EXPLANATORY STATEMENT

PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013

The following Explanatory Statements, as required under Section 102 of the Companies Act, 2013, set out all material facts relating to the business under Item Nos. 3 to 9 of the accompanying Notice dated 23rd July 2021.

Item No. 3

Mr. Y.R. Nagaraja was appointed as the Managing Director of the Company w.e.f. April 01, 2012 for a period of five years and further re-appointed for a period of 5 years w.e.f. April 01, 2017 in the Annual general Meeting held on 29th day of September, 2017. The term of Managing Director will conclude on 31.03.2022.

As per the provisions of Section 196 of the Companies Act, 2013 read with Companies (Appointment and Qualifications of Directors) Rules, 2014, the Managing Director can be re-appointed one year before the expiry of his term.

Accordingly, the Board at its meeting held on 23rd July, 2021 upon the recommendation of the Nomination and Remuneration Committee has re-appointed Mr. Y R Nagaraja as the Managing Director of the Company for a further term of 5 years effective from April 01, 2022, based on the efforts put in by him during his tenure as a Managing Director of the Company. Considering his experience and past performance, the Committee and Board felt the need for continuity of the services of Mr. Y.R. Nagaraja for the company and hence his re-appointment was desirable in the best interest of the Company. The Board recommends the re-appointment of Mr. Y.R. Nagaraja to the members of the Company.

The Details of the Director seeking re-appointment is Enclosed in **Annexure – A**

It is further informed to the members that presently the company is not paying any remuneration to Mr. Y.R. Nagaraja. However, the Board proposes the members to Authorise Nomination and Remuneration Committee to decide the remuneration to be paid to Mr. Y.R. Nagaraja, Managing Director of the Company as and when they deem fit subject to the limits specified under the Companies Act, 2013.

The Board recommends the passing Item No. 3 as Ordinary Resolution.

Except Mr. Y. R. Nagaraja and his relatives, none of the Directors and Key Managerial Personnel of the Company and their respective relatives, are in any way concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the Notice.

Item No. 4

The Board of Directors of the Company on the recommendation of the Audit Committee approved the appointment of M/s. S R and Associates, Practicing Cost Accountants to conduct the audit of the cost records of the Company for the financial year ended March 31, 2021 at a remuneration of Rs. 1,50,000/- (Rupees One lakh fifty thousand only) plus all applicable taxes and re-imbursement of out of pocket expenses incurred by them in connection with the aforesaid audit.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a) (ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is to be ratified by the Members.

The Board of Directors recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval by the Members.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives, is in any way concerned or interested financially or otherwise, in the said Resolution.

Item No. 5

The Board of Directors of the Company on the recommendation of the Audit Committee approved the appointment of M/s. S R and Associates, Practicing Cost Accountants to conduct the audit of the cost records of the Company for the financial year ended March 31, 2022 at a remuneration of Rs. 1,50,000/- (Rupees One lakh fifty thousand only) plus all applicable taxes and re-imbursement of out of pocket expenses incurred by them in connection with the aforesaid audit.

In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a) (ii) of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is to be ratified by the Members.

The Board of Directors recommends the Ordinary Resolution set out at Item No. 5 of the Notice for approval by the Members.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives, is in any way concerned or interested financially or otherwise, in the said Resolution.

Item No. 6 & 7

It is hereby brought to the notice of members of the Company that the Board of Directors at their meeting held on 23rd July 2021 has considered and approved to issue the Employee Stock Option Plan (ESOP) to the eligible employees.

In order to increase the paid up share capital of the company the existing Authorised Share Capital of the company is not sufficient to issue the Employee stock option plan. Hence the Board of Directors has decided to increase the Authorized Share Capital from INR 70,00,00,000 (Rupees Seventy Crores) consisting of 7,00,00,000 (Seven Crores) equity shares of INR 10/- (Ten each) to INR.73,00,00,000 (Rupees Seventy Three Crores only) divided into 7,30,00,000 (Seven Crores Thirty Lakhs) Equity Shares of Rs.10/- (Rupees Ten Only) each in order to accommodate the increase in Paid up Capital upon exercise of options vested to eligible employees.

Hence, the above proposal is placed before the members for their approval by passing resolution as set forth in Item 6 & 7 as Ordinary and Special Resolutions respectively.

Proposed altered copy of Memorandum of Association is available for inspection at the registered office of the Company during Business hours.

Resolutions is required to be passed pursuant to Section 13 and 61 of the Companies Act, 2013 for the purpose of increasing the Authorized Capital and altering the MOA of the Company as set out in item no. 6 & 7 of the notice.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives, is in any way concerned or interested financially or otherwise, in the said Resolution.

Item No. 8 & 9

Based on the recommendations and approval of the Nomination and Remuneration Committee ("NRC"), approval of the Board of Directors ("Board"), subject to approval of the members, the Ramky Infrastructure Limited Employee Stock Option Scheme, 2021 ("ESOP Scheme") has been adopted for eligible employees of the Ramky Infrastructure Limited ("Company").

The purpose of the ESOP Scheme is to attract, retain and motivate the Company's and its subsidiary companies' employees whose present and potential contributions are important to the success of the Company, by offering them an opportunity to participate in the Company's future and also acquire a proprietary interest in the Company by award of options. The ESOP Scheme shall be administered by the NRC and/or the Board constituted by the Company.

In terms of Regulation 6(1) of Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 ("SEBI SBEB Regulations"), for issue of equity shares to the employees of the Company, the approval of the existing members by way of special resolution is required. Further, as per Regulation 6(3)(c) of the SEBI SBEB Regulations, approval of the members by way of separate special resolution is also required for grant of options to the employees of holding company and subsidiary company(ies).

The Resolutions contained at Item no. 8 & 9 seek to obtain the members' approval to authorize the NRC and/or the Board to create, issue, offer and allot shares or cash, from time to time, to the employees of the holding company (if any) or subsidiaries under the ESOP Scheme and undertake such action as may be necessary for the administration of the options.

The salient features and other details of the ESOP Scheme as required pursuant to Regulation 6(2) of the SEBI SBEB Regulations are as under:

(a) **Brief description of the ESOP Scheme:**

The ESOP Scheme shall be called as Ramky Infrastructure Limited Employee Stock Option Scheme, 2021.

The main objectives of the ESOP Scheme are:

(i) To achieve sustained growth of the Company and create shareholder value by aligning the interests of the employees with the long-term interests of the Company;

(ii) To attract and retain talent and as well as to motivate the employees to contribute to its growth and profitability;

(iii) To recognise and reward the efforts of employees and their continued association with the Company and its subsidiary companies;

(iv) To promote the culture of employee ownership, to enable the employees to have greater involvement in the existing plans of the Company and provide them an opportunity to share in the future growth and profitability of the Company, which should lead to improved employee engagement, motivation and retention.

(b) **Total number of stock options to be granted:**

The aggregate number of options that shall be granted under the ESOP Scheme, shall not be exceed 20,75,934 which shall be convertible into equal number of equity shares, being 3% (three percent) of the fully diluted paid-up equity share capital of the Company as on the date of the adoption of the ESOP Scheme.

Further, the maximum number of options that can be granted and the shares arising upon exercise of these options shall stand adjusted in case of corporate action.

(c) **Identification of classes of employees entitled to participate in ESOP Scheme:**

Class of employees entitled to participate in the ESOP Scheme are:

(i) a permanent employee of the Company working in India or out of India; or

(ii) a director, whether managing / whole-time director of the Company or not; or

(iii) an employee, as defined in sub-clauses (i) or (ii) in this paragraph, of a subsidiary company, in India or out of India, or of a holding company,

but excludes:

1. an employee who is a promoter or a person belonging to the promoter group;

2. an independent director (unless permitted otherwise under law);

3. a director who either by self or through his/her relatives or through any body corporate, directly or indirectly holds more than 10% (ten percent) of the outstanding equity shares of the Company.

(d) **Requirements of vesting and period of vesting:**

The options granted under the ESOP Scheme would vest post completion of 1 (one) year and not later than 4 (four) years from the grant date or as may be determined by the Nomination, Remuneration and Compensation Committee from time to time, in accordance with Applicable Laws.

Vesting of options shall be subject to, amongst other things, the conditions that:

(i) a minimum of 1 (one) year has completed from grant date;

(ii) the grantee is (a) in continuous employment with the Company (or its subsidiary company); (b) is not serving any notice of resignation/ termination on the date of such vesting (except in the case of death); permanent incapacity suffered by the grantee; or retirement; and

(iii) the grantee is not subject to any pending disciplinary proceeding.

The specific vesting schedule and conditions, if any, subject to which vesting would take place would be outlined either in the letter of grant given to the grantee at the time of the grant of options, in the respective vesting letters to be issued by the Company to the grantees from time to time.

(e) **The maximum period within which the options shall be vested:**

The stock options granted under the ESOP Scheme shall vest within maximum period of 4 (four) years from the grant date or as may be determined by the Nomination, Remuneration and Compensation Committee from time to time, in accordance with Applicable Laws.

(f) **The exercise price or the formula for arriving at the same:**

The Nomination, Remuneration and Compensation Committee would determine the exercise price, as it may consider appropriate from time to time, provided that the exercise price per option shall not be less than the face value of the shares as on the date of grant of options and shall be in compliance with SEBI SBEB Regulations.

(g) **The exercise period and process of exercise:**

The options granted to a grantee shall be capable of being exercised within a period of 1 (one) year from the date of vesting of the respective options or such other period as may be determined (and communicated to the grantee) by the Nomination, Remuneration and Compensation Committee from time to time.

The grantee may, at any time during the exercise period, and subject to fulfilment of conditions of the grant and vesting, as applicable, exercise the options by submitting the exercise application to the Company, for issuance or allotment of equity shares pursuant to the vested options, accompanied with the:

(i) Payment of an amount equivalent to the exercise price, in respect of such equity shares; and

(ii) Such other documentation as the Nomination, Remuneration and Compensation Committee may specify to confirm extinguishment of the rights comprising in the options then exercised, subject to Applicable Law.

The exercise application shall be in such form as may be prescribed in this regard by the Nomination, Remuneration and Compensation Committee and the Nomination, Remuneration and Compensation Committee may determine the procedure for such exercise from time to time.

(h) **The appraisal process for determining the eligibility of employees for ESOP Scheme:**

The appraisal process for determining the eligibility of the employees will be specified by the Nomination, Remuneration and Compensation Committee, and will be based on criteria such as role/level of the employee, past performance record, future potential of the employee, balance number of years of service until normal retirement age and/ or such other criteria that may be determined by the Nomination, Remuneration and Compensation Committee at its sole discretion.

(i) **The maximum number of options to be granted per employee and in aggregate:**

The aggregate number of options that may be granted to a single employee under the ESOP Scheme shall not exceed 0.5 percent of the paid-up equity share capital of the Company at the time of Grant (which shall be adjusted in lieu of adjustments/re-organisation of capital structure of the Company from time to time).

The aggregate number of options that shall be granted under the ESOP Scheme, shall not be exceed 20,75,934 which shall be convertible into

equal number of equity shares, being 3% (three percent) of the fully diluted paid-up equity share capital of the Company as on the date of the adoption of the ESOP Scheme.

(j) **Maximum quantum of benefits to be provided per employee under the Scheme**

Unless otherwise determined by the Nomination and Remuneration Committee, the maximum quantum of benefits underlying the equity shares allotted to the employees on exercise of the vested options will be the difference in the exercise price and the market price of the equity shares.

(k) **Whether the Scheme is to be implemented and administered directly by the company or through a trust:**

The ESOP Scheme shall be implemented and administered directly by the Company (through Nomination and Remuneration Committee).

(l) **Whether the Scheme involves new issue of shares by the company or secondary acquisition by the trust or both:**

The ESOP Scheme contemplates new issuance of shares by the Company.

(m) **The amount of loan to be provided for implementation of the Scheme by the Company to the Trust, its tenure, utilization, repayment terms, etc.:**

Not applicable as the ESOP Scheme is not being implemented through a Trust.

(n) **Maximum percentage of secondary acquisition (subject to limits specified under the regulations) that can be made by the trust for the purposes of the Scheme:**

Not applicable as the ESOP Scheme is not being implemented through a Trust.

(o) **Disclosure and accounting policies:**

The Company shall comply with the disclosures requirements and the accounting policies prescribed under Regulation 15 of the SEBI SBEB Regulations or as may be prescribed by regulatory authorities from time to time.

(p) **The method which the Company shall use to value its Options**

The Company shall value the options as per Applicable Law and will make the necessary disclosures as may be required in this regard under Applicable Law.

(q) **Statement to the effect that the company shall conform to the accounting policies specified in Regulation 15:**

The Company and its subsidiaries shall conform to the with the requirements of the 'Guidance Note on Accounting for employee share-based Payments' or Accounting Standards as may be prescribed by the Institute of Chartered Accountants of India ("**ICAI**") or such other accounting standard as may be applicable from time to time, including the disclosure requirements prescribed therein. Where the existing Guidance Note or Accounting Standard do not prescribe accounting treatment or disclosure requirements for employee stock option schemes then the Company shall comply with the relevant Accounting Standard as may be prescribed by the ICAI from time to time.

Accordingly, the resolutions set as Item no. [8 and 9] are being placed for the approval of Members.

The directors, key managerial personnel or their relatives may be deemed to be concerned or interested in these resolutions to the extent of options that be granted to them and to the extent of their shareholding as Members.

