NOTES

1. A MEMBER ENTITLED TO ATTEND AND VOTE IS ENTITLED TO APPOINT PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF AND SUCH PROXY NEED NOT BE A MEMBER OF THE COMPANY. A person can act as proxy on behalf of members not exceeding fifty (50) and holding in aggregate not more than ten percent (10%) of total share capital of the Company.

2. Members are requested to notify immediately the change of address, if any, to the Company or MCS Share Transfer Agent Limited, Registrar and Share Transfer Agent of the Company.

3. The Register of Members and Share transfer book of the Company will remain closed from Friday, 17th August, 2018 to Friday, 24th August, 2018 (both days inclusive).

4. The Board of Directors has recommended a dividend of ` 12/- (240%) per fully paid equity share of ` 5/- each for the year ended 31st March, 2018.

5. Members / Proxies should bring the attendance slip sent herewith duly filled in for attending the meeting.

6. Members are requested to send their queries at least ten days before the date of the meeting so that the information can be made available at the meeting.

7. Statement pursuant to provisions of Section 102 of the Companies Act, 2013 is annexed hereto.

8. The Company has transferred the unpaid/unclaimed dividends up to the financial year 2009-10 to the Investor Education and Protection Fund (the IEPF) established by the Central Government. Members who have not encashed their dividend warrants for the financial year 2010-11 onwards are advised to write to the Company immediately claiming dividends declared by the Company.

9. Pursuant to the provisions of Section 124 and 125 of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 notified by the Ministry of Corporate Affairs and its amendment made from time to time, the Company has issued Newspaper advertisement on 1st December, 2016 and Company has send individual notices to the shareholders on 29th November, 2016 and on 31st October, 2017 for transfer of all shares in respect of which dividend has not been paid or claimed for seven consecutive years or more, such shareholders' shares have been transferred to the Investor Education and Protection Fund on 28th November, 2017.

Shareholders are requested to note that shares transferred to IEPF, including all benefits accruing on such shares, if any can be claimed back from the IEPF Authority after following the procedure prescribed under the said rules. The procedure is also available on the website of the IEPF Authority at www.iepf.gov.in.

Such shareholders are requested to claim their unclaimed/ unpaid dividend immediately.

10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or to the Registrar.

11. Shareholders holding shares in Electronic Form may note that their bank account details as furnished by their depositories to the Company will be printed on their dividend warrants as per the applicable regulations of the depositories and the Company will not entertain any direct request from such shareholders for deletion of / change in such bank details. Shareholders who wish to change such bank account details are, therefore, requested to advise their Depository Participants about such change, with complete details of bank account.

12. Annual Report 2017-18 along with notice of the AGM, Attendance Slip, Proxy Form and process instructions and the manner of conducting E-voting is being sent electronically to all the members whose email IDs are registered with the Company / Depository Participant(s). For members who

request for a hard copy and for those who have not registered their email address, physical copies of Annual Report are being sent through the permitted mode. Members who have not registered their email address are requested to get their email address registered with the Company / Depository Participants and update the same, if required. This may be treated as an advance opportunity in terms of proviso to Rule18(3) (i) of the Companies (Management and Administration) Rules, 2014.

13. All the documents, if any, referred to in this notice and explanatory statement are available for inspection of the members at the registered office of the Company on any working day except Saturday, between 10:00 a.m. to 1:00 p.m. up to the conclusion of this meeting.

14. Voting through electronic means

    In compliance with provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the company is pleased to provide members facility to exercise their right to vote at the 20th Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services provided by Central Depository Services (India) Limited (CDSL). The members shall refer to the detailed procedures on e-voting attached herewith.

15. In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com under help section or write an email to helpdesk.evoting@cdslindia.com

16. Members are required to vote only through the electronic system or through ballot at Annual General Meeting only and in no other form. In the event a member casts his votes through both the processes, the votes in the electronic system would be considered and the ballot vote would be ignored.

17. The remote e-voting period commences on Monday, 27th August, 2018 (10:00 am) and ends on Wednesday, 29th August, 2018 (5:00 pm). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of Thursday, 23rd August, 2018 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter. Once the vote on a resolution is cast by the shareholder, the shareholder shall not be allowed to change it subsequently.

18. The e-voting rights of shareholders shall be in proportion to their shares of the paid up equity share capital of the Company as on the cut-off date of Thursday, 23rd August, 2018. A person other than member on cut off date should treat this notice for information only.

19. A member may participate in the Annual General Meeting even after exercising his right to vote through e-voting, but shall not be allowed to vote again.

20. Shri Umesh Parikh, partner of Parikh Dave & Associates, Companies Secretaries, (Membership No. FCS: 4152) has been appointed as the Scrutinizer to scrutinize the e-voting process and voting process at AGM in a fair and transparent manner.

21. The scrutinizer shall, immediately after the conclusion of voting at the Annual General Meeting, first count the votes cast at the meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the company and make, not later than three days of conclusion of the meeting, a consolidated scrutinizer's report of the total votes cast in favour or against, if any, to the Chairman or a person authorized by him in writing who shall countersign the same.

22. The Results will be declared on receipt of Scrutinizer's Report at the Registered office of the Company at 9, GIDC Industrial Estate, Kadi-382715. The Results declared along with the Scrutinizer's Report shall be placed on the Company's website www.cera-india.com and on the website of CDSL immediately and communicated to the NSE and BSE.

23. Shri Narendra N. Patel, Compliance Officer of the Company, "Madhusadan House", Opp. Navrangpura Telephone Exchange, Ahmedabad - 380 006, shall be responsible for addressing all the grievances in relation to this Annual General Meeting including e-voting. His contact details are **E-mail**: hemal.sadiwala@cera-india.com, **Phone No**. 079-26449781.

24. Members holding equity shares in electronic form and proxies thereof, are requested to bring their dp id and client id for identification.

Statement pursuant to provisions of Section 102 the Companies Act, 2013.

Item No. 5

The Board of Directors on the recommendation of the Audit Committee has approved the appointment and remuneration of the Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending 31st March, 2019.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company.

Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at item No. 5 of the notice for ratification of the remuneration payable to the Cost Auditors for the financial year ended 31st March, 2019.

The Board of Directors recommends the ordinary resolution as per item No. 5 of the accompanying notice for approval of the members of the Company.

None of the Directors or Key Managerial Personnel of the company or their relatives are, concerned or interested financially or otherwise in the said resolution as per item no.5 of the Notice.

Item No. 6

The Board of Directors at its meeting held on 18th April, 2018 has appointed Shri Ayush Bagla as Additional Director (Independent) of the Company w.e.f. 18th April, 2018 under section 161 of the Companies Act, 2013 and Article 137 of the Articles of Association of the Company. He is B.A. (Management) from Franklin & Marshal College (USA). He is having rich experience of more than 20 years in the fields of Finance, Financial Services, Asset Management, Project Management etc.

He does not hold either by himself or by other persons any shares in the Company.

According to the provisions of Section 161 of the Companies Act, 2013, he will hold office as an Additional Director only up to the date of this Annual General Meeting. As required under Section 160 of the Companies Act, 2013, notice has been received from a member signifying his intention to propose the appointment of Shri Ayush Bagla as Director.

In terms of Section 149 and other applicable provisions of the Companies Act, 2013, Shri Ayush Bagla being eligible and offering himself for appointment, is proposed to be appointed as an Independent Director for five consecutive years for a term up to 31st March, 2023. His appointment as Independent Director is also approved and recommended by the Nomination and Remuneration Committee of the Company.

In the opinion of the Board, Shri Ayush Bagla fulfills the conditions specified in the Companies Act, 2013, rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for appointment as Independent Director of the Company. He is independent of the management of the Company.

The Board considers that his experience and expertise would be of immense benefit to the Board and the Company and it is desirable to continue to avail the services of Shri Ayush Bagla as an Independent Director. Accordingly, the Board recommends the resolution as per item no. 6 of the accompanying notice for appointment of Shri Ayush Bagla as an Independent Director for passing by the members of the Company.

The disclosure under Regulation 36 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 is provided in the notes to this Notice.

Except Shri Ayush Bagla, none of your Directors or Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise in the resolution as per the item No. 6 of the notice.

Item No. 7

The Board of Directors at its meeting held on 18.04.2018 has appointed Shri Surendra Singh Baid as Additional Director (Independent) of the Company w.e.f. 18th April, 2018 under section 161 of the Companies Act, 2013 and Article 137 of the Articles of Association of the Company. He is B.Sc. Tech, Ceramics, (BHU) and having experience of more than 44 years in Insulator Industry, Product and Business development, sales & marketing, personnel management, etc.

He does not hold either by himself or by other persons any shares in the Company.

According to the provisions of Section 161 of the Companies Act, 2013, he will hold office as an Additional Director only up to the date of this Annual General Meeting. As required under Section 160 of the Companies Act, 2013, notice has been received from a member signifying his intention to propose the appointment of Shri Surendra Singh Baid as Director.

In terms of Section 149 and other applicable provisions of the Companies Act, 2013, Shri Surendra Singh Baid being eligible and offering himself for appointment, is proposed to be appointed as an Independent Director for five consecutive years for a term up to 31st March, 2023. His appointment as Independent Director is also approved and recommended by the Nomination and Remuneration Committee of the Company.

In the opinion of the Board, Shri Surendra Singh Baid fulfills the conditions specified in the Companies Act, 2013, rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for appointment as Independent Director of the Company. He is independent of the management of the Company.

The Board considers that his experience and expertise would be of great benefit to the Board and the Company and it is desirable to continue to avail the services of Shri Surendra Singh Baid as an Independent Director. Accordingly, the Board recommends the resolution as per item no. 7 of the accompanying notice for appointment of Shri Surendra Singh Baid as an Independent Director for passing by the members of the Company.

The disclosure under Regulation 36 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 is provided in the notes to this Notice.

Except Shri Surendra Singh Baid, none of your Directors or key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise in the resolution as per the item No. 7 of the notice.

Item No. 8 & 9

The Members of the Company, at the 16th Annual General Meeting held on 22nd August, 2014 had approved the appointment of Shri Sajan Kumar Pasari and Shri Lalit Kumar Bohania as an Independent Directors of the Company, whose terms are due to expire on 31st March, 2019. They are very experienced in their respective fields and in managing the business affairs, having long association with the Company, actively participative and guiding the board on many occasions. They are also Directors of many other Public/Private Limited Companies. Shri Sajankumar Pasari is holding 2,36,696 equity shares in the Company, while Shri Lalitkumar Bohania is not holding any shares.

As per Section 149(10) of the Companies Act, 2013 ("Act"), an Independent Director shall hold office for a term of upto five consecutive years on the Board of a Company, but shall be eligible for re-appointment on passing a special resolution by the Company for a second term of upto five consecutive years on the Board of a Company.

In view of the aforesaid provisions of the Act and long association with Company, rich experience, valuable guidance to the management and strong Board performance of said Independent Directors, it is proposed to re-appoint them for the second term as an Independent Directors on the Board of Company for a period of five consecutive years upto 31st March, 2024. Notices have been received from two members, signifying their intention proposing Shri Sajan Kumar Pasari and Shri Lalit Kumar Bohania being appointed as Independent Directors of the Company. Their appointment as Independent Directors is also approved and recommended by the Nomination and Remuneration Committee of the Company.

In the opinion of the Board, they fulfill the conditions specified in the Companies Act, 2013, rules made thereunder and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for

appointment as Independent Directors of the Company. They are also independent of the management of the Company.

The Board considers that their continued association would be of immense benefit to the Company and it is desirable to continue to avail their services as an Independent Directors.

Accordingly, the Board recommends the Resolutions at Item No. 8 & 9 of the accompanying notice for re-appointment of Shri Sajan Kumar Pasari and Shri Lalit Kumar Bohania as Independent Directors by passing the special resolution by the members of the Company.

The disclosure under Regulation 36 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 is provided in the notes to this Notice.

Except Shri Sajan Kumar Pasari and Shri Lalit Kumar Bohania, being appointees, none of your Directors or key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise in the resolution as per the item No. 8 & 9 of the notice.

Item No. 10

The Company is inter-alia, engaged in the business of Manufacturing, marketing and distribution of sanitaryware, Faucetware, tiles and other bath room products. The Company in the ordinary course of its business is entering into transactions relating to Purchase of goods, materials and Job work including tiles from various parties. Anjani Tiles Limited, Subsidiary Company is Related Party within the meaning of Section 2(76) of the Companies Act, 2013 and provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. President & Company Secretary

Procedure on e-voting

The instructions for shareholders voting electronically are as under:

(i) The voting period begins on 27th August, 2018 (10:00 am) and ends on 29th August, 2018 (5:00 pm). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date 23rd August, 2018, may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) The shareholders should log on to the e-voting website www.evotingindia.com

(iii) Click on Shareholders.

(iv) Now Enter your User ID

a. For CDSL: 16 digits beneficiary ID,

b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,

c. Members holding shares in Physical Form should enter Folio Number registered with the Company.

(v) Next enter the Image Verification as displayed and Click on Login.

(vi) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

(vii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)
	- Members who have not updated their PAN with the Company / Depository Participant are requested to use the sequence number which is printed on Address Sticker.
Dividend Bank Details **OR** Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. - If both the details are not recorded with the depository or company please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction (iv).

(viii) After entering these details appropriately, click on "SUBMIT" tab.

(ix) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

(x) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

(xi) Click on the EVSN for relevant Cera Sanitaryware Ltd. on which you choose to vote.

(xii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES / NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.

(xiii) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

(xiv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.

(xv) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.

(xvi) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.

(xvii) If Demat account holder has forgotten the log in password then enter the User ID and Image Verification Code and click on Forgot Password & enter the details as prompted by the system.

(xviii) Shareholders can also use Mobile app - "m-Voting" for e-voting. M-Voting app is available on Apple, Android & Windows based Mobile. Shareholders may log in to m-Voting using their e voting credentials to vote for the company resolution(s).

(xix) Note for Non – Individual Shareholders and Custodians

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.

- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.

- After receiving the login details user would be able to link the account(s) for which they wish to vote on.

- The list of accounts linked in the log in should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.

- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

(xx) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.

Add/Less: Other comprehensive Income (Net of tax)	**(90.21)**	(115.01)
Total Comprehensive Income for the year.	**9934.94**	10282.39

Transfer to Reserves

The Company has transferred a sum of ` 5857.61 Lakhs to General Reserve in the current year (previous year ` 6359.68 Lakhs).

Highlights / Performance of the Company

Turnover (Net of GST/Excise) of the Company for the year increased by 17% to ` 117808.72 Lakhs as compared to `100917.03 Lakhs previous year.

The Directors are pleased to inform you that your Company has continued to grow in 2017-18 due to the aggressive sales and marketing efforts combined with new product launches and improved product quality with induction of new technology in the production process.

Sanitaryware Unit

During the year, the plant had run at its optimum capacity. The focus of your Company now has shifted towards premiumization by producing more of high value items thus maximizing its optimum capacity.

Your company has been constantly upgrading its technology for continuous improvement in productivity and quality. 3D printing machines are helping your Company launch new designs from concept in a matter of weeks. The robotic glazing machines help evenness of glaze and also saving in wastage of glaze.

Faucetsware Unit

In the Faucetware plant too, technology upgradation has been helping your Company in productivity and quality. During the year Zamac plant for manufacturing of Zamac handles has commissioned and commercial production commenced which has helped the Company to stop imports.

Continuous launch of new designs has helped your company garner larger market share. 3D printing, robotic grinding and polishing, low pressure die casting, automated chrome plating, etc. are helping your Company in providing quality products.

Bathware Unit

Your Company has launched new ranges of wellness, kitchen sinks and mirrors, which have been well accepted in the market.

Senator by CERA

Your Company recently launched a new brand, SENATOR by CERA aimed at premium segment and the response of SENATOR range was overwhelming.

