EXPLANATORY STATEMENT

(Statement setting out material facts under Section 102 of the Companies Act, 2013)

Item No. 4

The Members of the Company at their Twentieth AGM held on September 24, 2016 had approved the appointment of Mr. Shivaji Akhade as Managing Director till September 30, 2021 and approved his remuneration as given in the resolution for three years starting from October 1, 2016 to September 30, 2019.

The Company was not regular in repayment of its debts or interest in the preceding financial year of the appointment of Mr. Shivaji Akhade as Managing Director due to difficult financial conditions and therefore the conditions as mentioned in Section II of Part II of Schedule V of the Act could not be met and hence the Company was required to obtain prior approval of Central Government for payment of remuneration as per the requirement of section 197 (3) of the Companies Act, 2013.

Pursuant to MCA Notification No. 2922 (E) dated September 12, 2016, the Central Government amended the Schedule V of the Companies Act, 2013, and now the Section II of Part II of Schedule V says that in case of a default in repayment of any of its debts or debentures or interest payable thereon for a continuous period of thirty days in the preceding financial year before the date of appointment of such managerial person, the Company can pay the remuneration to its managerial person without obtaining the approval of Central Government provided the Company obtains prior approval from secured creditors for the proposed remuneration and the fact of such prior approval having been obtained is mentioned in the explanatory statement to the notice convening the general meeting and comply with the other requirements of Schedule V.

Accordingly, the Company has obtained prior approval from secured creditor whose repayment has been defaulted for payment of the proposed remuneration for three years with effect from October 1, 2016 to September 2019 to Mr. Shivaji Akhade, Managing Director of the Company and therefore the Company can pay him remuneration without obtaining the approval of Central Government.

It may be noted that there has been no change in the remuneration structure as was approved by the members of the Company at their twentieth AGM held on September 24, 2016.

Mr. Shivaji Akhade has been in office as a Director since inception of the Company. During his tenure, the Company has made considerable progress in all the spheres and acquired reputation in the Industry. He has contributed immensely in the growth of the Company and achieving the turnover of ₹ 627.57 million from the dot. Keeping in view that Mr. Shivaji Akhade has rich and varied experience in the industry and has been involved in the operations of the Company since inception it would be in the interest of the Company to approve his remuneration as proposed in the resolution.

The Nomination and Remuneration Committee ("the Committee"), at its meeting held on May 26, 2017 has recommended to the Board to make the payment of remuneration retrospectively from October 1, 2016 to September 30, 2019 with the approval of secured creditor(s) and the Board of the Company has approved the same in their meeting held on May 27, 2017. This explanatory statement may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Act.

Information as required under Schedule V Part II Section II (B) (iv) of the Act and other details are given below at Item no. 6.

In view of the amended provisions of Schedule V of the Act, the Board is seeking approval of shareholders for payment of remuneration without obtaining the approval of Central Government which was required in the Twentieth AGM. The Board commends passing the said resolution as a Special Resolution.

None of the Directors, Key Managerial Personnel or their relatives except Mr. Shivaji Akhade and Mr. Sudhir Mungase are interested or concerned, financially or otherwise in the Resolution set out at item no. 4.

Item No. 5

The Members of the Company at their Twentieth AGM held on September 24, 2016 had approved the appointment of Mr. Sudhir Mungase as Whole-time Director till September 30, 2021 and approved his remuneration as given in the resolution for three years till September 30, 2019.

The Company was not regular in repayment of its debts or interest in the preceding financial year of the appointment of Mr. Sudhir Mungase as Whole-time Director due to difficult financial conditions and therefore the conditions as mentioned in Section II of Part II of Schedule V of the Act could not be met and hence the Company was required to obtain prior approval of Central Government for payment of remuneration as per the requirement of section 197 (3) of the Companies Act, 2013.

Pursuant to MCA Notification No. 2922 (E) dated September 12, 2016, the central government amended the Schedule V of the Companies Act, 2013, and now the Section II of Part II of Schedule V says that in case of a default in repayment of any of its debts or debentures or interest payable thereon for a continuous period of thirty days in the preceding financial year before the date of appointment of such managerial person, the company can pay the remuneration to its managerial person without obtaining the approval of Central Government provided the Company obtains prior approval from secured creditors for the proposed remuneration and the fact of such prior approval having been obtained is mentioned in the explanatory statement to the notice convening the general meeting and comply with the other requirements of Schedule V.

Accordingly, the Company has obtained prior approval from secured creditor whose repayment has been defaulted for payment of the proposed remuneration for three years with effect from October 1, 2016 to September 2019 to Mr. Sudhir Mungase, Whole-time Director of the Company and therefore the Company can pay him remuneration without obtaining the approval of Central Government.

It may be noted that there has been no change in the remuneration structure as was approved by the members of the Company at their twentieth AGM held on September 24, 2016.

Mr. Sudhir Mungase has been in office as a Director since inception of the Company. During his tenure, the Company has made considerable progress in all the spheres and acquired reputation in the business. Keeping in view that Mr. Sudhir Mungase has rich and varied experience in the industry and has been involved in the operations of the Company since inception. It would be in the interest of the Company to approve his remuneration as proposed in the resolution.

The Nomination and Remuneration Committee ("the Committee"), at its meeting held on May 26, 2017 has recommended to the Board to make the payment of remuneration retrospectively from October 1, 2016 to September 30, 2019 with the approval of secured creditor(s) and the Board of the Company has approved the same in their meeting held on May 27, 2017.

This explanatory statement may also be read and treated as disclosure in compliance with the requirements of Section 190 of the Act.

Information as required under Schedule V Part II Section II (B) (iv) of the Act and other details are given below at Item no. 6.

In view of the amended provisions of Schedule V of the Act, the Board is seeking approval of shareholders for payment of remuneration without obtaining the approval of Central Government which was required in the Twentieth AGM. The Board commends passing of the said resolution as a Special Resolution.

None of the Directors, Key Managerial Personnel or their relatives except Mr. Sudhir Mungase and Mr. Shivaji Akhade are interested or concerned, financially or otherwise in the Resolution set out at item no. 5.

Item No. 6

The Members are informed that at the AGM dated 31st July, 2014, the Members of the Company had approved the appointment of Mr. Umesh Chavan as an Executive Director & CEO for 5 years with effect from June 25, 2014, till June 24, 2019 and approved his remuneration for three years till June 24, 2017.

The Nomination and Remuneration Committee, at its meeting held on May 26, 2017 recommended to the Board the remuneration payable to Mr. Umesh Chavan as an Executive Director and CEO for the remainder period i.e. till June 24, 2019. While deciding remuneration the Committee considered financial position of the company, trend in the industry, Mr. Umesh Chavan's qualification, experience, past performance, etc. and the Nomination and remuneration policy of the Company and recommended the Board to pay the existing remuneration as prescribed in the Resolution w.e.f. June 25, 2017 till June 24, 2019. The Board has approved the above remuneration at its meeting held on May 27, 2017.

The Company was not regular in repayment of its debts and interest in the preceding financial year of the appointment of Mr. Umesh Chavan as Executive Director and CEO due to difficult financial conditions and the amended Schedule V of the Companies Act, 2013 vide MCA Notification No. 2922 (E) dated September 12, 2016, provides that in case of a default in repayment of any of its debts or debentures or interest payable thereon for a continuous period of thirty days in the preceding financial year before the date of appointment of such managerial person, the company can pay the remuneration to its managerial person without obtaining the approval of Central Government provided the Company obtains prior approval from secured creditors for the proposed remuneration and the fact of such prior approval having been obtained is mentioned in the explanatory statement to the notice convening the general meeting and comply with the other requirements of Schedule V.

Accordingly, the Company has obtained prior approval from secured creditors whose repayment have been defaulted for payment of the proposed remuneration to Mr. Umesh Chavan, Executive Director and CEO of the Company with effect from June 25, 2017 till June 24, 2019 and therefore the Company can pay him remuneration without obtaining the approval of Central Government.

In the view of the above statements, it is requested to the Members to pass a Special Resolution to approve the remuneration payable to Mr. Umesh Chavan for a period starting from June 25, 2017 to June 24, 2019.

None of the Directors Key Managerial Personnel or their relatives, except Mr. Umesh Chavan are interested or concerned, financially or otherwise in the Resolution.

The Board commends passing of the said resolution as a Special Resolution.

III.	**Other information:**			
1	Reasons of loss or inadequate profits	The Company is predominantly in Automotive Sector and the products which are being manufactured by the Company are exclusively for industrial use and as such there is no independent market of its final products. Thus the Company's performance is wholly dependent on the performance of automobile industries to whom the Company supplies. Auto sector has witnessed of economic slowdown and now going through the recovery phase. Sluggish Market condition has also hit the Major Automobile Customers of the Company and hence has incurred losses during last three Financial Years. Demonetisation has also hit the consumer demand for Automobile sectors to certain extent.		

2	Steps taken or proposed to be taken for improvement	In order to improve profitability on sustainable basis, the Company is taking/considering following major steps: a) Improving financial positions of the Company through debt restructuring and other corporate actions. b) Cost saving and improving substantial operational efficiency by consolidating existing manufacturing facilities. c) Diversifying the customer base. d) Business arrangement or re-organization such as diversification from Automotive to Non-Automotive sectors, set up of joint venture, takeover, merger etc. e) Disposal of investment and surplus assets generated as a result of consolidation of plants f) Focus on international market through greater geographical penetration, as overall margins in exports are better than domestic market.
3	Expected increase in productivity and profits in measurable terms	Considering the steps taken by the Company and proposed to be taken and growing markets and lower inflation & interest rates, growth in other manufacturing & service sectors, the Company is hopeful to overcome the losses and turnaround to its earlier days.