The Board recommends the passing of the proposed resolutions stated in Item no. [8 & 9] as **special resolution.**

MANAGEMENT RESPONSES TO OBSERVATIONS IN SECRETARIAL AUDIT REPORT:

The following are the responses of the management against the observations made by the Secretarial Auditor:

S.No.	Observations	Management replies/response
1.	Company has delayed in filing Form MGT-14 vide SRN: T09142506 dated 18th March, 2021. However the same has been filed with additional fee and same has been taken on record by Registrar of Companies, Telangana.	Due to the Current Covid 19 pandemic and the Lockdown followed thereafter, there was delay in Compliance. The company will ensure the timely compliance in future.
2.	There was a delay in submitting disclosures of related party transactions as per Regulation 23(9) of SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015 for half year ended on 30.09.2020 to the stock exchanges. However, due to Covid-19 pandemic, NSE has waived the fine imposed on the company vide their letter dated 20.05.2021.	On account of COVID-19 pandemic and consequent lockdown the majority of the staff of the company was working from home. Hence there was a delay in submitting disclosures of related party transactions. The company has also made an application for Waiver with NSE and the same was accepted by NSE vide letter dated 20.05.2021.
3.	As per the Regulation 34 (2) (f), Company has not included the business responsibility report in the Annual Report of 2019-2020. However, the same was submitted with the Stock Exchanges separately.	Business Responsibility Report was inadvertently missed in the Annual report of 2019-2020. However the Company has filed the Business Responsibility Report on the portal of the stock exchanges (NSE and BSE) for the communication to the shareholders of the Company and has also placed on the website of the Company.

As required under the provisions of SEBI (LODR) Regulations, 2015 a certificate confirming that none of the Directors on the Board have been debarred or disqualified by the Board/Ministry of Corporate Affairs or any such statutory authority obtained from M/s N.V.S.S. Suryanarayana Rao, Practicing Company Secretary, is a part of the Corporate Governance Report in **Annexure - VIIC**

MANAGEMENT RESPONSES TO OBSERVATIONS IN AUDITOR'S REPORT

With reference to observations made in Auditor's Report, the notes of account is self-explanatory and therefore do not call for any further comments. The results for the year ended March 31, 2021 have been subjected to an audit by the Statutory Auditors of the Company without qualification.

S.No.	Emphasis Matters in Standalone financials	Management Response
1.	**Ramky Infrastructure Limited:** Attention is invited to Note 47 to the standalone financial statements in respect of existence of material uncertainties over the 3 of certain contract assets and trade receivables aggregating to Rs. 839.35 Millions as at 31st March 2021 (Rs. 881.73 Millions as on 31st March 2020) which are subject matters of arbitration proceedings / negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings on the basis of which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues. In view of pending billing of project WIP / slow progress / termination of these projects, and lack of other alternate audit evidence to corroborate management's assessment of recoverability of these balances, we are unable to comment on the extent to which these balances are recoverable.	The Management is in continuous discussion with the concerned authorities since the amount shown as contract assets are contractually tenable. Based on the legal opinion obtained, the management is confident that the amount will be realized in due course.

S.No.	Emphasis of Matters in Consolidated Financials	Company's comments/remarks
1.	**Ramky Infrastructure Limited:** Attention is invited to Material uncertainties exist over the realisablity of certain contract assets and trade receivables aggregating to Rs. 839.35 Millions as at 31st March 2021 (Rs.881.73 Millions as on 31st March 2020) which are subject matters of arbitration proceedings / negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings based on which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues. In view of pending billing of project WIP / slow progress / termination of these projects, and lack of other alternate audit evidence to corroborate management's assessment of recoverability of these balances, we are unable to comment on the extent to which these balances are recoverable.	The Management is in continuous discussion with the concerned authorities since the amount shown as contract assets are contractually tenable. Based on the legal opinion obtained, the management is confident that the amount will be realized in due course.
2.	**Srinagar Banihal Expressway Limited** The company could not meet its borrowing obligation with the lenders during the financial year 2018-19, as a result of which the loan accounts with various banks had become Non-Performing Asset (NPA). Further, two lenders has approached Debt Recovery Tribunal (DRT) and initiated for recovery proceedings.	The subsidiary has been sanctioned term loan of Rs 14,400 million to construct the Highway i.e. four laning of section on the Srinagar Banihal National Highway 1A. However, due to the delays beyond the control of the Company, the project had both time and cost overrun. Since the project has achieved PCOD, it was decided to utilize the annuities on balance completion of the project instead of meeting the principal and interest obligations. Hence it has become an NPA Account.
3.	**Srinagar Banihal Expressway Limited:** Claims of Rs.4,900 millions made by the subcontractors on the principal contractor and the subsidiary company, where the assessment of claims is in process and is at various stages by the subsidiary company. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial statements.	Certain sub-contractors of the Principal contractor have lodged claims on the Company for settlement of their contractual dues. These claims are majorly towards change in scope, escalation, idle machinery, interest etc. The Company could not finalise the claims because the documents lying at site could not be verified because of the COVID situation. Decision to account for the claims will be taken once the assessment of the same is over.

4.	**Srinagar Banihal Expressway Limited:** Deductions by NHAI of Rs.1,030 millions from the annuities to the subsidiary company and where the subsidiary company has initiated for recoveries from NHAI. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial statements.	During the financial year, NHAI has made various deductions from the annuities payable to the Company towards sub-standard steel, deviation of high embankment and Non completion of Punch List. Based on the internal/external assessment, the Company is confident that the amount is fully recoverable and accordingly the correspondence has been made to the authority to reimburse the amount.
5.	**Hospet Chitradurga Tollways Limited:** Termination of the project by the subsidiary company and National Highways Authority of India (NHAI) "the Concessioning Authority" with mutual consent. Since the subsidiary company is a project specific company, termination of project affects the Going Concern nature of the subsidiary company. The consequential financial impact was provided in the financial statement during the previous year and was emphasized in the previous year audit report also.	The Company was incorporated to undertake Road project under PPP mode. However, the project could not materialize. The investment made in the project having been impaired in the accounts, the Company is in the process of approaching ROC/MCA for strike off the name from records.
6	**Ramky Pharma City (India) Limited:** Uncertainty in connection with the charge sheet filed by Central Bureau of Investigation (CBI) and attachment order of the Enforcement Directorate in respect of certain assets of the said subsidiary company. The management believes that it has complied with the provisions of the concession agreement. Accordingly, any consequential financial impact of the said regulatory action will be known only when the matter is resolved.	During the year, the Appellate Tribunal has reversed the order of the ED Court and passed directions to release parcels of land in the Pharma City subject to certain conditions. The Company has filed an appeal before Hon'ble High Court of Telangana as prescribe in the order. The Management is confident that due process of law has been followed and it has complied with the provisions in the Concession Agreement.
7.	**Sehore Kosmi Expressway Limited** Preparation of the financial statements is on liquidation basis, assuming the subsidiary company is no longer a going concern. The said subsidiary has recorded receivable from Madhya Pradesh Road Development Corporation Limited (MPRDC) of Rs. 582 millions i.e., to the extent of intangible and financial asset as on termination date of the project, although the said subsidiary has claimed an amount of Rs. 968.60 millions from MPRDC. The realization of this amount is subject to decision / negotiation between the subsidiary company and MPRDC. Further, the subsidiary company may also refer the matter for Arbitration. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the financial statements.	Based on legal opinions and commercial expertise the company is confident that the claimed amount can be recovered from MPRDC.
8.	**Naya Raipur Gems and Jewellery Limited** Company incurred an accumulated loss of Rs.19.90 Millions as on March 31, 2021 and as of that date, the subsidiary company has initiated its process to shut down the operations. As stated above, these conditions and events altogether, indicate that a material uncertainty exist that may cast significant doubt on the subsidiary company's ability to continue as a going concern.	Since the purpose for which the Company was incorporated has not been realized it has been decided to close down the company.

COVID-19 OUTBREAK

International Implications:

The COVID-19 pandemic has caused significant dislocation in Government revenues, expenditure burdens and priorities, and the capacity to meet these needs. A global recessions whose effects could last well beyond 2020 is expected. The World Bank forecasts a 5.2 percent contraction in global GDP in 2020. With more than 80 percent of global economic output generated in cities, where 55 percent of the world's population lives and 95 percent of COVID-19 cases have been reported, governments are directly impacted by the pandemic and are at the forefront of response measures.

Indian Implications:

After reporting its first case in late January 2020 in the southern state of Kerala, India introduced rigorous airport screenings for the coronavirus (COVID-19). The following weeks saw a quick succession of events leading to a suspension of all travel in and out of the country by March 22 that year.

While infections continued to increase during this period, Indians were now confined to their homes to contain the spread of the virus. The announcement did not come without chaos – it created widespread panic, specifically among lower classes of society including farmers and migrant workers who were left stranded and jobless overnight from their faraway homes and no mode of transport. Despite the government announcing a relief package of 1.7 trillion rupees, it was clear that a large portion of the country's population was going to be scouring for livelihoods.

Economists slashed GDP rates for the foreseeable future due to the obvious impact of the lockdown. However, it was also estimated that the country might bounce back quickly because its industry composition, with unorganized markets being largely dominant. Losses from organized sectors amounted to an estimated nine trillion rupees in late March, projected to increase with the prolonging of the lockdown. Unsurprisingly, the most affected industries included services and manufacturing, specifically travel & tourism, financial services, mining and construction, with declining rates of up to 23 percent between April and June 2020. Towards the end of 2020, however, India saw some semblance of recovery across certain sectors. This was a result of easing restrictions, controlled infection rates and the festive season between October and November 2020.

The pandemic came with uncertainty and implications on all aspects of business across the world. Despite India being ahead of most countries in being able to implement work-from-home measures, specifically in white collar work, job and earning deficits, along with instability in prices was expected. The months of the lockdown resulted in the free fall of employment, which slowly stabilized after the economy steadied in most parts of the country.

Segments including consumer retail expected to see sharp falls ranging between three and 23 percent depending on the market. For the big players across segments, this meant operating at less than full capacity to keep afloat. For small businesses, however, it depended on how long they could ride out the storm. Overall, the pandemic changed daily lifestyles drastically.

Economic activity started to take a hit yet again since March 2021, as the country faced its second wave of the pandemic. As a result, GDP forecasts were expected to fall, putting losses at over 38 billion U.S. dollars if local lockdowns continued till June 2021. Unprecedented numbers in terms of infections and deaths recorded across the country led to another set of lockdowns in some parts, burdening the healthcare system in the midst of government controversy.

Entity Implications:

Your Company's operations were impacted due to the lock-down, however restarted its operations in a phased manner, as advised by the concerned authorities. The Company results have been impacted due to the COVID propelled lockdown during FY 2020-21.

Against this backdrop, the Company has undertaken a series of measures to mitigate the crisis, which includes securing the safety and livelihood of its staff and sub-contracted labour working at project sites, curtailing and reducing overheads at all operating levels, enhancing liquidity on its Balance Sheet through controlling working capital requirements through a mix of judicious cash flow planning and measured project execution.

Material developments in Human Resources / Industrial Relations front, including number of people employed

Ramky Infrastructure Limited believes in creating an environment, wherein human resources derive a sense of purpose, passion and personal growth at work, leading to organizational performance. Towards realizing this, the company relies on the four pillars, namely, performance management, talent engagement, Capability development and maintaining cordial industrial relations. It also believes in review of its HR processes and systems on an ongoing basis to optimize costs, time and labour.

FORWARD LOOKING STATEMENTS

With the easing of the Lockdown situation and opening of the economy and policies for fastrack vaccination of citizens your company is looking forward for resumption of operation at project sites full-fledged.

With the various measures taken up by the Governments for reviving the economy and various sectoral financial assistance from the Banking and financial sectors your company is hoping that a head way will be made in operations of the entity.

Green Initiative for Paperless Communications:

The Ministry of Corporate Affairs ("MCA") has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by Companies through electronic mode. In accordance with the recent circular bearing no.17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 issued by the Ministry of Corporate Affairs, Companies can now send various notices/documents to their shareholders through electronic mode to the registered e-mail addresses of the shareholders. This is a golden opportunity for every shareholder of the Company to contribute to the Corporate Social Responsibility initiative of the Company.

This move by the Ministry is a welcome move, since it will benefit the society at large through reduction in paper consumption and contribution towards a greener environment. Additionally, it will avoid loss in postal transit, save time, energy and costs.

Pursuant to the said circular, the company has forwarded e-mail communication on June 13, 2011 to all Shareholders whose email id were registered in the Depository records that the company intends to use the said e-mail id to send various Notices/ Correspondences etc .

By Understanding the underlying theme of the above circulars, to support this green initiative of the Government in full measure, the company is sending the documents like notice convening general meetings, financial statements, directors reports, auditor's report etc to the email address registered with the depositories by the Shareholders holding shares in electronic form and for shareholders holding shares in physical form, the physical copy to the address registered with the Registrar and Share transfer Agents of the Company.

