Finkurve Financial Services Ltd. – Press Release

Receives Rs. 30 Crore Towards Exercise and Conversion of Share Warrants

Mumbai, November 23, 2026: Finkurve Financial Services Limited (BSE: 508954), among leading Tech-First Gold Loan NBFC, announced today that it has received Rs. 30 crore towards the balance subscription amount and conversion of share warrants allotted earlier under its preferential issue.

In May 2025, the Company had issued 51,28,105 share warrants at an issue price of Rs. 78 per warrant, having received 25% (Rs. 9.99 crore) upfront, with the remaining 75% payable upon exercise and conversion within 18 months. With the receipt of Rs. 30 crore, these warrants are being converted into equity shares, further strengthening the Company's net worth and capital base.

The additional equity capital will support Finkurve's ongoing business expansion, technology investments, and growth across its gold loan and allied lending portfolios.

Commenting on the development, Mr. Priyank Kothari, Executive Director said:

"Exercising and converting these warrants reflects the promoters' deep, long-term conviction in Finkurve's business fundamentals and multi-year growth trajectory looking well beyond short-term volatility. This commitment reinforces our capital runway as we scale our tech enabled gold loan franchise across India, expand distribution, and deepen phygital execution. It also gives us greater agility to invest in platform capabilities and partner ecosystems while maintaining disciplined capital allocation across our lending verticals."

About Finkurve Financial Services Limited (Arvog):

Finkurve Financial Services Limited (NSE: FINKURVE; BSE: 508954), also known by its brand name Arvog, is a non-banking financial company (NBFC) registered with the Reserve Bank of India (RBI) as a non-deposit-taking, Middle-layer NBFC. Established in 1984 as Sanjay Leasing Ltd., the Company obtained its NBFC license in 1998 and was acquired by the Promoters in the year 2010.

Finkurve focuses primarily on gold loans, which forms the majority of its Assets under Management (AUM), positioning it as a leading gold loan NBFC. The Company also offers personal loans expanding its financial solutions through partnerships with fintech companies.

Finkurve also has a strategic tie-up with Augmont Goldtech, India's largest fully integrated gold platform, serving as a one-stop destination for all gold-related needs. With a growing presence across India, Finkurve remains committed to providing accessible, technology-driven financial services to a broad customer base. **For more details, please visit,** www.arvog.com