JEET

Your Company also launched JEET, sanitaryware range aimed at affordable segment, which is growing very fast.

ISVEA

The Italian luxury designer Sanitaryware, ISVEA, launched by CERA has now gained momentum in the market.

Tiles Unit

Your Company continues to strengthen its market reach in tiles. Apart from South India through JV with Anjani Tiles Limited, Company spread its wings in a good way in North, West and East too.

The launch of new exclusive design collection, conceived by the design team, was a success which helped CERA establish as a front runner in tiles.

CERA Home Upgrage

CERA home upgrade has added new products like construction chemicals, which are gaining grounds.

Joint Ventures

Your company has entered into a Joint Venture with Anjani Tiles Limited at Andhra Pradesh with 51% Equity and 54% Preference Share holding in aggregate amounting to ` 2933 Lakhs (Previous Year ` 2678 Lakhs) for producing Vitrified Floor Tiles of 10000 Sq. Mtr. per day. The commercial production of tiles from this plant has started from 1st April, 2016.

Packaging Unit

The Joint Venture unit for manufacture of corrugated boxes has been doing well. The capacity utilization has increased considerably during the year. CERA holds an equity of 51%.

Dubai & Sharjah operations

Company has started showroom in Dubai at main Sanitaryware market to have sale and display of company's products. In addition to this company has opened warehousing facility at Sharjah to cater UAE market and appointed dealers having CERA display gallery. The operations at Dubai & Sharjah are taking shape.

Green Energy Unit

As a part of national policy and Green initiative, company has stabilized power cost by generation of electricity through non-conventional sources for captive use.

The company has installed and commissioned one more M.W Solar Energy unit during the year. Thus the installed capacity of Non-Conventional Energy unit of the Company now stands to 13.825 M.W.

The non-conventional Wind and Solar Power has produced 178.06 lakhs KWH for captive use.

Conservation of energy, technology absorption and foreign exchange earnings and outgo:

Conservation of energy

The Company has two sources of its main energy, viz. Natural Gas - GAIL and Sabarmati Gas Ltd., for operating its sanitaryware plant. The pricing and quantity of the gas are based on the availability, international pricing and the contract into with these suppliers by the company. For energy conservation, the company has installed fuel efficient burners to control gas consumption and in addition to this, every effort is done to adapt any technological developments in energy conservation by the Company.

The second energy, viz. electricity, required for running the machineries, is supplied by the local Discom. To compensate within the energy consumption by way electricity, your company has set up Wind Turbines of 11.825 MW and 2.00 MW Solar Plant which generates about 90% of the requirements and gets offset against monthly consumption of the energy bill.

Technology absorption and foreign exchange earnings and outgo

The information on technology absorption and foreign exchange earnings and outgo stipulated under Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014, is annexed herewith as a separate Annexure- III.

Subsidiary Company

The Company has one Subsidiary Company namely Anjani Tiles Limited which became subsidiary of the company w.e.f. 23rd November, 2015. It has started commercial production from 1st April, 2016. The company has also another subsidiary LLP viz. Packcart Packaging LLP. There are no associate companies within the meaning of Section 2(6) of the Companies Act, 2013 ("Act"). Further there has been no material change in the nature of business of the subsidiary.

The Company does not have any material subsidiary. The Policy on Material Subsidiary framed by the Board of Directors of the Company is available on Company's website at the link https://www.cera-india.com/corporate/policy-for-determining-material-subsidiary/.

Appreciation

Your Directors thank the Financial Institutions and Bankers for extending timely assistance in meeting the financial requirements of the Company. They would also like to place on record their gratitude for the co-operation and assistance given by State Bank of India, Yes Bank Ltd and various departments of both State and Central Governments.

For and on behalf of the Board of Directors,

Ahmedabad.
3rd May, 2018

Vikram Somany
Chairman and Managing Director

Annexure - I to the Directors' Report

Management Discussion and Analysis

Your Company continued to be one of the fastest growing home solutions brands this year too, with its topline growth @ 17%, while the market growth is estimated to be around 10 – 12% only.

Your Company has taken several steps to continue its growth in the coming years as well.

CERA continue to grow due to:

1. **Use of high tech manufacturing facilities**: CERA continues to upgrade its technological edge by inducting new technologies into production processes. The use of 3D printing, robotic glazing, trap glazing, etc. are just few improvements which are helping in quality and productivity in the Sanitaryware plant. In the faucet plant too, robotic grinding and polishing, low pressure and high pressure die casting machines, automatic chrome plating units, etc. have helped in quality.

2. **Constant brand promotion**: CERA continued its advertising in several prominent national and regional general entertainment television channels. It helped CERA maintain top of mind recall of its brand name among its target audience - architects, designers, developers, consultants, trade partners and consumers. A recent market research conducted showed that CERA enjoyed top of mind recall amongst influencers.

3. **Launch of new brands**: CERA launched two brands to cater to all price segments-JEET for mass segment and SENATOR by CERA for premium segment. Along with CERA and ISVEA, your Company now effectively covers the entire spectrum.

4. **Adding new designs**: CERA launched new designs in faucets, tiles, Sanitaryware, wellness, kitchen sinks and mirrors, thereby keeping up and even ahead of the market trend. This is helping your Company gain the leadership in the market place.

5. **Wide distribution**: CERA continues its efforts to reach out to under-penetrated towns with full force. Substantial increase in sale has been achieved through this effect and your Company will continue its efforts to reach every nook of the country through its retail network.

6. **CERA Care**: CERA's customer care wing, was constantly on its toes, just in case any customer needs any after-sales service easy.

Both CERA tiles and CERA faucets have shown remarkable growth and would continue grow at higher rates in the coming years too.

CERA opened several CERA Style Galleries across India to give touch and feel experience to its customers. More such CERA Style Galleries are coming up in the current years.

Your Company has exclusive distribution tie up with ISVEA, Italian luxury designer sanitaryware, and SIAMP, Monaco-based concealed cistern. Both these are doing well now and will add to your Company's growth.

a) Industry Structure and Developments

The industry structure remains unchanged, with unorganized sector at the bottom and international brands at the top, while your Company is firmly footed in the mid segment. Your Company is now effectively present in all segments: Jeet for affordable segment, CERA for mid and upper segments, Senator by CERA for premium segment and ISVEA for luxury segment.

b) Opportunities and Threats

The government's emphasis on affordable housing is a boon for your Company's growth in the coming years. Implementation of GST also helps your Company indirectly as it minimises unhealthy price competition.

More companies entering sanitaryware may pause a threat to your Company's prospects. However, your Company's 38-years of brand promotion, distribution strength and product quality are helping it ward off any such threat.

c) Outlook

Your Company has been a preferred partner of CREDAI (Confederation of Real Estate Developers Associations of India), the apex body of developers, for the last six years. Your company also works closely with influencers and their associations like IIA (Indian Institute of Architects), IIID (Institute of Indian Interior Designers) and IPA (Indian Plumbing Association).

With the affordable housing segment getting a boost from the government and CREDAI announcing launch of several housing projects in affordable segment, the outlook for your company's rapid growth looks bright.

d) Risks and Concerns

Any drastic change in Government policy may affect your Company.

e) Internal Control Systems and their adequacy

The Company has an adequate system of internal financial controls with reference to the financial statements and also relating to the purchase of stores, raw materials, plant & machineries, equipment and various components and for the sale of goods commensurate with the size of the Company and the nature of business.

The system of internal control of the Company is adequate keeping in mind the size and complexity of your Company's business. Systems are regularly reviewed to ensure effectiveness.

The internal auditors monitor and evaluate the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies. Based on the report on the internal audit function, necessary corrective actions in the respective areas are taken and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the audit committee of the board.

f) Financial performance with respect to operational performance is discussed in the main part of the Report.

g) Material Developments in Human Resources, Industrial Relations, Environment , Health & Safety

Faced with the shortage of quality manpower, the thrust of your Company has been on talent improvement through training programmes.

Your Company continues to invest in training and development of its employees and has been organizing various training programmes from time to time. CERA's manpower strength as on March 31, 2018 stands at 2473.

The Company is ISO 9001, 14001 and BS 18001 certified. Your Company is also a member of Indian Green Building Council (IGBC), promoted by Confederation of Indian Industry (CII).

Corporate Social Responsibility (CSR)

Empowering Society; Empowering Ourselves

Real progress occurs when privileges are balanced with the responsibilities towards society. Your Company has always laid emphasis on progress with a social commitment. We believe strongly in our core values of empowerment and betterment of not only the employees but also our communities. Following this principle, Late Shri Vidush Somany our Executive Director had laid the foundation of a comprehensive approach towards promoting and facilitating various aspects of our surrounding communities.

Vidush Somany Education Programme

Education is an important prerequisite for the development of our communities. The youth holds the potential of bringing about fundamental changes in our society. This potential can be unleashed with proper educational facilities.

The **Vidush Somany Education Programme** was launched with the aim of empowering young students by facilitating basic education of high standards. With the support of Government schools, the Programme has been successful in benefitting nearly 1350 plus students in Kadi Town and Vill. Kundal, Mehsana district of Gujarat during the year. Understanding the need of the new generation of students, basic training in computer skills and other courses have been provided to primary schools in Kadi and surrounding areas.

An important aspect of this overreaching Programme is to facilitate and augment the basic formal education provided to students in Government schools. With the approval of District Education Officer (Primary), Mehsana District, the Programme holds special coaching classes for school students of classes from 3rd to 10th standard in Kadi and Kundal at no extra charges. The special classes are conducted within the school premises by qualified tutors supported under the Programme with an emphasis towards providing personal attention and hence limiting each batch to 30 students only. The special classes offer additional training to students in the subjects of Mathematics, Science, Social Science, English, Skill Development and Elementary Computer skills. Under the aegis of the Programme, five Municipal schools in Kadi and nearby village Kundal have been provided with about 125 computers and associated accessories like printers and mouse pads along with tables, chairs and stationery for providing quality education in basic computer skills to young students of primary classes. Conducted by qualified instructors appointed under the Programme, the computer education facilities are helping the students gain access to higher skills and knowledge opportunities. For encouraging education for girls, exclusive classes are also held for girl students from 7.30 am to 10.30 am & 3.00 pm to 4.00 pm, while classes for boys are held from 7.30 am to 9.30 am & 3.00 pm to 6.30 pm scattered in different locations. Facilitating the young students in all aspects including availability of stationary items, the Programme provides educational support and from the nutritional point of view as well by providing regular refreshments. On keeping light to the development of health & nutrition for young students, Cera arranged a Health Checkup Camp at Kadi for the children studying in our educational programme. Cera also arranged Health camp for adults.

During the financial year CERA has undertaken following projects:

- Contributed ` 210.00 lakhs (During F.Y. 2017-18 and 2016-17) towards construction of 100 Beds ward at Bhagyoday Hospital kadi in memory of late Shri Vidush Somany for the welfare of poor and needy patients of Kadi & from nearby area.
- Committed to contribute total ` 650.00 lakhs towards construction of new engineering college named as "Vidush Somany Institute of Technology and Research" in the campus of "Sarva Vidhalaya Kelavani Mandal". Kadi (SVKM) with a total capital outlay of ` 3111.00 lakhs. This institute will conduct initially five branches of engineering, viz. Ceramic Technology, Computer Engineering, Information Technology, Civil and Mechanical Engineering. The new branches will be added after the year as per the guidelines of AICTE.
- Undertaken about 10000 plus plantation and maintenance on road divider about 11 K.M. from Chhatral to Kadi.
- Divyanagri project run by Brahmakumari's for upliftment of children from slum area. About 125 children have been the beneficiary of this project. Contributing for Snacks once in a week to 130 students. The training in respect of Hand art, Stitching work and other different skills are provided to 15 ladies and planning to setup self-help groups for Empowering Ladies.
- Continued the contribution to ISKON Food Relief Foundation, Kolkata-"Annamrita" for providing mid-day meals to 2200 needy children daily.
- Contribution to Society for Integrated Development of Himalayas, Rotary Children's Welfare Trust, Environment Conservation Society for development of rural, environment conservation and educational development.
- Scholarship to the students of Sarva Vidhyalaya Kelavani Mandal – Kadi.
- Patronizing NGOs like Shreemad Rajchandra Aatma Tatva Research Centre for contribution for education of tribal children.
- Tied up with "Pramukh Swami Art & Science Collage for establishing Vocational courses on Ceramic Technology having capacity of 45 students. To make this course more effective, the plant visit, and other effective materials are made available to students.

The Programme also supports the children of Kadi workers in realizing their aspirations of higher education. Recognizing their potential and aspirations, the Programme has encouraged meritorious students of Kadi by offering education expenses for their higher education in the fields of Engineering, Medical and Pharma.

Cera has contributed the CSR activity for women empowerment at Vill. Kundal & Kadi location towards conducting stitching classes with well experienced professional tutor, sewing machines, materials and accessories. This year we have explored other women empowerment activities at Bhavpura location, Kadi like cooking, beauty parlor, hand embroidery, basic computer courses and making of low cost sanitary napkins through latest technology for distribution at free of cost to poor & needy ladies to improve their hygiene level. We have empowered 1050 plus women in these programmes. Currently 100 ladies are undergoing the empowerment activities aided through Cera.

Ahmedabad.
3rd May, 2018

Vikram Somany
Chairman and Managing Director

Annexure - III to the Directors' Report

Disclosure of particulars with respect to Information on Conservation of Energy, Technology Absorption, Foreign Exchange Earnings and Outgo stipulated under Section 134 (3) (m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014 and forming part of the Report of the Board of Directors for the year ended 31st March, 2018.

A. Energy Conservation

Discussed in main report

B. Technology Absorption

Externally added Silicaless Sanitary Ware Body

Research and Development (R & D)

1. Specific areas in which R & D is carried out : The Company's Research & Development Unit recognized by the Department of Scientific and Industrial Research (DSIR), Government of India, since 1989 has been relentlessly working for the improvement in quality of sanitary ware products, cost reduction through the use of new and cheaper raw materials, waste materials, changes incorporated in their quality specifications, minimizing wastes and losses at different stages of production, recycling of unfired and fired wastes generated in production as well as pollution abetment to keep the company ahead of market competition.

Some innovative R&D activities carried out and commenced commercial production during the year under report are:

- Introduced Robotic Glazing in of our production. This gives us more controlled and uniform glaze coating on the sanitaryware as compared to manual glazing. Also this reduces our dependence on manual labour. We expect to further enhance the production through Robotic Glazing. These are the highly advance robotic systems with sophisticated control mechanism.
- New state-of-the-art R&D centre has been inaugurated in Kadi factory premises. The centre boasts of advance test equipment for material science and ceramic technology. This Centre of Excellence is designed to keep the R&D activity as a strategic initiative. This will help us keep at the forefront of innovations in the Sanitary-ware Industry worldwide. This centre is DSIR, Govt. of India, approved.
- Continually innovating with our Glazes and in this line development of Dual Colour glazes applied over sanitary ware products, is a focus area. These have marked aesthetic appeal and imparts premium halo to the sanitary space. The Dual Colours can be offered in multiple choices and the tone of the colours can also be customized as desired. These along with anti-microbial glazes have potential to create new market space.
- Under the initiative of 'Waste Minimization and Waste Utilization', numerous measures have been started. This includes recycling of solid and liquid and ZLD (zero liquid discharge), high energy efficient rated machines, compliance to pollution norms, awareness-generation among employees etc.
- In keeping with our eco-friendly tradition, Cera has developed 04 litres flushing system with same effectiveness as 06 litres flushing system. By 30% reduction in water consumption, this technology will help to save precious water.
- We at Cera always strive towards growth with sustainable development and without caring for nature this is not possible. We have installed solar power system which is one of the largest and will reduce carbon foot-print to a great extent.
- Product Certifications: All our products are ITC (Institute for Testing and Certification, Czech Republic) certified. We have completed IAPMO (USA Certification Agency) for almost half of our products

and are in process to get more products under this certification. We have also started our product certification from SGS (Emirates Authority for standardization and Metrology).