In this regard, we request Shareholders who have not registered their email addresses, so far to register their email addresses, in respect of electronic holding with depository through their concerned depository participants and Members who hold shares in physical form are requested to send the required details to the Registrar and Share Transfer Agent, **M/s. CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members
Ramky Infrastructure Limited
Ramky Grandiose, 15th Floor,
Sy No 136/2&4,Gachibowli,
Hyderabad–500032, Telangana

I have examined the compliance of conditions of Corporate Governance by Ramky Infrastructure Limited ("the Company") for the year ended March 31, 2021, as stipulated in Regulation 17-27 and clause (b) to (i) of Sub-regulation (2) of Regulation 46 and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the management. My examination was limited to review the procedures and implementation thereof, adopted by the Company, for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, I certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Regulation 17-27 and clause (b) to (i) of Sub-regulation (2) of Regulation 46 and para C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 during the year ended March 31, 2021 except the following

There was a delay in submitting disclosures of related party transactions as per Regulation 23(9) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for half year ended on 30.09.2020 to the stock exchanges. However due to Covid-19 pandemic, NSE has waived the fine imposed on the company vide their letter dated 20.05.2021.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members,
Ramky Infrastructure Limited
Sy No 136 / 2&4, 15th Floor,
Ramky Grandiose, Gachibowli,
Hyderabad, Telangana – 500032

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Ramky Infrastructure Limited, (hereinafter called the **"Company"**). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, audit (and due to lockdown on account of novel Covid-19 pandemic and restriction imposed by the Central and State Governments such verification is carried out through the electronic means only), I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2021, **("Audit Period")** complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

I. The Companies Act, 2013 (the "**Act**") and the rules made there under and other applicable provisions of the Companies Act, 1956 which are still in force;

II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under *(Not Applicable to the Company during the year under review)*

III. The Depositories Act, 1996 and the Regulations and Bye-laws framed under that Act;

IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of ~~Foreign Direct Investment~~, Overseas Direct Investment and ~~External Commercial Borrowings;~~

V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("**SEBI** Act");

   a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

   b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

   c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009; *(Not Applicable to the Company during the year under review)*

   d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; *(Not Applicable to the Company during the year under review)*

   e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; *(Not Applicable to the Company during the year under review)*

   f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

   g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; *(Not Applicable to the Company during the year under review)* and

   h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; *(Not Applicable to the Company during the year under review)*

   i. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

(i) Other laws applicable to the Company

I have also examined compliance with the applicable clauses of the following:

Secretarial Standard-1 and Secretarial Standard-2, with respect to Board and General Meetings respectively, issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. *Company has delayed in filing Form MGT-14 vide SRN: T09142506 dated 18th march, 2021. However the same has been filed with additional fee and same has been taken on record by Registrar of Companies, Telangana.*

2. *There was a delay in submitting disclosures of related party transactions as per Regulation 23(9) of SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015 for half year ended on 30.09.2020 to the stock exchanges. However due to Covid-19 pandemic, NSE has waved the fine imposed on the company vide their letter dated 20.05.2021.*

3. *As per the Regulation 34 (2) (f), Company has not included the business responsibility report in the Annual Report of 2019-2020. However, the same was submitted with the Stock Exchanges separately.*

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The change in the composition of the Board of Directors that took place during the period under review was carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings and a system exists for seeking and *obtaining* further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Note:

***Company has received the email from the Investigations Dept, Securities and Exchange Board of India (SEBI) asking for the clarification with regard to Reason(s) for spurt in net profit made by the company for quarter ending March 2019. Further the SEBI has also asked for certain clarification/ information with respect to if any Transactions were made with Mr. Pulicherla Ganesh, M/s Bhubaneshwar Industrial Waste Management (Orissa) Private Ltd. and M/s Ramky Enviro Engineers Limited and Madhya Pradesh Waste Management Project and the relationship of Company with above entities. The Company has provided the suitable reply to the clarification sought by SEBI.*

INDEPENDENT AUDITORS' REPORT

To
The Members of **Ramky Infrastructure Limited**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Ramky Infrastructure Limited ("the Company"), which includes 9 joint operations comprising of the Standalone Balance Sheet as at 31st March 2021, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and Standalone Cash Flow Statement for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2021, its profit including other comprehensive income, its changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Emphasis of Matter

Attention is invited to

a) Note 47 to the standalone financial statements in respect of existence of material uncertainties over the relizability of certain contract assets and trade receivables aggregating to Rs. 839.35 millions as at 31st March 2021 (Rs. 881.73 millions as on 31st March 2020) which are subject matters of arbitration proceedings / negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings on the basis of which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues. In view of pending billing of project WIP / slow progress / termination of these projects, and lack of other alternate audit evidence to corroborate management's assessment of recoverability of these balances, we are unable to comment on the extent to which these balances are recoverable.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditors' response
Foreseeable losses Management estimates the costs to complete the unexecuted portion of the contract and where it is probable that those costs exceed the revenue to be earned from such contracts, a provision for such probable loss is created.	Evidence and historical information is considered to decide on the rationale and appropriateness of the estimates with respect to the costs to complete the project. The relevant covenants of the contract are verified to assess the unearned revenue from the project. Considering the historical information and evidence with respect to probability of incurring losses, an appropriate provision is arrived.
Revenue of the company is mainly from Construction Contracts. Revenue from these contracts are recognized over a period of time in accordance with the requirements of IND AS 115, Revenue from Contracts with Customers. Due to the nature of the contracts, revenue recognition involves survey of work performed, which involves significant judgments, identification of contractual obligations and the Company's rights to receive payments for performance completed till date, changes in scope and consequential revised contract price and recognition of the liability for loss making contracts/onerous obligations. Revenue recognition involves aforesaid significant judgement and estimation. We therefore determined this to be a key audit matter.	Our audit procedures included but were not limited to: • Reading the accounting policy for revenue recognition of the Company. • Obtaining an understanding of the Company's processes and controls for revenue recognition process, evaluating the key controls around such process. • Performing tests of details, on a sample basis and inspecting the underlying customer contracts and relevant supporting documents. • Sample of revenue disaggregated by type and service offerings was tested with the performance obligation specified in the underlying contracts. • Considering the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

The Board's Report including its annexures is expected to be made available to us after the date of this auditor's report. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 7 joint operations whose annual financial statements reflect total assets of Rs. 552.60 millions as at March 31, 2021, revenues of Rs. 175.50 millions and net cash outflows of Rs. 4.37 millions for the year ended March 31, 2021, as considered in the standalone financial statements which have been audited by their respective independent auditors. The reports of such auditors on financial statements and other financial information of these joint operations have been furnished to us and our opinion on the standalone financial statements, in so far as it relates to the amounts and disclosures included in respect of these joint operations, is based solely on the report of such auditors and procedures performed by us as stated in paragraph above.

The accompanying financial statements include the Company's share of total assets of Rs. 22.70 millions as at March 31, 2021, revenues of Rs. 576.75 millions and net cash outflows of Rs. 0.03 millions for the year ended March 31, 2021, in respect 2 joint operations, based on their annual financial information, which have not been audited by their auditors, and have been furnished to us by the Company's management. Our opinion on the standalone financial statements and our report, in so far as it relates to the aforesaid joint operations is based solely on such unaudited management certified financial statements. According to the information and explanations given to us by the management, such financial statements are not material to the Company.

Our opinion is not modified in respect of above matters.

Report on Other Legal and Regulatory Requirements

1 As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Cash Flow Statement dealt with by this report are in agreement with the books of account;

d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act;

e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure B"**;

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid / provided by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act; and

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note 41 to the standalone financial statements:

ii. The Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts; and

iii. There are no dues required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent Auditors' Report

The Annexure A referred to in Paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors' Report to the members of the Company for the year ended 31st March, 2021, we report

i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.

(b) The property, plant and equipment were physically verified during the year by the management in accordance with a regular program of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, the discrepancies noticed on such verification were not material.

(c) According to the information and explanations given to us, the title deeds of immovable properties included in property, plant and equipment are held in the name of the Company.

ii) According to the information and explanations given to us, the inventories were physically verified during the year by the management at reasonable intervals and the discrepancies noticed on such verification of the inventory as compared to book records were not material.

iii) According to the information and explanation given to us, the Company has granted interest free unsecured loans to two subsidiary companies covered in the register maintained under section 189 of the Act, in respect of such loans;

(a) In our opinion, the terms and conditions of the loans granted by the Company are not prejudicial to the interest of the Company, except in the case of interest free unsecured loans granted to two subsidiary companies, aggregating to Rs. 1,807.82 million as at 31st March 2021, having regard to the cost of funds to the Company which are prejudicial to the interest of the Company.

(b) The receipt of principal amount and interest, wherever stipulated is regular other than an amount disclosed in (c) below. Further in case of interest free loan granted to two subsidiary companies where the schedule of repayment of the principal and payment of interest has not been stipulated, we are unable to comment as to whether repayments are regular.

(c) In case of loans carrying interest, there is an overdue interest amounting to Rs. 332.60 millions for more than 90 days. As per the information and explanations given to us, the Company has made reasonable steps to recover overdue interest portion. Further, in case of interest free unsecured loans granted to two subsidiary companies, as the schedule of repayment has not been stipulated, we are unable to comment whether any amount is overdue and whether any steps for recovery of the principal is required.

According to the information and explanations given to us, apart from the above, the Company has not granted loans, secured or unsecured, to firms, limited liability partnerships or other parties covered in the register maintained under section 189 of the Act.

iv) In our opinion and according to the information and explanations given to us, the Company has not given any loans, or provided any guarantees or security to the parties covered under Section 185 of the Act. Accordingly, compliance under Section 185 of the Act is not applicable to the Company. According to the information and explanations given to us, the provisions of Section 186 of the Act in respect of the loans given, guarantees given or securities provided are not applicable to the Company, since it is covered as a company engaged in business of providing infrastructural facilities. The Company has complied with the provisions of Section 186 of the Act with respect to the investments made.

v) According to the information and explanations given to us, the Company has not accepted any deposits during the year within the meaning of section 73 to 76 of the Act and the Rules framed there under to the extent notified.

vi) We have broadly reviewed the cost records maintained by the Company pursuant to the Rules made by the Central Government under section 148 (1) of the Act and are of the opinion that prima facie the prescribed accounts and records have been made and maintained. We have, however, not made detailed examination of the records with a view to determining whether they are accurate or complete.

vii) According to the information and explanations given to us, in respect of statutory dues:

(a) According to information and explanations given to us and records of the Company examined by us, amounts deducted/ accrued in the books of accounts in respect of undisputed statutory dues including provident fund, employees state insurance, income tax, sales tax, service tax, value added tax, goods and services tax, cess and other material statutory dues as applicable have been actually/regularly deposited with the appropriate authorities and there have been delays in number of cases during the year. As per information and explanations given to us the Company did not have any dues on the account of excise duty and customs duty. Details of undisputed dues in respect of works contract tax, value added tax, central sales tax and goods and services tax that were in arrears for a period of more than six months from the date they become payable are provided in **Appendix – I**.

Annexure 'B' to the Independent Auditor's Report of even date on the standalone financial statements of Ramky Infrastructure Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Ramky Infrastructure Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. *However, the Company needs to improve its systems with respect to realisation of receivables including retention monies, other contract receivables, etc.*

NOTES TO THE FINANCIAL STATEMENTS

1. Reporting entity

Ramky Infrastructure Limited ("the Company") is an integrated construction, infrastructure development and management Company headquartered in Hyderabad, India. The Company undertakes a range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. A majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by the Company, joint venture partners and respective Governments. The Company is a public limited company domiciled and incorporated in India under the Indian Companies Act, 1956. The Company's registered office is located at Ramky Grandiose, 15th Floor, Sy. No. 136/2 & 4, Gachibowli, Hyderabad - 500 032, Telangana. The Company is listed on BSE Limited and National Stock Exchange of India Limited.

2. Basis of preparation

(a) Statement of compliance

These standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015, as amended notified under Section 133 of the Companies Act, 2013, (the Act) and other relevant provisions of the Act.

These standalone financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The standalone financial statements were authorised for issue by the Board of Directors on 14th June 2021.

(b) New and amended standards adopted by the Company

The company has applied the following standards and amendments for the first time for their annual reporting period commencing 1April 2020:

- Definition of material- amendments to Ind AS 1 and Ind AS 8.
- Definition of business - amendments to Ind AS 103.
- Covid-19 related concessions- amendments to Ind AS 116.
- Interest rate benchmark reform- amendments to Ind AS 109 and Ind AS 107.

The amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly effect the current or future periods.

(c) Functional and presentation currency

These standalone financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. Amounts have been rounded off to nearest million.

(d) Basis of measurement

These standalone financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Present value of defined benefit obligations.

(e) Current and non-current classification:

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the Company covers the duration of the project/contract/ service including the defect liability period, wherever applicable, and extends up to the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project. Other than project related assets and liabilities, 12 months period is considered as normal operating cycle.

(f) Use of estimates and judgements

In preparing these standalone financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

(i) Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

(ii) Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iii) Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. The management assessed that the useful lives represent the expected utility of the assets to the Company. Further, there is no significant change in the useful lives as compared to previous year.

(iv) Impairment of investment in equity instruments of subsidiary and associate companies

During the year, the Company assessed the investment in equity instrument of subsidiary and associate companies carried at cost for impairment testing. Detailed analysis has been carried out on the

future projections and wherever required, necessary impairment has been made.

3. Significant accounting policies

(a) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets

- **Initial Recognition**

  In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

- **Subsequent Measurement**

  For the purposes of subsequent measurement, financial assets are classified in following categories:

  Financial Assets at Amortised Cost

  Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

  Financial Assets Measured at Fair Value

  Financial assets are measured at fair value through Other Comprehensive Income ('OCI') if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. In respect of equity investments (other than for investment in subsidiaries and associates) which are not held for trading, the Company has made an irrevocable election to present subsequent changes in the fair value of such instruments in OCI. Such an election is made by the Company on an instrument by instrument basis at the time of transition for existing equity instruments/ initial recognition for new equity instruments. Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

- **De-recognition of Financial Assets**

  The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

(ii) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument

Financial Liabilities

- **Initial Recognition**

  Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- **Subsequent Measurement**

  The measurement of financial liabilities depends on their classification, as described below

  Financial liabilities at FVTPL

  Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss. Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

  Financial liabilities at amortised cost

  After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term

of the borrowings in the Statement of Profit and Loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss. Where the Company issues optionally convertible debenture, the fair value of the liability portion of such debentures is determined using a market interest rate for an equivalent non-convertible debenture. This value is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the debentures. The remainder of the proceeds is attributable to the equity portion of the instrument. This is recognised and included in shareholders' equity (net of income tax) and are not subsequently re-measured. Where the terms of a financial liability is re-negotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

- **De-recognition of Financial Liabilities**

  Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(iii) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

(b) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

he Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(c) Property, plant and equipment

(i) Recognition, measurement and de-recognition

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Items such as spare parts, stand-by equipment and servicing equipment that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Costs in nature of repairs and maintenance are recognized in the Statement of Profit and Loss as and when incurred.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net within other income in the statement of profit and loss.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(ii) Subsequent expenditure

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

(iii) Depreciation

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset Category	Management estimate of useful life	Useful life as per Schedule II
Office equipment	5 years	5 years
Furniture and fixtures	10 years	10 years
Vibrator & Needles	5 years	5 years
Vehicles – Cars	8 years	8 years
Buildings	30 years	30 years
Computer equipment	3 years	3 years
Lab Equipment	10 years	10 years
Shuttering Materials	5 years	5 years
Vehicles - Two wheelers	10 years	10 years
Pump Sets	5 years	5 years

Depreciation is calculated on a pro-rata basis from/upto the date the assets are purchased/sold. Leasehold improvements are amortised over the primary period of the lease or estimated useful life of the assets, whichever is lower. Useful life of assets and residual values are reviewed at each financial year end and adjusted if appropriate.