Details related with number of meetings of the Board attended during the financial year 2016-17 by Mr. Shivaji Akhade, Managing Director, Mr. Sudhir Mungase, Whole-time Director and Mr. Umesh Chavan, Executive Director & CEO and their other directorships and membership/ chairmanship of committees of other boards are given in Corporate Governance Report which forms part of this Annual Report.

Item No. 7

The Company is going through liquidity crisis at present and to support its increased business volume and financial requirements the Company needs infusion of long term funds. In view of the same the Board at its meeting held on August 26, 2017, subject to necessary approval(s), has approved the proposal for raising funds by way of issue of fresh equity shares on preferential basis to mobilize funds for working capital requirements, repayment of loans (including conversion) as may be identified by the Board of the Company, funding current/future expansion plans/activities and general corporate purposes.

Disclosures/Information as required under Regulation 73 of the SEBI ICDR Regulations and The Companies Act, 2013 read with Rule 13 of the Companies (Share Capital and Debenture) Rules, 2014 and Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 for Preferential Issue are as under:

1) **Object of the preferential issue:** To mobilize funds for working capital requirements, repayment of loans (including conversion) as identified or may be identified by the Board of the Company, funding current/future expansion plans/ activities and general corporate purposes.

   Further, one of the proposed allottee is JM Financial Asset Reconstruction Company Limited (hereinafter referred as JMF ARC) who is one of the lender of the Company, under restructuring of its loan, an amount of loan of ₹ 8,15,39,946 will be adjusted against issue of 1006666 equity shares on preferential basis to JMF ARC. This will result in substantial reduction of loan availed from JMF ARC, strengthening of the financial position and increase in net worth of the Company.

2) **The total number of shares to be issued:** The Board intends to offer, issue and allot upto 59,75,800 (Fifty Nine Lakh Seventy Five Thousand and Eight Hundred) equity shares of the Company, having face value of ₹ 10/- (Rupees Ten) each, at a price of ₹ 81/- (Rupees Eighty One Only) per equity share or at such price as may be determined as on Relevant Date in accordance with Regulation 76(1) of the SEBI ICDR Regulations, whichever is higher (Issue Price).

3) **The price or price band at/within which the allotment is proposed:** The issue price is ₹ 81/- (Rupees Eighty One Only) per equity share (including premium of ₹ 71/- per share at present) or such price as may be determined as on Relevant Date in accordance with Regulation 76(1) of the SEBI ICDR Regulations, whichever is higher.

   Since the Company is listed on BSE Limited ("BSE") and National Stock Exchange of India Limited ("NSE"), the trading price of securities of the Company on both the stock exchanges is taken into consideration for determining the pricing of securities to be allotted on preferential basis. The issue price of ₹ 81/- (Rupees Eighty One only) per share, is higher than the price estimated by the management of the Company as per the relevant price on the BSE and NSE. The final price shall be determined on the Relevant Date (i.e. August 29, 2017) which in any case would not be less than ₹ 81/- per equity share (including premium of ₹ 71/- per share) by taking into consideration the prices quoted on BSE and NSE (any of the Stock Exchange in which the highest trading volume in the equity shares of the Company has been recorded during the preceding twenty six weeks prior to the relevant date) being higher of followings (in terms of Regulation 76(1) of the SEBI ICDR Regulations):

   (a) The average of the weekly high and low of the volume weighted average prices of the equity shares of the Company quoted on the recognised stock exchange during the twenty six weeks preceding the relevant date; or

   (b) The average of the weekly high and low of the volume weighted average prices of the related equity shares quoted on a recognised stock exchange during the two weeks preceding the relevant date.

4) **Basis on which the price has been arrived at along with report of the registered valuer:** Not Applicable as the issue price is/will be arrived at in accordance with Regulation 76 (1) of the SEBI ICDR Regulations.

5) **Relevant date with reference to which the price has been arrived at:** The Relevant Date in terms of Regulation 71 of the SEBI ICDR Regulations for determination of price is August 29, 2017, being a date which is 30 days prior to the date on which the meeting of shareholders be held to consider the proposed preferential issue.

6) **The class or classes of persons to whom the allotment is proposed to be made:** The allotment is proposed to be made to the Promoter(s), Investor(s) and to one of the lender of the Company, their holding details are mentioned at disclosure no. 9 below.

7) **The Proposal of the Promoters, directors or key management personnel to subscribe to the offer:** Mr. Shivaji Akhade, Managing Director and Mr. Sudhir Mungase, Whole-time Director belonging to the promoter group will be subscribing to 10,49,382 and 5,55,555 equity shares respectively on preferential basis. Except for these proposed allottees none of other promoters, directors or key management personnel of the Company intend to subscribe to any equity shares pursuant to this preferential issue.

8) **The time within which the preferential issue shall be completed:** The Company will issue and allot equity shares to Proposed Allottees within a period of 15 (fifteen) days from the date of passing of special resolution, provided that where permission by any regulatory authority or the Central Government for allotment is pending, the period of 15 (fifteen) days shall be counted from the date of approval or permission, as the case may be.

9) **The identity of the Proposed Allottees, the percentage of post issue capital that may be held by the Proposed Allottees:**

PERFORMANCE REVIEW (CONSOLIDATED BASIS)

- Revenue from operations (Net) ₹ 3552.86 Million (Previous Year ₹ 3111.16 Million).
- Operating EBIDTA (Earnings before Interest, Financial Charges, Depreciation and Tax & Amortization) decreased from ₹ 76.30 Million to ₹ 38.51 Million.
- Profit before Tax (PBT) decreased from ₹ (389.02) Million to ₹ (829.61) Million.
- Profit after Tax (PAT) decreased from ₹ (390.33) Million to ₹ (703.98) Million.

During the year under review your Company has registered 14.20% growth in standalone revenue from operation with sales turnover of ₹ 3,552.36 Million (net of excise duty). Your Company earned this growth after recording year on year decline in previous continuous four years and this rise gestures towards the Company's commitment and ability to sustain and grow in the challenging time. Unfortunately the bottom line of the Company is still in red with net loss of ₹ 693.63 Million as compared to the previous year's loss of ₹ 385.93 Million. The net loss of the Company increased substantially as against previous year mainly because of negative contribution from extraordinary and exceptional items and insufficient working capital due to continuous cash loss since last four years which effected the performance of the Company significantly.

The Company's efforts are well underway to maximize the profits and value of stakeholders by undertaking financial and operational restructuring, implementing cost cutting measures, improving operational efficiency by consolidation of business, diversification of products as well as customers etc. and outturn of the same shall be visualized in couple of years.

Since the Company has incurred loss during the year under review the Company does not propose to transfer any amount to reserves.

DIVIDEND

In view of loss incurred during the year under review, the Board of Directors do not recommend dividend for the financial year 2016-17. No dividend was declared in the previous year.

STATE OF THE COMPANY'S AFFAIRS AND BUSINESS OVERVIEW

The automobile sector in India has come a long way. The automobile industry is one of India's major sectors and rapidly growing with embracing the advance and state of art designs and technologies. Automobile industry witnessed a domestic consolidated growth of 5.41% in all categories of vehicles in FY 2016-17. The performance of Auto-component industry, wherein your Company operate, is completely dependent on the performance of Automobile industry and rise in Auto sales bring back growth at Auto-component industry.

Your Board is very much optimistic about the growth in automobile sector and your Company is well positioned to ride high on the growing demand of Automobile. Your Company has well organized manufacturing set up spread out in the Country and adheres to the strict delivery schedule and supply requirements of customers and is able to supply auto components and designing /engineering services to most of the Domestic and International Original Equipment Manufacturers (OEMs) such as Tata Motors, General Motors, Volkswagen, Ashok Leyland, Ford Motors, Fiat, AMW Asia, Mahindra, Cummins, Nissan, Ashok Leyland, Daimler (Bharat Benz) etc.

Issue of fresh Equity Shares on Preferential Basis

During the year under review, your Company has issued Equity Shares on Preferential basis to the Promoters and other Investors including foreign investors. With the intention to infuse own long term funds in the Company, the Board of the Company, after obtaining the approval of members, has allotted 28,00,000 Equity Shares having face value of ₹ 10/- each at a price of ₹ 60/- each (Including premium of ₹ 50/- each) on preferential basis to the promoters and other investors of the Company in the Month of November, 2016. Thereby your Company has received long term funds to the tune of ₹ 16.80 Crores and utilized it for repayment of loans and working capital requirements. With this issue, paid up share capital of the Company has increased to ₹ 16,03,10,540/- divided into 1,60,31,054 equity shares of

₹ 10/- each. The newly allotted shares have been listed on BSE Limited and National Stock Exchange of India Limited.

Commencement of Operations at new manufacturing facilities

As reported in previous Annual Report that your Company is in the process to set up a new manufacturing facility at Chennai and Dharwad, the said facilities commenced their operations in the third quarter of Financial Year 2016-17. The customers started floating Request for Quotations (RFQs) to these facilities for new businesses.

The facility in Chennai will give comfort and sense of corporeal presence of Autoline in Chennai to new as well as existing customers and open up more business opportunities to the Company as Chennai has emerged automobile hub in India. The New facility at Dharwad is mainly to cater with the increased demand of Tata Motors.

Diversification - Products as well as Customers

Your Company experienced that over-dependence on the vehicle market does not provide sustainability during the stressed market conditions and believe to venture into non-auto sector and to diversify the customer base so as to ensure sustainability and growth in long term and increase the stakeholders' value. To tap Non-auto sector with minimum investment, the Company has identified various non-auto projects which can be started in existing infrastructure and with low investment and currently working on the project of pollution control units, railways products, defense equipment, tooling projects etc. Your Company understand that till the time lag to establish in non-auto segment and diversify the customer base the Company needs revival in sales volume of existing auto products and efforts are being taken to get minimum assured auto business from existing customers.