2. Benefit derived as a result : With the introduction of new and cheaper raw materials from new sources and import substitution of raw materials, colors and other inputs, the cost of production is expected to reduce further.

3. Future plan of action :

- ❖ Under our eco-friendly initiatives, we will improve energy input from renewable sources, mainly Solar Energy, which is already installed. We will also reduce our water dependence on state supply by recycling full water requirement of manufacturing process. We will develop a fully functional rain water-harvesting system. We also plan to redesign our Glaze Spray system for maximum recovery and recycle of glaze.
- ❖ With a focus on automation, we will introduce more of Robots in our manufacturing process. We will ramp up the robotic glazing system and also introduce robotic system for plaster mould making. Further in our Casting Process we will introduce automation in casting department and also plan to maximize the out put and improve productivity. In our firing process we plan to introduce automatic gas pressure regulation system. In our final product quality, we will introduce automatic leakage detection test and overflow test.
- ❖ Build our capability and capacity to manufacture high value products. These products will have ergonomic and aesthetic designs, will be bigger in size and will have attractive appearance. Stain-free and anti-microbial coatings can also be applied.
- ❖ We are developing our manufacturing ability for more complex designs. In this regard, we have plan for Bench to Battery conversions where efficiency and productivity is improved. The Battery Casting method is much more ergonomic and will have positive impact on workmen health.
- ❖ We have set-up a new R&D facility and we expect to develop on the basics such as Vendors for consistent raw materials, less crack-prone ceramic body, aesthetically appealing glazes, and better testing & analysing methods / tools.

4. Expenditure on R & D

a)	Capital	:	` 35.50 Lakhs
b)	Recurring	:	` 139.69 Lakhs
c)	Total	:	` 175.19 Lakhs
d)	Total R & D Expenditure as a percentage of total turnover	:	0.15%

C. Foreign Exchange earnings and outgo

The Company has continued to maintain focus and avail of export opportunities based on economic considerations. Foreign exchange used and earned by the Company during the year is as under:

Total foreign exchange used	:	` 9601.15 Lakhs
Total foreign exchange earned	:	` 1328.77 Lakhs

* Ceased to be Director due to death on 14th December, 2017
**Resigned as Director w.e.f. 18th April, 2018
#Appointed as Additional Directors-Independent w.e.f. 18th April, 2018.

Shri Ayush Bagla and Shri Surendra Singh Baid were appointed as Additional Directors (Independent) on the Board of the Company w.e.f. 18th April, 2018 to hold office up to the ensuing Annual General Meeting. Necessary resolutions have been proposed for their appointment for consecutive term of five years for the approval of the members at ensuring Annual General meeting.

The Company provides the information as set out in Regulation 17 read with Part A of Schedule II of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 to the Board and the Board Committees to the extent it is applicable and relevant. Such information is submitted either as part of the agenda papers in advance of the respective meetings or by way of presentations and discussions during the meeting.

Shri Vikram Somany is the father of Smt. Deepshikha Khaitan, none of the other Directors are related to any other Director on the Board in terms of definition of 'relative' as per the Companies Act, 2013.

All Independent Directors are experienced and competent in their respective field. They actively participate in the Board and Committees which gives significant value addition in the decision making process. Familiarization programs imparted to independent directors is posted on Company's website i.e. www.cera-india.com

Performance Evaluation:

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee. The Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of the specific duties, obligations and governance were also evaluated.

A separate exercise was carried out to evaluate the performance of individual directors including the Chairman of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgement, safeguarding the interest of the Company and its shareholders etc. The performance evaluation of the Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors, who also reviewed the performance of the Secretarial Department. The Directors expressed their satisfaction with the evaluation process.

Independent Directors' Meeting:

During the year under review, the Independent Directors met on 01.02.2018 inter alia, to discuss:

- Evaluation of the performance of Independent directors, Non-Independent Directors, Executive Directors, the Board of Directors as a whole and Key Managerial Personnel;
- Evaluation of the performance of the Chairman and Managing Director of the Company, taking into account the views of the Executive and Non-Executive Directors.
- Evaluation of the quality, content and timelines of flow of information between the Management and the Board that

is necessary for the Board to effectively and reasonably perform its duties.

Prohibition of Insider Trading:

In Compliance with the SEBI Regulations on Prevention of Insider Trading, the Company has framed a Code of Conduct to avoid any insider trading and it is applicable to all the Directors, Promoters, Senior Managerial Personnel and other connected persons of the Company who are expected to have access to the unpublished price sensitive information relating to the Company. The Code lays down guidelines, which advises them on procedure to be followed and disclosures to be made, while dealing in the shares of the Company.

Code of Conduct

The Company has implemented model code of conduct for the Board members and senior Officers of the Company. The code of conduct has been posted on the website of the Company i.e. www.cera-india.com

Risk management Policy

The Board of directors has framed, approved and implemented Risk Management Policy of the Company including identification and element of risks.

3) Audit Committee

The Audit Committee, consists of 6 (Six) directors, namely Shri J. K. Taparia - Chairman (Independent), Shri Vikram Somany, Shri Sajan Kumar Pasari (Independent), Shri Lalit Kumar Bohania (Independent), Shri Ayush Bagla (Independent), and Shri Surendra Singh Baid (Independent). During the year, 4 (four) Audit Committee Meetings were held on 04.05.2017, 30.08.2017, 02.11.2017 and 01.02.2018.

Shri Govindbhai P. Patel ceased to be a member of the Committee due to resignation from the Board w.e.f. 18.04.2018 and Shri Ayush Bagla (Independent), and Shri Surendra Singh Baid (Independent) were appointed as new committee members w.e.f. 18.04.2018.

Terms of reference

The role and terms of reference of the Audit Committee cover the matters specified for Audit Committees under regulation 18 and Part - C of Schedule - II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 177 of the Companies Act, 2013.

Section E [Principle-wise Performance]:

Principle 1: [Business should conduct and govern themselves with Ethics, Transparency and Accountability]

The Board of Directors has approved a Code of Conduct, which is applicable to all Board Members and senior management personnel of the Company. This is reviewed and reported annually.

The Company also has a Whistle Blower Policy approved by the Board and is applicable to all employees of the Company, which serves as mechanism for its Directors and Employees to report any genuine concerns or suspected fraud without fear of reprisal and thus ensures the Company to uphold its high standard.The Code of Business Conduct and Whistler blower policy is posted on the Company's website.

The details of shareholders complaints received and resolved during the financial year are given in the Corporate Governance report of this Annual Report.

Principle 2:[Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle.]

Three of the Products of the Company are designed considering environment concerns, risks and opportunities.

A) Sanitaryware

B) Faucetsware

C) Tiles & Allied products

The Company is committed to attainment of environmental and economic benefits from efficient use of energy, water, chemicals and waste reduction. The Company ensures fulfilment of all compliance obligations (legal requirements and other requirements) that relate to productsand services, environmental aspects and occupational health & safety.

Company's manufacturing units are ISO 9001, 14001 and BS 18001 certified.

The Company is committed to environment sustainability. It constantly works towards reduction and optimal utilization of energy, water, raw material, logistics etc. by incorporating new techniques and innovative ideas. As consumption per unit depends on the product mix, there are no specific standards to ascertain reduction achieved at each product level. The Company has also set up wind farms and solar plant.

The Company is constantly trying to develop WC and other products which operate with minimum consumption of water.

The Company has identified approved vendors for procuring materials and a Standard Operating Procedure is in place for sourcing raw materials. This includes sample approvals, performance trials, plant audit and regulatory clearances. Majority procurement of materials is from the approved manufacturers.

The Company procures goods and services from the local and small producers for its manufacturing premises and offices. It improves operational efficiency and helps save on transportation costs, inventory management and helps in risk mitigation. Adequate guidance and counselling are also provided to them about system and procedures for regulated markets.

The majority of waste generated in the Company's operations is recycled and balance is disposed off safely. Manufacturing facility has its own Effluent Treatment Plant, which ensures discharge of waste below the norms prescribed by respective pollution control boards.

Principle 3 [Businesses should promote the well-being of all employees.]:

1. Please indicate the Total number of employees. - 2473
2. Please indicate the Total number of employees hired on temporary/ contractual/casual basis. - 1876
3. Please indicate the Number of permanent women employees. - 80

4. Please indicate the Number of permanent employees with disabilities - 12
5. Do you have an employee association that is recognized by management? - Yes
6. What percentage of your permanent employees is members of this recognized employee association? - 75%
7. Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

S.N.	Category	No. of Complaints filed during the Financial year	No. of Complaints pending as on the end of the financial year.
1	Child Labour/Forced labour/Involuntary Labour	Nil	Nil
2	Sexual harassment	Nil	Nil
3	Discriminatory Employment	Nil	Nil

8. What percentage of your under mentioned employees were given safety and skill up-gradation training in the last year?
   a. Permanent Employees - 100%
   b. Permanent Women Employees - 100%
   c. Casual/Temporary/Contractual Employees - Contractual employees are given training - 45%
   d. Employees with Disabilities - 100%

Principle 4 [Business should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized]:

The Company has mapped its key internal and external stakeholders. The Company recognise employees, business associates, joint venture partners, supplier, vendors, shareholders, investors, regulatory authorities and other government bodies as our key stakeholders.

The Company engages with its stakeholders on an ongoing basis. It is committed to the welfare of marginalized and vulnerable sections of the society and endeavours to meet the expectations of the said stakeholders.

The Company approach focuses on the development of communities around the vicinity of Company's plant. We have also developed innovative programmes to enhance livelihood of communities through education and skill development through CSR Activities, details of which are given as Annexure II of the Directors report.

The Employees are employed as per state government directive from time to time. The Company invests in their skill development and upgradation, health check-ups and ensures other quality of life parameters. We have processes in place to ensure upholding of the rights of our employees and protect them against any form of discrimination.

Principle 5 [Businesses should respect and promote human rights]:

The Company remains committed to respect and protect human rights. The Company's Code of Conduct and the human resource practices cover most of these aspects. The Company does not hire child labour, forced labour or involuntary labour. The Company never discriminates between its employees. This extends to all areas of business operations and various stakeholder groups.

No stakeholder complaints, relating to human rights, have been received in the past financial year.

Principle 6: [Business should respect, protect, and make efforts to restore environment]:

The Company is committed towards conservation of the environment and compliance with the requirements related to Environment, Health and Safety. The Company has been engaging and involving every stakeholder across the Company in creating a unique culture in Environment, Health and Safety.

The Company has launched a project titled "Waste Minimization and Waste Utilization Program" and lots of measures have been taken to arrest wastage in solid, liquid and gaseous forms as well as electricity at different stages of production as a continuous program. Simultaneously, the generated wastes of body and glaze are benefited and used in production on regular basis. Necessary infrastructure has also been created to continue the activities in future.

The Company's policy requires conduct of operations in such a manner, so as to ensure safety of all concerned, compliances of environmental regulations and preservation of natural resources. In line with the Company's commitment towards conservation of energy, all its units continue with their efforts aimed at improving energy efficiency through innovative measures, to reduce wastage and optimise consumption.

The Company's manufacturing units are ISO 9001, 14001 and BS 18001 certified.

As a part of national policy and Green (Green & Solar) initiative, Company has stabilized power cost by generation of electricity through non-conventional sources for captive use.

Initiatives taken by the Company towards technology and energy efficiency are mentioned in Directors' Report and as Annexure III to the Directors' Report.

The Company is committed to achieve all the norms within the limits for emission and discharge of air and water, as may be laid down by the regulators. The Company complies with pollution and environmental laws.

No show cause/ legal notices received from CPCB/SPCB during the financial year 2017-18.

Principle 7: [Business, when engaged in influencing public and regulatory policy, should do so in a responsible manner]

The Company is a member of

a. Gujarat Chamber of Commerce & Industries

b. Indian Council of Sanitaryware Manufacturers

c. Indian Green Building Council Promoted by CII

d. Preferred partner of CREDAI (Confederation of Real Estate Developers Associations of India)

e. Kadi Industrial Association

From time to time the Company has been raising various issues relating to Ceramic Industries through above mentioned association.

The Company's scientists/ executives are active participants in meetings with statutory agencies and help in evolving new standards for finished products and raw materials for human safety and environmental protection.

Principle 8: [Businesses should support inclusive growth and equitable development]:

The Company has taken various CSR initiatives for support and development of society. The report on the CSR projects carried by the Company is annexed as Annexure II of the Director's Report.

The Company has always strived to provide better health, education and vocational skills to the people in or around its manufacturing units. The Company extends its social responsibility by engaging its strategic and trust based community development interventions.

An amount of ` 279.29 Lakhs was spent towards various CSR projects during the financial year 2017-18 and people in the cities like Kadi, Kundal, Ahmedabad in the state of Gujarat and Kolkata in the state of West Bangal were benefited. The amount spent on various CSR activities is mentioned in the Annual Report as Annexure VI to the Directors' Report.

The internal teams reviews and ensure the implementation of the projects undertaken.

Principle 9 [Businesses should engage with and provide value to their customers and consumers in a responsible manner]:

Most of the customer complaints are appropriately addressed and resolved. As on the end of the financial year, there was negligible percentage of unresolved complaints.

There are no cases in relation to unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year.

The Company displays all product information on the product label, which is mandatory and as may be required by law for the use of the products by the consumers.

Consumer Satisfaction Surveys are being conducted periodically to assess the consumer satisfaction levels and consumer's trends.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON MARCH 31, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Cera Sanitaryware Limited
CIN:L26910GJ1998PLC034400
9,GIDC Industrial Estate,
Kadi, Mehsana – 382715

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **CERA SANITARYWARE LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit; we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

1) The Companies Act, 2013 (the Act) and the Rules made thereunder;

2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;

3) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

4) Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

   (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

   (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

   (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 - Not applicable as the Company has not issued any shares / securities during the year under review;

   (d) The Securities and Exchange Board of India (Share Based Employees Benefits), Regulations, 2014 - Not Applicable as the Company has not issued any Shares / options to the Directors /Employees under the said Regulations during the year under review;

   (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 - Not Applicable as the Company has not issued any listed debt securities during the year under review;

   (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

   (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 - Not Applicable as the Company has not delisted its Equity Shares from any Stock Exchanges during the year under review;

   (h) The Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998 - Not Applicable as the Company has not bought - back any of its securities during the year under review;

   (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

   We have also examined compliance with the applicable Standards / Clauses / Regulations of the following:

   (i) Secretarial Standards issued by The Institute of the Company Secretaries of India (ICSI) and made effective from time to time.

   (ii) The Uniform Listing Agreement entered into by the Company with National Stock Exchange of India Limited and BSE Limited.

During the Audit period under review, the Company has complied with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

We further report that :

During the audit period under review there were no specific laws which were exclusively applicable to the Company / Industry. However, having regard to the Compliance system prevailing in the Company and on examination of relevant documents and records on test - check basis, the Company has complied with the material aspects of the following significant laws applicable to the Company being engaged in the manufacturing activities:

1. Factories Act,1948;

2. Acts prescribed under prevention and control of pollution;

3. Acts prescribed under Environmental protection.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of Board that took place during the year under review were carried out in compliance of the provisions of Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the meetings of Board of Directors/ Committees of the Company were carried unanimously. We were informed that there were no dissenting views of the members'on any of the matters during the year that were required to be captured and recorded as part of the minutes.

We further report that:

Based on the review of compliance mechanism established by the Company, the information provided by the Company, its officers and authorized representatives during the conduct of the audit and compliance certificate(s) placed before the Board Meeting, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable general laws, rules, regulations and guidelines such as Labour Laws, The Trade Marks Act, 1999, The Indian Copyright Act, 1957, The Patents Act, 1970.