(d) Intangible assets and amortisation

(i) Computer software

Computer software are recorded at the consideration paid for acquisition. Computer software is amortised over their estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

(ii) Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated brands, is recognized in statement of profit and loss as incurred.

(iii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in statement of profit and loss. Computer software is amortised over their estimated useful lives not exceeding 3 years.

(e) Revenue recognition

(i) Revenue from construction contracts

The Company applies Ind AS 115 using cumulative catch-up transition method. Revenue from contract with customers is recognised when the Company satisfies performance obligation by transferring promised goods or services to the customer in an amount that reflects the consideration to which the company expects to be entitled in exchange for those goods or services.

With respect to the satisfaction of a performance obligation, the Company chosen output method to measure the value of goods or services for which control is transferred to the customer over time based on the performance / measured unit of work completed to date. Accordingly, which revenue is recognised corresponding to the units of work performed and on the basis of the price allocated thereto.

In cases where the work performed till the reporting date has not reached the milestone specified in the contract, the Company recognises revenue only to the extent that it is highly probable that the customer will acknowledge the same. This method is applied as the progress of the work performed can be measured during its performance on the basis of the contract. Under this method, on a regular basis, the work completed under each contract is measured and the corresponding output is recognised as revenue.

(ii) Other income

- **Dividend Income**

  Dividend income from Investments is recognised when the shareholder's right to receive payment has been established.

- **Interest income**

  Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

- **Rental income**

  Rental income from operating leases is generally recognised over the term of the relevant lease.

(f) Inventories

(i) Inventories are carried at the lower of cost or net realisable value.

(ii) Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of determination of cost is as follows:

- Raw materials and components : on a weighted average method.

  Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

  The comparison of cost and net realisable value is made on inventory-by- inventory basis.

(g) Impairment

(i) Impairment of financial instruments

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the trade receivables.

Debts are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Measurement of expected credit losses

Expected credit losses are a probability weighted estimate of credit losses. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Company in accordance with the contract and the cash flows that the Company expects to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Company determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write off. However, trade receivables that are written off could still be subject to enforcement activities in order to comply with the Company's procedures for recovery of amounts due.

(ii) Impairment of non-financial assets

The Company assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of

non-financial assets is impaired. If any such indication exists, the Company estimates the amount of impairment loss.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Company's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable amount is determined for the CGUs to which the corporate asset belongs.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(h) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Company makes specified monthly contributions towards Government administered provident fund and employee insurance scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Company, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Company recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(i) Provisions, Contingent liabilities and assets

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

(i) Onerous contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the Company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Company recognizes any impairment loss on the assets associated with that contract.

(ii) Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

(j) Leases

As a lessee

The Company's lease assets either consists of office premises, guest houses, machineries and equipment which are of short term leases with the term of twelve months or less or low value leases. For these short term and low value leases, the Company has recognized the lease payments as an expense in the Statement of Profit and Loss on a straight line basis over the term of lease.

(k) Income-taxes

VIncome tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except

when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Company is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

(iii) Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(l) Segment reporting

(i) Business Segment:

Operating segments are identified in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The services rendered by the Company primarily consist of execution of civil contracts on turnkey basis. The Company is managed organizationally as a unified entity and not along product lines and accordingly, there is only one business segment.

(ii) Geographical Segment:

During the year under report, the Company has engaged in its business primarily within India. The conditions prevailing in India being uniform, no separate geographical disclosure is considered necessary.

(m) Earnings per share

The basic earnings per share ("EPS") for the year is computed by dividing the net profit/ (loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(n) Borrowing cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalize as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(o) Foreign Currency Translation

Initial recognition:

On initial recognition, transactions in foreign currencies entered into by the company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the statement of profit and loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rate at the date of transaction Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rate at the date when the fair value is measured.

Exchange differences arising out of these transactions are recognized in statement of profit and loss

(p) Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise of cash and cheques in hand, bank balances, demand deposits with banks where original maturity period is three months or less and other short term highly liquid investments.

(q) Events after reporting date/subsequent events

Where events occurring after the balance sheet date provide evidence of conditions that existed at the end of the reporting period, the impact of such events are adjusted within the financial statements. Otherwise, events after the balance sheet date of material size or nature are only disclosed.

There were no significant events that occurred after the balance sheet date for the current reporting period.

4. Recent Accounting Pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021.

The notification incorporates various additional disclosure requirements while preparing the financial statements of an entity which are covered under the three divisions of Schedule III to the Companies Act, 2013.

Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

i. Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.

ii. Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.

iii. Specified format for disclosure of shareholding of promoters.

iv. If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.

v. Specific disclosure under 'additional regulatory requirement' such as:

a) title deeds of immovable property not held in name of company

b) loans and advances to promoters, directors, key managerial personnel (KMP) and related parties

c) details of benami property held etc.

d) Relationship with Struck off Companies

e) Registration of charges or satisfaction with Registrar of Companies

f) Certain rations need to be calculated

Statement of profit and loss:

i. Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Plan A

Particulars	31 March 2021	
	Increase	Decrease
Gratuity plan		
Discount rate (1 % movement)	**50.39**	62.21
Future salary growth (1 % movement)	**61.80**	50.52
Withdrawal rate (1% movement)	**56.28**	55.32

Plan B

Particulars	31 March 2021	
	Increase	Decrease
Compensated absences plan		
Discount rate (1 % movement)	**28.65**	31.62
Future salary growth (1 % movement)	**31.81**	28.50
Attrition rate (1% movement)	**30.08**	30.04

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

a) credit risk

b) liquidity risk

c) market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade receivables and Loans

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate.

The Company limits its exposure to credit risk from trade receivables by establishing a maximum payment period of one and three months for individual and corporate customers respectively.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are individuals or legal entities, their geographic location, trading history with the Company and existence of previous financial difficulties.

(All amounts are Rs. in Millions, unless otherwise stated)

A summary of the Company's exposure to credit risk for trade receivables and loans is as follows:

Particulars	31 March 2021		31 March 2020	
	Not Credit - Impaired	Credit - Impaired	Not Credit - Impaired	Credit - Impaired
Gross carrying amount				
Loans	**3,104.74**	**-**	2,633.24	-
Trade receivables	**3,150.65**	**1,150.05**	3,674.69	1,150.05
Loss allowance				
Loans	**-**	**-**	-	-
Trade receivables	**-**	**(1,150.05)**	-	(1,150.05)
Net carrying amount	**6,255.40**	**-**	**6,307.94**	**-**

Expected credit loss (ECL) assessment for corporate customers as at 31 March 2021 and 31 March 2020.

The Company allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to external ratings, management accounts and cash flow projections and available information about customers) and applying experienced credit judgement.

The Company uses an allowance matrix to measure the expected credit loss of trade receivables and loans from individual customers, which comprise a very large number of small balances.

Loss rates are based on actual credit loss experience over the past five years. These rates are multiplied by scalar factors to reflect differences between current and historical economic conditions and the Company's view of economic conditions over the expected lives of the receivables.

Movements in the allowance for impairment in respect of trade receivables and loans

The movement in the allowance for impairment in respect of trade receivables and loans is as follows:

Particulars	31 March 2021	31 March 2020
Balance at the beginning of the year	**1,150.05**	**1,150.05**
Allowance for impairment made during the year	**56.07**	-
Amounts written-off during the year	**(56.07)**	-
Balance at the end of the year	**1,150.05**	**1,150.05**

Cash and cash equivalents

The Company holds cash and cash equivalents of Rs. 194.11 millions at 31 March 2021 (31 March 2020: Rs. 227.75 millions). The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments :

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest rate risk

The Company adopts a policy of ensuring that its major interest rate risk exposure is at a fixed rate. This is achieved partly by entering into fixed-rate instruments and partly by borrowing at a floating rate.

Exposure to interest rate risk

The interest rate profile of the Company's interest-bearing financial instruments is as follows:

Particular	Note	31 March 2021	31 March 2020
Fixed rate instruments			
Financial assets	9 & 15	**745.04**	652.92
Financial liabilities	20 & 24	**6,473.92**	7,466.72

40. Leases

Short term lease in the capacity of lessee

The Company is obligated under cancellable operating lease agreements. Total rental expense for the period under cancellable leases was Rs. 27.70 millions (31 March 2020: Rs. 37.72 millions) has been disclosed in other expenses as "Rent" (refer note 35).

41. Contingent liabilities and commitments

(i) Contingent Liabilities

Particulars	As at 31 March 2021	As at 31 March 2020
Claims against the Company not acknowledged as debts in respect of		
(i) Indirect tax matters *	**1,786.97**	1,825.09
(ii) Direct tax matters	**69.59**	69.59
(iii) Disputed claims from customers, vendors and lenders *	**1,803.23**	1,806.30
(iv) Claim from Subcontractors not acknowledged as debt	**4,900.00**	4,900.00
Guarantees		
(i) Corporate guarantees to banks and financial institutions against credit facilities extended to Subsidiaries, step-down subsidiary and jointly controlled entity **	**14,451.20**	14,451.20
(ii) Bank guarantees and letter of credits	**3,944.44**	**6,235.74**

* The Company has deposited an amount of Rs. 140.23 millions (as on March 31, 2020 Rs. 140.23 millions) towards indirect tax dispute matters under protest with various statutory authorities and the same is included under other non current assets in Note 12 to the financial statements. Further, an amount of Rs. 669.31 millions (as on March 31, 2020 Rs. 669.31 millions) is provided as deposit towards disputes with lenders and included the same under Other current financial assets in Note 16 to the financial statements.

(All amounts are Rs. in Millions, unless otherwise stated)

** Includes Corporate guarantee given to Sringar Banihal Expressway Limited for 14,400 millions. Management of the Company is confident that the said Corprorate guarantee is no longer valid as per the terms & conditions of the termination clause of the Corporate guarantee. Since, the matter is pending before the Hon'ble Tribunal / High Court of Telangana, the same is disclosed as part of contingent liabilities (refer note 48 for details)

(i) Impact of pending legal cases

The Company is party to several legal suits on construction contract terms related disputes with vendors and contractee/clients, pending before various courts in India as well as arbitration proceedings. It is not possible to make a fair assessment of the likely financial impact of these pending disputes / litigations until the cases are decided by the appropriate authorities.

Claims worth Rs.4,900.00 Millions were filed by some of the sub-contractors of the Srinagar Banihal Road Project on the Company (Principal contractor) and the subsidiary company Srinagar Banihal Expressway Limited (the concessionaire). The project got significantly delayed due to land acquisition, riots & terrorist activities, two time floods, highway restrictions, adverse weather condition, delays in utilities shifting, etc. and the project is still under construction though COD has been achieved on 27.03.2018. All these claims of the vendors are not attributable to the company mainly due to significant aforementioned delays in the project as these claims are towards the change of scope, idling charges, escalation, interest, etc. Due to Covid situation, the Management is still under process of ascertaining the actual liability and whenever the assessment is complete. The Company have corresponding counter claims with margin on the Concessionaire as per contractual terms.

(ii) Lenders' Right to Recompense (RoR) for restructured debts

The Company`s debts were restructured by the lenders under the Joint Lender Forum (JLF) on 12th June, 2015, The package provides that the Lenders with the approval of competent authority, shall have the right to recompense on the reliefs/ sacrifices/ waivers extended by respective lenders as per the then extant guidelines." The Restructuring Package specifies that the exercise of right will be governed by the guidelines in force at such time. However in view of RBI circular dated 7th June 2019 read with legal opinion obtained by the company, the lenders cannot enforce their contractual right on account of lack of certainty, the management of the company is confident that the amount payable towards Recompense to the lenders as at 31st march 2021 is nil.

INDEPENDENT AUDITORS' REPORT

To
The Members of **Ramky Infrastructure Limited**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Ramky Infrastructure Limited (hereinafter referred to as "the Parent") which includes 9 joint operations and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its associate, comprising of the Consolidated Balance Sheet as at 31st March, 2021, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of the subsidiaries and associate referred in the Other Matters section below, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March, 2021, their consolidated profit, including other comprehensive income, their consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of Matter

Attention is invited to

a) Material uncertainties exist over the realizability of certain contract assets and trade receivables aggregating to Rs. 839.35 millions as at 31st March 2021 (Rs.881.73 millions as on 31st March 2020) which are subject matters of arbitration proceedings / negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings based on which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues. In view of pending billing of project WIP / slow progress / termination of these projects, and lack of other alternate audit evidence to corroborate management's assessment of recoverability of these balances, we are unable to comment on the extent to which these balances are recoverable.

b) In respect of Srinagar Banihal Expressway Limited, a subsidiary company whereby the Statutory Auditors of the said subsidiary have drawn attention in respect of the following matters:

i) The subsidiary company could not meet its borrowing obligation with the lenders during the financial year 2018-19, as a result of which the loan accounts with various banks had become Non-Performing Asset (NPA). Further, two lenders has approached Debt Recovery Tribunal (DRT) and initiated for recovery proceedings.

ii) Claims of Rs.4,900 millions made by the subcontractors on the principal contractor and the subsidiary company, where the assessment of claims is in process and is at various stages by the subsidiary company. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial statements.

iii) Deductions by NHAI of Rs.1,030 millions from the annuities to the subsidiary company and where the subsidiary company has initiated for recoveries from NHAI. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the accompanying financial statements.

(c) In respect of Hospet Chitradurga Tollways Limited, a subsidiary company whereby the Statutory Auditors of the said subsidiary have drawn attention in respect of the termination of the project by the subsidiary company and National Highways Authority of India (NHAI) "the Concessioning Authority" with mutual consent. Since the subsidiary company is a project specific company, termination of project affects the Going Concern nature of the subsidiary company. The consequential financial impact was provided in the financial statement during the previous year and was emphasized in the previous year audit report also.