Change in Object clause to diversify: Your Company has taken major step towards diversification during the year under review, the Company has altered its Object clause by inserting new clause which permit the Company to carry on real estate business. The Board of the Company considered that at present the Company does not require to invest major amount to start with the real estate business and it can commence the activity with minuscule investment. The Company being a holding company of Autoline Industrial Parks Limited which holds special township project can start works related to development of the township project including but not limited to rendering consultancy, advisory and liasoning services, obtaining and dealing in all necessary approvals from concerned government and other authorities. In addition of above the Company may explore the possibility to make further investment in real estate business in the times to come.

Future Business Strategy

Your Company has been able to penetrate newer customer, product segments and diversification after continuous efforts over the last 3 years and the continuous hard endeavors is going to result award of monthly minimum committed order of ₹ 16 crores by Tata Motors Limited and with this assured additional business the Company's supply to TML will be approximately ₹ 40 Crores per month from July, 2017 onwards. This alone has the potential to touch the breakeven point. Your Company is targeting turnover of ₹ 455 Crores for FY 2017-18 and trying hard to escort bottom line in green in the year to come. Your Company is focusing on optimum utilization of underutilized existing infrastructure by grabbing the opportunity in Auto sector as well as non-auto sector. The Company's turnaround has been delayed by more than 2 years compared to projected plan due to market conditions and more particularly high dependency on single major customer. Simultaneously the monetization of township land of subsidiary company did not fructify due to overall economic environment in addition to tax implications, implementation of *Real Estate (Regulation and* Development) *Act* ("*RERA"*) and Goods and Service Tax ("GST") but the Company is now well set to materialize the township land in FY 2017-18.

In order to achieve the goals set for turnaround, the Company needs additional funds debt as well as equity and the Company is seeking debt funds from its existing bankers as well as approaching to new lenders along with structuring the existing debts. Towards this move recently the Company has taken credit facility of ₹ 49 Crores from Tata Motors Finance Solution Limited for re-organizing its existing loans of ₹ 39 Crores as well as working capital requirements.

The Company could not divest its assets as compared to previous two years wherein the Company had disposed off its assets (overseas as well as Indian) and booked income to its Profit and Loss Statement. The Company believes and experienced that consolidation would result more operational efficiency and cost savings which ultimately support the bottom line of the Company. The Company is considering consolidation of its existing two units situated in Pune to its Chakan Unit and to dispose off land and building of said units so as to achieve advantages of consolidation and reduce debt burden.

Details on future business plans, opportunities, challenges, risks etc. are given in Management Discussion and Analysis Report which forms part of this Annual Report.

SUBSIDIARIES AND THEIR PERFORMANCE:

I. **Autoline Industrial Parks Limited, Pune, India (AIPL):**

AIPL was incorporated to develop Industrial Parks, Township Projects etc. Moving towards this object AIPL has purchased a piece of land at Village Mahalunge, Taluka, Khed, District Pune (MH), India for setting up of Township under the Special Township Project (STP) of Government of Maharashtra. AIPL had received locational clearance on September 10, 2014 for the project valid for one year which the Government of Maharashtra on the application of AIPL has extended for further period i.e. upto September 10, 2017 and now AIPL is pursuing for Environment Clearance for its special township project and simultaneously working on various other activities for STP.

At present AIPL is in the process to set up Township under STP and due to the recurring expenses and non-availability of source of income during the year under review the losses increased to ₹ (1,11,36,580) in the Financial Year 2016-17 from ₹ (33,13,560) in the financial year 2015-16. Further, Profit/(Loss) after Tax (PAT) increased to ₹ (1,15,45,020) from ₹ (33,23,020) for FY 2015-16.

AIPL is working for monetization of STP and discussion is going on with one of the Pune based Developers to develop a township project on approved special township scheme at its 104 Acre land located at Mahalunge, Chakan, Pune. The ongoing discussion was supposed to reach to its conclusion during the year under review but due to, inter-alia, implementation of enacted Real Estate (Regulation and Development) Act, 2016 and GST, the execution of Joint Development Agreement is getting delayed.

During the period under review, AIPL has not contributed to the performance of the Company since there is no other activity in AIPL except to monetize the township land which is under implementation.

II. **Autoline Design Software Limited (ADSL):**

ADSL is a multifaceted, end-to-end Engineering Solutions Company that provides Engineering and Designing Software Services and Business Solutions. With the help and support of ADSL, the Company's position to its customers has improved as a provider of high end design, value engineering and mass-manufacturing capabilities that can continually innovate through process engineering, re-engineering and re-tooling to improve manufacturing efficiency. The Company is able to provide one stop complete solution to its valued customers, enabling a quick & fast response to customer from design concept to rapid prototype manufacturing. With the help of proven team of Design Engineers, Strong tool room and manufacturing backup, ADSL is exploring new business opportunities with different customers for off-shore and onsite engineering services and is confident to establish itself as an independent profit making organization.

Its Turnover stood at ₹ 18,633,613 in FY 2016-17. Profit before tax for FY 2016-17 increased to ₹ 16,49,786 from ₹ 6,02,816 for FY 2015-16. Further, Profit after Tax (PAT) increased to ₹ 16,96,642 from ₹ 6,02,816 for FY 2015-16.

III. **Koderat Investments Limited, Cyprus – (Koderat):**

In September 2008, the Company acquired 100% stake in Koderat Investments Limited "Koderat" (making it Wholly Owned Subsidiary), a Company incorporated and existing under the laws of Cyprus; acting as a Special Purpose Vehicle (SPV). Further "Koderat" acquired 49% equity share capital of "SZ Design Srl" and "Zagato Srl", Italian limited liability companies in Milan, these companies are into the business of developing, designing and providing engineering services.

The net worth of the SZ Design SRL, has been eroded due to various write offs. SZ Design Srl has been declared bankrupt by the Tribunal of Milan on January 2, 2015 and judiciary receiver has been appointed by the Bankruptcy Tribunal. The impact thereof is yet to be ascertained.

Net assets value of Zagato Srl has turned into negative due to incurring of losses in previous years and it has voluntarily declared in liquidation. Your Company is examining above matters carefully and impact thereof is yet to be ascertained. Koderat is an SPV and due to above mentioned reasons, it has not contributed directly to the performance of the Company during the year under review.

Profit/(Loss) before tax for FY 2016-17 decreased to EUR (6,220) from EUR (22,852) for FY 2015-16. Further, Profit/(Loss) after Tax (PAT) decreased to EUR (6,876) from EUR (22,852) for FY 2015-16.

A Report/Statement on the financial position of each of the subsidiaries of the Company pursuant to Rule 8 (1) read with Rule 5 of Companies (Accounts) Rules, 2014 in Form AOC-1 is annexed as "Annexure -A" and forms a part of this Annual Report.

EXTRACT OF ANNUAL RETURN

The extract of the Annual Return in the prescribed Form MGT-9 is enclosed as "Annexure-B" to this Annual Report.

DIRECTORS AND KEY MANAGERIAL PERSONNEL

The Board of Directors of your Company is duly constituted with adequate mix and composition of executive, non-executive and independent directors. The Board also carried out annual performance evaluation of the working of its Audit Committee, Nomination and Remuneration Committee as well as Stakeholder Relationship Committee. The Directors expressed their satisfaction with the evaluation process.

NOMINATION & REMUNERATION COMMITTEE AND COMPANY'S POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION

Your Company has duly established a Nomination and Remuneration Committee. The Committee has presented to the Board the policy with respect to appointment of directors including criteria for determining qualifications, positive attributes, independence of directors, remuneration for the directors, key managerial personnel and other senior employees etc. and thereafter the Board approved the same. The Nomination and Remuneration Policy of your Company is enclosed to this Annual Report as “Annexure-C”.

The Non-executive Directors have no pecuniary relationship or transactions with the Company. Further the Company makes no payments to the Non-executive Directors other than sitting fees which is in accordance with the provisions of the Companies Act, 2013 and the Rules made there under.

RISK MANAGEMENT POLICY

Your Directors have formed a Risk Management Committee chaired by Mr. Prakash Nimbalkar (DIN: 00109947). A Risk Management Policy is also in place. The Management has put in place adequate and effective system and resources for the purposes of risk management.

At present your company has not identified any element of risk which may threaten the existence of your company except the general and business risks as given under the para Threats, Risks and Concern in Management Discussion and Analysis Report which forms part of this Annual Report.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Your Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. To maintain its objectivity and independence, the Internal Audit function reports to the Audit Committee of the Board. The Internal Auditors/Audit Department monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company and its subsidiaries. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Company has constituted CSR Committee in accordance with the requirement of the Companies Act, 2013 and composition of CSR Committee is given in the Corporate Governance Report of the Company.

The Company has incurred losses during previous four financial years and hence the provisions of Section 135 of the Companies Act, 2013 with respect to CSR activities are not applicable to your Company. The Company usually performs its social responsibility towards society and people by donating in orphanages, schools etc. and extending its support to needy people.

ENVIRONMENT, HEALTH AND SAFETY

Your Company is committed to provide a safe, secure and healthy workplace and always endeavor to enhance safety measures in the workplace. All the Plants of the Company have been certified for TS 16949. All plants are especially focused on the wellness initiative.

During the year, the approach to safety has been further strengthened in all operations of your Company. Regular safety drills and safety audits are conducted at all plants. The requisite training is provided to the employees about Safety.

There is a continued focus on tracking of “near miss” incidences which has resulted not only in reduction of reportable accidents but even in first aid injuries and non-reportable accidents. Safety competitions, presentations on safety kaizens, mock drills, etc. are conducted for achieving a safe and healthy work environment.

