EXPLANATORY STATEMENT

{Pursuant to provisions of section 102 of the Companies act 2013}

As required under section 102 of the Companies Act, 2013. The following Explanatory Statement set out all material facts relating to the business mentioned under notice convening 24th Annual General Meeting:

ORDINARY BUSINESS

Item No. 2

Mr. Sanjiv Kumar Agarwal, aged about 64 years is the Whole Time Director of the company since 30th September 2005. Mr. Sanjiv Kumar Aggarwal is a Commerce graduate and also L.L.B. He is associated with the Company since its inception. He has over 40 years of vast and varied experience in textile industry and was also associated with the Companies like Pasupati Spinning & Weaving mills, Dalmia Dadri Cement ltd., Bhagwana Industries Ltd, Gupta Carpet Udyog Limited etc. before joining the Company. He provides in-house consultation on various matters and also looks after internal controls, human resource, personnel & legal matters of the Company. He is also responsible for the Quality Assurance of products of the Company.

Mr. Sanjiv Kumar Agarwal retires by rotation at the forthcoming 24th Annual General Meeting and being eligible he offers himself to be re-appointed. The Board recommends his re-appointment. None of the directors except Mr. Sanjiv Kumar Agarwal is concerned or interested in this resolution.

Also pursuant to the provisions of the listing regulations, it is also to be noted that Mr. Sanjiv Kumar Aggarwal does not have any inter-se relationship with any of the directors of the Company.

Item No. 3

The members of the Company at its 20th Annual General Meeting (AGM) of the Company held on September 29, 2017, had appointed M/s. Vishnu Aggarwal Associates, Chartered Accountants, (FRN: 007231C), Auditors of the Company to hold office for a period of five years till the conclusion of 25th Annual General Meeting (AGM), subject to ratification of their appointment at every AGM of the Company, this was done as per prevailing law at that time. As per notification issued by Ministry of Corporate Affairs dated May 7, 2018, proviso of sub-section (1) of Section 139 of the Companies Act, 2013, which provided for such ratification every year has been omitted. However, the resolution passed by the members on September 29, 2017 contains requirement for ratification of appointment of auditors at every AGM. As an abundant caution it is now proposed, to ratify an appointment of Statutory Auditors for the remaining term. None of the Directors, Key Managerial Personnel and / or the relatives of the Directors / Key Managerial Personnel are, in anyway, concerned or interested in this resolution. The Board of Directors of your Company recommends the passing of ordinary resolution as set out at the Item No. 3 in the Notice.

SPECIAL BUSINESS

Item No. 4

Mr. Manav Rastogi (DIN: 01055505), aged about 45 years is appointed as Additional Non-Executive Director of the Company. He has completed Bachelor in Fine Arts in Computer Arts. Performance of your Company

The year 2020 has been full of unwelcome surprises and inescapable new realities. What started out as a health challenge escalated rapidly into an economic and humanitarian crisis. Businesses and individuals alike have had to adapt rapidly to cope with uncertainty and anxiety in a seemingly unending ordeal. And yet, the world endures. The perseverance of businesses and people has led to the emergence of a new landscape – a "next normal" in which to survive and thrive. For the textile industry – already under a shadow cast by the sales slowdown in 2019-20 COVID-19 darkened the outlook further. The pandemic came with fluctuating supply chain scenarios, reshaped people's relationship with mobility and sparked off new growth areas such as the aftermarket. As textile manufacturers set their course for the future, strategizing to build locally to meet local and global demand, expanding to complementary sectors and optimizing costs could help regain growth momentum and shape the next normal.

On the other hand, continuous Efforts of the Management of your company even facing COVID-19 pandemic situation resulted to increase to some extent the textile segment of the company. Further company has settled or in process of settlement of secured/unsecured Loans of Banks.

