be payable as per the availability of cash in the project SPV.
7.	Whether secured or unsecured?	Unsecured
8.	If secured, the nature of security & security coverage ratio	N.A.
9.	The purpose for which the funds will be utilized by the ultimate beneficiary of such funds pursuant to the transaction.	The SPVs utilize the funds to fund project construction costs and meet their working capital requirements.

B(3): Disclosure only in case of transactions relating to investment made by the listed entity or its subsidiary

S. No	Particulars of the Information	Information provided by the Management
1.	Source of funds in connection with the proposed transaction. Note: This item of disclosure is not applicable to listed banks/ NBFCs/insurance companies/ housing finance companies	The funds for the Proposed RPTs in relation to investments made by the Company or its subsidiaries are sourced from internal accruals generated through business operations, strategic disinvestment and issuance of Non-Convertible Debentures.
2.	Where any financial indebtedness is incurred to make investment, specify the following: a. Nature of indebtedness b. Total cost of borrowing c. Tenure d. other details Note: This item of disclosure is not applicable to listed banks/ NBFCs /insurance companies/housing finance companies	a. Domestic and overseas borrowed fund, if any. b. Expected to be in the range of 8%–10% of the borrowing amount. c. tenure of the borrowings which is maximum up to 10 years from the date of availment of the facilities. d. NA –
3.	Purpose for which funds shall be utilized by the investee company.	The funds shall be primarily utilized to fund project construction costs and meet the working capital requirements of the SPVs

S. No	Particulars of the Information	Information provided by the Management
4.	Material terms of the proposed transaction	The investments proposed are long-term investments in the OCDs of the related party pursuant to the business model. The shareholder approval is being sought for the overall OCD investment framework and the maximum transaction limits rather than for immediate conversion into a predetermined number of equity shares. The precise conversion terms would therefore be documented in the terms of issue of the relevant OCDs and determined having regard to the applicable law, valuation/pricing requirements, capital structure of the relevant SPV and the captive-user ownership requirements prevailing at the time of conversion. Accordingly, it may not be appropriate to prescribe a single conversion ratio at this stage across all SPVs because the conversion shall depend on the future milestones and events, equity valuations, etc.

B(4) - Disclosure only in case of guarantee (including performance guarantee in nature of security/contractual commitment or which could have an impact in monetary terms on the issuer of such guarantee), surety, indemnity or comfort letter, by whatever name called, made or given by the listed entity or its subsidiary.

S. No.	Particulars of the Information	Information provided by the management
1.	a) Rationale for giving guarantee, surety, indemnity or comfort letter b) Whether it will create a legally binding obligation on listed entity?	a) The Company (as EPC contractor and majority shareholder) provides corporate/bank guarantees to third-party lenders in favour of the SPVs as a standard feature of the project finance structure, given its role in constructing and operating the underlying renewable energy asset. These guarantees are secured against the underlying renewable energy asset and backed by long-term PPA cashflows from investment-grade offtakers. Please refer to para 1, 2 and 3 of the Introduction to this Explanatory Statement for detailed explanation on the business structure of the Company. b) Yes
2.	Material covenants of the proposed transaction including: (i) commission, if any to be received by the listed entity or its subsidiary; (ii) contractual provisions on how the listed entity or its subsidiary will recover the monies in case such	i. Not Applicable. ii. The Company holds management control of each SPV (as majority shareholder) and retains full operational and technical control as EPC contractor and O&M provider throughout the project life. Corporate guarantees provided by the Company to third-party lenders are secured against the underlying renewable energy assets and

S. No.	Particulars of the Information	Information provided by the management
	guarantee, surety, indemnity or comfort letter is invoked.	backed by long-term PPA cashflows with investment-grade offtakers.
3.	The value of obligations undertaken by the listed entity or any of its subsidiaries, for which a guarantee, surety, indemnity or comfort letter has been provided by the listed entity or its subsidiary. Additionally, any provisions required to be made in the books of account of the listed entity or any of its subsidiaries shall also be specified.	The value of obligation for the Company is equivalent to the amount for which corporate guarantee is being provided by it or on behalf of each of the subsidiaries which will be equal to the debt obligation of the subsidiaries with the relevant lender. Please refer to **Annexure E** for the amount of each corporate guarantee provided. No provisions required in the Books. Contingent liability is reported for Bank Guarantee and Corporate Guarantee in the financial statements of the Company.