AUDIT COMMITTEE

Your Company has established an Audit Committee whose composition and other details are mentioned in the Corporate Governance Report.

The Audit Committee, on a regular basis, gives its recommendation to the Board. The Board gives due consideration to those recommendations. There have been no instances of recommendations given by the Audit Committee not being accepted by the Board during the year under review.

AUDITORS

STATUTORY AUDITORS

M/s. A.R. Sulakhe & Co. Chartered Accountants (FRN 110540W) who are the statutory auditors of your Company, hold office, in accordance with the provisions of the Companies Act, 2013 up to twenty third Annual General Meeting of the Company and whose appointment is subject to ratification by the Members at every Annual General Meeting and at a remuneration as may be decided by the Board. They have confirmed their eligibility for being Auditors of the Company under the Companies Act, 2013 and that they are not disqualified.

Auditors' Report:

The Notes on financial statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments.

SECRETARIAL AUDITORS

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, M/s. KANJ & Associates, Company Secretaries, Pune, a firm of Practicing Company Secretaries, were engaged by the Board of the Company for the purposes of Secretarial Audit for the year ended March 31, 2017.

Secretarial Audit Report in terms of Section 204 (1) is enclosed as "Annexure D".

The Secretarial Auditors in their Secretarial Audit Report have observed that:

FOREIGN EXCHANGE MANAGEMENT ACT, 1999

1. The Company has not filed Annual Performance Report of its wholly owned subsidiary Koderat Investments Limited, Cyprus for the financial year, 2015-16. Thus to that extent it has not complied with Regulation 15 of the Foreign Exchange Management (Transfer or Issue of Any Foreign Security) Regulations, 2000.

   Comments by the Board of Directors: Koderat Investment Limited is acting as special purpose vehicle and acquired 49% stake of "SZ Design SRL" and "Zagato SRL" Italian Limited Liability companies and these companies are into liquidation/ bankruptcy stage and the audited accounts of these companies for the relevant period were not released and made available to us and therefore the Audit of Accounts for Koderat Investment Limited for the financial year 2015-16 is yet not completed and Annual Performance Report has not filed. The Company will file the same immediately after receipt of Audited Accounts of Koderat Investment Limited.

2. In the financial year 2014-15, the Company had disinvested its entire investment in Autoline Industries Inc., USA, a wholly owned subsidiary. However the Company filed part IV of Form ODI reporting such disinvestment as per the Foreign Exchange Management (Transfer or Issue of Any Foreign Security) Regulations, 2000 with the Authorised Dealer on 15th April, 2017 which is beyond the period stipulated under FEMA Notification 120/RB-2004 dated July 7, 2004 as amended.

   Comments by the Board of Directors: The Company was in process of changing the authorised dealer with RBI, the formalities regarding the same took time and caused the unanticipated delay in filing of Part IV of Form ODI.

   As reported by the Secretarial Auditors, the Company has filed the Part IV of Form ODI on April 15, 2017.

INTERNAL AUDITORS

Your Company had appointed M/s. Ketan H. Shah & Associates, Chartered Accountants, Pune as Internal Auditors for the financial year 2016-17 and Internal Auditors have completed the internal audit for said period. Further, the Company has re-appointed them as Internal Auditors for financial year 2017-18 under Section 138 of the Companies Act, 2013.

VIGIL MECHANISM / WHISTLE BLOWER POLICY

Your Company has a vigil mechanism in the form of Whistle Blower Policy (WBP) to deal with instances of fraud and mismanagement, if any. The details of the Whistle Blower Policy is explained in the Corporate Governance Report and also posted on the website of the Company.

LOANS, GUARANTEES AND INVESTMENTS BY COMPANY

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

DEPOSITS

Your Company has not accepted any deposits from the public falling within the ambit of Section 73 under chapter V of the Companies Act, 2013 and The Companies (Acceptance of Deposits) Rules, 2014.

RELATED PARTY TRANSACTIONS

All related party transactions, that were entered into during the financial year were on an arm's length basis and were in the ordinary course of business. There were no materially significant related party transactions made by the Company with Promoters, Directors, Key Managerial Personnel or other designated persons and their associates /relatives which could have a potential conflict with the interest of the Company at large.

All the Related Party Transactions were approved by the Audit Committee. The Audit Committee has also granted omnibus approval for related party transactions that were repetitive in nature by following the requirements as laid down in the Companies Act, 2013 and Rules made thereunder and Clause 23 (3) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company has not entered into any transactions with related parties during the year under review which require reporting in Form AOC-2 in terms of Companies Act, 2013 read with Companies (Accounts) Rules, 2014. The policy on Related Party Transactions and the Policy on Determination of Material Subsidiaries as approved by the Board are also uploaded on your Company's website.

MATERIAL CHANGES AND COMMITMENTS OCCURRED DURING APRIL 1, 2017 TILL THE DATE OF THIS REPORT WHICH WOULD AFFECT THE FINANCIAL POSITION OF YOUR COMPANY

With reference to Stock Purchase Agreement dated December 23, 2014 ("SPA") entered into by the Company with CJ Holdings North America, LLC ("CJ Holdings") for selling of its entire holding in its Overseas Subsidiaries i.e. Autoline Industries USA, Inc., Autoline Industries Indiana Inc. and its step down subsidiaries, CJ Holdings alleged the accuracy of certain representations and warranties in the SPA and the consummation of the transactions contemplated in

the SPA and claimed that it sustained substantial damages. After in depth study of claim and thorough discussion with US Counsel/Attorney of the Company and independent firm of CPA's, the matter was considered by the Board of Directors of the Company and after deliberation in the matter it was noted that the Company does not accept any of the allegations of CJ Holdings but considering the high likeliness that CJ Holding will recover certain amount under SPA as indemnification damages cap, high cost of litigating a lawsuit in US, uncertainty of outcome of litigation etc. the Board has approved and accepted settlement of claim for an amount of $ 1.7 million which is to be paid in installments upto June 16, 2018 subject to RBI and other necessary approvals. The Company has executed settlement agreement on April 18, 2017.

OTHER MATTERS

i. No significant or material orders were passed by the Regulators or Courts or Tribunals which will impact the going concern status and Company's operations in future.

ii. The Company has in place an Anti-Sexual Harassment Policy in line with the requirements of The Sexual Harassment of Women at the Workplace (Prevention, Prohibition & Redressal) Act, 2013. Internal Complaints Committee (ICC) has been set up to redress complaints received regarding sexual harassment. All employees (permanent, contractual, temporary, trainees) of the Company and its associates are covered under this policy.

   During the year under review, there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

iii. The Company has not issued Equity Shares with differential rights as to Dividend, Voting or Otherwise.

iv. The Company has not issued shares (including Sweat Equity Shares) to Employees of The Company under any Scheme.

v. There has not been any change in the nature of business of the Company during the year under review.

CORPORATE GOVERNANCE

As per the Regulation, a separate section on corporate governance practices followed by your Company, together with a certificate from the Company's Auditors confirming compliance forms an integral part of this Annual Report.

CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of your Company prepared in accordance with relevant Accounting Standards (AS) viz. AS 21, AS 23 and AS 27 issued by the Institute of Chartered Accountants of India form part of this Annual Report.

Nomination and Remuneration Policy

1. **DEFINITIONS**

   a) **Act** means the Companies Act, 2013 and the rules framed thereunder including any modifications, amendments, clarifications, circulars or reenactment thereof.

   b) **Policy** means Nomination and Remuneration Policy.

   c) **"Senior Management"** shall mean personnel of the company (which include persons engaged as retainer or on contractual basis) and who are members of its core management team excluding Board of Directors comprising all members of management one level below the executive directors, including the functional heads.

      Explanation 1: In case of any dispute whether a person is member of senior management or not, decision of concerned Executive Director shall be final.

      Explanation 2: Considering the criticality of a particular function, even if a person is not covered in the above definition, the Chairman will have discretion to treat him as member of senior management for the purpose of this Policy.

   d) Unless the context otherwise requires, words and expressions used in this policy and not defined herein but defined in the Companies Act, 2013 or the Listing Agreement, as the case may be, as may be amended from time to time shall have the meaning respectively assigned to them therein.

2. **TERMS OF REFERENCE /ROLE OF COMMITTEE**

   The Terms of Reference of the Committee shall be:

   a) To identify persons who are qualified to become directors of the Board and those who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal and shall carry out evaluation of every director's performance.

   b) To ensure that the level and composition of remuneration is reasonable and is sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully.

   c) To ensure that relationship of remuneration to performance in respect of Directors, Key Managerial Personnel and employees of Senior Management is clear and meets appropriate performance benchmarks.

   d) To ensure that remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.

   e) To formulate the criteria for determining qualifications of Directors, Key Managerial Personnel and employees of Senior Management and also to determine criteria for positive attributes and independence of Directors.

   f) To formulate criteria for evaluation of every Director including Independent Director and the Board.

   g) To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation of the Board.

   h) To recommend to the Board on Remuneration payable to the Directors including sitting fees and Commission to Non-Executive Directors, Key Managerial Personnel and employees of Senior Management.

   i) To provide to Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.

   j) To devise a policy on Board diversity from time to time.

   k) To develop a succession plan for the Board and to regularly review the plan;

3. **STATUTORY POWERS OF THE COMMITTEE**

   a) The committee shall have a power to express opinion whether the Director possesses the requisite qualification for the practice of the profession, when remuneration is proposed to be paid for the services to be rendered in any other capacity and such services to be rendered are of a professional nature.

   b) Where in any financial year during the currency of tenure of a managerial person, a company has no profits or its profits are inadequate, the Committee may approve the payment of remuneration as per Section II of Part II of Schedule V to the Companies Act, 2013.