In a recent report, the World Bank has slashed India's GDP forecast to 8.3 per cent for FY22, the fiscal year starting April 2021, as against its earlier estimate of 10.1 per cent. It has further projected India's growth to be 7.5 per cent in 2022, even as its recovery is being hampered by an unprecedented second wave of the Covid-19, the largest outbreak in the world since the beginning of the deadly pandemic. India's recovery is being hampered by the largest outbreak of any country since the beginning of the pandemic and an enormous second Covid-19 wave is undermining the sharper-than-expected rebound in activity seen during the second half of Fiscal Year 2020/21, especially in services. Covid-19 wave and localised mobility restrictions since March 2021.

It has been forecasted by economists that for India, GDP in fiscal year 2021/22 starting from April 2021 is expected to expand 8.3 per cent and activity will benefit from policy support, including higher

spending on infrastructure, rural development, and health, and a stronger-than expected recovery in services and manufacturing. It has been projected that the pandemic will undermine consumption and investment as confidence remains depressed and balance sheets damaged. Growth in FY 2022/23 is expected to slow to 7.5 per cent, reflecting lingering impacts of COVID-19 on household, corporate and bank balance sheets; possibly low levels of consumer confidence; and heightened uncertainty on job and income prospects. According to the World Bank, in India, the FY 2021/22 budget marked a significant policy shift. The government announced that the health-related spending would more than double and set out a revised medium-term fiscal path intended to address the economic legacy of the pandemic.

Operations

Results of the Company for the last financial year are as follows; Total revenue for the year ended 31st March, 2021 has been decreased to Rs. 72.33 Crores as compared to previous year's Rs. 92.40 Crores due to spread of COVID-19 pandemic worldwide, hence there was a decrease of approx. 20% to 24%. The operating profit before tax and after exceptional items is Rs. 37.40 Crores which is mainly due to reversal of provision of interest and no tax paid for earlier years during the year. No Provision for deferred tax has been made during the last financial year as there is no certainty of future taxable income. The net profit for the year was Rs. 37.48 crores as compare to net profit of Rs. 24.87 crores in the previous financial year.

Dividend

The Board of Directors of the Company does not recommend any dividend for the financial year ended 31st March, 2021.

The Company does not have any subsidiary company at present.

Auditors and Auditor's Report

Pursuant to Section 139 of the Companies Act, 2013, rules made there under, the Board of Directors on the recommendation of the Audit Committee has appointed M/s. Vishnu Aggarwal Associates, Chartered Accountants, (FRN: 007231C) as Statutory Auditor of the Company in the 20th Annual General Meeting (AGM) of the Company held on September 29, 2017 to hold office for a period of five years till the conclusion of 25th Annual General Meeting (AGM), subject to ratification of their appointment at every AGM of the Company, this was done as per prevailing law at that time. As per notification issued by Ministry of Corporate Affairs dated May 7, 2018, proviso of sub-section (1) of

Section 139 of the Companies Act, 2013, which provided for such ratification every year has been omitted. However, the resolution passed by the members on September 29, 2017 contains requirement for ratification of appointment of auditors at every AGM. As an abundant caution it is now proposed, to ratify an appointment of Statutory Auditors in the forthcoming 24th Annual General Meeting (AGM). The company had received a confirmation from the Statutory Auditor that their appointment if made, will be within the limits prescribed under the provisions of Section 139 of the companies Act, 2013.

Notes to the accounts referred to in the auditor's report are self explanatory and therefore do not call for any further comments.

Cost Audit

As per the requirement of Central Government and pursuant to Section 148 of the Companies act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014 as amended from time to time, company is not required to carry out audit of cost records.

Internal Audit:

The Board of Directors of the Company has appointed Mr. Naveen Kumar, Chartered Accountant (Membership No. 505899) proprietor of M/s Naveen Brahmanand & Co., Chartered Accountants (FRN: 023923N) as an Internal Auditor of the Company for the F.Y. 2020-21, who has conducted the audit and submits their report on time to time before the Audit Committee and Board including action taken reports on the findings and discrepancies, if any.

Board Evaluation:

During the year, Board of the Directors of the Company has made performance evaluation of the Promoter Directors and Independent Directors of the Company. Evaluation was made on the basis of following assessment criteria:

CORPORATE SOCIAL RESPONSIBILITY (CSR)

STL Global Limited sincerely believes that growth needs to be sustainable in a socially relevant manner. Today's business environment especially in India demands that Corporates play a pivotal role in shouldering social responsibility. Companies Act, 2013 has introduced Corporate Social Responsibility (CSR) provisions.

