Annexure 1

NAVI MUMBAI, India – November 27, 2026 – Verso Altima India Private Limited, a wholly-owned subsidiary of **Adroit Infotech Limited**, today announced that it has executed the SAP® Partner Edge® Build Master Partner Agreement, along with the SAP Partner Edge Build Cloud Schedule and the SAP Partner Edge Build on Premise Schedule, with SAP Ireland Limited.

Effective November 18, 2026, these agreements authorize Verso Altima India Private Limited to operate as an SAP Partner Edge Build partner across global territories (excluding Mainland China, and subject to applicable program guidelines and export controls). For Adroit Infotech Limited's shareholders, investors, and enterprise clients, this milestone strengthens the company's intellectual property portfolio and opens new recurring revenue channels through integrated software offerings.

Under the executed schedules, Verso Altima India Pvt Ltd is authorized to:

- Build and Integrate Proprietary IP: Develop and facilitate seamless data exchange between Verso Altima's proprietary software products and SAP cloud services or on-premise solutions.
- Deliver Bundled Enterprise Solutions: Market and resell subscriptions to SAP cloud services and licenses for SAP on-premise software as part of comprehensive, bundled solutions.
- Provide End-to-End Lifecycle Support: Deliver dedicated ongoing support to enterprise customers for distributed SAP on-premise software, backed by SAP Support.

"Executing the SAP PartnerEdge Build agreements marks a pivotal step in our strategic growth roadmap," said Naveen Naidu, Chief Executive Officer of Verso Altima India Pvt Ltd. "By combining our deep expertise in SAP implementations, managed services, and product development with the ability to bundle and integrate directly into SAP's cloud and on-premise ecosystems, we are well-positioned to drive greater value for our customers and long-term growth for our shareholders."

Adroit is a Specialist SAP Consulting and Managed Services Company, with close to two decades of experience in helping organizations significantly reduce costs and improve effectiveness and efficiency through internal process improvements using SAP products and solutions.

We have consciously focused on the Large Enterprise & Mid-Market - as our area of expertise for development. As a result, we are capable of partnering with customers right from first consultation, process analysis, and implementation - to rollouts, ongoing support, maintenance, and upgrades. Our consultants have experiences from domestic as well as international projects.

Ensuring the value of your SAP investment takes more than software. It takes Adroit Consulting and the expertise and skill we've gained over the years. With a formidable team, deep domain and technical expertise, and innovative engagement models, Adroit Infotech can provide the depth and breadth of coverage that your business demands. As a result, Adroit is a valued member of the SAP ecosystem

Verso Altima India Private Limited (Subsidiary of Adroit Infotech Limited) stands out as a premier digital transformation partner, specializing in planning, implementing, and managing comprehensive digital strategies through enterprise grade BSS / OSS solutions and services across industries such as Telecom, Cable & Media, ISP, Logistics, Retail, IoT, Hyperscalers, Toll Systems, Data Analytics & AI Core.

Headquartered in India, and collaborative centers in UK, Brazil, Thailand, Singapore, Tanzania, Indonesia, Dubai and USA, having team of 150 + experienced professional with implementation experience in 20 countries and 4 continents.
