Sub.: Information pursuant to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations')

Dear Sir / Madam,

Pursuant to Regulation 30, Regulation 33 and other applicable regulations of the SEBI Listing Regulations, this is to inform you that, the Board of Directors of the Company, at its meeting held today, i.e. Wednesday, November 25, 2026, *inter alia,* took the following decisions:

1. Approved the Audited Financial Results of the Company for the financial year ended September 30, 2026. Please find enclosed a copy of the same along with the Auditor's Report thereon which gives an unmodified opinion.

2. Recommended a dividend of Rs. 12 per Equity Share having face value of Rs. 2 each (600%) for the financial year ended September 30, 2026. The dividend, as recommended by the Board of Directors, if declared at the ensuing 3rd Annual General Meeting of the Company, would be paid from Wednesday, February 10, 2027.

Please also find enclosed Press Release issued by the Company.

The Board Meeting commenced at 4.30 p.m. (IST) and concluded at 7.38 p.m. (IST).

Kindly take the same on record.

Yours faithfully,
For **Siemens Energy India Limited**

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Siemens Energy India Limited

Report on the Audit of Financial Results

Opinion

1. We have audited the accompanying Annual Financial Results of Siemens Energy India Limited (the "Company") for the year ended September 30, 2026 and the Statement of Assets and Liabilities as on that date and the Statement of Cash Flows for the year ended on that date, attached herewith, which are included in the accompanying 'Statement of Audited Financial Results for the quarter and year ended September 30, 2026' (together referred to as the "Financial Results") being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations") which has been digitally signed by us only for identification purposes.

2. In our opinion and to the best of our information and according to the explanations given to us, the Financial Results:

   (i) are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and

   (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards prescribed under Section 133 of the Companies Act, 2013 (the "Act") and other accounting principles generally accepted in India, of net profit and other comprehensive income and other financial information of the Company for the year ended September 30, 2026 and the Statement of Assets and Liabilities and the Statement of Cash Flows as at and for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Results' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Board of Directors' Responsibilities for the Financial Results

4. These Financial Results have been prepared on the basis of the Annual Financial Statements. The Company's Board of Directors are responsible for the preparation and presentation of these Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company and the Statement of Assets and Liabilities and the Statement of Cash Flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Financial Results by the Directors of the Company, as aforesaid.

5. In preparing the Financial Results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

6. The Board of Directors of the Company are responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of the Financial Results

7. Our objectives are to obtain reasonable assurance about whether the Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Results.

8. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

   - Identify and assess the risks of material misstatement of the Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

   - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Results, including the disclosures, and whether the Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

9. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

10. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

11. The Financial Results include the results for the quarter ended September 30, 2026 being the balancing figures between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year, which were subject to limited review by us.

Notes:

1 a) The Scheme of Arrangement between the Company and Siemens Limited and their respective shareholders and creditors, was approved by the Board of Directors of the Company and Siemens Limited on 14 May 2024, at their respective meetings, providing for the demerger of Siemens Limited's Energy Business to the Company in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (the "Scheme").

b) During the quarter ended 31 March 2025, the Scheme has been approved by the Hon'ble National Company Law Tribunal, Mumbai Bench ("NCLT") vide its Order dated 25 March 2025. The Scheme was made effective on 25 March 2025; in terms of the Scheme, the Appointed Date of the Scheme is 01 March 2025.

2 On 25 March 2025, the Board of Directors of the Company and Siemens Limited, took on record the sanction of the Scheme by the NCLT and mutually fixed the record date as 07 April 2025 for the purpose of determining the shareholders of Siemens Limited who shall be entitled to receive the equity shares of the Company.

3 During the year ended 30 September 2025, pursuant to the Scheme and applicable laws of India, stamp duty, transfer fees and other registration charges are payable by the Company on the transfer of the title of immovable properties / leasehold land from Siemens Limited to the Company. Accordingly, the Company had recorded a provision of Rs. 546 million towards these expenses.