B (6) - Disclosure only in case of transactions relating to sale, lease or disposal of assets of subsidiary or of unit, division or undertaking of the listed entity or disposal of shares of subsidiary or associate.

Sr. No	Particulars of the Information	Information provided by the Management
1	Bidding or other process, if any, applied for choosing a party for sale, lease or disposal of assets of subsidiary or of unit, division or undertaking of the listed entity.	Bids have not been pursued due to the business model through which the Company operates. Please refer to Para 1 and para 2 of the introduction for details on the business model of the Company.
2	Basis of determination of price.	The Proposed RPTs will be entered on an arm's length basis and the transaction price will be determined in accordance with the guidelines outlined in the (a) Related Party Transaction framework approved by the Audit Committee of the Company and (b) and Arm's Length Pricing framework ("**ALP Framework**") developed by an independent expert which is an eminent Big 4 firm, covering every transaction category with independent third-party benchmarking. Please refer to **Annexure G** for more details on the basis of determination of price of each type of Proposed RPT and the principles followed for the same.
3	Reasons for sale, lease or disposal of assets of subsidiary or of unit, division nor undertaking of the listed entity or disposal of shares of subsidiary or associate.	i) Sale or lease of land: it is for the purposes of the maintenance and construction of the project related farms, administrative offices etc. in the project SPVs/ the Company. The land development charges currently are incurred by the common infrastructure SPV which are later cross charged to the project SPVs/ the Company. ii) Mortgage of assets: Mortgage of assets are proposed to secure NCDs and borrowings and financing facilities availed or to be availed by the

Sr. No	Particulars of the Information	Information provided by the Management
		Company. Creation of security enables the Company to access funds on competitive terms, optimize the overall cost of borrowing, and meet financing requirements, in accordance with the applicable financing documents and legal requirements.
4	Financial track record of the subsidiary / undertaking that is being sold (in case of sale of undertaking, segment level data to be provided) during the last three financial years: (INR) Turnover Net Worth Net Profit	There is no subsidiary or undertaking being sold.
5	Expected financial impact on the consolidated turnover, net worth and net profits of the listed entity or its subsidiary due to sale of the subsidiary / undertaking. a. Expected impact on turnover b. Expected impact on net worth c. Expected impact on net profit	a. No impact b. No impact c. No impact

PART C

C (1): Disclosure only in case of transactions relating to any loans and advances (other than trade advances), inter-corporate deposits given by the listed entity or its subsidiary.

S. No.	Particulars of the Information	Information provided by the management
1.	Latest credit rating of the related party Note: Standalone rating to be provided while option to provide structured obligation rating (SO rating) and credit enhancement rating (CE rating), if any	Please refer to **Annexure F** (*The list of entities for which credit ratings are available*)
2.	Default on borrowings, if any, over the last three financial years, by the related party from the listed entity or any other person and value of subsisting default. Note: This information may be provided to the extent it is available in the public domain or as may be provided by the related party upon request.	None

S. No.	Particulars of the Information	Information provided by the management
	In addition, state the following: a) Whether the account of the related party has been classified as a non - performing asset (NPA) by any of its bankers and whether such status is currently subsisting; b) Whether the related party has been declared a "willful defaulter" by any of its bankers and whether such status is currently subsisting; c) Whether the related party is undergoing or facing any application for commencement of an insolvency resolution process or liquidation; d) Whether the related party, not being an MSME, suffers from any of the disqualifications specified under Section 29A of the Insolvency and Bankruptcy Code, 2016. Note: Past defaults that are no longer subsisting and have been cured or regularized need not be disclosed.	