We further report that:

The Compliance by the Company of the applicable financial laws like Direct and Indirect Tax laws, has not been reviewed in this Audit since the same have been subject to the review by the Statutory Auditor(s) and other designated professionals.

We further report that:

During the audit period under review, there were no instances of:

a) Public / Right issue of shares/ debentures/sweat equity, etc.

b) Redemption / buy-back of securities.

c) Obtaining the approval from Shareholders under Section 180 of the Companies Act, 2013.

d) Merger / amalgamation / reconstruction, etc.

e) Foreign technical collaborations.

Independent Auditors' Report

To,
The Members of Cera Sanitaryware Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying Standalone Ind AS financial statements of CERA SANITARYWARE LIMITED (the "Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements, that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether these Standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on these Standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2018, its profit (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matters

The Company had prepared separate sets of statutory financial statements for the year ended 31st March, 2017 and 31st March, 2016 in accordance with the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) on which predecessor auditors issued their auditor's reports to the shareholders of the Company, dated 04.05.2017 and 03.05.2016 respectively. These financial statements have been adjusted for the differences in the accounting principles adopted by the Company on transition to Ind AS, which have been audited by us.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the said Order.
2. As required by Section 143(3) of the Act, we report that:
   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

(c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

(d) In our opinion, the aforesaid Standalone Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.

(e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors of the Company is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act.

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".

(g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

[i] The Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS financial statements. Refer Note 45 to the financial statements.

[ii] According to the information and explanations provided to us, the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

[iii] There has been no delay in transferring amounts, required to be transferred during the year, to the Investor Education and Protection Fund by the Company.

Annexure – A

Annexure - A to the Independent Auditor's Report of even date to the members of Cera Sanitaryware Limited, on the Standalone Ind AS financial statements for the year ended 31st March, 2018.

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit and to the best of our knowledge and belief, we report that:

(1) **(a)** The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) The title deeds of all the immovable properties (which are included under the head 'Property, Plant and Equipment') are held in the name of the Company.

(2) In our opinion, the management has conducted physically verification of inventory at reasonable intervals during the year. No material discrepancies were noticed on such verification.

(3) As informed to us, the Company has granted unsecured loans to its subsidiary company covered in the register maintained under Section 189 of the Companies Act, 2013. In respect of such loans we have been informed that:

(a) the terms and conditions of the grant of such loans are not, prima facie, prejudicial to the Company's interest.

(b) the schedule of repayment of principle and payment of interest has been stipulated and the repayment of the principle amount and interest are regular.

(c) there is no overdue amount in respect of loans granted to such companies.

(4) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of loans and investments. The Company has not given any guarantee or provided security during the year.

(5) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended).

(**6**) We have broadly reviewed the accounts and records maintained by the Company pursuant to the rules made by the Central Government for the maintenance of the cost records under Section 148 of the Companies Act related to the maintenance of manufacture of certain products, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.

(7) **(a)** The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income- tax, sales tax, value added tax, duty of customs, duty of excise, service tax, cess and any other statutory dues including GST, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year end for a period of more than six months from the date they became payable.

(b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise and value added tax on account of any dispute, matters pending are as follows:

Sr. No.	Name of Statute	Nature of Dues	Amount ` (Lakhs)	Period to which the amount relates (F.Y.)	Forum where dispute is Pending
1	Income Tax Act, 1961	Income Tax	4.43	2004-05	High Court - Gujarat
2	Income Tax Act, 1961	Income Tax	48.39	2007-08	ITAT
3	Income Tax Act, 1961	Income Tax	25.17	2011-12	CIT Appeals
4	Income Tax Act, 1961	Income Tax	9.62	2012-13	CIT Appeals
5	Central Excise Act, 1944	Central Excise	2.77	1991-92	Supreme Court

(8) The Company has not defaulted in repayment of loans or borrowings to any bank or financial institution or government or dues to debenture holders, if any.

(9) The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) or term loans during the year.

(10) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period course of our audit.

(11) Managerial remuneration has been paid and provided by the Company in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act, 2013.

(12) The Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.

(13) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act,2013, where applicable, and the requisite details have been disclosed in the financial statements etc., as required by the applicable Ind AS.

(14) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.

(15) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Companies Act, 2013.

(16) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the standalone financial statements of CERA SANITARYWARE LIMITED ('the Company'), as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of the Company as of that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Significant Accounting Policies and other Explanatory Information to the Standalone Financial Statements for the Financial Year ended 31st March, 2018

1. **Corporate Information**

Cera Sanitaryware Limited (the "Company") is a public limited company domiciled in India having its registered office situated at 9, GIDC Industrial Estate, Kadi – 382715, Dist. Mehsana, Gujarat, India. The Company was incorporated on 17th July,1998, under the provisions of the Companies Act applicable in India and its equity shares are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited. The Company is engaged in the business of manufacturing, selling and trading of building products and is having non-conventional wind & solar power for captive use in the State of Gujarat.

2. **Basis of Preparation**

2.1 **Statement of Compliance with Ind AS.**

The Standalone Financial Statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

The Company has adopted all the relevant Ind AS and the adoption was carried out in accordance with Ind AS 101, "First Time Adoption of Indian Accounting Standards". Accordingly, these Standalone Financial Statements for the year ended 31st March, 2018 are the Company's First Ind AS Standalone Financial Statements.

For all periods up to and including the year ended 31st March, 2017, the Company prepared its Standalone Financial Statements in accordance with Indian Accounting Principles generally accepted in India including Accounting Standards notified under Section 133 of the Act read with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). Reconciliation and description of the effect of the transition have been summarised in Note No. 42.

The transition to Ind AS has resulted in changes in the presentation of the Financial Statements, disclosures in the notes thereto and accounting policies and principles.

These Standalone Financial Statements of the Company as at and for the year ended 31st March, 2018 (including comparatives) were approved and authorised for issue by the Board of Directors of the Company on 3rd May, 2018.

2.2 **Functional and Presentation Currency**

These Standalone Financial Statements are presented in Indian Rupees (INR), which is also a functional currency. All the values have been rounded off to the nearest lakh, unless otherwise indicated.

2.3 **Basis of Measurement**

These Standalone Financial Statements have been prepared on a historical cost convention except where certain financial assets and liabilities have been measured at fair value as under:-

Items	Measurement Basis
Investment in Mutual Funds	Fair Value
Employee Defined Benefit Plans	Plan Assets measured at fair value less present value of defined benefit obligation
Certain Financial Assets and Liabilities (including Derivative Instruments)	Fair Value

3. **Significant Accounting Policies**

3.1 **Property, Plant and Equipment**

[a] **Tangible Assets**

[i] **Recognition and Measurement**

Items of property, plant and equipment are measured at cost, which include capitalised borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any, except freehold land which is carried at historical cost.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Useful lives have been determined in accordance with Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

[ii] **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all its property, plant and equipment recognised as at 1st April, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

[iii] **Subsequent Expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

[iv] **Derecognition**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

[v] **Research and Development Cost**

Research and Development Costs that are in the nature of tangible assets and are expected to generate probable future economic benefits are capitalised as tangible assets. Revenue expenditure on research and development is charged to the Statement of Profit and Loss in the year in which it is incurred.

[vi] **Depreciation/Amortization**

Depreciation is calculated on cost of items of property, plant and equipment (other than freehold land and properties under construction) less their estimated residual values over their estimated useful lives using the straight line method in respect of plant and machinery and electric plant and installation and using the written down value method in respect of other assets. Depreciation is generally recognised in the Statement of Profit and Loss. Amortization on leasehold land is provided over the period of lease.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted, if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives best represent the period over which management expects to use these assets. The useful lives of the Company's Plant and Equipments are considered on the basis of continuous process plant.

Depreciation on additions (disposals) is provided on a pro rata basis that is from (up to) the date on which asset is ready for use (disposed of).

[b] **Capital work-in-progress**

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation on Capital work-in-progress commences when assets are ready for their intended use and transferred from Capital work-in-progress Group to Tangible Fixed Assets Group.

[c] **Intangible Assets**

[i] **Initial Recognition and Classification**

Intangible assets including those acquired by the Company are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortization and any accumulated impairment losses.

[ii] **Subsequent Expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in profit or loss as incurred.

[iii] **Transition to Ind AS**

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as at 1st April, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

[iv] **Amortization**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over the estimated useful lives using the written down value method and is included in depreciation and amortization in Statement of Profit and Loss. The estimated useful lives of computer software are considered not exceeding three years. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate.

[v] **Derecognition**

An item of initangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

[d] **Impairment of Non Financial Assets.**

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognised.

3.2 **Borrowing Costs**

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition or construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are

capitalised as part of the cost of the respective asset until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred and reported in finance costs.

3.3 **Current versus Non Current Classification**

The Company presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset/ liability is treated as current when it is :-

* Expected to be realised or intended to be sold or consumed or settled in normal operating cycle
* Held primarily for the purpose of trading
* Expected to be realised/ settled within twelve months after the reporting period, or
* Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
* There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

3.4 **Inventories**

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, wherever considered necessary. The cost of inventories comprises of all costs of purchase, costs of conversion and other costs including manufacturing overheads incurred in bringing the inventories to their present location and condition. Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less any applicable selling expenses.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

Excess/ shortages, if any, arising on physical verification are absorbed in the respective consumption accounts.

The Company had changed the method of valuation of closing stock of raw materials, packing materials, stores and spares, chemicals and traded goods as at 31st March, 2017 to "Cost or net realisable value whichever is lower" following weighted average method which was earlier FIFO method.

3.5 **Cash and Cash Equivalents**

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

3.6 **Cash Flow Statement**

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

3.7 **Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in the case of :

* a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
* a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Financial Statements.

3.8 **Earnings Per Share**

Basic earnings per equity share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares during the year.

3.9 **Foreign Currency Transactions and Translations**

Initial Recognition

The Company's financial statements are presented in INR, which is also the Company's functional currency. Transactions in foreign currencies are recorded on initial recognition in the functional currency at the exchange rates prevailing on the date of the transaction.

Measurement at the Balance Sheet Date

Foreign Currency monetary items of the Company, outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date

of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Treatment of exchange difference

Exchange differences that arise on settlement of monetary items or on reporting at each Balance Sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

3.10 **Revenue Recognition**

Revenue arises from sale of goods and rendering of services. It is measured at the fair value of the consideration received or receivable (excluding taxes), net of returns and reduced by any rebates and trade discount allowed.

Sale of Goods

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

* the Company has transferred to the buyer the significant risks and rewards of ownership of the goods.
* the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.
* the amount of revenue can be measured reliably.
* It is probable that the economic benefits associated with the transaction will flow to the entity, and
* the costs incurred or to be incurred in respect of the transaction can be measured reliably.
* Sales exclude self-consumption of products.

Rendering of Services

Revenue from a contract to provide services is recognised in the accounting period in which such services are rendered. For fixed price contracts, revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided.

Interest and Dividends and Other Income

Interest income and expenses are reported on an accrual basis using the effective interest method. Dividends are recognised at the time the unconditional right to receive payment is established. Other income is recognised on accrual basis except where the receipt of income is uncertain.

3.11 **Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease transaction. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee :

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases that transfer substantially all of the risks and benefits incidental to ownership of the leased item, are capitalised at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and a reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in Finance Costs in the Statement of Profit and Loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Company as a lessor:

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

3.12 **Employee Benefits**

Employee benefits include provident fund, pension fund, gratuity and compensated absences.

Defined Contribution Plans

The Company's contribution to provident fund and pension fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees. The Company has no legal or constructive obligation to pay contribution in addition to its fixed contribution.

Defined Benefit Plans

The Company operates a defined benefit Gratuity Plan with approved Gratuity Fund and contributions are made to a separately administered approved Gratuity Fund. For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method', with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately

in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

Short-term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, wages, performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under :

(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

(b) in case of non-accumulating compensated absences, when the absences occur.

Long-term Employee Benefits

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

3.13 **Taxes on Income**

Income tax comprises Current and Deferred Tax. It is recognised in the Statement of Profit or Loss except to the extent that it relates to business combination or to an item recognised directly in equity or in other comprehensive income.

[i] **Current Tax**

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

[ii] **Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised in full.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date. Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.14 **Equity, Reserves and Dividend Payments**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

Dividend distribution payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

3.15 **Significant Judgments, Estimates and Assumptions**

The preparation of the Company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, the Company has identified the following areas where significant judgments, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

Judgments

In the process of applying the Company's accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements.

Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a) **Impairment of Non-financial Assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the assets' recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Unit's (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. The calculations are corroborated by valuation multiples, quoted share prices for publicly traded subsidiaries or other available fair value indicators.

(b) **Estimation of Defined Benefit Obligations**

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(c) **Fair Value Measurement of Financial Instruments**

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active market, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(d) **Estimation of Current Tax and Deferred Tax**

Management judgment is required for the calculation of provision for income - taxes and deferred tax assets and liabilities. The Company reviews at each Balance Sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the financial statements.

(e) **Impairment of Financial Assets**

The impairment provisions for financial assets are based on assumptions about risk of default and Expected Credit Loss (ECL) rates. The Company uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

3.16 **Fair Value Measurement**

The Company measures financial instruments such as investments in mutual funds, certain other investments etc. at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

* Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
* Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
* Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.17 **Financial Instruments**

I. **Financial Assets**

(a) **Initial Recognition and Measurement**

All financial assets are recognised initially at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset, which are not at fair value through profit and loss, are added to fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

(b) **Subsequent Measurement**

(i) **Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) **Financial assets at fair value through Other Comprehensive Income (FVOCI)**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) **Financial assets at fair value through Profit or Loss (FVTPL)**

A financial asset which is not classified in any of the above categories are subsequently fair valued through Statement of Profit and Loss.

(c) **Impairment of Financial Assets**

The Company assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its assets measured at amortised cost and assets measured at fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(d) **Derecognition of Financial Assets**

A financial asset is derecognised when :

* The Company has transferred the right to receive cash flows from the financial assets or
* Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company transfers the financial asset, it evaluates the extent to which it retains the risk and rewards of the ownership of the financial assets. If the Company transfers substantially all the risks and rewards of ownership of the financial asset, the Company shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. If the Company retains substantially all the risks and rewards of ownership of the financial asset, the Company shall continue to recognise the financial asset.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of the ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial assets. Where the Company retains control of the financial assets, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

II. **Financial Liabilities**

Initial Recognition and Subsequent Measurement

All financial liabilities are recognised initially at fair value and in case of borrowings and payables, net of directly attributable cost.

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

III. **Fair Value of Financial Instruments**

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may vary from actual realization on future date.

IV. **Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

V. **Investment in Subsidiaries, Joint Ventures and Associates**

The Company has accounted for its investment in subsidiaries, joint ventures and associates at cost.

Notes to Standalone financial statements for the year ended 31st March, 2018

	Total	**14,026.46**	11,816.58

Note :

33.1 As per Ind AS 19 "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below:

Defined Contribution Plan : The Company's Contribution to provident fund and pension fund is considered as Defined Contribution Plan and is recognised as expenses for the year.

Defined Benefit Plan : The Company operates a Defined Benefit Gratuity plan with approved Gratuity Fund and contributions are made to a separately administered approved Gratuity Fund.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separtely to build up the final obligation.

The obligation for leave encashment is recognized as expense for the year.

Gratuity : The benefits are governed by the Payment of Gratuity Act, 1972. The key features are as under :

Plan Features	
Benefits offered	(15 / 26) x (Salary) x (Duration of Service in years)
Salary definition	Last drawn qualifying Salary
Benefit ceiling	Without limit
Vesting conditions	5 years of continuous service (Not applicable in case of death / disability)
Benefit eligibility	Upon death or disability or retirement
Retirement age	60 years

Leave Encashment : The benefits are governed by the Company's Leave Poliicy.