(d) In respect of Sehore Kosmi Tollways Limited, a subsidiary company whereby the statutory auditors of the said subsidiary have drawn attention that the preparation of the financial statements is on liquidation basis, assuming the subsidiary company is no longer a going concern. The said subsidiary has recorded receivable from Madhya Pradesh Road Development Corporation Limited (MPRDC) of Rs. 582 millions i.e., to the extent of intangible and financial asset as on termination date of the project, although the said subsidiary has claimed an amount of Rs. 968.60 millions from MPRDC. The realization of this amount is subject to decision / negotiation between the subsidiary company and MPRDC. Further, the subsidiary company may also refer the matter for Arbitration. Pending the ultimate outcome of these matters, which is presently unascertainable, no adjustments have been made in the financial statements.

(e) In respect of Ramky Pharma City (India) Limited ("RPCIL"), a subsidiary, whereby the statutory auditors of the said subsidiary have reported the uncertainty in connection with the charge sheet filed by Central Bureau of Investigation (CBI) and attachment order of the Enforcement Directorate in respect of certain assets of the said subsidiary company. The management believes that it has complied with the provisions of the concession agreement. Accordingly, any consequential financial impact of the said regulatory action will be known only when the matter is resolved.

(f) In respect of Naya Raipur Gems and Jewellery Limited, a subsidiary company, whereby the statutory auditors of the said subsidiary have reported that the subsidiary company incurred an accumulated loss of Rs.19.90 millions as on March 31, 2021, and as of that date, the subsidiary company has initiated its process to shut down the operations. As stated above, these conditions and events altogether, indicate that a material uncertainty exist that may cast significant doubt on the subsidiary company's ability to continue as a going concern.

Our opinion is not modified in respect of these matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the financial year ended 31st March, 2021. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditors' response
Foreseeable losses Management estimates the costs to complete the unexecuted portion of the contract and where it is probable that those costs exceed the revenue to be earned from such contracts, a provision for such probable loss is created.	Evidence and historical information is considered to decide on the rationale and appropriateness of the estimates with respect to the costs to complete the project. The relevant covenants of the contract are verified to assess the unearned revenue from the project. Considering the historical information and evidence with respect to probability of incurring losses, an appropriate provision is arrived.
Revenue of the company is mainly from Construction Contracts. Revenue from these contracts is recognized over a period of time in accordance with the requirements of IND AS 115, Revenue from Contracts with Customers. Due to the nature of the contracts, revenue recognition involves survey of work performed, which involves significant judgments, identification of contractual obligations and the Company's rights to receive payments for performance completed till date, changes in scope and consequential revised contract price and recognition of the liability for loss making contracts/ onerous obligations. Revenue recognition involves aforesaid significant judgement and estimation. We therefore determined this to be a key audit matter.	Our audit procedures included but were not limited to: • Reading the accounting policy for revenue recognition of the Company. • Obtaining an understanding of the Company's processes and controls for revenue recognition process, evaluating the key controls around such process. • Performing tests of details, on a sample basis and inspecting the underlying customer contracts and relevant supporting documents. • Sample of revenue disaggregated by type and service offerings was tested with the performance obligation specified in the underlying contracts. • Considering the terms of the contracts to determine the transaction price including any variable consideration to verify the transaction price used to compute revenue and to test the basis of estimation of the variable consideration.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Parent's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements, consolidated financial statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, compare with the financial statements of the subsidiaries and associate either audited by the other auditors or unaudited and furnished by the management, to the extent it relates to these entities and, in doing so, place reliance on the work of the other auditors and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

The Board's Report including its annexures is expected to be made available to us after the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent's Board of Directors is responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its associate for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Parent, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and of its associate are also responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision, and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by other auditors or furnished by the management, such other auditors and management remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 14 subsidiaries, 7 joint operations whose annual financial statements reflect total assets of Rs. 32,759.52 millions as at March 31, 2021, total revenues of Rs. 3,859.75 millions, total net loss after tax of Rs. 348.19 millions, total comprehensive income of Rs. (352.14) millions for year ended March 31, 2021, and net cash inflows of Rs. 18.22 millions for the year ended March 31, 2021, as considered in the consolidated financial statements, which have been audited by their respective independent auditors. The independent auditors report on financial statements and other financial information of these entities have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint operations is based solely on the reports of such auditors and procedures performed by us as stated in paragraph above. The above financial results are before giving effect to any consolidation adjustments.

The accompanying Consolidated Financial Statements include the Company's share of total assets of Rs. 22.70 millions as at March 31, 2021, revenues of Rs. 576.75 millions, net profit after tax of Rs. 0.02 millions and total comprehensive income of Rs. 0.02 millions for year ended on that date, and net cash inflows of Rs. 0.03 millions for the year ended March 31, 2021, in respect of 3 subsidiaries and 2 joint operations, based on their annual financial information, which have not been audited by their auditors, and have been furnished to us by the Parent Company's management. Our opinion on the Statement, in so far as it relates to the aforesaid joint operations are based solely on such unaudited management certified annual financial information. According to the information and explanations given to us by the management, such annual financial information is not material to the Group.

Further the Consolidated Financial Statements also does not include Company's share of profit in respect of Gwalior Bypass Project Limited (associate) in which Company has investment aggregating to Rs. 1.32 millions as at March 31, 2021. The annual financial results have not been furnished to us by the Parent Company's management. According to the information and explanations given to us by the management, these annual financial results are not material to the Group.

Our opinion on the Consolidated Statement is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate financial statements of subsidiary and associate companies incorporated in India, referred in the Other Matters paragraph above we report, to the extent applicable, that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements;

(d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act;

(e) On the basis of the written representations received from the directors of the Parent as on 31st March 2021 taken on record by the Board of Directors of the Company and the reports of the statutory auditors of its subsidiary companies and associate companies incorporated in India, none of the directors of the Group companies and its associate companies incorporated in India is disqualified as on 31st March 2021 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditors' reports of the Parent, subsidiary companies and associate companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of those companies, for the reasons stated therein;

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group and its associate to its directors during the year is in accordance with the provisions of section 197 of the Act; and

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associate; (Refer Note 10 to the consolidated financial statements);

ii. The Parent Company has made provision as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts; and

iii. There are no dues required to be transferred to the Investor Education and Protection Fund by the Group.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31st March 2021, we have audited the internal financial controls over financial reporting of Ramky Infrastructure Limited ("the Company" or "the Parent") and its subsidiary companies and its associate company, which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent, its subsidiary companies and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, its subsidiary companies, and its associate company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies and associate companies, which are companies incorporated in India, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company, its subsidiary companies, its associate companies, which are companies incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of other auditors referred to in the Other Matters paragraph below, the Parent, its subsidiary companies and associate companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the criteria for internal control over financial reporting established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. *However, the Parent needs to improve its systems with respect to realisation of receivables including retention monies, work-in-progress, etc.*

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to 16 subsidiary companies and one associate, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

1.1 Basis of preparation

(a) Statement of compliance

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015, as amended notified under Section 133 of the Companies Act, 2013, (the Act) and other relevant provisions of the Act.

These consolidated financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

The consolidated financial statements were authorised for issue by the Board of Directors on 14th June 2021.

The details of the Group's accounting policies are included in Note 1.2.

(b) New and amended standards adopted by the Group

The group has applied the following standards and amendments for the first time for their annual reporting period commencing 1st April 2020:

- Definition of material- amendments to Ind AS 1 and Ind AS 8.
- Definition of business - amendments to Ind AS 103.
- Covid-19 related concessions- amendments to Ind AS 116.
- Interest rate benchmark reform- amendments to Ind AS 109 and Ind AS 107.

The amendments listed above did not have any impact on the amounts recognised in prior periods and are not expected to significantly effect the current or future periods.

(c) Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (INR), which is also the Group's functional currency.

(d) Basis of measurement

The consolidated financial statements have been prepared on the historical cost basis except for the following items:

Items	Measurement basis
Certain financial assets and liabilities	Fair value
Net defined benefit (asset)/ liability	Fair value of plan assets less present valu e of defined benefit obligations.

(e) Current and non-current classification:

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the group as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the group covers the duration of the project/contract/ service including the defect liability period, wherever applicable, and extends up to the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project. Other than project related

assets and liabilities, 12 months period is considered as normal operating cycle.

(f) Use of estimates and judgements

In preparing these consolidated financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

(i) Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

(ii) Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iii) Useful lives of depreciable assets

Management reviews the useful lives of depreciable assets at each reporting. The management assessed that the useful lives represent the expected utility of the assets to the group. Further, there is no significant change in the useful lives as compared to previous year.

(iv) Impairment of investment in equity instruments of associate companies and Jointly controlled entities

During the year, the group assessed the investment in equity instrument of associate companies and jointly controlled entities carried at cost for impairment testing. Detailed analysis has been carried out on the future projections and wherever required, necessary impairment has been made.

1.2 Significant accounting policies

(a) Basis of consolidation

(i) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. The financial statements of subsidiaries are included in the consolidated financial statements from the date on which control commences until the date on which control ceases.

(ii) Non-controlling interests (NCI)

NCI are measured at their proportionate share of the acquiree's net identifiable assets at the date of acquisition.

Changes in the Group's equity interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions.

(iii) Equity accounted investees

The Group's interests in equity accounted investees comprise interests in joint controlled entities and associates.

An associate is an entity in which the Group has significant influence, but not control or joint control, over the financial and operating policies. A jointly controlled entity is an arrangement in which the Group has joint control and has rights to the net assets of the arrangement, rather than rights to its assets and obligations for its liabilities.

Interests in associates and jointly controlled entities are accounted for using the equity method. They are initially recognised at cost which includes transaction costs. Subsequent to initial recognition, the consolidated financial statements include the Group's share of profit or loss and OCI of equity accounted investees until the date on which joint control ceases.

The Group discontinues the use of the equity method from the date when the investment ceases to be an associate or a joint venture, or when the investment is classified as held for sale. When the Group retains an interest in the former associate or joint venture and the retained interest is a financial asset, the Group measures the retained interest at fair value at that date and the fair value is regarded as its fair value on initial recognition in accordance with Ind AS 109. The difference between the carrying amount of the associate or joint venture at the date the equity method was discontinued, and the fair value of any retained interest and any proceeds from disposing of a part interest in the associate or joint venture is included in the determination of the gain or loss on disposal of the associate or joint venture. In addition, the Group accounts for all amounts previously recognised in other comprehensive income in relation to that associate or joint venture on the same basis as would be required if that associate or joint venture had directly disposed of the related assets or liabilities. Therefore, if a gain or loss previously recognised in other comprehensive income by that associate or joint venture would be reclassified to profit or loss on the disposal of the related assets or liabilities, the Group reclassifies the gain or loss from equity to profit or loss (as a reclassification adjustment) when the equity method is discontinued.

(iv) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra-group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investment to the extent of the Group's interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment.

(v) Goodwill

Goodwill arising on an acquisition of a business is carried at cost as established at the date of acquisition of the business less accumulated losses, if any. For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units (or groups of cash-generating units) that is expected to benefit from the synergies of the combination. A cash-generating unit to which

goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit prorata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised directly in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods. On disposal of the relevant cash-generating unit, the attributable amount of goodwill is included in the determination of the profit or loss on disposal.

(b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets

- **Initial Recognition**

  In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

- **Subsequent Measurement**

  For purposes of subsequent measurement, financial assets are classified in following categories:

  Financial Assets at Amortised Cost

  Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

  Financial Assets Measured at Fair Value

  Financial assets are measured at fair value through Other Comprehensive Income ('OCI') if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. In respect of equity investments (other than for investment in subsidiaries and associates) which are not held for trading, the Group has made an irrevocable election to present subsequent changes in the fair value of such instruments in OCI. Such an election is made by the Group on an instrument by instrument basis at the time of transition for existing equity instruments/ initial recognition for new equity instruments. Financial asset not measured at amortised cost or at fair value through OCI is carried at FVTPL.

- **De-recognition of Financial Assets**

  The Group de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

(ii) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument

Financial Liabilities

- **Initial Recognition**

  Financial liabilities are classified, at initial recognition, as financial liabilities at FVTPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

- **Subsequent Measurement**

  The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVTPL

Financial liabilities at FVTPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVTPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss. Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any

difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss. Where the Group issues optionally convertible debenture, the fair value of the liability portion of such debentures is determined using a market interest rate for an equivalent non-convertible debenture. This value is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the debentures. The remainder of the proceeds is attributable to the equity portion of the instrument. This is recognised and included in shareholders' equity (net of income tax) and are not subsequently re-measured. Where the terms of a financial liability is re-negotiated and the Group issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued.

- **De-recognition of Financial Liabilities**

  Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

(iii) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

(c) Measurement of fair values

A number of the Group's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

Significant valuation issues are reported to the Company's audit committee.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

– Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

– Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

– Level 3: inputs for the asset or liability that are not based on observable market data (Unobservable inputs).

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

(d) **Property, plant and equipment**

(i) **Recognition and measurement**

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net within other income in the statement of profit and loss.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(ii) Subsequent expenditure

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group, and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

(iii) Depreciation

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Asset Category	Management estimate of useful life	Useful life as per Schedule II
Office equipment	5 years	5 years
Furniture and fixtures	10 years	10 years
Vibrator and needles	5 years	5 years
Vehicles – cars	8 years	8 years
Buildings	30 years	30 years
Roads and water supply	10 years	10 years
Computer equipment	3 years	3 years
Lab equipment	10 years	10 years
Shuttering materials	5 years	5 years
Vehicles - two wheelers	10 years	10 years
Pump sets	5 years	5 years

Depreciation is calculated on a pro-rata basis from/upto the date the assets are purchased/sold. Leasehold improvements are amortised over the primary period of the lease or estimated useful life of the assets, whichever is lower. Useful life of assets and residual values are reviewed at each financial year end and adjusted if appropriate.

