SHOW OF STRENGTH | Military copter destroyed in 'exemplary' attack, cargo vessel hit, says Zelenskyy; at least 10 people injured

Ukraine sea drones sink Russia warship off Libya

Kyiv: Ukraine sank a Russian corvette, destroyed a military helicopter and struck a cargo vessel in a naval drone operation at Libya's Benghazi port, Ukrainian President Volodymyr Zelenskyy said on Monday.

He said seven Ukrainian-made sea drones targeted the Merkury, commissioned in 2023. He called the operation "exemplary", saying its objectives had been achieved.

Ukraine's Security Service (SBU) said the drones were carried to the area aboard a "mothership" and launched near their targets. Russian defences tried to stop them from air, sea and land, it said.

The SBU said the Ka-27 helicopter was aboard the corvette when it sank. It identified the second target as the sanctioned MV Angara, which allegedly transported military equipment and was regularly escorted by the Merkury.

Libyan officials said the warship was heavily damaged, not sunk. They also said at least four drones were intercepted and two struck it.

At least 10 Russian and Libyan nationals were wounded.

The corvette had docked for fuel and supplies under a cooperation agreement with eastern Libya's authorities. Satellite imagery showed the vessel largely submerged, with its bow visible. Maritime security firm Ambrey said some explosions likely involved ammunition detonating aboard the ship.

Hours later, a sea drone struck a Maltese-flagged commercial vessel off Benghazi, Libya's coast guard said. It was unclear whether this was the cargo ship Ukraine said it hit.

As per an earlier report, Ukrainian drone specialists operated in western Libya under a covert arrangement. Eastern Libyan authorities sought a UN investigation into whether the attack originated there, condemning it as a violation of sovereignty.

The UN mission warned against turning Libya into a battleground for foreign conflicts. Kremlin spokesman Dmitry Peskov referred questions to Russia's defence ministry. The Benghazi operation followed Saturday's drone strike on the Russian cargo vessel Sparta II in the Gulf of Finland, which Finnish defence forces said was likely by Ukraine. —**Agencies**

Boy, elderly woman pulled from rubble

Kyiv: Russian strikes killed at least 15 people in Ukraine's Kyiv region, officials said. Rescuers pulled a seven-year-old boy and a 79-year-old woman alive from the rubble of a five-storey residential building in Dymer, where 11 people died. Emergency teams continued searching for residents trapped beneath the debris.

Delta system glitch delays 2k US flights, hits Thanksgiving travel

Atlanta: A malfunction in Delta Air Lines' automated aircraft weight-calculation system disrupted nearly 2,000 flights on Sunday, just days before the busy Thanksgiving travel rush in the US.

The airline initially used manual procedures to ensure aircraft met weight and balance requirements. Although the system was restored hours later, delays continued throughout the day.

The Federal Aviation Administration (FAA) briefly halted some flights into Hartsfield-Jackson Atlanta International Airport, Delta's main hub, but clarified that the disruption was unrelated to its air traffic systems. According to flight-tracking website FlightAware, about 58% of Delta's flights were delayed by Sunday evening, while 3% were cancelled. Around 58% of departures and 50% of arrivals at Atlanta airport also faced delays. Delta said roughly 70% of the reported disruptions were linked to the technical malfunction, with the remainder caused by bad weather. The airline apologised and offered affected passengers rebooking assistance, meals, hotel accommodation and refunds for cancelled flights. —**AP**

Canada's Carney roasts Don with help from his 'double'

Ottawa: Canadian PM Mark Carney enlisted two comedians to roast US President Donald Trump and fellow politicians at the annual Parliamentary Press Gallery dinner on Saturday.

"I am pressing the emergency comedy button," Carney said as Mark McKinney appeared impersonating him, followed by Mark Critch playing Trump.

Critch mimicked Trump's trademark forceful handshake, while Carney mocked the president's lavish Oval Office makeover.

"This is a tough room. And I've been in the Oval Office. Alone. With its new interior decorator," Carney joked.

Conservative opposition leader Pierre Poilievre drew criticism for a joke about former PM Justin Trudeau and singer Katy Perry.

Governor General Louise Arbour also mocked Carney's frequent foreign trips, joking that he was everywhere except Ottawa. —**AP**

Joint drills, defence deals deepen India ties: US

Washington: Joint military exercises, defence deals and high-level visits have strengthened India-US defence ties over the past year, according to a US government fact sheet.

US forces took part in three exercises in India — Yudh Abhyas, Tarang Shakti and Tiger Triumph — in 2026, besides the multilateral Malabar naval drill with Quad partners Japan and Australia.

"India conducts more military exercises with the US than with any other country," the fact sheet said. The Tarang Shakti exercise in Jodhpur in October marked the first participation of an American F-35 fighter jet in a military drill on Indian soil.

The US Navy's replenishment vessel Wally Schirra docked at Kattupalli near Chennai last week for maintenance under the India-US Master Ship Repair Agreement.

Defence cooperation also expanded through an August 28 agreement to purchase Javelin anti-tank missiles. Two days later, Tata Advanced Systems Limited signed a pact with the Javelin Joint Venture, comprising Lockheed Martin and Raytheon, to explore their co-production in India.