C (2): Disclosure only in case of transactions relating to any investment made by the listed entity or its subsidiary

S. No.	Particulars of the information	Information provided by the management
1.	*a)* Latest credit rating of the related party *Note:* a. Standalone rating *to be provided while option to provide structured obligation rating (SO rating) and credit enhancement rating (CE rating), if any.* *b. This shall be applicable in case of investment in debt securities.*	Please refer to **Annexure F** (*The list of entities for which credit ratings are available*)
2.	Whether any regulatory approval is required. If yes, whether the same has been obtained.	No regulatory approvals are required.

C (3): Disclosure only in case of guarantee (including performance guarantee in nature of security/contractual commitment or which could have an impact in monetary terms on the issuer of such guarantee), surety, indemnity or comfort letter, by whatever name called, made or given by the listed entity or its subsidiary.

S. No.	Particulars of the Information	Information provided by the management
1.	If guarantee, performance guarantee (in nature of security/contractual commitment or which could have an impact in monetary terms on the issuer of such guarantee), surety, indemnity or comfort letter is given in connection with the borrowing by a related party, provide latest credit rating of the related party Note: a. Standalone rating to be provided while option to provide structured obligation rating (SO rating) and credit enhancement rating (CE rating), if any. b. This information may be provided to the extent it is available to the public.	Please refer to **Annexure F**
2.	Details of solvency status and going concern status of the related party during the last three financial years:	All related parties of the Company with whom transaction is proposed are its subsidiaries/associates/having significant influence and the statutory auditors have not issued any adverse remarks regarding the solvency or going concern status of these related parties. The Related Parties mentioned in Resolution Nos. 17-19, 34, 36, 42-43, 45-48, 52-56 and 58-59 were incorporated during the financial year 2026-27. Consequently, the provisions related to solvency and going concern status does not apply to this entity for the current period.
3.	The value of obligations undertaken by the listed entity or any of its subsidiaries, for which a guarantee, performance guarantee (in nature of security/contractual commitment or which could have an impact in monetary terms on the issuer of such guarantee) surety, indemnity or comfort letter has been provided by the listed entity or its subsidiary. Additionally, any provisions required to be made in the books of account of the listed entity or any of its subsidiaries shall also be specified.	The value of obligation for the Company is equivalent to the amount for which corporate guarantee is being provided by it or on behalf of each of the subsidiaries. No provisions required in the Books. Contingent liability is reported for Bank Guarantee and Corporate Guarantee. Please refer to **Annexure E** for the amount of each corporate guarantee provided.

S. No.	Particulars of the Information	Information provided by the management
4.	Default on borrowings, if any, over the last three financial years, by the related party from the listed entity or any other person. Note: This information may be provided to the extent it is available in the public domain or as may be provided by the related party upon request.	None

C (5):
Disclosure only in case of transactions relating to sale, lease or disposal of assets of subsidiary or of unit, division or undertaking of the listed entity or disposal of shares of subsidiary or associate

S. No.	Particulars of the Information	Information provided by the management
1.	Details of earlier sale, lease or disposal of assets of the same subsidiary or of the unit, division or undertaking of the listed entity or disposal of shares of the same subsidiary or associate to any related party during the preceding twelve months.	Not applicable
2.	Whether the transaction would result in issue of securities or consideration in kind to a related party? If yes, please share the relevant details.	No
3.	Would the transaction result in eliminating a segment reporting by the listed entity or any of its subsidiary?	No
4.	Does it involve transfer of key intangible assets or key customers which are critical for continued business of the listed entity or any of its subsidiary?	No
5.	Are there any other major non-financial reasons for going ahead with the proposed transaction?	No