4. **COMPOSITION OF COMMITTEE**

   The company through its Board of Directors shall constitute the nomination and remuneration committee which shall comprise at least three directors, all of whom shall be non-executive directors and at least half shall be independent. Chairman of the committee shall be an independent director.

   Provided that the chairperson of the company (whether executive or non-executive) may be appointed as a member of the Nomination and Remuneration Committee but shall not chair such Committee.

5. **CHAIRPERSON**

   a) The Chairperson of the Committee shall be an Independent Director.

   b) In the absence of the Chairperson, the members of the Committee present at the meeting shall choose one of the Independent Director amongst them to act as a Chairperson.

   c) The Chairman of the Nomination and Remuneration Committee meeting shall endeavor to be present at the Annual General Meeting.

6. **FREQUENCY OF MEETINGS**

   The meetings of the Committee shall be held at such time as and when required but at least once in six months.

7. **MISCELLENEOUS**

a) A member of the Committee is not entitled to be present when his or her own or his or her relative(s) remuneration is discussed at a meeting or when his or her or his or her relative(s) performance is being evaluated.

b) The Committee may invite Executive Directors, functional heads and outside experts, as it considers appropriate, to be present at the meetings of the Committee.

c) The Company Secretary of the Company shall act as Secretary of the Committee.

8. **AMENDMENTS**

Any amendment(s) in Clause 49 of the Listing Agreement and/or The Companies Act, 2013 and the rules framed there under, shall ipso facto apply to this policy without requiring to be approved by the Board of Directors. Any such changes shall be communicated to the Committee and the Board of Directors for effectively implementing this policy.

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March, 2017

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Autoline Industries Limited
Survey Nos.313, 314, 320 to 323, Nanekarwadi, Chakan
Taluka Khed, District - Pune, 410501

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Autoline Industries Limited (hereinafter called the company) bearing CIN: L34300PN1996PLC104510. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of Autoline Industries Limited's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2017, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by Autoline Industries Limited for the financial year ended on 31st March, 2017 according to the provisions of:

i. The Companies Act, 2013 (the Act) and the rules made thereunder;

ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 2011;

Management Discussion and Analysis Report

ECONOMIC OVERVIEW

World economic activity gained momentum in the year of 2016-17 forced by cyclical recovery in investment, manufacturing and trade. As per the forecast of International Monitory Fund (IMF) world growth is expected to rise from 3.1% in 2016 to 3.5% in 2017 and 3.6% in 2018, slightly above the October 2016 World Economic Outlook (WEO) forecast. After several quarters of lackluster growth in advanced economies, growth picked up as a result of strong domestic demand, consumer confidence, recovery in the production of both consumer durables and capital goods and cross-sector cooperation and growth.

Stronger activity and expectations of more robust global demand, coupled with agreed restrictions on oil supply, have helped commodity prices recover from their troughs. Higher commodity prices have provided some relief to commodity exporters and helped lift global headline inflation and reduce deflationary pressures. Financial markets are buoyant and expect continued policy support in China and fiscal expansion and deregulation in the United States.

Economic performance across emerging market and developing economies has remained mixed. Global growth forecast is expected to increase marginally beyond 2018, reaching 3.8 percent by 2022. This pickup in global activity comes entirely from developments in emerging market and developing economies, where growth is projected to increase to 5 percent by the end of the forecast period.

In emerging and developing Asia, growth is projected to remain robust and in India, the growth forecast for 2017 has been trimmed by 0.4% to 7.2%, primarily because of the temporary negative consumption shock induced by cash shortages and payment disruptions from the recent demonetization initiative. India's growth prospects are favorable, with growth forecast to rise to about 8% by the end of 2020 due to the implementation of key reforms, loosening of supply-side bottle- necks and appropriate fiscal and monetary policies.

Forecast of good monsoon throughout the country again this current year is and will be a driver of India's economic growth. India witnessed an above normal rainfall during the year 2016-17, thus rural economy's base strengthened. According to the Economic Survey of India 2017-18, India registered a robust growth of 7.1 per cent in the year 2016-17, the year which is impacted of demonetization initiatives of Government of India and the same trend of increase is expected to continue in the upcoming year, i.e. 2017-18, projected at 7.5 per cent; thus becoming the fastest growing major economy in the world.

India's exports appear to be recovering, based on an uptick in global economic activity. This is expected to continue in the aftermath of the US elections and expectations of a fiscal stimulus. Consumption is expected to receive a boost from two sources: catch-up after the demonetisation-induced reduction in the last two quarters of financial year 2016-17; and cheaper borrowing costs, which are likely to be lower in financial year 2017-18.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Your Company operates in the automotive sector. It manufactures a range of sheet metal components and assemblies/sub-assemblies for the Automobile Industry and is a Tier One auto components supplier. Being an interlinked sector, it is more prone to demand fluctuations and economic problems. In the year under review, the demonetisation move by the Government and then the ban on sale of BS III engines and vehicles by the Apex court shocked the automobile sector. Several automobile companies loaded with big inventory; which in turn resulted into low production.

The Indian auto industry is one of the largest in the world. The industry accounts for 7.1% of the country's Gross Domestic Product (GDP). The Two Wheelers segment with 81 % market share is the leader of the Indian Automobile market owing to a growing middle class and a young population. Moreover, the growing interest of the companies in exploring the rural markets further aided the growth of the sector. The overall Passenger Vehicle (PV) segment has 13% market share.

India is also a prominent auto exporter and has strong export growth expectations for the near future. In April-March 2017, overall automobile exports grew by 1.91%. In addition, several initiatives by the Government of India and the major automobile players in the Indian market are expected to make India a leader in the Two Wheeler (2W) and Four Wheeler (4W) market in the world by 2020.

Indian Automobile Industry (Performance during FY 2016-17)

Production

The industry produced a total 25,316,044 vehicles including passenger vehicles, commercial vehicles, three wheelers, two wheelers and quadricycle in April-March 2017 as against 24,016,599 in April-March 2016, registering a growth of 5.41 percent over the same period last year.

Domestic Sales

The sales of Passenger Vehicles grew by 9.23% in April-March 2017 over the same period last year. Within the Passenger Vehicles, Passenger Cars, Utility Vehicles and Vans grew by 3.85%, 29.91% and 2.37% respectively during April-March 2017 over the same period last year.

The overall Commercial Vehicles segment registered a growth of 4.16% in April-March 2017 as compared to the same period last year. Medium & Heavy Commercial Vehicles (M&HCVs) grew by 0.04% and Light Commercial Vehicles grew by 7.41% during April-March 2017 over the same period last year.

Three Wheelers sales declined by 4.93% in April-March 2017 over the same period last year. Passenger Carrier sales declined by 8.83% and Goods Carrier sales grew by 12.75% in April-March 2017 over April-March 2016.

Two Wheelers sales registered a growth at 6.89% during April-March 2017 over April-March 2016. Within the Two Wheelers segment, Scooters, Motorcycles and Mopeds grew by 11.39%, 3.68% and 23.02% respectively in April-March 2017 over April-March 2016.

Exports

In April-March 2017, overall automobile exports declined by 4.50%. While Passenger Vehicles and Commercial Vehicles exports registered a growth of 16.20% and 4.99% respectively, exports of Three Wheelers and Two Wheelers declined by 32.77% and 5.78% respectively in April-March 2017 over April-March 2016.

Your Company's prime customer's performance

Tata Motors Limited (TML): Commercial vehicle segments of TML witnessed muted demand due to weak replacement demand, subdued freight demand from industrial segment, which took further hit post demonetization, and lower than

expected buying ahead of the implementation of BS IV. M&HCV segment witnessed a fall of 2.2% Y-o-Y and LCV segment witnessed a fall of 6.1% Y-o-Y. Passenger vehicles segment grew by 44.3% Y-o-Y with Car segment growth of 42.8% Y-o-Y and UVs (including Vans) segment growth of 51.7% Y-o-Y, on the back of continued strong response to the Tiago and the launch of Tata Hexa and Tata Tigor. Exports de-grew by 8.7% Y-o-Y.

The Cumulative sales (including exports) of Tata Motors Ltd. for Financial Year 2016-17 were 542,323 nos. (All vehicles), higher by 5.98% over 511,712 vehicles, sold last year. Contribution to the sales by commercial vehicles i.e. LCV is 38.69% and M&HCV is 32.31%.

Auto Ancillary Industry:

The Indian auto-components industry can be broadly classified into the organised and unorganised sectors. The organised sector caters to the Original Equipment Manufacturers (OEMs) and consists of high-value precision instruments while the unorganised sector comprises low-valued products and caters mostly to the aftermarket category and Tier One, Tier Two and Tier Three auto components supplier to some extent. The Indian auto-components industry has experienced healthy growth over the last few years. Some of the factors attributable to this include a buoyant end-user market, improved consumer sentiment and adequate liquidity in the financial system.

OPPORTUNITIES & STRENGTHS

India's automotive industry is one of the most competitive in the world. Although automotive Sector is reaching towards accounting for 40% of Indian manufacturing still India remains one of the most under-penetrated markets for Automobile, with passenger vehicle ownership of less than 15 per 1000 people. Therefore there is huge latent demand for mobility and there are millions of Indians aspiring to own their first car, or motorcycle.

By 2026, India is expected to be the third largest automotive market by volume in the world. The emergence of large automotive clusters in the country: Delhi-Gurgaon-Faridabad in the north, Mumbai-Pune-Nashik-Aurangabad in the west, Chennai- Bengaluru-Hosur in the south and Jamshedpur-Kolkata in the east gives multiple location choice to the national as well as multinational OEMs to set up their project.

Major Developments and Investments in India

A stable government framework, increased purchasing power, large domestic market and an ever increasing development in infrastructure have made India a favourable destination for investment.