(e) Other intangible assets

Service concession arrangements

The Group recognises an intangible asset arising from a service concession arrangement to the extent it has a right to charge for use of the concession infrastructure. At the time of initial recognition the intangible asset is recognised at the fair value of the consideration to be received for providing construction of upgrade services in a service concession arrangement. Subsequent to initial recognition the intangible asset is measured at cost, less any accumulated amortisation and accumulated impairment losses.

Computer software

Computer software is recorded at the consideration paid for acquisition. Computer software is amortised over their estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Group for its use.

(i) Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure, including expenditure on internally generated goodwill and brands, is recognised in profit or loss as incurred.

(ii) Amortisation

Amortisation is calculated to write off the cost of intangible assets less their estimated residual values over their estimated useful lives using the straight-line method, and is included in depreciation and amortisation in Statement of Profit and Loss. Intangibles are amortised over their estimated useful lives. The estimated useful lives for computer software are taken as 3 years.

The Group has followed revenue based amortization for intangible assets which are recognised under service concession arrangements for toll road projects, by taking proportionate of actual revenue earned for a year over total projected revenue from project to cost of intangible assets i.e. proportionate of actual revenue earned for the year over total projected revenue from intangible assets expected to be earned over the balance concession period as estimated by the management. Total projected revenue shall be reviewed at the end of each financial year and the total projected revenue shall be adjusted to reflect any changes in the estimates which lead to actual collection at the end of the concession. For other service concession projects, intangible assets are amortised based on straight line basis.

Amortisation method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate.

(f) Inventories

(i) Inventories are carried at the lower of cost or net realisable value.

(ii) Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of determination of cost is as follows:

- Raw materials and components: on a weighted average method.
- Inventories**:** In case of the real estate activity, the inventories comprise of lands, development of lands, plots, houses and flats. It is valued at direct development cost including related incidental expenditure attributable to the said property to bring it to the marketable stage.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimate costs of completion and selling expenses.

The comparison of cost and net realisable value is made on inventory-by- inventory basis.

(g) Impairment of assets

(i) Financial assets

In accordance with Ind-AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are debt instruments, are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- Trade receivables.

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Measurement of expected credit losses

The Group has followed Expected credit losses method for its receivables. Credit losses are measured as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the Group in accordance with the contract and the cash flows that the Group expect to receive).

Presentation of allowance for expected credit losses in the balance sheet

Loss allowances for financial assets measured at amortised cost are deducted from the gross carrying amount of the assets.

Write-off

The gross carrying amount of a financial asset is written off (either partially or in full) to the extent that there is no realistic prospect of recovery. This is generally the case when the Group determines that the debtor does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. However, financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

(ii) Non-financial assets

The Group assesses at each reporting date whether there is any objective evidence that a non-financial asset or a group of non-financial assets is impaired. If any such indication exists, the Group estimates the amount of impairment loss.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

The Group's corporate assets (e.g., central office building for providing support to various CGUs) do not generate independent cash inflows. To determine impairment of a corporate asset, recoverable

amount is determined for the CGUs to which the corporate asset belongs.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

In respect of assets for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

(h) Employee benefits

(i) Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid e.g., under short-term cash bonus, if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

(ii) Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. The Group makes specified monthly contributions towards Government administered provident fund scheme. Obligations for contributions to defined contribution plans are recognised as an employee benefit expense in profit or loss in the periods during which the related services are rendered by employees.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(iii) Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan ('the asset ceiling'). In order to calculate the present value of economic benefits, consideration is given to any minimum funding requirements.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Group determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in profit or loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service ('past service cost' or 'past service gain') or the gain or loss on curtailment is recognised immediately in profit or loss. The Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

(i) Leases

Accounting policies relating to leases for the periods after March 31, 2019 are as follows:

The Group assesses at contract inception whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether:

- the Group has the contract involves the use of an identified asset – this may be specified explicitly or implicitly and should be physically distinct or represent substantially all of the capacity of a physically distinct asset. If the supplier has a substantive substitution right, then the asset is not identified;
- the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- the Group has the right to direct the use of the asset. The Company has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

In rare cases where the decision about how and for what purpose the asset is used is predetermined, the Group has the right to direct the use of the asset if either:

- the Group has the right to operate the asset; or
- the Group designed the asset in a way that predetermines how and for what purpose it will be used.

Company as a lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets:

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, deferred lease components of security deposits and lease payments made at or before the commencement date less any lease incentives received. Unless the Company is reasonably certain to obtain ownership of the leased asset at the end of the lease term, the recognised right-of-use assets are depreciated on a straight-line basis over the shorter of its estimated useful life and the lease term. Right-of-use assets are subject to impairment Refer

to the accounting policies in section (j) Impairment of non-financial assets.

Lease liabilities:

At the commencement date of the lease, the Company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating a lease, if the lease term reflects the Company exercising the option to terminate. The variable lease payments that do not depend on an index or a rate are recognised as expense in the period on which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the insubstance fixed lease payments or a change in the assessment to purchase the underlying asset.

Short-term leases and leases of low-value assets:

The Company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low value assets recognition exemption to leases of office equipment's that are low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense in statement of profit and loss on straight line basis.

(j) Revenue recognition

The Group has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted.

Construction contracts

Revenue from contract with customers is recognised when the Group satisfies performance obligation by transferring promised goods or services to the customer in an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

With respect to the satisfaction of a performance obligation, the group chosen output method to measure the value of goods or services for which control is transferred to the customer over time based on the performance / measured unit of work completed to date. Accordingly, which revenue is recognised corresponding to the units of work performed and on the basis of the price allocated thereto.

In cases where the work performed till the reporting date has not reached the milestone specified in the contract, the Group recognises revenue only to the extent that it is highly probable that the customer will acknowledge the same. This method is applied as the progress of the work performed can be measured during its performance on the basis of the contract. Under this method, on a regular basis, the work completed under each contract is measured and the corresponding output is recognised as revenue.

Real estate

The Group has evaluated the requirements of the amendments and their impact on the financial statements.

Further, the ICAI has come up with a clarification that the Ind AS 115 does allow recognition of revenue using Percentage of Completion method (POCM) and has explicit and specific requirements to recognise revenue, where performance obligation is satisfied over a period of time.

Revenue from real estate projects under development is computed on a percentage of completion method. Revenue is recognised in the financial year in which the agreement to sell or application forms (containing salient terms of agreement to sell) is executed, on the percentage of completion method which is applied on a cumulative basis in each accounting year to the current estimate of contract revenue and related project costs.

Consulting services

Revenue from consulting services is recognised in the accounting period in which the services are rendered. Estimates of revenues, costs or extent of progress toward completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known by management.

Service concession arrangement

The Group has determined that Appendix D to Ind AS 115 on "Service Concession Arrangements (SCA)" is applicable to the concession agreement and hence has applied it in accounting for the same.

Under Appendix D to Ind AS 115, concession arrangements are accounted for based on the nature of the consideration. The intangible asset model is used to the extent that the Group receives a right to charge users of the public service. The financial asset model is used when the Group has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor for the construction services.

Contract revenue includes the initial amount agreed in the contract plus any variations in contract work, claims and incentive payments, to the extent that it is probable that they will result in revenue and can be measured reliably.

Contract costs are recognised as expenses as incurred unless they create an asset related to future contract activity. An expected loss on a contract is recognised immediately in profit or loss.

Revenue related to construction or upgrade services provided under a service concession arrangement is recognised based on the stage of completion where the performance obligations are satisfied over time. Operation or service revenue is recognised in the period in which the services are provided by the Group.

Other income

(i) Interest income:

Interest on bank deposits is recognised on the effective interest rate (EIR method) using the underlying interest rates. Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits and interest bearing securities is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

(ii) Rental income:

Rental income from operating leases is generally recognised over the term of the relevant lease.

(k) Government grants

Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt.

Government grants are recognised initially as deferred income at fair value when there is reasonable assurance that they will be received and the Group will comply with the conditions associated with the grant; they are then recognised in profit or loss as other income on a systematic basis.

Where the government grants relates to specific fixed assets are treated as deferred government grants, which is recognised in the statement of profit and loss in proportion to the depreciation charge over the useful life of the related asset.

(l) Foreign currency

(i) Foreign currency transactions

Initial recognition:

On initial recognition, transactions in foreign currencies entered into by the company are recorded in the functional currency (i.e. Indian Rupees), by applying to the foreign currency amount, the spot exchange rate between the functional currency and the foreign currency at the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognized in the statement of profit and loss.

Measurement of foreign currency items at reporting date:

Foreign currency monetary items of the company are translated at the closing exchange rates. Non-monetary items that are measured at historical cost in a foreign currency are translated using the exchange rate at the date of transaction Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rate at the date when the fair value is measured.

Exchange differences arising out of these transactions are recognized in statement of profit and loss

(ii) Foreign operations

The assets and liabilities of foreign operations (subsidiaries) are translated into INR, the functional currency of the Group, at the exchange rates at the reporting date. The income and expenses of foreign operations are translated into INR at the exchange rates at the dates of the transactions or an average rate if the average rate approximates the actual rate at the date of the transaction.

When a foreign operation is disposed of in its entirety or partially such that control, significant influence or joint control is lost, the cumulative amount of exchange differences related to that foreign operation recognised in OCI is reclassified to profit or loss as part of the gain or loss on disposal. If the Group disposes of part of its interest in a subsidiary but retains control, then the relevant proportion of the cumulative amount is re-allocated to NCI. When the Group disposes of only a part of its interest in a joint venture while retaining joint control, the relevant proportion of the cumulative amount is reclassified to profit or loss.

(m) Income-taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(i) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits. Deferred tax is not recognised for:

- temporary differences arising on the initial recognition of assets or liabilities in a transaction that is not a business combination and that affects neither accounting nor taxable profit or loss at the time of the transaction;
- temporary differences related to investments in subsidiaries, associates and joint arrangements to the extent that the Group is able to control the timing of the reversal of the temporary differences and it is probable that they will not reverse in the foreseeable future; and
- taxable temporary differences arising on the initial recognition of goodwill.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

(ii) Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

(n) Segment reporting

(i) Business Segment:

Operating segments are identified in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM has identified two major segments a) construction business and b) Developer business. For the detailed disclosure of segments refer Note 3.

(ii) Geographical Segment:

During the year under report, the Group has engaged in its business primarily within India. The conditions prevailing in India being uniform, no separate geographical disclosure is considered necessary.

(o) Earnings per share

The basic earnings per share ("EPS") for the year is computed by dividing the net profit/ (loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

(p) Provisions, Contingent liabilities and assets

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation.

(i) Onerous contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the Group from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the Group recognises any impairment loss on the assets associated with that contract.

(ii) Contingencies

Provision in respect of loss contingencies relating to claims, litigations, assessments, fines and penalties are recognised when it is probable that a liability has been incurred and the amount can be estimated reliably.

(iii) Provision for major maintenance

Provisions are taken for contractual obligations to maintain the condition of infrastructure under concession, principally to cover the expense of major road repairs (surface courses, restructuring of slow lanes, etc.), bridges, tunnels etc. Provision for major maintenance is determined by discounting the expected maintenance expense spanning several years at a pre-tax rate that reflects the current market assessment of the time value and the risks specific to the liability, and is updated annually. Provisions are also taken whenever recognised signs of defects are encountered on identified infrastructure.

(q) Borrowing cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalise as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

(r) Cash and Cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise of cash and cheques in hand, bank balances, demand deposits with banks where original maturity period is three months or less and other short term highly liquid investments.

1.3 Recent Accounting Pronouncements

On March 24, 2021, the Ministry of Corporate Affairs ("MCA") through a notification, amended Schedule III of the Companies Act, 2013. The amendments revise Division I, II and III of Schedule III and are applicable from April 1, 2021.

The notification incorporates various additional disclosure requirements while preparing the financial statements of an entity which are covered under the three divisions of Schedule III to the Companies Act, 2013.

Key amendments relating to Division II which relate to companies whose financial statements are required to comply with Companies (Indian Accounting Standards) Rules 2015 are:

Balance Sheet:

i. Specified format for ageing schedule of trade receivables, trade payables, capital work-in-progress and intangible asset under development.

ii. Certain additional disclosures in the statement of changes in equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.

iii. Specified format for disclosure of shareholding of promoters.

iv. If a company has not used funds for the specific purpose for which it was borrowed from banks and financial institutions, then disclosure of details of where it has been used.

v. Specific disclosure under 'additional regulatory requirement' such as:

   a) title deeds of immovable property not held in name of company

   b) loans and advances to promoters, directors, key managerial personnel (KMP) and related parties,

   c) details of benami property held etc.

   d) Relationship with Struck off Companies.

   e) Registration of charges or satisfaction with Registrar of Companies

   f) Certain rations need to be calculated

Statement of profit and loss:

i. Additional disclosures relating to Corporate Social Responsibility (CSR), undisclosed income and crypto or virtual currency specified under the head 'additional information' in the notes forming part of the standalone financial statements.

ii. The amendments are extensive and the Company will evaluate the same to give effect to them as required by law.

2.1 (b) Goodwill on consolidation

For the purposes of impairment testing, carrying amount of goodwill has been allocated to the following Cash Generating Units (CGU's):

Particulars	As at 31 March 2021	As at 31 March 2020
MDDA-Ramky IS Bus Terminal Limited	**17.61**	17.61
Ramky Pharma City (India) Limited	**3.66**	3.66
Frank Llyod Tech Management Services Limited	**0.04**	0.04
Total	**21.30**	**21.30**

The recoverable amounts of the above CGUs have been assessed using a value-in-use model. Value in use is generally calculated as the net present value of the projected post-tax cash flows plus a terminal value of the cash generating unit to which the goodwill is allocated. Initially a post-tax discount rate is applied to calculate the net present value of the post-tax cash flows.

The key assumptions used in the estimation of the recoverable amount are set out below.

(i) The values assigned to the key assumptions represent management's assessment of future trends in the relevant industries and have been based on historical data from both external and internal sources and future projections.

(ii) The cash flow projections included specific estimates for eight years developed using internal forecasts and a terminal growth rate thereafter. The planning horizon reflects the assumptions for short-to-mid term market developments.

