PRESS RELEASE

Hindustan Foods Announces ₹100 Crore Greenfield Investment in Tamil Nadu under its Home & Personal Care Division

New Greenfield facility in Tamil Nadu to strengthen HFL's manufacturing capabilities in Home Care

Mumbai, November 26, 2026: Hindustan Foods Limited (HFL), a leading player in contract manufacturing for the FMCG and consumer goods sector, announced an investment of approximately **₹100 crore** to set up a new greenfield manufacturing facility in Tamil Nadu for Home Care Liquid products.

The investment reaffirms HFL's focus on expanding its manufacturing capabilities and strengthening its presence across key product categories.

The proposed greenfield facility in Tamil Nadu will further enhance HFL's manufacturing capabilities in Home Care. The investment is aimed at catering to evolving customer requirements and supporting the growing demand for home care products. The project also reflects the Company's continued focus on building manufacturing capacity in partnership with leading consumer brands.

This investment is in addition to the ₹400 crore of ongoing investments communicated at the end of Q2 FY27.

With this announcement and the other projects, the Company's gross block is expected to increase from ₹1,961 crore as of September 2026 to ₹2,447 crore by the next financial year.

Anand Khurana, President, Home and Personal Care, Hindustan Foods Limited, commented:

"This ₹100 crore investment is a significant step in our FY27 capex plan and underlines our commitment to building manufacturing capacity in the Home and Personal Care segment. This investment reflects the confidence we have in this category and in our ability to execute.

Home care is a category where consumer needs are evolving and demand continues to grow. Our new greenfield facility in Tamil Nadu will strengthen our capabilities in Home Care and help us respond to the changing requirements of our partner brands with greater scale, flexibility and consistency.

At Hindustan Foods, our approach has always been to grow alongside leading consumer brands by creating manufacturing capacity that supports their long-term plans. This facility is the next step in that journey. We remain focused on disciplined capital allocation, operational excellence and quality, and we look forward to delivering value to our partners, customers and shareholders."

About Hindustan Foods Limited

HFL was founded in 1984. The Company offers dedicated and shared manufacturing services to FMCG corporates who are looking to minimize costs while maximizing product quality in the post-GST environment.
