Emphasis of Matter

We draw attention to-

1. Note 48: of the Standalone Ind AS Financial Statements with respect to necessary approval and permissions from the Reserve Bank of India (RBI) under FEMA Regulations and carrying forward of balances in respect of wound-up overseas subsidiaries and step-down overseas subsidiaries. These balances which are fully provided for have no bearing on profitability nor on the assets and liabilities position of the Company (as fully explained in the Notes).
2. Note 52 A): of the Standalone Ind AS Financial Statements with respect to non-accounting of Quarterly Guaranteed Revenue for 3 years period totaling ₹8,000 lakhs. The Company's stand for non-booking of revenue is on the ground that it is probable that the Company will not be able to collect the consideration to which it is entitled under the contract in the near future (as explained in the Notes).
3. Note 52 B) and Note No. 34(g): of the Standalone Ind AS Financial Statements with respect to Toll Collection project for parking sites in Nashik, there was no collection of tolls during the year on account of various issues. The company has been sent a termination notice in September 2023. The company has filed for Commercial Arbitration under the Arbitration and Conciliation Act, 1996. The company has filed a petition before the High Court for removal and substitution of the appointed Arbitrator. The NMSCDCL has invoked the Bank Guarantee on 20.10.2025. The unamortized Capital Cost carried forward in the Balance Sheet as of March 31, 2026, stands at Rs. 352 Lakhs. (as explained in the Notes).
4. Note 34: of the Standalone Ind AS Financial Statements with respect to pending legal suits filed by the Company and against the Company and its wholly own subsidiary as fully explained in the Notes.

5. Note 64: of the Standalone Ind AS Financial Statements with respect to foreign subsidiary under voluntary liquidation, as fully explained in the Notes.

6. Note 41: of the Standalone Ind AS Financial Statements with respect to advances extended by the company to United Telecoms Limited and to Priyaraja Electronics Limited pursuant to Memorandum of Understanding which were subsequently converted into inter-corporate loans as per section 185 of the Companies Act. The Company has recognized interest income amounting to Rs. 84 Lakhs during the year ended 31st March 2026 (cumulative Rs.210 Lakhs up to 31st March 2026) based on management assessment and commercial understanding between the parties. The management has provided signed MOUs, draft loan agreements and related correspondence exchanged with UTL and PEL evidencing ongoing Negotiation/Formalization of detailed loan documentation and commercial terms between the parties. The formal execution of final loan agreements and receipt of balance confirmations for principal and interest receivable were pending as at 31 March 2026.

Our opinion is not qualified in the above matter.

Key Audit Matters

Key Audit Matters (KAM) are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl. No.	Key Audit Matters	Auditor's Response
1.	**Accounting for fixed price contracts:** In respect of Andhra Pradesh State Fibernet Limited (APSFL) Project, which was a fixed price contract, awarded through tendering process where over 90% work has been completed by March 2026, there has been undue delay in completion of the balance work as APSFL is yet to provide the sites for balance classrooms and Central Studio. Also, civil works which is the responsibility of APSFL is pending at 59 schools, 1 District Studio and Central Studio. APSFL has not given go live certificate which is one of the conditions under the contract. As per the terms of the contract the Company has raised 3 milestone bills. The total amount outstanding against this project as at 31st March, 2026 amounted to ₹6,150 lakhs which is outstanding for more than 3 years. As of the date of the reporting, work has not commenced for completion of the remaining portion of the contract and there is uncertainty regarding expected completion of the balance of work and collection of dues. The management has adopted a cautious approach towards booking of Quarterly Guaranteed Revenue (QGR) amounting to ₹8,000 lakhs including GST on account of uncertainty of collection. (Refer note - 52A).	We have examined the status report provided to us by the management of the Company from time to time. We have also been provided with certain correspondence which the Company's project team has had with APSFL in respect of balance work and recovery of dues. The Company is prepared to execute the balance work but there is no response from APSFL. The Company has not received any balance confirmation of the outstanding from APSFL. Under IND AS-115, one of the conditions to recognize revenue is the probability that the entity will collect the consideration due under the contract. The Company has obtained opinion from subject matter expert in support of their stand towards non-booking of Quarterly Guaranteed Revenue (QGR) in earlier year. We have relied on the expert's opinion in this regard. The Company's ECL policy is framed on the basis of historical data, segregating the government and non-government dues. by an expert. We have relied on the expert's opinion in this regard.