(iii) Discount rate reflects the current market assessment of the risks specific to a CGU or group of CGUs. The discount rate is estimated based on the weighted average cost of capital for respective CGU or group of CGUs.

(iv) The management believes that any reasonably possible change in the key assumptions on which a recoverable amount is based would not cause the aggregate carrying amount to exceed the aggregate recoverable amount of the cash-generating unit.

3 Operating segments

A Basis for segmentation

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's Chief Operating Decision maker (CODM) to make decisions about resources to be allocated to the segments and assess their performance.

The Group operates primarily in Construction and Developer divisions, as described below, which are the Group's strategic business units. These business units offer different services, and are managed separately because they require different technology and marketing strategies. For each of the business units, the Company's CODM reviews internal management reports on at least a quarterly basis.

The following summary describes the operations in each of the Group's reportable segments:

Reportable segments	Operations
Construction business	Engaged in Engineering, Procurement, and Construction Contracts
Developer business	Engaged in Construction and development of real estate properties

B Information about reportable segments

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit (before tax), as included in the internal management reports that are reviewed by the Company's CODM. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries. Inter-segment pricing is determined on an arm's length basis.

6 Earnings per share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the group

- by the weighted average number of equity shares outstanding during the financial year.

The calculations of profit attributable to equity shareholders and weighted average number of equity shares outstanding for purposes of basic earnings per share calculation are as follows:

Particulars	31 March 2021	31 March 2020
i. Profit (loss) attributable to equity shareholders(basic)	**195.63**	(1,980.54)
ii. Weighted average number of equity shares (basic)	**69.20**	67.31

Diluted EPS	**2.83**	(29.43)

(All amounts are Rs. in Millions, unless otherwise stated)

7 Assets and liabilities relating to employee benefits

i. Defined contribution plans

The group makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards provident fund and employee state insurance, which are defined contribution plans. The group has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognised as an expense towards contribution to provident fund and employee state insurance for the year aggregated to Rs. 20.06 Millions (previous year: Rs.30.54 Millions) and is included in "Contribution to provident fund and other funds" (refer note 2.33).

ii. Defined benefit plans

The group operates the following post-employment defined benefit plan:

In accordance with the 'The Payment of Gratuity Act, 1972' of India, the group provides for Gratuity, Defined Retirement Benefit Scheme (the Gratuity Plan), covering eligible employees. Liabilities with regard to such Gratuity Plan are determined by an actuarial valuation as at the end of the year and are charged to the statement of profit and loss. This defined benefit plans expose the group to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

The group also has Compensated absences policy (Plan B). Liabilities with regard to such Compensated absence plan are determined by an actuarial valuation as at the end of the year and are charged to the statement of profit and loss. This defined benefit plans expose the group to actuarial risks, such as longevity risk, currency risk, interest rate risk and market (investment) risk.

A. Funding

Plan A

The gratuity plan is partly funded by the group. The funding requirements are based on the gratuity fund's actuarial measurement framework set out in the funding policies of the plan. The funding is based on a separate actuarial valuation for funding purposes for which the assumptions may differ from the assumptions set out in (E). Employees do not contribute to the plan.

The group has determined that, in accordance with the terms and conditions of the gratuity plan, and in accordance with statutory requirements (including minimum funding requirements) of the plan of the relevant jurisdiction, the present value of refund or reduction in future contributions is not lower than the balance of the total fair value of the plan assets less the total present value of obligations.

Plan B

Compensated absences plan is unfunded.

B. Reconciliation of the net defined benefit (asset) liability

The following table shows a reconciliation from the opening balances to the closing balances for the net defined benefit (asset) liability and its components.

E. Defined benefit obligation

i. Actuarial assumptions

Principal actuarial assumptions at the reporting date (expressed as weighted averages):

Plan A

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
Expected rate of salary increase	**4.00%-9.00%**	4.00%-8.00%
Discount rate	**6.70%-6.92%**	6.70% to 6.78%
Mortality Rate (as % of IALM (2012-14) (Mod.) Ult. Mortality Table)	**100.00%**	100.00%

Plan B

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
Expected rate of salary increase	**4.00%-6.00%**	4.00%-8.00%
Discount rate	**6.70%-6.92%**	6.70% to 6.78%
Expected rate of return on plan assets	**6.80%**	6.80%
Mortality Rate (as % of IALM (2012-14) (Mod.) Ult. Mortality Table)	**100%**	100%
Disability Rate (as % of above mortality rate)	**0.00%**	0.00%
Withdrawal Rate	**3.00%**	3.00%
Normal Retirement Age	**60 years**	60 years

ii. Sensitivity analysis

Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

Plan A

Particulars	Year ended 31 March 2021	
	Increase	Decrease
Gratuity Plan		
Discount rate (1% % movement)	**64.44**	79.37
Future salary growth (1% % movement)	**78.79**	64.70
Withdrawal rate (1% movement)	**71.84**	70.75

(All amounts are Rs. in Millions, unless otherwise stated)

Plan B

Particulars	Year ended 31 March 2021	
	Increase	Decrease
Leave Encashment Plan		
Discount rate (1 % movement)	**36.47**	40.19
Future salary growth (1 % movement)	**40.38**	36.33
Attrition rate (1% movement)	**38.28**	38.19

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

B. Financial risk management

The group has exposure to the following risks arising from financial instruments:

a) credit risk

b) liquidity risk

c) market risk

Risk management framework

The group's board of directors has overall responsibility for the establishment and oversight of the group's risk management framework. The group's risk management policies are established to identify and analyse the risks faced by the group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the group's activities. The group, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The Company's audit committee oversees how management monitors compliance with the group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the group. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

a) Credit risk

Credit risk is the risk of financial loss to the group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the group's receivables from customers and loans.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Trade Receivables and Loans

The group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk associated with the industry and country in which customers operate.

The group limits its exposure to credit risk from trade receivables by establishing a maximum payment period of one and three months for individual and corporate customers respectively.

In monitoring customer credit risk, customers are grouped according to their credit characteristics, including whether they are individuals or legal entities, whether they are a wholesale, retail or end-user customers, their geographic location, industry, trading history with the group and existence of previous financial difficulties.

A summary of the group's exposure to credit risk for trade receivables and loans is as follows:

Particulars	31 March 2021		31 March 2020	
	Not Credit - Impaired	Credit - Impaired	Not Credit - Impaired	Credit - Impaired
Gross carrying amount				
Loans	**-**	**-**	51.53	-
Trade receivables	**3,314.82**	**1,194.62**	3,662.52	1,194.48
Loss allowance				
Loans	**-**	**-**	-	-
Trade receivables	**-**	**(1,194.62)**	-	(1,194.48)
Net carrying amount	**3,314.82**	**-**	3,714.05	-

Expected credit loss (ECL) assessment for corporate customers as at 31 March 2021 and 31 March 2020.

The Group allocates each exposure to a credit risk grade based on a variety of data that is determined to be predictive of the risk of loss (including but not limited to external ratings, management accounts and cash flow projections and available information about customers) and applying experienced credit judgement.

The Group uses an allowance matrix to measure the expected credit loss of trade receivables and loans from individual customers, which comprise a very large number of small balances.

Loss rates are based on actual credit loss experience over the past five years. These rates are multiplied by scalar factors to reflect differences between current and historical economic conditions and the Company's view of economic conditions over the expected lives of the receivables.

Movements in the allowance for impairment in respect of trade receivables and loans

(All amounts are Rs. in Millions, unless otherwise stated)

The movement in the allowance for impairment in respect of trade receivables and loans is as follows:

Particulars	2021	2020
Balance at 1 April	**1,194.48**	1,213.53
Allowance for impairment made during the year	**56.07**	13.44
Amounts written-off during the year	**(55.93)**	(32.49)
Balance at 31 March	**1,194.62**	**1,194.48**

Cash and cash equivalents

The group holds cash and cash equivalents of Rs.1,887.85 Millions at 31 March 2021 (31 March 2020: Rs. 1,898.92 Millions). The credit risk on liquid funds is limited because the counterparties are banks with high credit ratings assigned by international credit rating agencies.

b) Liquidity risk

Liquidity risk is the risk that the group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the group's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Currency risk

The group is exposed to currency risk to the extent that there is a mismatch between the currencies in which sales, purchases and borrowings are denominated and the functional currency of the group. The functional currency for the group is Indian Rupees (INR).

Exposure to currency risk

The summary quantitative data about the group's exposure to currency risk (based on notional amounts) as reported to the management is Nil .

Interest rate risk

The group adopts a policy of ensuring that between 80% and 90% of its interest rate risk exposure is at a fixed rate. This is achieved partly by entering into fixed-rate instruments and partly by borrowing at a floating rate and using interest rate swaps as hedges of the variability in cash flows attributable to interest rate risk, wherever possible.

(All amounts are Rs. in Millions, unless otherwise stated)

Exposure to interest rate risk

The interest rate profile of the group's interest-bearing financial instruments as reported to management is as follows:

Particulars	Note	31 March 2021	31 March 2020
Interest bearing instruments			
Financial assets	2.5, 2.11 & 2.12	**2,285.19**	2,297.83
Financial liabilities	2.17 & 2.23	**23,028.59**	21,679.75
		25,313.78	**23,977.58**

Fair value sensitivity analysis for fixed-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased or decreased profit or loss by Rs.230.29 Millions (2019-20: Rs. 241.19 Millions). This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

A change of 100 basis points in interest rates would have increased or decreased equity by Rs.230.29 Millions after tax (2019-20: Rs. 241.19 Millions). This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

9 Leases

Operating lease in the capacity of lessee

The Group has elected not to recognise right-of-use assets and lease liabilities for short term leases of real estate properties that have a lease term of 12 months. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term. Expense with respect to such short-term and low-value assets leases during the year is Rs.29.93 millions (31 March 2020: Rs. 43.24 millions) included under "Rent" in Other expenses (Note 2.35)

10 Contingent liabilities and commitments

(i) Contingent Liabilities

Particulars	As at 31 March 2021	As at 31 March 2020
Claims against the Company not acknowledged as debts in respect of:		
(i) Indirect tax and other matters	**2,180.75**	2,241.32
(ii) Direct tax matters	**69.59**	69.59
(iii) Disputed claims from customers, vendors and lenders	**1,921.89**	1,924.96
(iv) Claim from Subcontractors not acknowledged as debt	**4,900.00**	4,900.00
Guarantees		
(i) Bank guarantees and letter of credits	**3,944.44**	6,235.74

* The Company has deposited an amount of Rs. 140.23 millions (as on March 31, 2020 Rs. 140.23 millions) towards indirect tax dispute matters under protest with various statutory authorities and the same is included under other non current assets in Note 2.7 to the financial statements. Further, an amount of Rs. 669.31 millions is provided as deposit towards disputes with lenders and included the same under Other current financial assets in Note 2.13 to the financial statements.

(ii) Impact of pending litigations

The Company is party to several legal suits on construction contract terms related disputes with vendors and contractee/clients, pending before various courts in India as well as arbitration proceedings. It is not possible to make a fair assessment of the likely financial impact of these pending disputes / litigations until the cases are decided by the appropriate authorities.

Claims worth Rs.4,900.00 Millions were filed by some of the sub-contractors of the Srinagar Banihal Road Project on the Company (Principal contractor) and the subsidiary company Srinagar Banihal Expressway Limited (the concessionaire). The project got significantly delayed due to land acquisition, riots & terrorist activities, two time floods, highway restrictions, adverse weather condition, delays in utilities shifting, etc. and the project is still under construction though COD has been achieved on 27.03.2018. All these claims of the vendors are not attributable to the company mainly due to significant aforementioned delays in the project as these claims are towards the change of scope, idling charges, escalation, interest, etc. Due to Covid situation, the Management is still under process of ascertaining the actual liability and whenever the assessment is complete. The Company have corresponding counter claims with margin on the Concessionaire as per contractual terms.

(iii) Lenders' Right to Recompense (RoR) for restructured debts

The Company`s debts were restructured by the lenders under the Joint Lender Forum (JLF) on 12th June, 2015, The package provides that the Lenders with the approval of competent authority, shall have the right to recompense on the reliefs/ sacrifices/ waivers extended by respective lenders as per the then extant guidelines." The Restructuring Package specifies that the exercise of right will be governed by the guidelines in force at such time. However in view of RBI circular dated 7th June 2019 read with legal opinion obtained by the company, the lenders cannot enforce their contractual right on account of lack of certainty, the management of the company is confident that the amount payable towards Recompense to the lenders as at 31st march 2021 is nil.

17 Service Concession Arrangements

The Group and its joint ventures and associates had an Option to account for its infrastructure projects undertaken in PPP mode to follow exposure draft issued by the ICAI for Service Concession Accounting. Ind AS requires companies to Mandatorily adopt Service Concession Accounting for its infrastructure projects under PPP mode.

Revenue related to construction or upgrade services provided under a service concession arrangement is recognised based on the stage of completion of the work performed, consistent with the Group's accounting policy on recognising revenue on construction contracts. Operation or service revenue is recognised in the period in which the services are provided by the Company.

Description of the arrangements:

The following subsidiaries and jointly controlled entities ("the Concessionaire") of the Company have entered into a services concession arrangement (s) (SCA) with various authorities ("the Grantor") for Design, Construction, Development, Finance, Operation and Maintenance of Road Projects on Build, Operate and Transfer (BOT) basis. As per SCA, the Concessionaire is required to construct the Road, required to operate and maintain the Road and is required to resurface the Road, at its cost and during the period in the manner so defined in the SCA. At the end of the concession period the Concessionaire will hand over the Road to the Grantor for no consideration. The premature termination is permitted only upon the happening of force major events or upon the parties defaulting on their respective obligations.

I. The following are annuity based service concession arrangements. In consideration for performing its obligations under the SCA, the Concessionaire will be entitled to an annuity of predefined sums receivable on dates specified in the annuity payment schedule of the SCA. The Grantor will retain the right to levy and collect fees from users of the Road and to permit advertisements, hoardings and other commercial activity at the Road site. Having regard to the terms of the arrangement, the right to receive annuity has been classified as a financial asset (i.e. "Receivables under the service concession arrangement") in the financial statements.