As per Section 135(1) of the Companies Act, 2013 and other applicable provision, rules and schedules of Companies Act, 2013 provides that every company having net worth of Rs. 500 Crore or more, or turnover of Rs. 1,000 Crore or more or a net profit of Rs. 5 Crore or more during any financial year shall constitute a Corporate Social Responsibility ("CSR") Committee. Company has earned a profit more than prescribed limit under section 135(1) of the Companies Act, 2013 and rules provided thereunder as amended from time to time for the year ended on March 31, 2021 and

therefore the CSR provisions as per section 135 of the Companies Act, 2013 and rules framed thereunder applicable on the Company.

In accordance with the requirements of Section 135 of Companies Act, 2013, Company has already formed Corporate Social Responsibility Committee which comprises Mr. Vinod Kumar Aggarwal, Mr. Sanjiv Kumar Aggarwal and Ms. Anjana Mehra, Directors of the Company during the financial year 2020-21.

The average net profit of the Company computed as per Section 198 of the Companies Act, 2013, during the three immediately preceding financial years i.e., in 2020-21, 2019-20 and in 2018-19 as shown in the financial statements was more than Rs. 5 crores as prescribed under section 135(1) of the Companies Act, 2013 and rules provided thereunder as amended from time to time.

Further we hereby inform you that Profit reflects in financial statements mainly due to reversal of Provision of interest created in earlier years. Further company still has accumulated losses and also had Bank's restructured Liability that's why Company had not spent amount on CSR activities during the last year. Further Company is in mode of revival itself and will do CSR in future once the company recovers its accumulated losses as per norms for CSR.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Global economic overview and Indian Economic Conditions

In a recent report, the World Bank has slashed India's GDP forecast to 8.3 per cent for FY22, the fiscal year starting April 2021, as against its earlier estimate of 10.1 per cent. It has further projected India's growth to be 7.5 per cent in 2022, even as its recovery is being hampered by an unprecedented second wave of the Covid-19, the largest outbreak in the world since the beginning of the deadly pandemic. India's recovery is being hampered by the largest outbreak of any country since the beginning of the pandemic and an enormous second Covid-19 wave is undermining the sharper-than-expected rebound in activity seen during the second half of Fiscal Year 2020/21, especially in services. Covid-19 wave and localised mobility restrictions since March 2021.

It has been forecasted by economists that for India, GDP in fiscal year 2021/22 starting from April 2021 is expected to expand 8.3 per cent and activity will benefit from policy support, including higher spending on infrastructure, rural development, and health, and a stronger-than expected recovery in services and manufacturing. It has been projected that the pandemic will undermine consumption and investment as confidence remains depressed and balance sheets damaged. Growth in FY 2022/23 is expected to slow to 7.5 per cent, reflecting lingering impacts of COVID-19 on household, corporate and bank balance sheets; possibly low levels of consumer confidence; and heightened uncertainty on job and income prospects. According to the World Bank, in India, the FY 2021/22 budget marked a significant policy shift. The government announced that the health-related spending would more than double and set out a revised medium-term fiscal path intended to address the economic legacy of the pandemic.

Following deteriorating pandemic-related developments, the Reserve Bank of India (RBI) announced further measures to support liquidity provision to micro, small and medium firms, and loosened regulatory requirements on the provisioning for non-performing loans.

Industry Structure and Development:

Indian domestic textile and apparel market was estimated at US$ 75 billion for 2020-21. The market fell 30% from US$ 106 billion in 2019-20. The market is expected to recover and grow at 10% CAGR from 2019-20 to reach US$ 190 billion by 2025-26. Apparel constitutes ~73% share of the total T&A market in India.