The initiatives taken by Government of India such as highway development, progressive regulations and tax reforms including proposed implementation of GST are ensuring the growth for Automobile sector.

- Government of India aims to make automobiles manufacturing the main driver of 'Make in India' initiative, as it expects passenger vehicles market's growth to triple to 9.4 million units by 2026, as highlighted in the Auto Mission Plan (AMP) 2016-26.
- A strong support from the government in the setting up National Automotive Testing and R & D Infrastructure Project (NATRiP), the largest and one of the most significant initiatives in Automotive sector so far, represents a unique joining of hands between the Government of India, a number of State Governments and Indian Automotive Industry to create a state of the art Testing, Validation and R&D infrastructure in the country. The Project aims at creating core global competencies in Automotive sector in India and facilitate seamless integration of Indian Automotive industry with the world as also to position the country prominently on the global automotive map.
- In the Union budget of 2015-16, the Government has announced plans to provide credit of ₹ 850,000 crore (US$127.5 billion) to farmers, which is expected to boost sales in the tractors segment.
- The Government of India plans to introduce a new Green Urban Transport Scheme with a central assistance of about ₹ 25,000 crore (US$ 3.75 billion), aimed at boosting the growth of urban transport along with low carbon path for substantial reduction in pollution, and providing a framework for funding urban mobility projects at National, State and City level with minimum recourse to budgetary support by encouraging innovative financing of projects.
- The deregulation of FDI in this sector has also helped foreign companies to make large investments in India.
- The Government plans to promote eco-friendly cars in the country i.e. CNG based vehicle, hybrid vehicle, and electric vehicle and also made mandatory of 5 per cent ethanol blending in petrol.
- The government has formulated a Scheme for Faster Adoption and Manufacturing of Electric and Hybrid Vehicles in India, under the National Electric Mobility Mission 2020 to encourage the progressive induction of reliable, affordable and efficient electric and hybrid vehicles in the country.

Investments in India: Global car majors have been ramping up investments in India to cater to growing domestic demand. These manufacturers plan to leverage India's competitive advantage to set up export-oriented production hubs.

During the year under review, Automobile sector received USD 1453 Millions in FDI Equity inflows. In order to keep up with the growing demand, several auto makers have started investing heavily or in the investing process in various segments of the industry. Few of them are as under:

- Electric car maker Tesla Inc. is likely to introduce its products in India sometime in the mid of 2017.
- South Korea's Kia Motors Corp is close to finalising a site for its first factory in India, slated to attract US$1 billion (₹ 6,500 crore) of investment. It is deciding between Andhra Pradesh and Maharashtra. The target for operationalising the factory is the end of 2018 or early 2019.
- Several automobile manufacturers, from global majors such as Audi to Indian companies such as Maruti Suzuki and Mahindra & Mahindra are exploring the possibilities of introducing driverless self-driven cars for India.
- BMW plans to manufacture a local version of below-500 CC motorcycle, the G310R, in TVS Motor's Hosur plant in Tamil Nadu, for Indian markets.
- China's biggest automobile manufacturer, SAIC Motor, plans to invest US$ 1 billion in India by 2018 and is exploring possibilities to set up manufacturing unit in one of three states – Maharashtra, Andhra Pradesh and Tamil Nadu.
- Suzuki Motorcycle has started exports of made-in-India flagship bike Gixxer to its home country of Japan, which will be in addition to current exports to countries in Latin America and surrounding countries.

- FIAT Chrysler Automobiles has recently invested US$280 million in its Ranjangaon plant to locally manufacture Jeep Compass, its new compact SUV which will be launched in India in August 2017.

THREATS

Impact of Government policy and regulatory changes

The Country recently seen that the Hon'ble Supreme Court imposed a total ban on sale of vehicles under all segments having engines not compliant to BS IV Emission standards. The ban on sale of BS III vehicles and demonetization shocked the automobile sector. Several automobile companies are now loaded with big inventory due to the above; which in turn resulted into low sale especially in rural area given the higher cash transactions in rural areas than urban areas and consequently low production. The change in government policies, taxes and regulatory restriction etc. may have some impact on sales figures for certain time span.

Impact of foreign markets

Economic growth of foreign markets also influences the Indian economy and automobile market, a slower than expected global economic recovery or a significant financial disruption could have a material adverse effect on the Company's business and its operations. Any fluctuation/ change in the Foreign policies is a threat which cannot be ignored.

Threats from Competitors

The presence of multinational players in the Automobile sectors lead to extensive competition. Our competitors include automotive component manufacturing companies, sheet metal suppliers and other medium sized units and they might be able to adversely affect our growth and financial results depending on their geographical presence, strong financials, longer operating histories etc.

Increase in input prices and other factors

The Company also faces threat of not being able to cope with the changes in the prices of raw materials, exchange fluctuation, growth in other manufacturing, service and agricultural sector etc.

Fall in the performance of any of its Subsidiary/ Joint venture Companies may have an impact on the Company's operations

The Company has made substantial investments in its subsidiary companies/associates. Any deterioration in the performance of such subsidiary companies/associates may have an impact on the Company's financial performance.

Notwithstanding various challenges, the industry's long-term prospects remain bright and threats can be mitigated to certain extent by adopting latest technology, well financial planning, upgrading to cope with the expected change in policies, contributing in electric and hybrid vehicles market and its manufacturing eco-system.

OUTLOOK AND STRATEGY

In most of advanced economies, the pace of activity is expected to accelerate on account of continued demand support and well-targeted structural reforms to lift supply potential in most of the countries and leading further by broaden economic opportunities across the globe. India's economy has grown at a strong pace in recent years owing to the implementation of critical structural reforms, favorable terms of trade, and trust on stable Government.

The rapidly globalising world is opening up newer avenues for the transportation industry, Indian auto-component makers are well positioned to benefit from the globalisation of the sector as exports potential could be increased by up to four times to US$ 40 billion by 2020.

The Indian Automotive Industry has made great strides over the past two decades, sufficient to be noticed at a global level to be counted as major auto manufacturing hub. In terms of global rankings in manufacturing output, it is presently second largest in two wheelers, eighth largest in commercial vehicles, sixth largest in passenger cars and largest in tractors. With an annual production of 25.31 million vehicles of which 3.47 million were exported in FY 2016-17. Indian Auto market has the potential to dominate the Global auto industry, provided, a conducive environment is created for potential innovators to come up with new pilot projects.

Prospect of the auto components industry for 2017-18 looks better as increased vehicle demand would convert into increased revenue for the components industry.

Automotive Mission Plan: 2016-26 is collective mission of Government of India and the Indian Automotive Industry on where the Vehicles, Auto-Components and tractor industries should reach over the next ten years in terms of size, contribution to India's development, global footprint, technology, competitiveness, institutional structure and capabilities. It further envisages that the government and the Indian Automotive industry will work together to address all the key issues to take India to its rightful position in the global auto industry's sweepstakes. AMP 2026 will help Indian Automotive industry to focus on its strengths and improve its competitiveness in select segments and establish its 'Right to Win' on the global stage. By 2026, India could stand first in the world in production/sale of small cars, two-wheelers, tractors and buses, third in passenger vehicles and heavy trucks, all adding up to 12 % contribution to National GDP.

Ramp up of Capacity Utilisations

The Company is targeting optimum utilization of its installed capacity since the domestic market has recovered and export demand continues to trend upwards. Parallely your company is working meticulously to diversify its business and exploring possibilities to enter into joint venture to capture the global market in auto as well non-auto sector.

Over the years, your Company has built a strong product portfolio and developed high end design and value engineering capabilities. Your Company is an integrated 'Art to Part' or 'Concept to Delivery', Company with capability right from Styling, Designing (CAD), Proto typing, Analyzing CAE (Computer Aided Engineering), Crash Worthiness, NVH, CFD, etc., Tooling (Computer Aided Manufacturing) and finally Mass Manufacturing. The above accomplishment out-turn your Company's ability to manufacture and supply approx. 250 parts to a single customer.

Fund Raising/Cost Saving

In the recent past negative cash flow has led to lack of availability of liquid funds. As such, for the purposes of expansion and diversification customer wise as well as product wise, operational repayment of term loans and overall improvements, low cost funds need to be infused in the Company. Your Company's efforts fructify in the year of 2016-17 wherein your company has raised ₹ 16.80 Crores

by way of allotment of equity shares on preferential basis to promoters and investors including foreign investors. Now, your Company is exploring possibilities to raise debt as well as equity funds in organic and inorganic manner for working capital requirements, expansion, diversification, loan repayments and other general corporate purposes.

The Cost saving initiatives are being taken on regular basis and the Company has been able to achieve satisfactory cost savings with the task of supplier rationalization, inventory management, system improvement, revising credit periods etc. In the year under review, the Company has focused more on overall cost reduction and value creation. The company has availed services of external agency for reduction in manufacturing costs. This has proved to be a good solution on cost reduction and thereby increasing revenue. Redundant, unnecessary expenditures were discovered and eliminated.

RISK AND CONCERNS

Raw Material Prices: Availability of raw materials at reasonable price is challenge for Auto ancillary industry and higher rate of custom duty lead to increase the domestic price of raw materials. This makes the inputs expensive for the domestic component manufacturers. For your Company, increase in the price of raw materials especially steel are passed through so there is a limited impact on the profitability.

Disruption of Global Trade, Capital Flows: Disruption of demand/ trade and capital flow in the advance economies and emerging countries will impact on the performance of other economies in the highly interconnected international trade and financial system. A failure to complete the global reform agenda and allowing regulatory fragmentation across borders would also hurt countries in particular emerging market economies. Direct risk to your Company is very miniscule since your company has very low overseas exposure financial as well as trade.