Auditor's Responsibility for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. We are also responsible for expressing our opinion on whether the Company has an adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS Financial Statements may be influenced, We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS Financial Statements.

We also communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

"Annexure B" to the Independent Auditor's Report of even date on Standalone Ind AS Financial Statements of Trigyn Technologies Limited

Report on Internal Financial Controls under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Trigyn Technologies Limited (**"the company") as on 31st March, 2026 in conjunction with our audit of the Standalone Ind AS Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The company's management is responsible for establishing and maintaining internal financial controls based on the Internal Control over Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's Internal Financial Controls over Financial Reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over Financial Reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system over financial reporting and their operating effectiveness. Our audit of Internal Financial Controls over Financial Reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's Internal Financial Control System over Financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's Internal Financial Control over Financial Reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the Standalone Ind AS Financial Statement for external purposes in accordance with generally accepted accounting principles. A company's Internal Financial Control over Financial Reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles in India, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of Internal Financial Controls over Financial Reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and

not be detected. Also, projections of any evaluation of the Internal Financial Controls over Financial Reporting to future periods are subject to the risk that Internal Financial Control over Financial Reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate Internal Financial Controls System over Financial Reporting and such Internal Financial Controls over Financial Reporting were operating effectively as at 31st March, 2026, based on the Internal Controls over Financial Reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Recent Standards Adopted

New and Amended Standards Adopted by the Company:

The Company has applied the following amendments for the first time for the annual reporting period commencing April 1, 2025:

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21

Ind AS 21 – The Effects of Changes in Foreign Exchange Rates

The Effects of Changes in Foreign Exchange Rates, applicable for annual periods beginning on or after April 1, 2025. The amendment introduces a new framework for assessing whether a currency is exchangeable into another currency and provides guidance when exchangeability is lacking.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, the MCA notified the following amendments:

Ind AS 1 – Presentation of Financial Statements (applicable w.e.f. April 1, 2025)

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants.

Based on the Company's assessment, the Company has no impact of these amendments in its classification criteria of current and non- current liabilities

Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (applicable w.e.f. April 1, 2025)

The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

New Standards/Amendments Not Yet Effective

As of March 31, 2026, the Ministry of Corporate Affairs (MCA) has not notified any additional new Ind AS or amendments applicable to the Company beyond those mentioned above.

All significant accounting policies applied in the preparation of these financial statements are disclosed below. These policies have been consistently applied to all periods presented unless otherwise stated.

2.1 Basis of Preparation

- These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') (to the extent notified), presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), and the Companies (Indian Accounting Standards) Rules, as amended and guidelines issued by the Securities and Exchange Board of India (SEBI).
- They follow the historical cost convention on an accrual basis, except for certain items measured at fair value (e.g. financial instruments and employee benefit plan assets).
- TTL discloses only material accounting policy information in line with revised Ind AS 1 and Ind AS 34.

2.2 Current v/s non-current classification

The company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset /liability is current when it is:

- Expected to be realised/settled or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised / settled within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other assets/ liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.3 Functional and Presentation Currency

The financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All figures are rounded to the nearest lakh unless otherwise stated.

2.4 Use of Estimates and Judgements

Management makes estimates and assumptions concerning the future, which may differ from actual outcomes. These are reviewed periodically.

Key areas include:

- Revenue recognition
- Employee benefit obligations
- Tax provisioning and deferred taxes
- Expected credit losses
- Impairment testing

Notes to the Standalone financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

- Useful lives of assets
- Provisions and contingencies
- Fair valuation of instruments

As clarified under Ind AS 8, accounting estimates are assumptions used in applying accounting policies and in determining the carrying amounts of assets and liabilities. TTL reassesses key estimates annually.