Manufacturing Shutdown The industry faced a complete shutdown for around 2-3 months, while a few manufacturers who dedicated their production systems for PPE manufacturing were permitted to function. However, most of the units operated at suboptimal utilization levels for several months. Logistics Suspended Disrupted logistics and frozen external trade caused due to the pandemic affected the entire value chain alike. India's April and May 2020 net trade were around 50% lower month-on-month compared to that of the previous year. Due to the pandemic, all economic activities except for the essential goods and services came to a standstill. The textile and apparel industry was no exception to this. Impact of Covid on Indian T&A Industry Cancelled Orders Due to the uncertainty across the market, international and domestic buyers cancelled or suspended their orders, adding to the woes of the industry. Slump in Physical Retail Sales Lockdown restrictions across the country resulted in a slump in the retail sales of apparel for at least 4-5 months. Moreover, the festive and wedding season sales were deeply impacted. New Consumer Trends Emerged India's e-commerce sale of goods and apparel saw a steep rise in 2020, thanks to an increased market. Work-From-

Home drove the demand for casual wear apparel over formals. 13 Category-wise Recovery in Domestic Market Consumption in all the apparel categories was impacted negatively in 2020. However, the pace of recovery for each category was different. Sales for kids wear and casual wear recovered faster, while ethnic wear and formal wear were the worst hit segments.

While passing through this worst phase ,the Indian textiles and clothing industry has broadly welcomed the Union Budget 2021-22 presented by finance minister Nirmala Sitharaman in Parliament on February 1. Setting up of 7 mega textiles parks under MITRA, and reducing duty on nylon raw materials are welcomed by all trade bodies, while there is a mixed reaction to 10 per cent import duty on cotton.

The grant to the textiles and clothing sector in Union Budget 2021-22 is ₹3,614.64 crore, which is about 10 per cent higher than the revised budget of ₹3,300 crore in 2020-21. The budget also puts emphasis on Infrastructure Development and Research & Capacity Building as the grant for these sectors has been increased by about 43.7 per cent and 77.5 per cent respectively as compared to last year. Share of these sectors in total textile and apparel budget allocation for 2021-22 stands at about 6 per cent and 10 per cent respectively. The Budget allocates ₹700 crore for Amended Technology Upgradation Scheme (ATUFs) against ₹545 crore in last Budget, which will help to clear the pending capital subsidy. It allocates ₹30 crore for Export Promotion Studies against ₹5 crore in last Budget, and ₹100 crore for Integrated Scheme for Skill Development. With the help of these steps taken by the Govt. , the industry is expecting to recover the losses in coming time. Further, the textile industry demanded a uniform GST structure as taxes on inputs are higher than that on output, and blocking working capital. At present, man-made fibre is taxed at 18 per cent, spun yarn and filament yarn at 12 per cent and final output, including garments, at 5 per cent.

Market Size

India is the second-largest manufacturer and exporter in the world, after China. The share of textile and clothing in India's total exports stands at 12 per cent. India has a share of 5 per cent of the global trade in textiles and apparel, according to government data.

The textile industry contributes to seven per cent of industrial output in value terms, two per cent of India's GDP and to 12 per cent of the country's export earnings. The textile industry is one of the largest sources of employment generation in the country with over 4.5 crore people employed directly, and another six-crore people in allied sectors, including a large number of women and a rural population.

Opportunities and Threats:

The post-Covid era has provided a big opportunity for the **online** textile industry. The sales in the online textile industry witnessed a jump in various cities and states of India due to the lockdown that was imposed to curb the spread of coronavirus-caused Covid-19 pandemic.

It goes without saying that cloth is one of the basic needs and requirements after food. It is nothing less than any essential commodity, and that's why even during lockdown online textile industry witnessed a boom in sales. Lockdown failed to leave any negative impact on the online textile industry because of its operations in the virtual space leaving no room for human or physical contact to further spread coronavirus in the country. The online textile industry even registered an increasing trend in sales due to no dependency on the offline industry for example wholesalers, semi-wholesalers, retailers, middle persons, etc. With such an increasing and upward trend being witnessed in the online textile industry, retailers with a presence on the Internet have a big possibility to become the Unicorns (a company with a value of over $1 billion) of new-age India. When the lockdown was imposed amid the Covid-19 pandemic and it was a summer season, people were doing their summer-related purchase online as retail shops were not allowed to open to curtailing the spread of

coronavirus. With all these developments in place, businesses of the online retail industry also witnessed a spike in revenue sheets. The online textile industry has all the valid reasons to give birth to new Unicorns in India.

