Dear Sir/Madam,

Subject: Clarification for non-submission of Business Responsibility Report

This is a clarification on applicability of Regulation no. 34(2)(f) of SEBI (Listing Obligation and Disclosure) Regulation ("**BRR Regulation**") for Ingersoll Rand (India) Limited ("**Ingersoll**").

Under the said regulation, top 500 (five hundred) listed companies in India (*based on market capitalization*) were required to prepare and submit a Business Responsibility Report ("**BRR**") along with its annual report for the relevant financial year. On December 26, 2019, BRR Regulations have been amended to include top 1000 (thousand) listed companies ("**2019 Amendment**") and accordingly top 1000 (thousand) listed companies are required to prepare and submit the BRR.

In order to determine the top listed companies and applicability of BRR Regulation, the market capitalization of listed companies at the end of preceding financial year is considered ("**Computation Period**"). For illustration, to determine the applicability of BRR Regulation for the Financial Year 2019-20, the Computation Period will be financial year 2018-2019 (*i.e. as on March 31, 2019*).

While Ingersoll is among the top 1000 (one thousand) listed companies as on March 31, 2020, whereas Ingersoll was not among the top 500 (five hundred) listed companies as on the Computation Period ending March 31, 2019. Considering the 2019 Amendment is not applicable for Computation Period ending March 31, 2019, we understand Ingersoll is not required to submit the BRR in its annual report for the financial year 2019-2020.

However, in accordance with the 2019 Amendment, we will be disclosing the BRR in our annual report for the financial year ending on March 31, 2021.