Key Features	
Salary for Encashment	As per rules of the Company
Benefit event	Death or Resignation or Retirement or Availment
Maximum accumulation	As per rules of the Company
Benefit Formula	(1/30) x (Basic Salary) x (Leave Days)
Leave Denominator	Employee 30
Leave Credited Annually	Employee 30
Retirement age	60 years

Risks associated to the Plan (Gratuity and Leave Encashment)

A.	Actuarial Risk	Risks due to adverse salary growth / Variability in mortality and withdrawal rates.
B.	Investment Risk	Risks due to significant changes in discounting rate during the inter-valuation period.
C.	Liquidity Risk	Risks on account of Employees resignation / retirement from the company, resulting into strain on the cashflow.
D.	Market Risk	Risks related to changes and fluctuations of the financial markets and assumptions depend on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.
E.	Legislative Risk	Risks of increase in the plan liabilities or reduction in plan assets due to change in legislation.

Withdrawal Rate	1%	Increase by	**1%**	1%	Decrease by	**1%**	1%

The Methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

Funding arrangements and funding policy :

Gratuity liability is funded whereas leave Benefits Liability is not funded. There are no minimum funding requirements for Leave benefits plans in India and there is no compulsion on the part of the Company to fully pre fund the liability. The Company has purchased an insurance policy to partly provide for payment of gratuity to the employees. The trustees of the plan also make investments in Central / State Govt. securities, high quality Corporate bonds, special deposit scheme, mutual funds etc., as per rules and regulations. Every year, the actuary carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Amounts for the current and previous years are as follows

(` in lakhs)

Particulars		**31st March, 2018**	31st March, 2017
1	**Gratuity (Funded)**		
	Defined Benefit Obligation	**1,635.46**	1,504.91
	Plan Assets	**1,555.10**	1,498.27
	Surplus / (Deficit)	**(80.36)**	(6.64)
	Experience adjustments on Plan Liability (Loss)	**96.94**	20.04
	Experience adjustments on Plan Assets	**(15.96)**	2.30
2	**Leave encashment (Non-Funded)**		
	Defined Benefit Obligation	**853.45**	758.49
	Experience adjustments on Plan Liability	**107.52**	104.13

Company's estimate of Contributions expected to be paid during Financial Year 2018-19 is as under:

(i)	**Defined Contribution Plan :**	
	(a) Employer's contribution to Provident Fund	12% of Basic Salary
(ii)	**Defined Investment Plan :**	
	(a) Gratuity	172.04
	(b) Leave Encashment	5.82

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The expected rate of return on plan assets is determined considering several applicable factors, mainly the composition of plan assets held, assessed risks, historical results of return on plan assets and the Company's policy for plan assets management.

39.6 Sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31st March, 2018, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (31st March, 2017: Nil, 1st April, 2016: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Note – 40 : FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

Overview:

The Company's Risk Management framework encompasses practices relating to the identification, analysis, evaluation, treatment, mitigation and monitoring of the strategic, external and operational controls risks to achieving the Company's business objectives. It seeks to minimize the adverse impact of these risks, thus enabling the Company to leverage market opportunities effectively and enhance its long-term competitive advantage. The focus of risk management is to assess risks and deploy mitigation measures.

The Company's activities expose it to variety of financial risks namely market risk, credit risk and liquidity risk. The Company has various financial assets such as deposits, trade and other receivables and cash and bank balances directly related to the business operations. The Company's principal financial liabilities comprise of trade and other payables. The Company's senior management's focus is to foresee the unpredictability and minimize potential adverse effects on the Company's financial performance. The Company's overall risk management procedures to minimise the potential adverse effects of financial market on the Company's performance are outlined hereunder:

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management is carried out by the management in consultation with the Board of Directors. The Board provides principles for overall risk management, as well as policies covering specific risk areas.

The note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(A) Credit Risk:

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and from its financial activities including deposits with banks and other financial instruments. The Company establishes an impairment allowance based on Expected Credit Loss model that represents its estimate of incurred losses in respect of trade and other receivables.

(i) Trade Receivables:

The Company extends credits to customers in normal course of the business. The Company considers the factors such as credit track record in the market of each customer and past dealings for extension of credit to the customers. The Company monitors the payment track record of each customer and outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located at several jurisdiction and industries and operate in large independent markets. The Company also takes advances and security deposits from customers which mitigate the credit risk to an extent.

The average credit period taken on sales of goods is 30 to 60 days. Generally, no interest has been charged on the receivables. Allowances against doubtful debts are recognised against trade receivables based on estimated irrecoverable amounts determined by reference to past default experience of the counterparty and an analysis of the counterparty's current financial position.

Before accepting any new customer, the Company uses an internal credit system to assess the potential customer's credit quality and defines credit limit of customer. Limits attributed to customers are reviewed periodically. There are no customers who represent more than 5 per cent of total net revenue from operations.

The Company does not hold any collateral or other credit enhancements over any of its trade receivables nor does it have a legal right of offset against any amounts owed by the Company to the counterparty.

Expected Credit Loss (ECL):

The Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward- looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

0-3 months	Nil
3-6 months	Nil
6-12 months	Nil
Beyond 12 months	10 to 25

(` in lakhs)

Period	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Ageing of past due but not impaired receivables:			
0-3 months	**22,091.78**	18,830.82	15,627.39
3-6 months	**2,029.52**	1,296.28	1,823.92
6-12 months	**1,621.42**	983.23	617.26
Beyond 12 months	**1,186.70**	960.49	774.35
Ageing of impaired trade receivables:			
0-3 months	**-**	-	-
3-6 months	**-**	-	-
6-12 months	**-**	-	-
Beyond 12 months	**163.00**	-	-

(ii) Cash and cash equivalents and short-term investments:

The Company considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The Company does not maintain significant deposit balances other than those required for its day to day operations. Credit risk on cash and cash equivalents is limited as these are generally held or invested in deposits with banks and financial institutions with good credit ratings.

(B) Liquidity Risk:

Liquidity risk is the risk that the Company will face in meetings its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities so that it does not breach borrowing limits.

The table below provides undiscounted cash flows towards non-derivative financial assets/ (liabilities) into relevant maturity based on the remaining period at the Balance Sheet date to the contractual maturity date and where applicable, their effective interest rates.

(C) Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: foreign currency risk, interest risk and other price risk such as commodity risk.

(i) Foreign Currency Risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates and arises where transactions are done in foreign currencies. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows approved policy parameters utilizing forward foreign exchange contracts whenever felt necessary. The Company does not enter into financial instrument transactions for trading or speculative purpose.

The Company transacts business primarily in Indian Rupees, USD, Euro and GBP. The Company has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk. Certain transactions of the Company act as a natural hedge as a portion of both assets and liabilities are denominated in similar foreign currencies. For the remaining exposure to foreign exchange risk, the Company adopts a policy of selective hedging based on risk perception of the management.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(in lakhs)

Particulars	Currency	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Trade receivables	USD	**11.65**	3.65	1.30
Trade payables	USD	**0.06**	0.19	0.28
Advance to suppliers	USD	**0.24**	3.69	3.62
	EUR	**0.39**	0.10	0.45
	GBP	**0.04**	0.02	-
Advance from customers	USD	**0.46**	0.18	0.24
Balance in EEFC account	USD	**0.70**	0.08	1.93
Currency Rate		**31st March, 2018**	31st March, 2017	1st April, 2016
USD		**65.1434**	64.7957	66.2365
EUR		**80.2852**	69.2336	75.5986
GBP		**91.2884**	81.2282	94.4210

Of the above foreign currency exposures, following exposures are not hedged:

Particulars	Currency	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Trade receivables	USD	**11.65**	3.65	1.30
Trade payables	USD	**0.06**	0.19	0.28
Advance to suppliers	USD	**0.24**	3.69	3.62
	EUR	**0.39**	0.10	0.45
	GBP	**0.04**	0.02	-
Advance from customers	USD	**0.46**	0.18	0.24
Balance in EEFC account	USD	**0.70**	0.08	1.93

Sensitivity Analysis:

The following table demonstrates the sensitivity of profit and equity in USD, Euro and GBP to the Indian Rupee with all other variables held constant. The impact on the Company's profit before tax and other comprehensive income due to changes in the fair value of monetary assets and liabilities is given below:

(` in lakhs)

Particulars	Change in currency exchange rate	Effect on Profit before tax 31st March, 2018	Effect on Profit before tax 31st March, 2017
USD	5%	**(39.31)**	(22.84)
	-5%	**39.31**	22.84
EUR	5%	**(1.57)**	(0.35)
	-5%	**1.57**	0.35
GBP	5%	**(0.18)**	(0.08)
	-5%	**0.18**	0.08

This is mainly attributable to the exposure outstanding on foreign currency receivables and payables in the Company at the end of each reporting period.

(ii) Interest Rate Risk:

The Company's exposure to the risk of changes in market interest rates relates primarily to long term debts having floating rate of interest. Its objective in managing its interest rate risk is to ensure that it always maintains sufficient headroom to cover interest payment from anticipated cashflows which are regularly reviewed by the Board. However, the risk is very low due to negligible borrowings by the Company.

The Company's non-current borrowings from banks are Nil as at 31st March, 2018 and 31st March, 2017 respectively. Other non-current financial liabilities have fixed rate of interest where the risk of changes in the interest rates is almost nil. As a result, the sensitivity affecting the profit before tax due to the Company's exposure to the risk of changes in market interest rates is almost nil.

(iii) Commodity Risk:

The Company is exposed to the movement in the price of key raw materials and other traded goods in the domestic and international markets. The Company has in place policies to manage exposure to fluctuation in prices of key raw materials used in operations. The Company enters into contracts for procurement of raw materials and traded goods, most of the transactions are short term fixed price contracts and a few transactions are long term fixed price contracts.

Capital Management:

The Company manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balances. The capital structure consists of debt which includes the borrowings as disclosed in Note 18, 22 and 24, cash and cash equivalents and current investments and equity attributable to equity holders of the Company, comprising issued share capital, reserves and retained earnings as disclosed in the Statement of Changes in Equity. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of

the Company attributable to equity holders of the Company. The Company is not subject to externally imposed capital requirements. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Audit Committee and the Board of Directors.

The following table summarizes the capital of the Company:

(` in lakhs)

Particulars	31st March, 2018	31st March, 2017	1st April, 2016
Equity	**60,495.48**	52,438.96	43,565.39

Total	**26,555.15**	25,927.97	21,409.75	**26,555.15**	25,927.97	21,409.75

The management assessed that fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Company determines fair values of financial assets or liabilities by discounting the contractual cash inflows / outflows using prevailing interest rates of financial instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value.

The fair value of investments in mutual funds is determined using net assets value of the funds. Further, the subsequent measurements of all assets and liabilities (other than investments in mutual funds) is at amortised cost, using effective interest rate method.

The following methods and assumptions were used to estimate the fair values:

- The fair value of the Company's interest bearing borrowings are determined using discount rate that reflects the entity's discount rate at the end of the reporting period. The own non-performance risk as at the reporting period is assessed to be insignificant.
- The fair value of unquoted instruments and other financial assets and liabilities is estimated by discounting future cash flows using rates currently applicable for debt on similar terms, credit risk and remaining maturities.

41.1 Fair Value Hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3 : Valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

The following table provides the fair value measurement hierarchy of the Company's assets.

(` in lakhs)

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)

Note - 42. FIRST TIME ADOPTION OF IND AS

These standalone financial statements, for the year ended 31st March, 2018 are the first financial statements prepared by the Company in accordance with Ind AS. For periods up to and including the year ended 31st March, 2017, the Company prepared its standalone financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP' or previous GAAP)

Accordingly, the Company has prepared standalone financial statements which comply with Ind AS applicable for periods ended 31st March, 2018 together with the comparative period data as at and for the year ended 31st March, 2017 as described in the summary of Significant Accounting Policies. In preparing these financial statements, the Company's opening Balance Sheet was prepared as at 1st April, 2016 the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its previous GAAP standalone financial statements including the Balance Sheet as at 1st April, 2016 and the standalone financial statements as at and for the year ended 31st March, 2017.

The Company has applied Ind AS 101 in preparing these first standalone financial statements. The effect of transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the notes that accompany the tables.

Exemptions and Exceptions applied

Set out below are the applicable Ind AS 101 Optional Exemptions and Mandatory Exceptions applied in the transition from previous GAAP to Ind AS.

(A) Ind AS Optional Exemptions:

1. Business Combinations:

The Company has elected not to apply Ind AS 103 Business Combinations retrospectively to the past business combinations that occurred before the transition date of 1st April, 2016.

Consequently,

(i) The Company has kept the same classification for the past business combinations as in its previous GAAP financial statements.

(ii) The Company has excluded from its opening Balance Sheet those items recognized in accordance with previous GAAP that do not qualify for recognition as an asset or liability under Ind AS.

2. Deemed Cost – Property, Plant and Equipment and Intangible Assets:

As permitted by Ind AS 101, the Company has elected to continue with the carrying value of its property, plant and equipment and intangible assets recognized as of 1st April, 2016 (date of transition) measured as per the previous GAAP and used that carrying value as its deemed cost as of the date of transition.

3. Leases:

Appendix C to Ind AS 17, Leases, requires an entity to assess whether a contract or arrangement contains a lease. As per Ind AS 17, this assessment should be carried out at inception of the contract or arrangement. However, the Company has used Ind AS 101 exemption and assessed all arrangements based on conditions in place as at the date of transition.

4. Investments in Subsidiaries:

The Company has availed the optional exemption under Ind AS 101 for the continuance of the carrying value of Investments in subsidiaries same as under the previous GAAP.

(B) Ind AS Mandatory Exceptions:

1. Estimates:

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS presented in the entity's first Ind AS financial statements as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under the previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition (for preparing opening Ind AS Balance Sheet) or at the end of the comparative period (for presenting comparative information as per Ind AS).

The Company's estimates under Ind AS are consistent with the above requirements. Key estimates considered in preparation of the financial statements that were not required under the previous GAAP are listed below:

(i) Fair valuation of financial instruments carried at FVTPL and/or FVOCI.

(ii) Impairment of financial assets based on the Expected Credit Loss model.

(iii) Determination of the discounted value for financial instruments carried at amortised cost.

2. Derecognition of Financial Assets and Liabilities:

As per Ind AS 101, an entity should apply the derecognition requirements in Ind AS 101, Financial Instruments, prospectively for transactions occurring on or after the date of transition to Ind AS.

However, an entity may apply the derecognition requirements retrospectively from a date chosen by it if the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Company has elected to apply the derecognition principles of Ind AS 109 prospectively.

3. Classification and Measurement of Financial Assets:

Financial Instruments:

Financial assets like security deposits received and security deposits paid, have been classified and measured at amortised cost on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Since, it is impracticable for the Company to apply retrospectively the effective interest method in Ind AS 109, the fair value of the financial asset or the financial liability at the date of transition to Ind AS by applying amortised cost method, has been considered as the new gross carrying amount of that financial asset or the financial liability at the date of transition to Ind AS.

*The IGAAP figures have been reclassified to conform to Ind AS presentation requirements for the purposes of this note.

42.6 Notes to First Time Adoption

(a) Investment :

Under Indian GAAP, investments in Mutual Funds were classified in to current Investments. Current Investments were carried at lower of cost and fair value. Under Ind AS these Investments are required to be measured at Fair Value either through OCI (FVTOCI) or through Profit & Loss (FVTPL). The Company has opted to Fair Value these Investments through Profit & Loss (FVTPL). Accordingly, resulting fair value change of these Investments have been recognised in retained earnings as at the date of transition and subsequently in the Statement of Profit & Loss for the year ended 31st March, 2017.

(b) Deferred Taxes :

Under Indian GAAP, Deferred Taxes were recognised based on Profit & Loss approach i.e. tax impact on difference between the accounting income and taxable income. Under Ind AS, Deferred Tax is recognised by following Balance Sheet approach i.e. tax impact on temporary difference between the carrying value of assets and liabilities in the books and their respective tax base.