61	GSB Energy Company Limited	Massmunch Company Limited	1. Cash Pooling	Refer Note (c)	600.00
61	GSB Energy Company Limited	Cleanmax Energy (Thailand) CO.,	1. Cash Pooling	Refer Note (c)	600.00
61	Massmunch Company Limited	Cleanmax Energy (Thailand) CO.,	1. Cash Pooling	Refer Note (c)	600.00
61	Massmunch Company Limited	GSB Energy Company Limited	1. Cash Pooling	Refer Note (c)	600.00

Note:

1. Support fees and other services does not exceed 5% of the total aggregated cost under EPC head.
2. *Includes varying value of other assets which shall be around 10% of the value of the fixed assets proposed to be mortgage.
3. #The cumulative exposure for the mortgage of assets shall not exceed the nominal value of the borrowing outstanding plus interest due.

Note (C): Tenure of RPTs

S. no.	Nature of Transactions	Tenure	Justification
1	Engineering, Procurement, and Construction Supply and Installation & Commissioning (EPC)	3 years from the earlier of the date of the approval or the date of the signing of the underlying PPA	-
2	Operations & Maintenance Services (O&M)	Earlier of 25 years from the approval or duration of the underlying PPA	Operation and Maintenance agreements are structured for the entire project life cycle and the life of the plant to ensure consistent plant performance, efficiency, and compliance with PPA obligations. Frequent renegotiation would disrupt operations and increase costs.
3	Inter-Corporate Loans (ICLs)/ Perpetual Debt	Earlier of 25 years from the approval or duration of the underlying PPA	ICLs or Perpetual Debt are aligned with project financing tenure, ensuring stable funding and repayment structures matching cash flow generation over the asset life.
4	Support Fees and other charges	Earlier of 25 years from the approval or duration of the underlying PPA	These relate to centralized services (management, technical, administrative), which are continuously required throughout the operational life of the projects, ensuring economies of scale and operational consistency.
5	Corporate/ Bank Guarantee (CG/ BG) [Guarantee]	-	Guarantees and recovery of its charges are aligned with project financing tenure.
6	Sale of Power	Earlier of 25 years from the approval or duration of the underlying PPA	Sale of power and are generated over the operational life of projects, necessitating long-term arrangements to manage certification, trading, and compliance.
7	Common Infrastructure/ Common Infrastructure Facility Charges/Common Infrastructure Services (C&I)	Earlier of 25 years from the approval or duration of the underlying PPA	Common Infrastructure agreements are structured for the entire project life cycle and the life of the plant to ensure consistent evacuation of the power from the project.
8	Sale / Lease/ Sub-lease/ of Land and Land Development charges	Sale of Land: within 3 years from the date of approval Lease/ Sub-lease and Land Development charges: Earlier of 25 years from the approval or duration of the underlying PPA	Land sale/lease and development charges are undertaken for project-related infrastructure and facilities used by the project SPVs and the Company. Such costs are cross charged by the Common Infrastructure SPV to the relevant project SPVs and the Company.

S. no.	Nature of Transactions	Tenure	Justification
9	Mortgage of Assets and charges thereon	Mortgage of Assets are aligned with the tenure of the borrowings which is maximum up to 10 years from the date of availment of the facilities, which will be within 3 years from the date of approval.	Mortgage of Assets and charges thereon are aligned with financing tenure, ensuring stable funding and repayment structures matching cash flow generation over the tenure of the borrowings.
10	Transfer of material/stock	3 years from the earlier of the date of the approval or date of the signing of the underlying PPA	projects require procurement and transfer of modules, equipment and other materials in phases based on project development schedules, construction milestones and requirements under the underlying PPA.
11	Cash pooling arrangement	25 years from the earlier of the date of the approval or the signing of the underlying PPA	Cash Pooling Arrangements are aligned with the financial structuring of projects, enabling efficient liquidity management over the lifecycle of the assets.
12	Investment in Optionally Convertible Debentures ('OCD')	25 years from the earlier of the date of the approval or the signing of the underlying PPA	The tenure is aligned with the underlying project/PPA tenure to provide stable long-term funding to the SPV and flexibility for repayment or conversion into equity based on its financial requirements and project cash flows

Annexure G
[A(5)-(8), B(1)-(2), B(2)-(4), B(6)-(2)]

1. **Arm's Length Pricing Framework**

1.1. All transactions approved or proposed under Resolutions **1 to 61** are governed by a comprehensive ALP Framework developed by an independent expert which is an eminent Big 4 firm. The ALP Framework covers every transaction category with independent third-party benchmarking. Individual transactions entered into under these approvals shall comply with the framework and will be reviewed by the Audit Committee on an ongoing basis.