Liquidity crunch: Auto Ancillary Industry requires high amount of capital and for which a proper cash flow is required to be maintained in order to perform the operations efficiently and effectively. Negative growth, increased cost of borrowed funds, declined sales, volatile markets, increased fuel and oil prices have resulted into a severe liquidity crunch in the auto ancillary and automotive industry in past and this risk cannot be avoided in future.

Technological Changes: New technology is arriving every day. To be successful, one has to be updated and well versed with the latest manufacturing technologies. The changing technologies have led to a shortening of the life cycle of new vehicles. The government is entrusting for faster adoption and manufacturing of Electric and Hybrid vehicles in India. The Company has to install automated machines and robots to cope with demand, new advent electric and hybrid vehicles and also to compete. AUDITORS' CERTIFICATE

REGARDING COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE

To,
The Member(s) of
Autoline Industries Limited

We have examined the compliance of the conditions of Corporate Governance by Autoline Industries Limited for the year ended March 31, 2017, as stipulated in Regulation 17 to 27, 46 (2) (b) to (i) and other relevant provisions as specified in the Regulations 15 (2) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the period April 1, 2016 to March 31, 2017 (collectively referred to as the 'Corporate Governance Requirements').

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned 'Corporate Governance Requirements'.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To The Members of Autoline Industries Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Autoline Industries Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2017; the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, a summary of significant accounting policies and other explanatory information.

Management's responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143 (10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2017 and its loss and cash flows for the year ended on that date.

EMPHASIS OF THE MATTER

Without qualification, we draw your attention to the following:-

Sub Note to Note No. 9 of the standalone financial statements states that no provision of diminution in value of investment amounting to ₹ 32.89 Crores in subsidiary Koderat Investments Limited (Cyprus), has been made in accounts, the note is self-explanatory and since the matter is subjudice with Italian courts, the management has not taken any effect in these standalone financial statements. In the given circumstances, we are unable to express our opinion on the matter.

Report on Other Legal and Regulatory Requirements

1) As required by the Companies (Auditor's Report) Order, 2016 issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, (hereinafter referred to as the "the Order") and on such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the order.

2) As required by Section 143 (3) of the Act, we report that:-

   a) we have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Autoline Industries Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting, issued by the "Institute of Chartered Accountants of India" (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both applicable to an audit of Internal Financial Control and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Company's Internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, however company is required to strengthen its financial control for obtaining balance confirmations from trade receivables & payables based on "the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India" (ICAI).

NOTES FORMING PART OF THE FINANCIAL STATEMENTS AS AT MARCH 31, 2017.

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 Company Overview

General Information

Autoline Industries Limited ('The Company') is engaged in the business of manufacturing sheet metal stampings, welded assemblies and modules for the automotive industry. The Company has nine plants in India and sells primarily in India. The Company is listed on the BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE).

Basis of accounting and preparation of financial statements

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention except for certain Fixed Assets which are carried at revalued amounts and on accrual basis except those with significant uncertainties and interest payable on delayed payment of statutory dues. Pursuant to Section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014 till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation and recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under the Companies Act, 1956 shall continue to apply. Consequently, these financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended and other relevant provisions of the Companies Act, 2013]

The Ministry of Corporate Affairs (MCA) has notified the Companies (Accounting Standards) Amendment Rules, 2016 vide its notification dated 30th March, 2016. The said notification read with Rule 3(2) of the Companies (Accounting Standards) Rules, 2006 is applicable to accounting period commencing on or after the date of notification i.e. 1st April, 2016.

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in the Revised Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – noncurrent classification of assets and liabilities.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

1.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize.

1.3 Inventories

Inventories are valued at cost on FIFO basis or net realizable value whichever is lower; cost is ascertained on the following basis:

a) Raw Material, Packing Material, Tools, Dies, Spares and Consumable are valued at cost plus direct cost incurred to bring the stock to its existing level.

b) Work in progress / Finished Goods are valued at cost of manufacturing based on cost of Raw material and labour and overheads cost up to the relevant stage of completion.

c) Tools and Dies under process have been valued on percentage completion based on estimated cost of production and development of respective tools and dies.

d) Scrap is valued at net realizable value.

e) Cost includes taxes and duties as applicable.

1.4 Depreciation

Depreciation on Tangible Assets is provided on pro-rata basis on the straight - line method Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Asset Useful Life

Building – Factory	.....	30 Years
Building - Office	.....	60 Years
Plant and Machinery	.....	15 Years
Tools & Dies	.....	15 Years
Electrical Fittings	.....	10 Years
Vehicles	.....	8 Years

Computers	.....	3 Years
Software	.....	6 Years
Office Equipments	.....	5 Years
Furniture & Fittings	.....	10 Years

Intangible assets are amortized on a straight-line basis over their estimated useful lives. A rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use is considered by the management. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

Intangible assets are amortized on a straight line basis over their estimated useful life of 6 years. Research & Development is written off over 10 years.

In case of revalued Asset the depreciation is calculated as per above method and the difference between revalued value and original value is reduced from the total Depreciation and same is also reduced from the Revaluation Reserve.

1.5 Revenue recognition

Sale of goods

Sales are recognized when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognised net of trade discounts, rebates, sales taxes and excise duties.

Price increase or decrease due to change in major raw material cost, pending acknowledgement from major customers, is accrued on estimated basis.

In contracts involving the rendering of services, revenue is measured using the proportionate completion method and are recognised net of service tax.

Other Income

Interest: Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income: Dividend income is recognized when the Company's right to receive is established by the reporting date.

1.6 Fixed Asset

Tangible Assets

Tangible Assets are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. Tools & Dies designed/ manufactured in house have been capitalized considering direct cost of the material, wages paid to tool room employees and other incidental expenses and proportionate overheads including borrowing cost related thereto.

The cost of Tangible Assets comprises its purchase price, borrowing cost if any and any cost directly attributable to bringing the asset to its working condition for its intended use.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.

Losses arising from the retirement of and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

1.7 Foreign currency transactions

Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the Statement of Profit and Loss.

1.8 Government grants, subsidies and export incentives

Government grants, subsidies and export incentives are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received.

The same is treated as revenue / capital as per the scheme framed by the Government and the same is routed through statement of Profit & Loss.

1.9 Investments

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

1.10 Employee Benefits

Provident Fund

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity

The Company provides for gratuity, a defined benefit plan (the “Gratuity Plan”) covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee’s salary and the tenure of employment. The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Compensated Absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year and are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the Statement of Profit and Loss in the year in which they arise.

1.11 Employee Stock Options

Employee Stock Options are evaluated and accounted on intrinsic value method as per the accounting treatment prescribed by Guidance Note on ‘Accounting for Employee Share –Based Payments’ issued by ICAI read with SEBI (Employee Stock Option Scheme & Employee Stock Purchase Scheme) Guidelines 1999 issued by SEBI. The excess of market value, if any, of the stock option as on the date of grant over the exercise price of the options is recognized as deferred employee compensation and is charged to the profit & loss account on vesting basis over the vesting period of the option. The un-amortized portion of the deferred employee compensation is reduced from Employee Stock Option outstanding, which is shown under Reserves & Surplus.

1.12 Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of fixed assets are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.13 Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares

are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

1.14 Taxation

Current and deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets in case of unabsorbed depreciation and carry forward business losses, as applicable, are recognized only to the extent there is virtual certainty that these will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Management reassesses unrecognized deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternative Tax

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

1.15 Impairment of assets

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

The Management periodically assesses, using external and internal sources whether there is an indication that an asset may be impaired. If an asset is impaired, the company recognizes impairment loss as the excess of carrying amount of the asset over recoverable amount.

1.16 Provisions, Contingent Liabilities

Provisions

Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made.

Provisions based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

1.17 Cash and Cash Equivalents

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

Note 31 Disclosures on Employee share based payments - (Guideline notes issued by ICAI)

a) In the 12th Annual general meeting held on 27th Sept, 2008, the shareholders approved the issue of 8,50,000 options under the Scheme titled "Autoline ESOS 2008" (ESOP A).

The ESOP allows the issue of options to Employees of the Company and it's Subsidiaary Companies (whether in India or abroad) and also to the Directors of the Company /Subsidiary Companies. Each option comprises one underlying equity share.

As per the Scheme, the Remuneration / Compensation Committee grants the options to the employees deemed eligible. The options granted vest over a period of 5 years from the date of the grant in proportions specified in the Scheme. Options may be exercised within 5 years from the date of vesting.

The difference between the fair price of the share underlying the options granted on the date of grant of option and the exercise price of the option (being the intrinsic value of the option) representing Stock compensation expense is expensed over the vesting period.

Independent Auditors' Report

To The Members of Autoline Industries Limited

Report on the consolidated financial statements

We have audited the accompanying consolidated financial statements of **Autoline Industries Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising the consolidated balance sheet as at March 31, 2017, the consolidated statement of profit and loss, the consolidated cash flow statement for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that gives a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2017 and their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of the Matter

Without qualification, we draw your attention to the following:-

Sub Note to Note No. 9 of the consolidated financial statements states that no provision of diminution in value of investment amounting to ₹ 32.89 Crores in subsidiary Koderat Investments Limited (Cyprus), has been made in accounts, the note is self-explanatory and since the matter is subjudice with Italian courts, the management has not taken any effect in these consolidated financial statements. In the given circumstances, we are unable to express our opinion on the matter.

Other Matters

We did not audit the financial statements of one foreign subsidiary Koderat Investments Limited (Cyprus) whose financial statements reflects total assets (net) of ₹ 32.89 Crores as at March 31, 2017, total revenues Nil for the year ended on that date. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the said subsidiary and our report on other legal and regulatory requirements in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited financial statements.