4 On 14 April 2025, the Company has allotted 356,120,505 equity shares having face value of Rs. 2 (Rupees Two) each to the shareholders of Siemens Limited as on the record date, pursuant to the Scheme. Further, upon the aforesaid allotment of equity shares by the Company, the entire pre-Scheme paid-up share capital of the Company of Rs.100,000 consisting of 50,000 equity shares having face value of Rs. 2 (Rupees Two) each held by Siemens Limited stands cancelled and reduced, without any consideration, as an integral part of the Scheme.

5 The equity shares of the Company were listed on BSE Limited and the National Stock Exchange of India Limited on 19 June 2025.

6 On 21 November 2025, the Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws, collectively referred to as the 'New Labour Codes'. In accordance with Ind AS 19 'Employee Benefits', changes to employee benefit plans arising from legislative amendments are treated as plan amendments, requiring immediate recognition of past service cost in the Statement of Profit and Loss. The Company has assessed and disclosed the incremental impact of these changes on the basis of best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India.

The implementation of new Labour Codes has resulted in an incremental impact of Rs. 353 million and Rs. 166 million on the provision for gratuity and compensated absences, respectively, which is due to the changes in the wage definition. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact under "Exceptional Items" in the Statement of Audited Financial Results for the quarter and year ended 30 September 2026.

The Company continues to monitor the finalization of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

7 The figures for the quarter ended 30 September, 2026 are the balancing figures between audited figures in respect of the full financial year and the unaudited nine months figures reported by the Company.

8 The Board of Directors have proposed a final dividend of Rs. 12 per equity share in the meeting held on 25 November 2026, which is subject to approval of the members of the Company in the ensuing Annual General Meeting.

9 The above Audited Financial Results were reviewed and approved by the Audit Committee and Board of Directors at their meetings held on 25 November 2026.

A year of growth and momentum

FY2026 was a year of strong momentum for Siemens Energy India Limited, as the company continued to deliver profitable growth while strengthening its position as a focused energy technology company. The company secured significant orders across transformers, switchgears,

substations, grid stabilization, industrial steam turbines and services, while expanding its presence in export markets.

India's growing electricity demand, driven by rapid electrification, industrial expansion and increasing integration of renewable energy, continue to create significant opportunities across the energy value chain. To support this growth, SEIL is making strategic investments to expand its manufacturing footprint. During the year, the company progressed capacity expansion at its large power transformer facility in Kalwa and high-voltage switchgear facility in Chhatrapati Sambhajinagar, while announcing an investment of INR 2,060 crore to add approximately 30,000 MVA of large power transformer capacity, further reinforcing its commitment to Make in India and to serving growing demand in India and global markets.

Importantly, as a company that considers safety as its license to operate, the company closed FY2026 with zero fatalities and zero lost time injuries. Sustainability remains at the core of its operations, with 100% renewable energy[1] (across all manufacturing locations), zero waste to landfill, zero liquid discharge (across manufacturing locations) and 46% reduction in Scope 1&2 GHG emissions against 2019 baseline.

On the people front, SEIL achieved 18.15% gender diversity that extends across all job families. Continuous learning is at the heart of people's growth strategy, with the company offering an average of 39.5 learning hours per employee. The company also launched CSR programs in STEM education, environmental sustainability, and skilling, opening up pathways for employees to contribute meaningfully to societal good.

Commenting on the Q4 FY2026 results, Guilherme Mendonca, Managing Director and Chief Executive Officer, Siemens Energy India Limited (SEIL), said: *"We closed FY2026 on a strong note, with Q4 reinforcing the momentum we built throughout the year. Annual revenue crossed INR 100 billion and our order backlog reached a record INR 203.6 billion, giving us a strong foundation for continued growth. Equally significant, we completed FY2026 with zero fatalities and zero lost time injuries. This reflects our strong safety culture and reinforces our belief that sustainable business performance must go hand in hand with the health and safety of our people. These results demonstrate the relevance of our portfolio and our ability to execute consistently as India's energy landscape transforms at an unprecedented pace. As we enter FY2027, our priorities remain clear: continue focus on people safety, execute our strong backlog with discipline, sustain profitable growth and create long-term value for our customers, shareholders and the country."*