1.2. In March 2026, the Company engaged a Big 4 firm to develop a detailed ALP Framework covering every transaction category proposed in this AGM Notice]. The Big 4 firm: (i) reviewed and validated the arm's length pricing workings for all transaction segments; (ii) assessed whether each transaction type is in compliance with SEBI LODR requirements and whether the pricing is consistent with what unrelated parties would agree in comparable circumstances; (iii) prepared a written ALP framework setting out the arm's length principles applicable to each transaction category, for use by the Audit Committee in reviewing individual transactions; and (iv) assessed and presented to the Audit Committee of the Board that each transaction type is at arm's length and in compliance with SEBI LODR requirements.

1.3. The arm's length principles applicable to each transaction category, as confirmed by the Big 4 firm, are set out in the table below:

Transaction Type	Arm's Length Principle	Basis of Pricing Confirmation
EPC and Sale/ Purchase of Products	The EPC contract price reflects the full cost of constructing the renewable energy asset on a turnkey basis, with a margin consistent with what an independent EPC contractor would earn on comparable projects from unrelated third parties. Similarly, the pricing of products sold/ purchased to/ from its related parties includes a margin consistent with what an independent third party would earn from its unrelated parties. Pricing is referenced against returns from similar projects carried out between two unrelated third parties. Pricing is locked at each contract execution with reference to then-prevailing market rates and third-party benchmarks (including the Company's own third-party business).	Big 4 firm benchmarking report; pricing confirmed at each contract execution.
Common Infrastructure Services	Charges for shared infrastructure (such as pooling substations and transmission lines) are allocated equitably across users based on their proportionate capacity consumption. The return earned is consistent with what an independent provider of such infrastructure services would earn from an unrelated third party.	Big 4 firm benchmarking report on the margins earned for this transaction
O&M Services	O&M fees are set at rates consistent with what an independent O&M service provider would charge for comparable renewable energy assets. Contracts include an annual escalation clause	Big 4 firm benchmarking report; annual

Transaction Type	Arm's Length Principle	Basis of Pricing Confirmation
	of up to 5% per annum, aligned with industry practice and back-to-back vendor escalation.	escalation built into contract.
Support Fees	Shared services (HR, IT, secretarial, tax support, etc.) are recharged to SPVs on an allocated cost basis with a modest markup, consistent with the principle that a centralised service provider recovers its costs plus a reasonable return. Allocation keys are equitable and based on a measurable benefit driver.	Big 4 firm benchmarking report.
Domestic - ICLs/ Perpetual Debt/ Optionally Convertible Debentures ('OCD')	ICLs and Perpetual Debt are unsecured subordinated loans whereas OCDs are primarily an unsecured subordinated debt instrument with an option to convert into equity shares. The applicable interest rate at the time of each sanction is set at a margin above the rate at which the Company can raise funds under similar debt/ instrument, referenced against prevailing market lending benchmarks (including G-Sec yields and bank lending rates). The shareholder-approved ceiling sets the maximum; actual rates are determined at each sanction in accordance with then-prevailing benchmarks.	Big 4 firm benchmarking report; rate set at each drawdown.
Overseas - ICLs	Same principles as domestic ICLs, applied with reference to international market lending rates relevant to the jurisdiction of the borrowing entity. The shareholder-approved ceiling sets the maximum; actual rates are determined at each sanction. The transfer pricing norms are complied with while arriving at these rates	Big 4 firm benchmarking report; rate set at each drawdown.
Corporate / Bank Guarantees	Guarantee fees (where charged) are in line with the rates prescribed under Indian safe harbour rules as provided in accordance with Section 167 of the Income-tax Act, 2025 ("**Safe Harbour Rules**") and are consistent with fees that independent guarantors would charge for comparable credit support. These are contingent obligations — no cash outflow unless invoked — and are supported by long-term PPA cashflows.	Safe Harbour Rules
Sale of iREC (Renewable Energy Certificates)/ Power	The price fetched by the selling entity from the third-party unrelated customers on sale of iREC is apportioned amongst the listed entity and its subsidiaries based on the FAR (Functions Assets and Risks) performed by each entity (Revenue split method). The tariff for sale of power is negotiated with the prospective group captive customers/ offtaker at a time when they are not a related party. Post negotiations and finalization of the tariff, due to the provisions of the electricity regulations, the group captive customers are mandated to hold 26% equity shares in the power producer company. Since the power consumers are actual third-party consumers, the contracted tariff is at ALP.	Big 4 firm benchmarking report; rate set at the time of agreement.