Ramky Elsamex Hyderabad Ring Road Limited (REHRRL):

REHRRL has entered into a service concession arrangement with Hyderabad Metropolitan Development Authority (HMDA) for design, construction, development, finance, operation and maintenance of eight lane access controlled expressway under Phase-IIA programme as an extension of Phase-I of ORR to Hyderabad City, in the state of Andhra Pradesh, for the package from Tukkuguda to Shamshabad from Km 121.00 to Km 133.63 on Build, Operate and Transfer (BOT) (Annuity) Basis for a period of fifteen (15) years from commencement date i.e. 27 November 2007 including construction period of two years and six months. The construction activities were completed on 26 November 2009. The SCA does not provide for any renewal of this arrangement.

Srinagar Banihal Expressway Limited (SBEL):

The project of the company consists of Design, Construction, Development, Finance, Operation and maintenance of four laning of a section on the Srinagar-Banihal National Highway 1A in the state of Jammu and Kashmir on design, build, finance, operate and transfer (DBFOT) annuity basis for a period of 20 years.

II. The following is the annuity cum toll based service concession arrangement. In consideration for performing its obligations under the SCA, the Concessionaire will be entitled to an annuity of predefined sums receivable on dates specified in the annuity payment schedule of the SCA and to collect toll/user charges from the users of Road. Having regard to the terms of the arrangement, the right to receive annuity has been classified as a financial asset (i.e. "Receivables under the service concession arrangement") in the financial statements and the right to receive toll has been classified as an intangible asset/intangible assets under development (i.e. "Concession intangibles") under the head fixed assets in the financial statements.

(All amounts are Rs. in Millions, unless otherwise stated)

Sehore Kosmi Tollways Limited (SKTL):

SKTL has entered into a service concession arrangement with Madhya Pradesh Road Development Corporation Limited ('MPRDCL') for two laning of Sehore-Iccawar-Kosmi Road section on state highway no. 53 in the state of Madhya Pradesh on design, build, finance, operate and transfer (DBFOT) on a toll plus annuity basis. The concession is for a period of fifteen (15) years including construction period of 1.8 years. The Company is also required to operate and maintain the road during the concession period.

Upon achievement of COD, the Company has a right to receive an annuity payment of INR 44.10 millions from the grantor. Further, the Company also has the sole and exclusive right to collect fee from the users of the road during the concession period. In case the Company achieves COD prior to the scheduled date, it is entitled to receive bonus for early completion. In consideration of the grant of concession, the Company is required to pay INR. 1.00 per year to the grantor. The project has received provisional Commercial Operation Date (COD) on 27 December 2013 and got final COD on 25 March 2014. At the end of the concession period the toll road will become the property of the grantor and the Company will have no further involvement in its operation or maintenance.

18 As at March 31, 2021 certain contract asset receivables amounting to Rs. 839.35 millions (Rs. 881.73 millions as on March 31, 2020) are outstanding. The management of the Company is in continuous engagement / negotiation with the respective contractee / clients to recover such amounts and keeping in view the status of negotiations and the outcome of arbitration proceedings on the basis of which steps to recover these amounts are currently in process, is confident of recovering such receivables.

19 Indian Overseas Bank, a Financial Creditor to Srinagar Banihal Expressway Limited (Subsidiary of the Company) has made an application under Section 7 of Insolvency and Bankruptcy Code, 2016 to National Company Law Tribunal, Hyderabad Bench against the Company for a claim amount of Rs. 2,366.39 millions, being a Corporate Guarantee issuer to the Lenders of said Subsidiary Company. The Company received the above said intimation on 16th January, 2020. The Company has also filed Writ petition in the Hon'ble High court of Telangana on 17th February, 2020 against the application before NCLT.

20 During the year ended March 31, 2021 an amount of Rs. 584.03 millions receivables/ advances have been written off (out of which Rs.56.07 millions are from earlier year provisions).

21 Other income during the quarter and year ended March 31, 2021 includes write back of the 'liabilities no longer required' outstanding for a long period aggregating to Rs. 238.89 millions and the management is confident that the liabilities are no longer required, based on its assessment and legal opinion, wherever required.

22 Specific notes pertaining to group entities

i. Ramky Pharma City (India) Limited (RPCIL)

During the F.Year 2012-13 a Charge sheet has been filed by CBI against company with the CBI court, Nampally, Hyderabad alleging certain irregularities by the company pertaining to reduction of Green belt area and also the Company has received a provisional attachment order under Section 5 (1) of the Prevention of Money Laundering Act, 2002 from Enforcement Directorate (ED) dated 07 January 2013 for attachment of assets/properties valued at Rs 1337.4 Millions comprising Land and facilities valuing Rs. 1305.4 Millions and Mutual Fund of Rs. 32.0 Millions. During the previous year the adjudicating authority passed a confirmation order of the above provisional attachment order and the company has preferred an appeal before the Appellate Tribunal. In the meantime, the office of Joint Director, Enforcement Directorate, Hyderabad Zonal office has served a Notice for taking the possession of the referred properties under section 8(4) of the PMLA 2002. The company has filed a writ petition before the honorable High court of Andhra Pradesh, Hyderabad seeking for stay of proceedings. The honorable High court of Andhra Pradesh has granted a interim stay of all further proceedings till a stay application is considered and appropriate orders passed by the Appellate authority. On 20th November, 2013, the Appellate Tribunal has considered the stay application and stayed the EDs notice. Since the Appellate Tribunal ceased of the matter, the cause in the writ petition does not survive. Hence, the above referred Writ Petition is dismissed. The case is posted for hearing on 29th July 2015 with the Appellate Tribunal. However, Mutual Fund of Rs. 32.00 Millions was transferred in the name of the Directorate of Enforcement. Further on 26th March 2015, the Joint Director, Enforcement directorate, Hyderabad zonal office has passed a provisional attachment order for Rs 2161.80 Millions on the assets of company. The Joint Director has filed a complaint under PMLA before the Adjudicating authority seeking for confirmation of the above provisional attachment order on 10 April 2015. The Adjudicating Authority (AA) has served a show cause notice on 22 April 2015 calling upon to show cause as to why the provisional attachment order shall not be confirmed and directed to appear before the AA on 15 June 2015 and on 04-08-2015 the AA confirmed the provisional attached order and this order is in continuation to the order passed by ED for 1337.40 Millions. On 18-08-2015 the office of Joint Director, Enforcement Directorate, Hyderabad Zonal office has served a Notice for taking the possession of the referred properties under section 8(4) of the PMLA 2002. During the Previous Year, the Appellate Tribunal has reversed the orders of the ED Courts, Hyderabad and passed directions to release the attachment of the parcels of land in the Pharma City subject to certain conditions such as:

a) To maintain 50 meter inward buffer zone until decided by the Special court and the company shall not dispose off and sell buffer zone area nor raise any construction thereon, unless final order is passed in its favour.

b) The posession of 16 unsold plots be restored to the company on a condition that the said plots or to raise any construction or to create third party interest. The company may also move an application for removal of said condition if no charges are framed against the company by the Special Court.

The Company has filed an appeal before the Hon'ble High Court of Telangana challenging the condition not to dispose of the said plots or to raise any construction or to create third party interest on the 16 plots attached in O C 441 of 2015 made in FPAPMLA1052/HYD/2015 on the file of Appellate Tribunal Prevention of Money Laundering Act at New Delhi in appeals against the Adjudicating Authority order dated 06/06/2013 in O C 441 of 2015 and release all properties in O C 441 of 2015 unconditionally.

No adjustments have been made in the financial statements, as the Management believes that the project of the company is being carried out in accordance with the provisions of the Concession Agreement executed between the company and Andhra Pradesh Industrial Infrastructure Corporation Limited (APIIC) after obtaining the requisite approvals and following the due process of law.

ii. Hospet Chitradurga Tollways Limited (HCTL):

HCTL has entered into a service concession arrangement with National Highways Authority of India (NHAI) for a period of twenty five (25) years from commencement date including construction period of two years and six months. SCA entered by the entity on 19 January 2012. The SCA does not provide for any renewal of this arrangement.

However, HCTL has served a termination notice to NHAI on 5 December 2013 due to delay in availability of land and other statutory clearances, which resulted in increase in the project cost against bid provisions. In turn, NHAI, also served termination notice on 31 December 2013, citing reasons of default on part of HCTL.

The Company and NHAI have mutually agreed to terminate the Concession Agreement dated January 19, 2012 and signed settlement and close out agreement dated October 31, 2014 and which interalia provides that the concessionaire agrees and undertake and herby forgoes any and all claims against the Authority on any account whatsoever related to this Concession Agreement. Similarly the Authority Agrees not to raise any other Claims against the Concessionaire under the Concession Agreement.

Since the company is a project specific company, termination of the project affects the Going Concern nature of the company. However, the financial impact on the Accounts of the same has been provided in the Financial Statements.

iii. Ramky Elsamex Hyderabad Ring Road Limited (REHRRL)

In respect of Ramky Elsamex Hyderabad Ring Road Limited, the Company has executed the project for Hyderabad Metropolitan Development Authority (HMDA). As at 31 March 2021, the trade receivable includes the following amounts from HMDA towards various retentions:

Particulars	Amount
1. Bonus Annuity	315.00
2. Retention in First annuity	197.75
3. Retention in Fourth annuity	161.63
4. Retention in Eighth annuity	29.60
5. Retention in Twenty first annuity	121.38

During the year 2013-14 the Company had sent Arbitration Notice to HMDA for recovery of the receivables and both the company and HMDA appointed Arbitrators. Arbitral Award pronounced on 18.06.2018 in favour of the company. HMDA filed application before District Commercial court under section 34 & 36 of A & C Act seeking setside of the award pronounced by Arbitral tribunal and for a stay on the Award respectively. The company filed reply for the same and argued on their application seeking stay on the Award. Hon'ble court was convinced with the Arguments of the company and allowed the application and granted conditional stay on the Award subject to HMDA depositing 50% of the Award Value in the Court. With in 60 days from the date of the order i.e, 18.03.2019. HMDA did not deposit the sum as ordered an instead preferred to challenge the Order of the District court by filing an appeal in the Hon'ble High Court. Now the matter is pending before Hon'ble High Court for the state of Telangana, Hyderabad.

During the year HMDA deducted an amount of Rs.121.38 Millions towards damages. The company approached HMDA, that the imposition of the said damages is not in consonance with the agreement and sought for amicable resolution of the disputes in accordance with clause 39.1(b) of the Agreement, regarding the imposition of the said damages. The company filed Application under Section 9 of the Arbitration and Conciliation Act, 1996 filed before the Hon'ble Additional Chief Judge Cum Commercial Court, City Civil Court at Hyderabad, issued notice in accordance with clause 39.2 of the Concession agreement for resolving the dispute and appointed Arbitrator. HMDA has also appointed Arbitrator and both the Nominee Arbitrators have to appoint the third Arbitrator who shall act as Presiding Arbitrator.

iv. Srinagar Banihal Expressway Limited (SBEL)

During the financial year ending March 31, 2019, the Company, could not meet its borrowing obligations with the lenders, as a result of which the loan accounts with various banks had become Non Performing Asset (NPA) and further two banks have approached Debt Recovery Tribunal (DRT) and initiated for recovery proceedings.

The Company has achieved PCOD on 27th March 2018 and became eligible for receiving annuities. The company has been receiving annuities and lapsed annuity for the delay attributable to NHAI was also received. The remaining life of the project is 12 years and estimated annuity receivables are Rs. 33,312 Millions (Approx). The company is confident of repayment of principal and interest to the lenders in the coming years.

During the year ended March 2020, claims worth Rs.4,900.00 Millions pertaining to previous financial years were filed by some of the sub-contractors of the Project on the Principal contractor and the Company. These claims are majorly towards change in scope, escalation, idle machinery, interest, others. The said claims are at various stages of assessment including opinion from legal counsel if required and also possibilities of recovering some of the claims from the Authority. Finalization of the claim may take significantly longer time in the current situation of Covid. Prima facie, Management is of the view that pending assessment of claims, no liability is to be provided for now in books as on date of signing of the financial statements.

During the financial year, NHAI has made various deductions from Annuity towards substandard steel, deviation of high embankment and others. The Company has a net receivable of Rs.1,030.00 Millions from NHAI towards above deductions. Based on the internal/external assessment, the Company is confident that the amount is fully recoverable from NHAI.

(All amounts are Rs. in Millions, unless otherwise stated)

v. Sehore Kosmi Tollways Limited (SKTL)

In respect of Sehore Kosmi Tollways Limited, a subsidiary company, M.P. Road Development Corporation Limited (MPRDC) issued a notice to the Company on September 18, 2020 arbitrarily suspending the Concessionaire's rights under Article 37 of the Concession Agreement. The Company responded to the Suspension notice on November 03, 2020 denying all the allegations made by MPRDC and after taking legal advice, on February 08, 2021 Company issued the notice of Intention to Terminate providing MPRDC 15 days' cure period in accordance with the Concession Agreement.

After expiration of cure period notice, Company issued termination notice dated March 12, 2021, to the MPRDC in terms of Article 37 of the Concession Agreement and calling upon MPRDC to release the aggregate amount of Rs. 96.86 Crores due and payable to Concessionaire in terms of the Concession Agreement immediately or not later than 15 days from receipt of the notice.

The Concession Agreement being the sole agreement executed by the Company, termination of the same has now resulted into liquidation basis accounting which has been adopted in preparation of these financial statements. Under the liquidation basis of accounting, all assets and liabilities are measured at their net realisable value.

Even though claim amount is Rs.968.60 millions and based on its internal assessment and legal advice, management is confident that it will be able to recover the entire amount from MPRDC, However on a prudent basis, the company has accounted for receivable from MPRDC to the extent of Rs.582.00 millions. i.e Intangible and Financial asset in books as on termination date of the project.