During the lockdown, shopping was taking place through the online route and most of the customers were happy with the online experience. Right from choosing items to trying them, even the return policies created a win-win situation for shoppers on the Internet as customers felt very comfortable purchasing their stuff online. It has been predicted by many textile industry experts that the trend of increased sales in the online textile industry will continue to persist in the future as well. And, hence, the birth of online retailers Unicorns is imminent.

Moreover, technology can play the role of big brother in reviving, rejuvenating, and reinvigorating the Indian textile industry. Undoubtedly, tech support is vital to any sector but when it comes to textile, it becomes even more important due to the integral role of machines right from sourcing raw material to giving final shape to the products that eventually consumers are going to get. Further, the Indian textile industry is expected to witness some new trends in the future - increased demand for natural fibers, shifting focus towards non-woven fabrics to name a few.

Challenges, Threats, Opportunities and Road Ahead

According to the data released by the Confederation of Indian Textile Industry (CITI), the recovery for the domestic market is expected to be quite steep post pandemic with the domestic market estimated to reach USD 120 billion (INR 9,074 billion) by 2024. CAGR 10-12%, to reach USD 220 Billion in 2025-26. But the current scenario is that, with around 80 per cent of the garment industry mostly micro, small and medium enterprises, CMAI, which has around 3,700 members employing over 7 lakh people, said most of its members do not have the kind of reserves to see them beyond 3-6 months. If the garment industry closes down, it would impact the entire value chain from fabric supply industry to brand to the zipper and label industry. Despite the large share in the global market and contribution of 2.3% of the Indian GDP, the Textile and Apparel industry has already been majorly affected ever since the implementation of the GST.

Nevertheless, the Indian textile industry is entering into a no holds barred kind of phase where the sky is the limit, provided the sector gets robust support from the government in terms of policies, promotions, and incentives so that the domain can move up the ladder and chart its own course in the right direction.

Despite the setbacks, implementing the following can lead India to be a global textile hub: 1. Active role of government and various textile associations and experts. 2. Capitalizing on Anti-Chinese sentiment of the world. 3. New strategies to be implemented by manufactures and sellers. 4. Venturing in new avenues such as Meditech, technical textiles which have demand in future. 5. Strengthening India's supply chain and garment industry. 6. Focus on “Atma-nirbharta” and strategies to dominate globally. 7. Ameliorating digitalization and sustainability in such times. 8. Understanding the new consumer behavior.

Management of your company is committed to cover the losses during Covid time by following Master plan post COVID-19 and workable strategies to restructure the business in current scenario and industry requirements.

Independent Auditor's Report

To the Members of STL GLOBAL LIMITED

Report on the Audit of the Financial statements

Opinion

We have audited the accompanying Financial Statements of **STL GLOBAL LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit & Loss (including other comprehensive income), the statement of changes in Equity and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as 'the financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act,2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules,2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31,2021, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The Key Audit matters came into light during our Audit are as follows:

a) Revenue Recognition:

Revenue is recognized to the extent that economic benefit will flow to the Company and the revenue can be reliably measured. It is measured at fair value consideration received or receivable, net of return and allowances, discount and rebates. The Company recognizes revenue when it satisfies its performance obligation by transferring the goods to the customers.

Revenue is the key driver of the business and judgement is involved in determining when contractual obligations have been performed and to the extent that the right to consideration has been earned.

The Management of the company focuses on revenue as a key performance measure which could create an incentive for revenue to be recognized before the risk and rewards have been transferred. We therefore identified Revenue Recognition as a significant risk and key audit matters.

b) Employee Benefit:

As per the provisions of Payment of Gratuity Act,1972, every employer liable for the payment of gratuity should get his liability covered by an insurance. Otherwise, the employer can maintain an approved fund (herein referred as “Plan Asset”) for the purpose of payment of gratuity. However, it is observed that, the Company has made provisions in the financial statement for payment of gratuity, but has not get it covered the same by insurance or has maintained an approved fund.