(c) Excise Duty :

Under Indian GAAP, revenue from Sale of Goods was presented exclusive of Excise Duty. Under Ind AS, revenue from Sale of Goods is presented inclusive of Excise Duty. The Excise Duty paid is presented on the face of the Statement of Profit & Loss as part of expenses.

(d) Remeasurement of Post Employment Benefit Obligations :

Under Indian GAAP, cost relating to Post Employment Benefit Obligations including actuarial gain / losses were recognised in Profit & Loss. Under Ind AS, actuarial gain / losses on the net Defined Benefit Liability are recognised in Other Comprehensive Income instead of Profit & Loss.

(e) Security Deposits :

Under Indian GAAP, interest free rent security deposits paid were reported at their nominal values. Under Ind AS, interest free security deposits are measured at fair value on intial recognition and at amortised cost on subsequent recognition.

The difference between the nominal value of such deposits and their fair value is considered as additional rent payable.

This is expensed on a straight line basis over the term of the rent agreement. The Company also recognises interest income on the deposits using Effective Interest Rate (EIR) through Profit and Loss over the life of the deposits.

Note - 43. MOVEMENT IN PROVISIONS

Disclosure of Movement in Provisions during the year as per Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets :

(` in lakhs)

Particulars	Balance as on 1st April, 2017	Provided during the year	Paid/Adjusted during the year	**Balance as on 31st March, 2018**

	Claims against the Company not acknowledged as debts (Net of Payments).	**132.87**	156.77	132.66
	Letters of Credit (Foreign & Inland) opened and guarantees given (Net)	**4,609.10**	3,402.89	1,168.31
	Contribution as Capital to Cera Sanitaryware Trading LLC at Dubai	**-**	-	31.57

Note - 46. NOTE ON CORPORATE SOCIAL RESPONSIBILITY

In accordance with the provisions of Section 135 of the Companies Act, 2013, Schedule VII and Companies (Corporate Social Responsibility Policy) Rules, 2014 the Board of Directors of the Company had constituted a Corporate Social Responsibility (CSR) Committee. In terms of the provisions of the said Act, the Company was required to spend ` 269.44 lakhs (previous year ` 289.96 lakhs) towards CSR activities during the year ended 31st March, 2018. The Company has incurred following expenditure towards CSR activities for the benefit of general public and in the neighbourhood of the manufacturing facilities of the Company.

(` in lakhs)

Sr. No.	Particulars	Year Ended 31st March, 2018	Year Ended 31st March, 2017
1	Prescribed CSR Expenditure (2% of Average Net Profits of the three immediately preceeding financial years)	**269.44**	220.20
2	Add : Unspent amount of previous year	**-**	69.76
	Total amount to be spent for the financial year	**269.44**	289.96

	Total Amount spent during the financial year	**279.29**	290.80
4	Amount Unspent, if any.	**-**	-

Note - 47. RESEARCH AND DEVELOPMENT EXPENDITURE

Research and Development expenditure incurred is set out below

(` in lakhs)

Sr. No.	Particulars	2017-18	2016-17	2015-16
1	Capital expenditure	**35.50**	160.85	104.78
2	Revenue expenditure	**139.69**	89.32	98.12

Note - 48. OPERATING SEGMENTS

The Company operates mainly in manufacturing of Building Products and all other activities are incidental thereto, which have similar risk and return. Accordingly, there are no separate reportable Segment as required under Ind AS 108 " Operating Segment ".

Note - 49.

Balances of certain debtors, creditors, loans & advances and deposits are subject to confirmation. Due adjustments will be made on receipt thereof, if necessary.

Note - 50.

In the opinion of the Management, current assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated except where indicated otherwise.

Note - 51.

The Company had changed the method of valuation of closing stock of raw materials, packing materials, stores and spares, chemicals and traded goods as at 31st March, 2017 to "Cost or net realisable value whichever is lower" following weighted average method which was earlier FIFO method. The effect of increase in consumption and decrease in profits in earlier financial years due to this change is not material and hence not recognised.

Note - 52. DIVIDENDS PAID AND PROPOSED

(` in lakhs)

Sr. No.	Particulars	Year ended 31st March, 2018	Year ended 31st March, 2017
1	**Declared and paid during the year:**		
	Final dividend for FY 2016-17: ` 12 per share (FY 2015-16: ` 9 per share)	**1,560.70**	1,170.53
	Dividend Distribution Tax paid	**317.72**	244.67
2	**Proposed for approval at the annual general meeting (not recognised as a liability):**		
	Final dividend for FY 2017-18: ` 12 per share (FY 2016-17: ` 12 per share)	**1,560.70**	1,560.70
	Dividend Distribution Tax	**320.81**	317.72

Note - 53.

Consequent to the introduction of Goods and Service Tax (GST) with effect from 1st July, 2017, Central Excise, Value Added Tax (VAT) etc. have been subsumed into GST. In accordance with Indian Accounting Standard-18 on "Revenue" and Schedule III to the Companies Act, 2013, unlike Excise Duties, levies like GST, VAT etc. are not part of Revenue from Operations. Revenue for the year ended 31st March, 2018 and 31st March, 2017 are net of GST. The following additional information is being provided to facilitate such understanding.

(` in lakhs)

Particulars	Year Ended 31st March, 2018	Year Ended 31st March, 2017
Revenue from Operations (Gross)	**1,39,206.09**	1,05,910.11
GST Recovered	**19,938.31**	-
Revenue from Operations (Net)	**1,19,267.78**	1,05,910.11
Excise Duty on sales	**1,059.66**	4,761.00
Revenue from Operations excluding GST/Excise Duty	**1,18,208.12**	1,01,149.11

Note - 54.

Independent Auditors' Report

To,
The Members of Cera Sanitaryware Limited

Report on the Consolidated Ind AS Financial Statements

1. We have audited the accompanying consolidated financial statements of CERA SANITARYWARE LIMITED ("the Holding Company'') and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act'') that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS'') specified under Section 133 of the Act. The Holding Company's Board of Directors and the respective Board of Directors of the subsidiaries included in the Group are responsible for the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. Further, in terms of the provisions of the Act, the respective Board of Directors of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

4. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether these consolidated financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

7. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 9(ii) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on these consolidated financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, as referred to in paragraph 9(ii) of the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs (consolidated financial position) of the Group as at 31st March,2018, their consolidated profit (consolidated financial performance including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Other Matters

9. (i). The Holding Company had prepared separate consolidated financial statements for the years ended 31st March, 2017 and 31st March, 2016 in accordance with the Indian Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) on which predecessor auditors issued their auditor's reports to the shareholders of the Company, dated 04.05.2017 and 03.05.2016 respectively. These consolidated financial statements have been adjusted for the differences in the accounting principles adopted by the Holding Company on transition to Ind AS, which have been audited by us.

(ii). We did not audit the financial statements in respect of 1 subsidiary, whose financial statements reflect total assets of ` 12810.15 lakhs and net assets of ` 1219.93 lakhs as

at 31st March, 2018, total revenues of ` 8640.30 lakhs and net cash inflows of ` 67.82 lakhs for the year ended on that date, as considered in the consolidated financial results. The consolidated financial results also include the Group's Share of net loss of ` 6.88 lakhs for the year ended 31st March, 2018, as considered in the consolidated financial results, in respect of 2 associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial results, in so far as it relates to 1 subsidiary and 2 associates is based solely on the reports of the other auditors as we have relied on the work done and the reports of other auditors.

(iii) The share of losses for the year in two associates have exceeded the Group's interests in the associates which is reduced to zero. The Group has not recognised the excess losses aggregating to ` 20.88 lakhs as at 31st March, 2018 and are to be recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associates (Para 39 of Ind AS 28 "Investments in Associates and Joint Ventures.")

Our opinion is not modified in respect of these matters.

Report on Other Legal and Regulatory Requirements

10. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far it appears from our examination of those books and the reports of the other auditors;

c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

d) In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under Section 133 of the Act;

e) On the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiaries covered under the Act, none of the directors of the Group covered under the Act, are disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164(2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiaries covered under the Act and the operating effectiveness of such controls, refer to our separate report in 'Annexure A'; and

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries:

i.) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group as detailed in Note 46 to the consolidated financial statements;

ii.) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii.) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated financial statements of CERA SANITARYWARE LIMITED ("the Holding Company") and its subsidiaries, (the Holding Company and its subsidiaries together referred to as the 'Group') as of and for the year ended 31st March, 2018, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary company which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company and its subsidiary company which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of the Company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary company as aforesaid, based on our audit. We conducted our audit in accordance with the

Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary Company, as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary company, which is a company incorporated in India, have, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Companies Act, 2013 on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary company, is based on the corresponding reports of the auditors of such company. Our opinion is not modified in respect of this matter.

Significant Accounting Policies and other Explanatory Information to the Consolidated Financial Statements for the Financial Year ended 31st March, 2018

1. **Corporate Information**

Cera Sanitaryware Limited (the "Parent Company") is a public limited company domiciled in India having its registered office situated at 9, GIDC Industrial Estate, Kadi - 382715, Dist. Mehsana, Gujarat, India. The Company was incorporated on 17th July,1998, under the provisions of the Companies Act applicable in India and its equity shares are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited. The Company is engaged in the business of manufacturing, selling and trading of building products and is having non-conventional wind & solar power for captive use in the State of Gujarat.

The Consolidated Financial Statements include the consolidated Balance Sheet, consolidated Statement of Profit and Loss, consolidated Cash Flow Statement and consolidated Statement of Changes in Equity of the Parent Company and its undermentioned subsidiaries (hereinafter referred as the 'Group').

Company / Firm	Date of shareholding / membership	Country of incorporation	% of shareholding
Anjani Tiles Limited	7th April, 2015	India	51%
Packcart Packaging LLP	24th June, 2016	India	51%

2. **Basis of Preparation**

2.1 **Statement of Compliance with Ind AS.**

The Consolidated Financial Statements of the Group are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016 notified under Section 133 of the Companies Act, 2013 (the "Act") and other relevant provisions of the Act.

The Group has adopted all the relevant Ind AS and the adoption was carried out in accordance with Ind AS 101, "First Time Adoption of Indian Accounting Standards". Accordingly, these Consolidated Financial Statements for the year ended 31st March, 2018 are the Company's First Ind AS Consolidated Financial Statements.

For all periods upto and including the year ended 31st March, 2017, the Group prepared its Consolidated Financial Statements in accordance with Indian Accounting Principles generally accepted in India including Accounting Standards notified under Section 133 of the Act read with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). Reconciliation and description of the effect of the transition have been summarised in Note No. 43.

The transition to Ind AS has resulted in changes in the presentation of the Financial Statements, disclosures in the notes thereto and accounting policies and principles.

These Consolidated Financial Statements of the Group as at and for the year ended 31st March, 2018 (including comparatives) were approved and authorised for issue by the Board of Directors of the Company on 3rd May, 2018.

2.2 **Functional and Presentation Currency**

These Consolidated Financial Statements are presented in Indian Rupees (INR), which is also a functional currency. All the values have been rounded off to the nearest lakh, unless otherwise indicated.

2.3 **Basis of Measurement**

These Consolidated Financial Statements have been prepared on a historical cost convention except where certain financial assets and liabilities have been measured at fair value as under:-

Items	Measurement Basis
Investment in Mutual Funds	Fair Value
Employee Defined Benefit Plans	Plan Assets measured at fair value less present value of defined benefit obligation
Certain Financial Assets and Liabilities (including Derivative Instruments)	Fair Value

2.4 **Basis of consolidation**

(i) The Consolidated Financial Statements incorporate the financial statements of the Parent Company and its subsidiaries. For this purpose, an entity which is, directly or indirectly, controlled by the Parent Company is treated as subsidiary. The Parent Company together with its subsidiaries constitute the Group. Control exists when the Parent Company, directly or indirectly, has power over the investee, is exposed to variable returns from its involvement with the investee and has the ability to use its power to affect its returns.

(ii) The Consolidated Financial Statements of the Group combines financial statements of the Parent Company and its subsidiaries line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income, expenses and unrealised profit/losses on intra-group transactions are eliminated on consolidation. The accounting policies of subsidiaries have been harmonised to ensure the consistency with the policies adopted by the Parent Company. The Consolidated Financial Statements have been presented to extent possible, in a same manner as Parent Company's Standalone Financial Statements.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Company and to the non-controlling interests and have been shown separately in the financial statements.

(iii) Non-controlling interest represents that part of the total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the Parent Company.

2.5 **Investments in joint venture and associates**

When the Group has with other parties joint control of the arrangement and rights to the net assets of the joint arrangement, it recognises its interest as joint venture. Joint control exists when the decisions about the relevant activities require unanimous consent of the parties sharing the control. When the Group has significant influence over the other entity, it recognises such interests as associates. Significant influence is the power to participate in the financial and operating policy decisions of the entity but is not control or joint control over the entity.

An investment in associate or joint venture is initially recognised at cost and adjusted thereafter to recognise the Group's share of profit or loss and other comprehensive income of the joint venture or associate. Gain or loss in respect of changes in other equity of joint ventures or associates resulting in dilution of stake in the joint ventures and associates is recognised in the Statement of Profit and Loss.

When the Group's share of losses of an associate or a joint venture exceed the Group's interest in that associate or joint venture (which includes any long term interest that, in substance, form part of the Group's net investment in the associate or joint venture), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associates or joint venture.

3. **Significant Accounting Policies**

3.1 **Property, Plant and Equipment**

[a] **Tangible Assets**

[i] **Recognition and Measurement**

Items of property, plant and equipment are measured at cost, which include capitalised borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any, except freehold land which is carried at historical cost.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Useful lives have been determined in accordance with Schedule II to the Companies Act, 2013. The residual values are not more than 5% of the original cost of the asset.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

[ii] **Transition to Ind AS**

On transition to Ind AS, the Group has elected to continue with the carrying value of all its property plant and equipment recognised as at 1st April, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property plant and equipment.

[iii] **Subsequent Expenditure**

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

[iv] **Derecognition**

An item of Property, Plant and Equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of assets.

[v] **Research and Development Cost**

Research and Development Costs that are in the nature of tangible assets and are expected to generate probable future economic benefits are capitalised as tangible assets. Revenue expenditure on research and development is charged to the Statement of Profit and Loss in the year in which it is incurred.

[vi] **Depreciation / Amortization**

Depreciation is calculated on cost of items of property plant and equipment (other than freehold land and properties under construction) less their estimated residual values over their estimated useful lives using the straight line method in respect of plant and machinery and electric plant and installation and using the written down value method in respect of other assets. Depreciation is generally recognised in the Statement of Profit and Loss. Amortization on leasehold land is provided over the period of lease.

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted, if appropriate. Based on technical evaluation and consequent advice, the management believes that its estimates of useful lives best represent the period over which management expects to use these assets. The useful lives of the Parent Company's Plant and Equipments are considered on the basis of continuous process plant.

Depreciation on additions(disposals) is provided on a pro rata basis that is from (upto) the date on which asset is ready for use (disposed of).

[b] **Capital work-in-progress**

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation on Capital work-in-progress commences when assets are ready for their intended use and transferred from Capital work-in-progress Group to Tangible Fixed Assets Group.

[c] **Intangible Assets**

[i] **Initial Recognition and Classification**

Intangible assets including those acquired by the Parent Company are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated Amortization and any accumulated impairment losses.

[ii] **Subsequent Expenditure**

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in profit or loss as incurred.

[iii] **Transition to Ind AS**

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its intangible assets recognised as at 1st April, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such intangible assets.

[iv] **Amortization**

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over the estimated useful lives using the written down value method and is included in depreciation and Amortization in Statement of Profit and Loss. The estimated useful lives of computer software are considered not exceeding three years. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate.

