# Hexaware Receives Guidewire 2026 Consulting Partner Outstanding Market Growth Award—EMEA

**November 26, 2026** — Hexaware Technologies [NSE: HEXT], an AI-first digital and IT services company, today announced it has received the 2026 Consulting Partner Outstanding Market Growth— EMEA award from Guidewire at Guidewire Connections 2026 in Las Vegas.

The award recognizes Hexaware's contributions to customer success and its role in helping property and casualty (P&C) insurers accelerate transformation across the EMEA region. According to Guidewire, the recognition reflects Hexaware's commitment to improving customer experiences and its contributions to the broader Guidewire ecosystem.

"We are honored to receive the 2026 Consulting Partner Outstanding Market Growth - EMEA award from Guidewire," said **Shantanu Baruah, President & Global Head - Healthcare, Life Sciences & Insurance and Head - North America (Hunting), Hexaware**. "This recognition is a testament to the successful outcomes we have delivered for insurers across Europe through our deep insurance expertise, AI-first innovation, and unwavering focus on customer success. By combining the strength of the Guidewire platform with Hexaware's domain knowledge and transformation capabilities, we help insurers modernize with confidence, improve operational performance, and create lasting business value. We thank our customers and Guidewire for their continued trust and look forward to driving the next phase of innovation together."

“Hexaware’s strong momentum across EMEA reflects a sustained commitment to expanding their Guidewire practice, deepening customer relationships, and delivering meaningful outcomes for insurers,” said **Carolee Dagenais, Vice President, Global Consulting Partners, Guidewire**. “We congratulate the team on this well-deserved achievement and look forward to building on our shared success.”

As a long-standing Guidewire consulting partner, Hexaware helps insurers modernize core operations, accelerate cloud adoption, and deliver transformation initiatives across policy, billing, and claims operations. The company continues to invest in Guidewire capabilities, insurance-focused solutions, and AI-powered services that help insurers improve operational efficiency, enhance customer experiences, and achieve business outcomes at scale.

**About Hexaware**

Hexaware is a global technology and business process services company driven by a singular purpose: to create smiles through great people and technology. Our Zero Friction Enterprise™ approach combines AI innovation with human expertise to remove the technological and operational barriers that slow business progress. Globally, we help enterprises reduce complexity, accelerate transformation, and create lasting business value.