Information other than the Financial Statements and Auditors’ Report Thereon

The Company’s management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Company’s Annual Report, but does not include the financial statements and our auditors’ report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management’s Responsibility for the Financial Statements

The Company’s management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit or loss including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles

generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act, read with relevant rules issued thereunder as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations or has no realistic alternatives but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls over financial reporting in place and the operating effectiveness of such controls.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the

financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure-A" a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

   b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

   c) the Balance Sheet, the Statement of Profit and Loss (Including other comprehensive income), the Statement of Cash Flows and the Statement of changes in equity dealt with by this Report are in agreement with the books of account;

   d) in our opinion, the aforesaid Financial statements comply with the Accounting Standards specified under section 133 of the Act, as applicable;

   e) on the basis of written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of section 164(2) of the Act.

f) with respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure-B". Our reports express an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial control over financial reporting.

g) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and explanation given to us:

i. The company has disclosed the impact of pending litigation on its financial position in its Financial statements.

ii. The company did not have any long- term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred, to the investor Education and protection Fund by the Company during the year.

Annexure –B to the Independent Auditor's Report

Report on the Internal Financial Controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of STL Global Limited ("the Company") as of March 31, 2021 in conjunction with our audit of the Financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Internal Financial Controls over Financial reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls over financial reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The Company's contributions to State plans namely Employee State Insurance Fund and employees Pension Scheme are charged to Profit & Loss Account.

1.13 Borrowing costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

1.14 Taxes on income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

1.15 Impairment of assets

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the Profit & Loss statement in the year in which an asset is identified as impaired. The Impairment loss recognised in prior accounting period is reversed if there have been a change in the estimate of recoverable amount.

1.16 Contingent Liability

Contingent liabilities in respect of show cause notices received is considered only when they are converted into demands. Payments in respect of such demands, if any are shown as advances.

Contingent liabilities under various fiscal laws includes those in respect of which the company/ Department is in appeal. No Provision is made for a liability which is contingent in nature but if material is disclosed in the financial statement by way of notes.

1.17 Current versus non-current classification

The classification of Assets and liabilities of the Company into current or no-current is based on the criterion specified in the schedule III to the Companies Act,2013. The Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities

1.18 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

(i) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received. Incremental costs directly attributable to the issuance of new ordinary equity shares are recognized as a deduction from equity, net of tax effects.

(ii) Financial assets

(a) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the Effective Interest Rate method (EIR) if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to bank deposits, loans and other financial assets.

(b) Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(c) Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets and credit risk exposure.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head ‘other expenses’ in the P&L. In balance sheet, ECL is presented as an allowance, i.e., as an integral part of the measurement of financial assets.

(d) Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

(iii) Financial liabilities

(a) Financial liabilities at amortised cost

Financial liabilities are measured at amortised cost using the effective interest rate method (EIR). Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category applies to trade and other payables.

(b) Derecognition

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid / payable is recognised in the statement of profit and loss.

(iv) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Fair value measurement

The management assessed the fair value of loans, current investments (unquoted), cash and cash equivalents, trade receivebles, trade payables and other current liabilities approximate to their carrying amount largly due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumptions were used to estimate the fair values.

(i) The fair value of unquoted instruments are evaluated by the Company based on parameters such as interest rates and its investments ratting.

(ii) The fair value of loans are estimated by discounted cash flow method to capture the present value of the expected future economic benefits that will flow to the company.

36 COVID-19 has caused significant disruptions to businesss across india. The management has considered the possible effects, if any, that may impact the carrying amounts of inventories, receivables and intangibles. In making the assumptions and estimates relating to the uncertanities as at the balance sheet date in relation to the recoverable amounts, the management has considered subsequent events, internal and external information and evaluated economic conditions prevailing as at the date of approval of these financial results. The management expects no impairment to the carrying amounts of these assets. The management will continue to closely monitor any changes to future economic conditions and assess its impact on the operations.