Our opinion on the consolidated financial statements and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

   (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

   (c) The consolidated balance sheet, the consolidated statement of profit and loss, and the consolidated cash flow statement dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

   (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

   (e) On the basis of the written representations received from the directors of the Holding Company and its Subsidiary Companies incorporated in India as on March 31, 2017 taken on record by the Board of Directors of the Holding Company and its Subsidiary Companies incorporated in India, none of the director is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

   (f) with respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and

   (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

      i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group (Refer Note No. 33 of consolidated financial statements).

      ii. The company has long-term contracts as at March 31, 2017 for which there were no material foreseeable losses. The Company did not have any derivative contracts as at March 31, 2017.

      iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and in case of its subsidiary companies incorporated in India there is no requirement of transfer of such amounts to Investor Education and Protection Fund.

      iv. The Company has provided requisite disclosures in the consolidated financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management. (Refer Note No. 34 to the financial statements).

'ANNEXURE A' TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Autoline Industries Limited as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of Autoline Industries Limited ('the Holding company') and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding company & its subsidiary companies, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

Company's Internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, however company is required to strengthen its financial control for obtaining balance confirmations from trade receivables & payables based on “the internal control over financial reporting criteria established by the Holding company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India” (ICAI).

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS AS AT MARCH 31, 2017

1. SIGNIFICANT ACCOUNTING POLICIES

1.1 **Company Overview**

General Information

Autoline Industries Limited ('The Company') is engaged in the business of manufacturing sheet metal stampings, welded assemblies and modules for the automotive industry. The Company has nine plants in India and sells primarily in India. The Company is listed on the BSE Limited (BSE) and the National Stock Exchange of India Limited (NSE).

Basis of accounting and preparation of financial statements

These consolidated financial statements comprise the financial statements of the Company and its subsidiaries (together referred to as 'the Group').

These consolidated financial statements of the Group have been prepared in accordance with the generally accepted accounting principles in India (the accounting standards notified under Indian GAAP). The Group has prepared these consolidated financial statements to comply in all material aspects with accounting principles generally accepted in India, including the accounting standards notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014. These consolidated financial statements have been prepared on an accrual basis under the historical cost convention.

The company follows mercantile system of accounting and recognizes income and expenditure on accrual basis except those with significant uncertainties and interest payable on delayed payment of statutory dues. Accounting policies not referred to otherwise are consistent with generally accepted accounting principles and trade practices.

The Group has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

The accounting policies adopted in the preparation of consolidated financial statements are consistent with those of previous year.

1.2 **Principle of Consolidation**

The financial statements of the Parent Company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, incomes and expenses after eliminating intra-group balances, intra-group transactions and unrealized profits resulting there-from and are presented to the extent possible, in the same manner as the Company's independent financial statements.

The financial statements of the Parent Company and its subsidiaries have been consolidated using uniform accounting policies for like transactions and other events in similar circumstances.

The excess of cost to the Parent Company of its investment in each of the subsidiaries over its share of equity in the respective subsidiary, on the acquisition date, is recognized in the financial statements as 'Goodwill On Consolidation' and carried in Balance Sheet as an asset, whereas the share of equity in the subsidiary companies as on the date of investment, is in excess of cost of investment of the company, it is recognized as 'Capital Reserve on Consolidation' and shown under the head Reserves and Surplus, in the consolidated financial statements.

Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the company in the subsidiary companies and further movements in their shares in the equity, subsequent to the date of investments.

The consolidated financial statements comprise of financial statements of Autoline Industries Limited (hereinafter referred as "Autoline"), subsidiaries incorporated in India viz. Autoline Design Software Ltd. (hereinafter referred as "ADSL"), Autoline Industrial Parks Ltd. (hereinafter referred as "AIPL") and outside India viz. Koderat Investments Limited (hereinafter referred as "Koderat").

List of Subsidiaries which are included in the consolidation and Company's effective holdings therein is as under:-

Name of Company	Country of Incorporation	Parents Ultimate Holding as on	
		March 31, 2017	March 31, 2016
Autoline Design Software Limited	India	100%	100%
Autoline Industrial Parks Limited	India	43.78%	43.78%
Koderat Investments Limited	Cyprus	100%	100%

1.3 **Depreciation**

Depreciation on Tangible Assets is provided on pro-rata basis on the straight-line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

Asset Useful Life

Building – Factory	.....	30 Years
Building – Office	.....	60 Years
Plant and Machinery	.....	15 Years

Tools & Dies	.....	15 Years
Electrical Fittings	.....	10 Years
Vehicles	.....	8 Years
Computers	.....	3 Years
Software	.....	6 Years
Office Equipments	.....	5 Years
Furniture & Fittings	.....	10 Years

Intangible assets are amortized on a straight-line basis over their estimated useful lives. A rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use is considered by the management. The amortisation period and the amortisation method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Statement of Profit and Loss.

Intangible assets are amortized on a straight line basis over their estimated useful life of 6 years. Research & Development is written off over 10 years.

In case of revalued Asset the depreciation is calculated as per above method and the difference between revalued value and original value is reduced from the total Depreciation and same is also reduced from the Revaluation Reserve.

1.4 **Revenue recognition**

Sale of goods

Sales are recognized when the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognised net of trade discounts, rebates, sales taxes and excise duties.
Price increase or decrease due to change in major raw material cost, pending acknowledgement from major customers, is accrued on estimated basis.

Sale of Services

In contracts involving the rendering of services, revenue is measured using the proportionate completion method and are recognised net of service tax.

Other Income

Interest: Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend income: Dividend income is recognized when the Company's right to receive is established by the reporting date.

1.5 **Fixed Asset**

Tangible Assets

Tangible Assets are stated at cost net of recoverable taxes, trade discounts and rebates and include amounts added on revaluation, less accumulated depreciation and impairment loss, if any. Tools & Dies designed/ manufactured in house have been capitalized considering direct cost of the material, wages paid to tool room employees and other incidental expenses and proportionate overheads including borrowing cost related thereto.

The cost of Tangible Assets comprises its purchase price, borrowing cost if any and any cost directly attributable to bringing the asset to its working condition for its intended use.

Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance. Items of fixed assets that have been retired from active use and are held for disposal are stated at the lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.

Losses arising from the retirement of and gains or losses arising from disposal of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.

Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization / depletion and impairment loss, if any. The cost comprises purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use and net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets.

1.6 **Foreign currency transactions**

Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of all other monetary items are recognized in the Statement of Profit and Loss.

1.7 **Government grants, subsidies and export incentives**

Government grants, subsidies and export incentives are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants / subsidy will be received.

The same is treated as revenue/ capital as per the scheme framed by the Government and the same is routed through statement of Profit & Loss.

1.8 **Investments**

Long-term investments (excluding investment properties), are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

1.9 **Employee Benefits**

Provident Fund

Contribution towards provident fund for certain employees is made to the regulatory authorities, where the company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the company does not carry any further obligations, apart from the contributions made on a monthly basis.

Gratuity

The Company provides for gratuity, a defined benefit plan (the “Gratuity Plan”) covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee’s salary and the tenure of employment. The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the Statement of Profit and Loss in the year in which they arise.

Compensated Absences

Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company’s liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognized in the Statement of Profit and Loss in the year in which they arise.

1.10 **Employee Stock Options**

Employee Stock Options are evaluated and accounted on intrinsic value method as per the accounting treatment prescribed by Guidance Note on ‘Accounting for Employee Share – Based Payments’ issued by ICAI read with SEBI (Employee Stock Option Scheme & Employee Stock Purchase Scheme) Guidelines 1999 issued by SEBI. The excess of market value, if any, of the stock option as on the date of grant over the exercise price of the options is recognized as deferred employee compensation and is charged to the profit & loss account on vesting basis over the vesting period of the option .The un-amortized portion of the deferred employee compensation is reduced from Employee Stock Option outstanding, which is shown under Reserves & Surplus.

1.11 **Borrowing costs**

Borrowing costs that are directly attributable to the acquisition, construction or production of fixed assets are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

1.12 **Earnings per share**

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding

shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

1.13 **Taxation**

Current and deferred tax

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period.

Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax is recognized for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets in case of unabsorbed depreciation and carry forward business losses, as applicable, are recognized only to the extent there is virtual certainty that these will be realized and are reviewed for the appropriateness of their respective carrying values at each balance sheet date. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Management reassesses unrecognized deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternative Tax

Minimum Alternative Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

1.14 **Impairment of assets**

Assessment is done at each Balance Sheet date as to whether there is any indication that an asset (tangible and intangible) may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to the recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined if no impairment loss had previously been recognized.

The Management periodically assesses, using external and internal sources whether there is an indication that an asset may be impaired. If an asset is impaired, the company recognizes impairment loss as the excess of carrying amount of the asset over recoverable amount.

1.15 **Provisions, Contingent Liabilities**

Provisions

Provision is recognized in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made.

Provisions based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent Liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

1.16 **Cash and Cash Equivalents**

In the cash flow statement, cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

Note 32 Disclosures on Employee share based payments - (Guidelines notes issued by ICAI)

a) In the 12th Annual general meeting of **Autoline** held on 27th Sept, 2008, the shareholders approved the issue of 8,50,000 options under the Scheme titled "Autoline ESOS 2008" (ESOP A).

The ESOP A allows the issue of options to employees of the Company and its subsidiaries (whether in India or abroad). Each option comprises one underlying equity share.

As per the Scheme, the Remuneration / Compensation Committee grants the options to the employees deemed eligible. The options granted vest over a period of 5 years from the date of the grant in proportions specified in the Scheme. Options may be exercised within 5 years from the date of vesting.

The difference between the fair price of the share underlying the options granted on the date of grant of option and the exercise price of the option (being the intrinsic value of the option) representing Stock compensation expense is expensed over the vesting period.