[v] **Derecognition**

An item of initangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

[d] **Impairment of Non Financial Assets.**

The Group's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment.If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or Amortization, if no impairment loss had been recognised.

3.2 **Borrowing Costs**

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition or construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the respective asset until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred and reported in finance costs.

3.3 **Current versus Non Current Classification**

The Group presents assets and liabilities in the Balance Sheet based on current/ non-current classification.

An asset/ liability is treated as current when it is :-

* Expected to be realised or intended to be sold or consumed or settled in normal operating cycle
* Held primarily for the purpose of trading.
* Expected to be realised/ settled within twelve months after the reporting period, or
* Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
* There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other assets and liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

3.4 **Inventories**

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, wherever considered necessary. The cost of inventories comprises of all costs of purchase, costs of conversion and other costs including manufacturing overheads incurred in bringing the inventories to their present location and condition. Cost of raw materials, stores and spares, packing materials, trading and other products are determined on weighted average basis.

Net realisable value is the estimated selling price in the ordinary course of business, less any applicable selling expenses.

The net realisable value of work-in-progress is determined with reference to the selling prices of related finished products.

Excess/ shortages, if any, arising on physical verification are absorbed in the respective consumption accounts.

The Parent Company had changed the method of valuation of closing stock of raw materials, packing materials, stores and spares, chemicals and traded goods as at 31st March, 2017 to "Cost or net realisable value whichever is lower" following weighted average method which was earlier FIFO method. The subsidiary of the Parent Company -Packcart Packaging LLP has also changed the method of valuation of closing stock of raw materials, general stores and spares and finished goods as at 31st March, 2018 to "Cost or net realisable value whichever is lower" following weighted average method which was earlier FIFO method.

3.5 **Cash and Cash Equivalents**

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

3.6 **Cash Flow Statement**

Cash flows are reported using the indirect method whereby the profit before tax is adjusted for the effect of the transactions of a non cash nature, any deferrals or accruals of past and future operating cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

3.7 **Provisions, Contingent Liabilities and Contingent Assets**

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in the case of :

* a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
* a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Financial Statements.

3.8 **Earnings Per Share**

Basic earnings per equityshare is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares during the year.

3.9 **Foreign Currency Transactions and Translations**

Initial Recognition

The Group financial statements are presented in INR, which is also the Company's functional currency. Transactions in foreign currencies are recorded on initial recognition in the functional currency at the exchange rates prevailing on the date of the transaction.

Measurement at the Balance Sheet Date

Foreign Currency monetary items of the Group, outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Treatment of exchange difference

Exchange differences that arise on settlement of monetary items or on reporting at each Balance Sheet date of the Group monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

3.10 **Revenue Recognition**

Revenue arises from sale of goods and rendering of services. It is measured at the fair value of the consideration received or receivable (excluding taxes), net of returns and reduced by any rebates and trade discount allowed.

Sale of Goods

Revenue from the sale of goods is recognised when all the following conditions are satisfied:

* the Group has transferred to the buyer the significant risks and rewards of ownership of the goods.
* the Group retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.
* the amount of revenue can be measured reliably.
* It is probable that the economic benefits associated with the transaction will flow to the entity, and
* the costs incurred or to be incurred in respect of the transaction can be measured reliably.
* Sales exclude self-consumption of products.

Rendering of Services

Revenue from a contract to provide services is recognised in the accounting period in which such services are rendered. For fixed price contracts, revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided.

Interest and Dividends and Other Income

Interest income and expenses are reported on an accrual basis using the effective interest method. Dividends are recognised at the time the unconditional right to receive payment is established. Other income is recognised on accrual basis except where the receipt of income is uncertain.

3.11 **Leases**

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease transaction. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Group as a lessee :

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Finance leases that transfer substantially all of the risks and benefits incidental to ownership of the leased item, are capitalised at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between finance charges and a reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in Finance Costs in the Statement of Profit and Loss.

A leased asset is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Group as a lessor:

Leases in which the Groupdoes not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

3.12 **Employee Benefits**

Employee benefits include provident fund, pension fund, gratuity and compensated absences.

Defined Contribution Plans

The Group contribution to provident fund and pension fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees. The Group has no legal or constructive obligation to pay contribution in addition to its fixed contribution.

Defined Benefit Plans

The Parent Company operates a defined benefit Gratuity Plan with approved Gratuity Fund and contributions are made to a separately administered approved Gratuity Fund. For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method', with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

Short-term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, wages, performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under :

(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and

(b) in case of non-accumulating compensated absences, when the absences occur.

Long-term Employee Benefits

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

3.13 **Taxes on Income**

Income tax comprises Current and Deferred Tax. It is recognised in the Statement of Profit or Loss except to the extent that it relates to business combination or to an item recognised directly in equity or in other comprehensive income.

[i] **Current Tax**

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

[ii] **Deferred Tax**

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised in full.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date. Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.14 **Government Grants**

Government Grants are initially recognised as deferred income at fair value if there is reasonable assurance that they will be received and the Group will comply with the condition associated with the grant;

- In case of capital grants, they are then recognised in Statement of Profit and Loss on a systematic basis over the useful life of assets.
- In case of grants that compensate the Group for expenses incurred are recognised in Statement of Profit and Loss on systematic basis in the periods in which the expenses are recognized.

3.15 **Equity, Reserves and Dividend Payments**

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds.

Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

Dividend distribution payable to equity shareholders are included in other liabilities when the dividends have been approved in a general meeting prior to the reporting date.

3.16 **Significant Judgments, Estimates and Assumptions**

The preparation of the Group's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

In particular, the Group has identified the following areas where significant judgments, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and also in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

Judgments

In the process of applying the Group accounting policies, management has made the following judgments, which have the most significant effect on the amounts recognised in the financial statements.

Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Group, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgments and the use of estimates regarding the outcome of future events.

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market change or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(a) **Impairment of Non-financial Assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the assets' recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generated Unit's (CGU) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. The calculations are corroborated by valuation multiples, quoted share prices for publicly traded subsidiaries or other available fair value indicators.

(b) **Estimation of Defined Benefit Obligations**

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and attrition rate. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(c) **Fair Value Measurement of Financial Instruments**

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active market, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

(d) **Estimation of Current Tax and Deferred Tax**

Management judgment is required for the calculation of provision for income - taxes and deferred tax assets and liabilities. The Group reviews at each Balance Sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to adjustment to the amounts reported in the financial statements.

(e) **Impairment of Financial Assets**

The impairment provisions for financial assets are based on assumptions about risk of default and Expected Credit Loss (ECL) rates. The Group uses judgments in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

3.17 **Fair Value Measurement**

The Group measures financial instruments such as investments in mutual funds, certain other investments etc. at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

* Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
* Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
* Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.18 **Financial Instruments**

I. **Financial Assets**

(a) **Initial Recognition and Measurement**

All financial assets are recognised initially at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset, which are not at fair value through profit and loss, are added to fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

(b) **Subsequent Measurement**

(i) **Financial assets carried at amortised cost**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) **Financial assets at fair value through Other Comprehensive Income (FVOCI)**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) **Financial assets at fair value through Profit or Loss (FVTPL)**

A financial asset which is not classified in any of the above categories are subsequently fair valued through Statement of Profit and Loss.

(c) **Impairment of Financial Assets**

The Group assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its assets measured at amortised cost and assets measured at fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

(d) **Derecognition of Financial Assets**

A financial asset is derecognised when :

* The Group has transferred the right to receive cash flows from the financial assets or
* Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group transfers the financial asset, it evaluates the extent to which it retains the risk and rewards of the ownership of the financial assets. If the Group transfers substantially all the risks and rewards of ownership of the financial asset, the Group shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. If the Group retains substantially all the risks and rewards of ownership of the financial asset, the Group shall continue to recognise the financial asset.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of the ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial assets. Where the Group retains control of the financial assets, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

II. **Financial Liabilities**

Initial Recognition and Subsequent Measurement

All financial liabilities are recognised initially at fair value and in case of borrowings and payables, net of directly attributable cost.

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

III. **Fair Value of Financial Instruments**

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may vary from actual realization on future date.

IV. **Offsetting of Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Notes to Consolidated financial statements for the year ended 31st March, 2018

Note :

34.1 As per Ind AS 19 "Employee Benefits", the disclosures of employee benefits as defined in the Indian Accounting Standard are given below:

Defined Contribution Plan : The Company's Contribution to provident fund and pension fund is considered as Defined Contribution Plan and is recognised as expenses for the year.

Defined Benefit Plan : The Company operates a Defined Benefit Gratuity plan with approved Gratuity Fund and contributions are made to a separately administered approved Gratuity Fund.

The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separtely to build up the final obligation.

The obligation for leave encashment is recognized as expense for the year.

Gratuity : The benefits are governed by the Payment of Gratuity Act, 1972. The key features are as under :

Plan Features	
Benefits offered	(15/26) x (Salary) x (Duration of Service in years)
Salary definition	Last drawn qualifying Salary
Benefit ceiling	Without limit
Vesting conditions	5 years of continuous service (Not applicable in case of death / disability)
Benefit eligibility	Upon death or disability or retirement
Retirement age	60 years

Leave Encashment : The benefits are governed by the Company's Leave Poliicy.

Key Features	
Salary for Encashment	As per rules of the Company
Benefit event	Death or Resignation or Retirement or Availment
Maximum accumulation	As per rules of the Company
Benefit Formula	(1/30) x (Basic Salary) x (Leave Days)
Leave Denominator	Employee 30
Leave Credited Annually	Employee 30
Retirement age	60 years

Risks associated to the Plan (Gratuity and Leave Encashment) :

A.	Actuarial Risk	Risks due to adverse salary growth / Variability in mortality and withdrawal rates.
B.	Investment Risk	Risks due to significant changes in discounting rate during the inter-valuation period.
C.	Liquidity Risk	Risks on account of Employees resignation / retirement from the company, resulting into strain on the cash flow.
D.	Market Risk	Risks related to changes and fluctuations of the financial markets and assumptions depend on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date.
E.	Legislative Risk	Risks of increase in the plan liabilities or reduction in plan assets due to change in legislation.

Key Assumptions considered (Gratuity and Leave Encashment) :

Withdrawal Rate	1%	Increase by	**1%**	1%	Decrease by	**1%**	1%

The Methods and types of assumptions used in preparing the sensitivity analysis did not change compared to prior period.

Funding arrangements and funding policy :

Gratuity liability is funded whereas leave Benefits Liability is not funded. There are no minimum funding requirements for Leave benefits plans in India and there is no compulsion on the part of the Company to fully pre fund the liability. The Company has purchased an insurance policy to partly provide for payment of gratuity to the employees. The trustees of the plan also make investments in Central /

State Govt. securities, high quality Corporate bonds, special deposit scheme, mutual funds etc., as per rules and regulations. Every year, the actuary carries out a funding valuation based on the latest employee data provided by the Company. Any deficit in the assets arising as a result of such valuation is funded by the Company.

Amounts for the current and previous years are as follows

(` in lakhs)

	Particulars	31st March, 2018	31st March, 2017
1	**Gratuity (Funded)**		
	Defined Benefit Obligation	**1,635.46**	1,504.91
	Plan Assets	**1,555.10**	1,498.27
	Surplus / (Deficit)	**(80.36)**	(6.64)
	Experience adjustments on Plan Liability (Loss)	**96.94**	20.04
	Experience adjustments on Plan Assets	**(15.96)**	2.30
2	**Gratuity (Non-Funded)**		
	Defined Benefit Obligation	**8.41**	5.90
3	**Leave encashment (Non-Funded)**		
	Defined Benefit Obligation	**866.63**	762.63
	Experience adjustments on Plan Liability	**107.52**	104.13

Company's estimate of Contributions expected to be paid during Financial Year 2018-19 is as under:

(i)	**Defined Contribution Plan :**	
	(a) Employer's contribution to Provident Fund	12% of Basic Salary
(ii)	**Defined Investment Plan :**	
	(a) Gratuity	172.04
	(b) Leave Encashment	5.82

The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.

The expected rate of return on plan assets is determined considering several applicable factors, mainly the composition of plan assets held, assessed risks, historical results of return on plan assets and the Company's policy for plan assets management.

40.6 Sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31st March, 2018, the Company has not recorded any impairment of receivables relating to amounts owed by related parties (31st March, 2017: Nil, 1st April, 2016: Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Note – 41. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES
Overview:

The Group's Risk Management framework encompasses practices relating to the identification, analysis, evaluation, treatment, mitigation and monitoring of the strategic, external and operational controls risks to achieving the Group's business objectives. It seeks to minimize the adverse impact of these risks, thus enabling the Group to leverage market opportunities effectively and enhance its long-term competitive advantage. The focus of risk management is to assess risks and deploy mitigation measures.

The Group's activities expose it to variety of financial risks namely market risk, credit risk and liquidity risk. The Group has various financial assets such as deposits, trade and other receivables and cash and bank balances directly related to the business operations. The Group's principal financial liabilities comprise of trade and other payables. The Group's senior management's focus is to foresee the unpredictability and minimize potential adverse effects on the Group's financial performance. The Group's overall risk management procedures to minimise the potential adverse effects of financial market on the Group's performance are outlined hereunder:

The Group's Board of Directors have overall responsibility for the establishment and oversight of the Group's risk management framework.

The Group's risk management is carried out by the management in consultation with the Board of Directors. The Board provides principles for overall risk management, as well as policies covering specific risk areas.

The note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(A) Credit Risk:

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and from its financial activities including deposits with banks and other financial instruments. The Group establishes an impairment allowance based on Expected Credit Loss model that represents its estimate of incurred losses in respect of trade and other receivables.

(i) Trade Receivables:

The Group extends credits to customers in normal course of the business. The Group considers the factors such as credit track record in the market of each customer and past dealings for extension of credit to the customers. The Group monitors the payment track record of each customer and outstanding customer receivables are regularly monitored. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located at several jurisdiction and industries and operate in large independent markets. The Group also takes advances and security deposits from customers which mitigate the credit risk to an extent.

The average credit period taken on sales of goods up to 60 days. Generally, no interest has been charged on the receivables. Allowances against doubtful debts are recognised against trade receivables based on estimated irrecoverable amounts determined by reference to past default experience of the counterparty and an analysis of the counterparty's current financial position.

Before accepting any new customer, the Group uses an internal credit system to assess the potential customer's credit quality and defines credit limit of customer. Limits attributed to customers are reviewed periodically. There are no customers who represent more than 5 per cent of total net revenue from operations.

The Group does not hold any collateral or other credit enhancements over any of its trade receivables nor does it have a legal right of offset against any amounts owed by the Group to the counterparty.

Expected Credit Loss (ECL):

The Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward - looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates as given in the provision matrix. The provision matrix at the end of the reporting period is as follows:

Ageing	Expected Credit Loss (%)
0-3 months	Nil
3-6 months	Nil
6-12 months	Nil
Beyond 12 months	10 to 25

(` in lakhs)

Period	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Ageing of past due but not impaired receivables:			
0-3 months	**21,962.84**	18,838.37	15,627.39
3-6 months	**2,029.52**	1,296.28	1,823.92
6-12 months	**1,621.42**	983.23	617.26
Beyond 12 months	**1,186.70**	960.49	774.35
Ageing of impaired trade receivables:			
0-3 months	**-**	-	-
3-6 months	**-**	-	-
6-12 months	**-**	-	-
Beyond 12 months	**163.00**	-	-

(ii) Cash and cash equivalents and short-term investments:

The Group considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The Group does not maintain significant deposit balances other than those required for its day to day operations. Credit risk on cash and cash equivalents is limited as these are generally held or invested in deposits with banks and financial institutions with good credit ratings.