Transaction Type	Arm's Length Principle	Basis of Pricing Confirmation
Mortgage of Assets & Charge thereon	The charge created on assets/ mortgage of assets is compensated by a 1% charge of the amount of loan undertaken by the Hold Co. This is commensurate with what an independent third party would charge in an open market.	Big 4 firm benchmarking report; rate is set at the time of contract.
Sale/ Lease of Land, Land development charges and Transfer of material/ stock	1. As per the current business model, the land identified for a project is aggregated in a single entity and then transferred to respective SPVs once the SPV and the project size is finalised. This also brings in administrative convenience at the time of purchase of land from third party which would otherwise entail multiple contracts with a third party. The transferor of these assets is not adding any value to the asset and hence transferred at cost. The arms' length testing for the land is complied as the transaction value is derived from market price which is circle rate or the ready reckoner rate on which the purchase or sale is made. Hence the transaction is at ALP, even though no margins or mark up is made. 2. Similarly, leasehold land and the land development costs are aggregated/ incurred in one entity and then distributed to the respective project SPVs at cost. This also brings in administrative convenience at the time of lease of land from third party which would otherwise entail multiple contracts with a third party. The lessor of these assets is not adding any value to the asset and hence leased at cost. The arms' length testing for the lease is complied as the transaction value is derived from market price which is circle rate or the ready reckoner rate on which the lease is made. Hence the transaction is at ALP, even though no margins or mark up is made. 3. The excess/ surplus stock lying at a project site is transferred to another. The transferor of these stocks are not adding any value to the stocks and hence transferred at cost. The value of these transactions are insignificant.	Big 4 firm benchmarking report; other method; Cost to cost basis.

1.4. Because contracts are entered into on a rolling basis across the lifecycle of the programme, exact prices cannot be specified at the time of shareholder approval. However, pricing under each category is determined at the point of each individual transaction: (i) EPC pricing at contract execution, (ii) ICL rates at each drawdown, (iii) O&M rates are subject to annual escalation in accordance with the ALP Framework approved by the Big 4 firm and reviewed by the Audit Committee. The shareholder approval sets the framework and ceiling; governance of individual transactions occurs continuously through the Audit Committee. Specifically:

(i) For ICLs and loans: the applicable interest rate at the time of each sanction is determined based on then-prevailing market benchmarks consistent with the Audit Committee-approved ALP framework; the shareholder approval sets the ceiling range while actual rates are determined at each sanction.

(ii) For O&M contracts: contracts contain an annual escalation clause of up to 5% per annum, providing built-in pricing protection against cost inflation, aligned with prevailing industry practice and back-to-back escalation charged by the underlying third-party vendor.

(iii) For EPC contracts: these are fixed-price turnkey contracts. pricing is set and locked at each contract execution with reference to then-prevailing market rates and third-party benchmarks, not at the time of shareholder approval.