(B) Liquidity Risk:

Liquidity risk is the risk that the Group will face in meetings its obligations associated with its financial liabilities. The Group's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Group's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The Group relies on a mix of borrowings, capital and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Group monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs while maintaining sufficient headroom on its undrawn committed borrowing facilities so that it does not breach borrowing limits.

The table below provides undiscounted cash flows towards non-derivative financial assets / (liabilities) into relevant maturity based on the remaining period at the Balance Sheet date to the contractual maturity date and where applicable, their effective interest rates.

(C) Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks : foreign currency risk, interest risk and other price risk such as commodity risk.

(i) Foreign Currency Risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates and arises where transactions are done in foreign currencies. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows approved policy parameters utilizing forward foreign exchange contracts whenever felt necessary. The Group does not enter into financial instrument transactions for trading or speculative purpose.

The Group transacts business primarily in Indian Rupees, USD, Euro and GBP. The Group has foreign currency trade payables and receivables and is therefore, exposed to foreign exchange risk. Certain transactions of the Group act as a natural hedge as a portion of both assets and liabilities are denominated in similar foreign currencies. For the remaining exposure to foreign exchange risk, the Group adopts a policy of selective hedging based on risk perception of the management.

The carrying amounts of the Group's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(in lakhs)

Particulars	Currency	As at 31st March 2018	As at 31st March, 2017	As at 1st April, 2016
Trade receivables	USD	**11.65**	3.65	1.30
Trade payables	USD	**0.06**	0.19	0.28
Advance to suppliers	USD	**0.24**	3.69	3.62
	EUR	**0.39**	0.10	0.45
	GBP	**0.04**	0.02	-
Advance from customers	USD	**0.46**	0.18	0.24
Balance in EEFC account	USD	**0.70**	0.08	1.93
Currency Rate		**31st March, 2018**	31st March, 2017	1st April, 2016
USD		**65.1434**	64.7957	66.2365
EUR		**80.2852**	69.2336	75.5986
GBP		**91.2884**	81.2282	94.4210

Of the above foreign currency exposures, following exposures are not hedged:

Particulars	Currency	As at 31st March, 2018	As at 31st March, 2017	As at 1st April, 2016
Trade receivables	USD	11.65	3.65	1.30
Trade payables	USD	0.06	0.19	0.28
Advance to suppliers	USD	0.24	3.69	3.62
	EUR	0.39	0.10	0.45
	GBP	0.04	0.02	-
Advance from customers	USD	0.46	0.18	0.24
Balance in EEFC account	USD	0.70	0.08	1.93

Sensitivity Analysis:

The following table demonstrates the sensitivity of profit and equity in USD, Euro and GBP to the Indian Rupee with all other variables held constant. The impact on the Group's profit before tax and other comprehensive income due to changes in the fair value of monetary assets and liabilities is given below:

(` in lakhs)

Particulars	Change in currency exchange rate	**Effect on Profit before tax 31st March, 2018**	Effect on Profit before tax 31st March, 2017
USD	5%	**(39.31)**	(22.84)
	-5%	**39.31**	22.84
EUR	5%	**(1.57)**	(0.35)
	-5%	**1.57**	0.35
GBP	5%	**(0.18)**	(0.08)
	-5%	**0.18**	0.08

This is mainly attributable to the exposure outstanding on foreign currency receivables and payables in the Group at the end of each reporting period.

(ii) Interest Rate Risk:

The Group's exposure to the risk of changes in market interest rates relates primarily to long term debts having floating rate of interest. Its objective in managing its interest rate risk is to ensure that it always maintains sufficient headroom to cover interest payment from anticipated cashflows which are regularly reviewed by the Board.

The following table demonstrates the sensitivity in the interest rate with all other variables held constant. The impact on the Group's profit before tax and other comprehensive income due to changes in the interest rates is given below:

(` in lakhs)

Particulars	Change in interest rate	**Effect on Profit before tax 31st March, 2018**	Effect on Profit before tax 31st March, 2017
Non-current & Current Borrowings	0.50%	**(20.11)**	(21.29)
	-0.50%	**20.11**	21.29

(iii) Commodity Risk:

The Group is exposed to the movement in the price of key raw materials and other traded goods in the domestic and international markets. The Group has in place policies to manage exposure to fluctuation in prices of key raw materials used in operations. The Group enters into contracts for procurement of raw materials and traded goods, most of the transactions are short term fixed price contracts and a few transactions are long term fixed price contracts.

Capital Management:

The Group manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balances. The capital structure consists of debt which includes the borrowings as disclosed in Note 18, 22 and 24, cash and cash equivalents and current investments and equity attributable to equity holders of the Group, comprising issued share capital, reserves and retained earnings as disclosed in the Statement of Changes in Equity. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of the Group attributable to equity holders of the Group. The Group is not subject to externally imposed capital requirements. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Audit Committee and the Board of Directors.

The following table summarizes the capital of the Group:

(` in lakhs)

Particulars	**31st March, 2018**	31st March, 2017	1st April, 2016
Equity	**60,562.35**	52,214.97	43,565.39
Current borrowings (Note 23)	**4,591.21**	4,567.53	2,084.59
Non-current borrowings (Note 18)	**4,590.44**	4,777.67	4,837.32
Current maturities of non current borrowings (Note 25)	**435.00**	859.64	890.30

Total	**35,471.12**	33,585.19	26,590.80	**35,471.12**	33,585.19	26,590.80

The management assessed that fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The Group determines fair values of financial assets or liabilities by discounting the contractual cash inflows / outflows using prevailing interest rates of financial instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value. The fair value of investments in mutual funds is determined using net assets value of the funds. Further, the subsequent measurements of all assets and liabilities (other than investments in mutual funds) is at amortised cost, using effective interest rate method.

The following methods and assumptions were used to estimate the fair values:

- The fair value of the Group's interest bearing borrowings are determined using discount rate that reflects the entity's discount rate at the end of the reporting period. The own non-performance risk as at the reporting period is assessed to be insignificant.
- The fair value of unquoted instruments and other financial assets and liabilities is estimated by discounting future cash flows using rates currently applicable for debt on similar terms, credit risk and remaining maturities.

42.1 Fair Value Hierarchy

All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1 : Quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3 : Valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

The following table provides the fair value measurement hierarchy of the Parent Company's assets.

(` in lakhs)

Particulars	Date of valuation	Total	Fair value measurement using		
			Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Disclosures fair value measurement hierarchy for assets as at 31st March, 2018:					
Assets measured at fair value:					
Investments	31-Mar-18	10,859.40	10,859.40	-	-
There have been no transfers between Level 2 and Level 3 during the period.					
Disclosures fair value measurement hierarchy for assets as at 31st March, 2017:					
Assets measured at fair value:					
Investments	31-Mar-17	9,075.32	9,075.32	-	-
There have been no transfers between Level 2 and Level 3 during the year ended 31st March, 2017.					
Disclosures fair value measurement hierarchy for assets as at 1st April, 2016:					
Assets measured at fair value:					
Investments	1-Apr-16	4,834.57	4,834.57	-	-

Note - 43. FIRSTTIME ADOPTION OF IND AS

These consolidated financial statements, for the year ended 31st March, 2018 are the first financial statements prepared by the Group in accordance with Ind AS. For periods up to and including the year ended 31st March, 2017, the Group prepared its consolidated financial statements in accordance with accounting standards notified under section 133 of the Companies Act, 2013 read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Indian GAAP' or previous GAAP)

Accordingly, the Group has prepared consolidated financial statements which comply with Ind AS applicable for periods ended 31st March, 2018 together with the comparative period data as at and for the year ended 31st March, 2017 as described in the summary of Significant Accounting Policies. In preparing these financial statements, the Group opening Balance Sheet was prepared as at 1st April, 2016 the Group date of transition to Ind AS. This note explains the principal adjustments made by the Group in restating its previous GAAP financial statements including the Balance Sheet as at 1st April, 2016 and the financial statements as at and for the year ended 31st March, 2017.

The Group has applied Ind AS 101 in preparing these first consolidated financial statements. The effect of transition to Ind AS on equity, total comprehensive income and reported cash flows are presented in this section and are further explained in the notes that accompany the tables.

Exemptions and Exceptions applied

Set out below are the applicable Ind AS 101 Optional Exemptions and Mandatory Exceptions applied in the transition from previous GAAP to Ind AS.

(A) Ind AS Optional Exemptions:

1 **Business Combinations**:

The Group has elected not to apply Ind AS 103 Business Combinations retrospectively to the past business combinations that occurred before the transition date of 1st April, 2016 Consequently.

(i) The Group has kept the same classification for the past business combinations as in its previous GAAP financial statements.

(ii) The Group has excluded from its opening Balance Sheet those items recognized in accordance with previous GAAP that do not qualify for recognition as an asset or liability under Ind AS.

2 **Deemed Cost – Property, Plant and Equipment and Intangible Assets :**

As permitted by Ind AS 101, the Group has elected to continue with the carrying value of its property, plant and equipment and intangible assets recognized as of 1st April, 2016 (date of transition) measured as per the previous GAAP and used that carrying value as its deemed cost as of the date of transition.

3 **Leases :**

Appendix C to Ind AS 17, Leases, requires an entity to assess whether a contract or arrangement contains a lease. As per Ind AS 17, this assessment should be carried out at inception of the contract or arrangement. However, the Group has used Ind AS 101 exemption and assessed all arrangements based on conditions in place as at the date of transition.

4 **Investments in Subsidiaries :**

The Parent Company has availed the optional exemption under Ind AS 101 for the continuance of the carrying value of Investments in subsidiaries same as under the previous GAAP.

(B) Ind AS Mandatory Exceptions:

1 **Estimates :**

As per Ind AS 101, an entity's estimates in accordance with Ind AS at the date of transition to Ind AS presented in the entity's first Ind AS financial statements as the case may be, should be consistent with estimates made for the same date in accordance with the previous GAAP unless there is objective evidence that those estimates were in error. However, the estimates should be adjusted to reflect any differences in accounting policies.

As per Ind AS 101, where application of Ind AS requires an entity to make certain estimates that were not required under the previous GAAP, those estimates should be made to reflect conditions that existed at the date of transition (for preparing opening Ind AS Balance Sheet) or at the end of the comparative period (for presenting comparative information as per Ind AS).

The Group estimates under Ind AS are consistent with the above requirements. Key estimates considered in preparation of the financial statements that were not required under the previous GAAP are listed below:

(i) Fair valuation of financial instruments carried at FVTPL and/or FVOCI.

(ii) Impairment of financial assets based on the Expected Credit Loss model.

(iii) Determination of the discounted value for financial instruments carried at amortised cost.

2 **Derecognition of Financial Assets and Liabilities :**

As per Ind AS 101, an entity should apply the derecognition requirements in Ind AS 101, Financial Instruments, prospectively for transactions occurring on or after the date of transition to Ind AS.

However, an entity may apply the derecognition requirements retrospectively from a date chosen by it if the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognized as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Group has elected to apply the derecognition principles of Ind AS 109 prospectively.

3 **Classification and Measurement of Financial Assets :**

Financial Instruments:

Financial assets like security deposits received and security deposits paid, have been classified and measured at amortised cost on the basis of the facts and circumstances that exist at the date of transition to Ind AS. Since, it is impracticable for the Group to apply retrospectively the effective interest method in Ind AS 109, the fair value of the financial asset or the financial liability at the date of transition to Ind AS by applying amortised cost method, has been considered as the new gross carrying amount of that financial asset or the financial liability at the date of transition to Ind AS.

43.1 Reconciliation of Equity as at 1st April, 2016

Net Cash Inflow (Outflow)	(1,352.96)	1,368.66	15.70
Cash and Cash Equivalents as at 1st April, 2016	2,035.68	63.51	2,099.19
Cash and Cash Equivalents as at 31st March, 2017	682.72	1,432.17	2,114.89

*The IGAAP figures have been reclassified to conform to Ind AS presentation requirements for the purposes of this note.

43.6 Notes to First Time Adoption

(a) Investment :

Under Indian GAAP, investments in Mutual Funds were classified in to current Investments. Current Investments were carried at lower of cost and fair value. Under Ind AS these Investments are required to be measured at Fair Value either through OCI (FVTOCI) or through Profit & Loss (FVTPL). The Parent Company has opted to Fair Value these Investments through Profit & Loss (FVTPL). Accordingly, resulting fair value change of these Investments have been recognised in retained earnings as at the date of transition and subsequently in the Statement of Profit & Loss for the year ended 31st March, 2017.

(b) Deferred Taxes :

Under Indian GAAP, Deferred Taxes were recognised based on Profit & Loss approach i.e. tax impact on difference between the accounting income and taxable income. Under Ind AS, Deferred Tax is recognised by following Balance Sheet approach i.e. tax impact on temporary difference between the carrying value of assets and liabilities in the books and their respective tax base.

The Group has considered MAT entitlement credit as deferred tax asset being unused tax credit entitlement.

(c) Excise Duty :

Under Indian GAAP, revenue from Sale of Goods was presented exclusive of Excise Duty. Under Ind AS, revenue from Sale of Goods is presented inclusive of Excise Duty. The Excise Duty paid is presented on the face of the Statement of Profit & Loss as part of expenses.

(d) Remeasurement of Post Employment Benefit Obligations :

Under Indian GAAP, cost relating to Post Employment Benefit Obligations including actuarial gain / losses were recognised in Profit & Loss. Under Ind AS, actuarial gain / losses on the net Defined Benefit Liability are recognised in Other Comprehensive Income instead of Profit & Loss.

(e) Security Deposits :

Under Indian GAAP, interest free rent security deposits paid were reported at their nominal values. Under Ind AS, interest free security deposits are measured at fair value on intial recognition and at amortised cost on subsequent recognition.

The difference between the nominal value of such deposits and their fair value is considered as additional rent payable.

This is expensed on a straight line basis over the term of the rent agreement. The Group also recognises interest income on the deposits using Effective Interest Rate (EIR) through Profit and Loss over the life of the deposits.

(f) Depreciation :

The subsidiary of the parent company- Packart Packaging LLP has changed the method of providing depreciation retrospectively from F.Y. 2016-17 from straight line method to written down value method in respect of all fixed assets other than plant and machinery and electrical installations, to fall in line with the method of depreciation being followed by the parent company Cera Sanitaryware Ltd to which the LLP's financial statements are consolidated in accordance with Ind AS 110 "Consolidated Financial Statements".

(` in lakhs)

Sr. No.	Particulars	2017-18	2016-17	2015-16
1	Capital expenditure	**35.50**	160.85	104.78
2	Revenue expenditure	**139.69**	89.32	98.12

Note - 49. OPERATING SEGMENTS

The Parent company operates mainly in manufacturing of Building Products and all other activities are incidental thereto, which have similar risk and return. Accordingly, there are no separate reportable Segment as required under Ind AS 108 " Operating Segment ".

Note - 50.

Balances of certain debtors, creditors, loans & advances and deposits are subject to confirmation. Due adjustments will be made on receipt thereof, if necessary.

Note - 51.

In the opinion of the Management, current assets have a value on realisation in the ordinary course of business at least equal to the amount at which they are stated except where indicated otherwise.

Note - 52.

The Parent Company had changed the method of valuation of closing stock of raw materials, packing materials, stores and spares, chemicals and traded goods as at 31st March, 2017 to "Cost or net realisable value whichever is lower" following weighted average method which was earlier FIFO method. The effect of increase in consumption and decrease in profits in earlier financial years due to this change is not material and hence not recognised.

The Subsidiary of the Parent Company - M/s Packart Packaging LLP has changed the method of valuation of Closing Stock of raw materials, general stores and spares and finished goods as at 31st March, 2018 to "Cost or Net Realisable Value" whichever is lower following weighted average method which was earlier FIFO method. The effect in consumption, valuation of the closing stock and profit for the year due to this change is not material and hence not considered.

Note - 53. Additional Information as required by Schedule III to Companies Act, 2013 as at 31st March, 2018