2.5 Property, Plant and Equipment (PPE)

- Carried at cost less accumulated depreciation and impairment.
- Depreciation on straight-line basis over useful lives:

Asset Category	Useful Life
Buildings	20 years
Office Equipment	3–4 years
Computers & Peripherals	3 years
Furniture & Fixtures	4 years
Leasehold Improvements	Over lease term

2.6 Intangible Assets

- Intangible assets are capitalised at cost if future economic benefit is probable.
- Amortised over estimated useful life, generally 3 years for software.
- Reviewed for impairment indicators annually.

2.7 Leases (Ind AS 116)

- TTL recognises right-of-use (ROU) assets and lease liabilities at present value of lease payments.
- Lease liabilities are discounted using TTL's incremental borrowing rate.
- ROU assets are depreciated over lease term.
- Short-term and low-value leases are expensed.

The Company has evaluated the amendments to Ind AS 116 relating to sale and leaseback transactions, effective from September 9, 2024, and concluded that these do not materially impact its current or prior reporting periods.

2.8 Revenue Recognition (Ind AS 115)

TTL follows the five-step revenue recognition model:

1. Identify the contract
2. Identify performance obligations
3. Determine the transaction price
4. Allocate transaction price
5. Recognise revenue upon satisfaction of obligations

Revenue categories:

- **Time & Material**: Recognised as services are rendered.
- **Fixed Price**: Recognised based on percentage-of-completion.
- **Product Sales**: On delivery and transfer of control.
- **Service Concessions:** Based on usage.

Notes to the Standalone financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.9 Other Income

- **Interest**: Recognised using effective interest rate (EIR) method.
- **Dividends**: Recognised when entitlement is established.
- **Others:** Recognised when collection is probable and measurable.

2.10 Foreign Currency Transactions

- Transactions recorded at exchange rates on transaction date.
- Monetary items retranslated at year-end rates; differences go to profit or loss.
- Non-monetary items held at historical cost.

2.11 Employee Benefits (Ind AS 19)

- **Short-term benefits**: Recognised as expense when incurred.
- **Defined contribution plans**: PF/ESI – expensed when due.
- **Defined benefit plans**: Gratuity – actuarially valued; remeasurements in OCI.
- **Long-term benefits**: Leave encashment actuarially valued.
- **Termination benefits:** Recognised on formal commitment.

2.12 Borrowing Costs

- Capitalised if directly attributable to qualifying assets.
- Others expensed as incurred.
- Exchange differences considered borrowing cost if applicable.

2.13 Income Taxes (Ind AS 12)

- **Current tax**: Based on taxable income under the Income Tax Act.

  Deferred tax: Recognised on all temporary differences.It is recognised in the statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

  This policy reflects the amendment to Ind AS 12 that narrows the initial recognition exemption. TTL now recognises deferred tax on transactions that result in equal and offsetting temporary differences, such as lease liabilities and corresponding right-of-use assets.

2.14 Impairment

- **Financial assets**: Assessed using expected credit loss (ECL) model.
- **Non-financial assets**: Impairment tested when indicators exist. Recoverable amount is higher of fair value less cost and value in use.

The impairment calculations involve accounting estimates as per Ind AS 8, especially for DCF models and growth assumptions.

2.15 Fair Value Measurement (Ind AS 113)

- Based on exit price in orderly transaction.
- Valuation hierarchy:
  - Level 1: Quoted prices
  - Level 2: Observable inputs
  - Level 3: Unobservable inputs

Notes to the Standalone financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.16 Financial Instruments (Ind AS 107, 109)

- **Initial measurement**: At fair value.
- **Classification**: Amortised cost, FVTOCI, FVTPL.
- TTL applies hedge accounting when applicable.

As required by Ind AS 107, TTL discloses the measurement basis used for financial instruments. Classification is based on business model and cash flow characteristics.

The Company continues to account for financial guarantee contracts under Ind AS 109, and accordingly, the introduction of Ind AS 117 does not result in any changes to its accounting policies.

2.17 Inventories

- Valued at lower of cost and net realisable value. Cost includes purchase and directly attributable costs.

2.18 Government Grants

- **Revenue grants**: Matched to expenses.
- **Capital grants**: Deferred and amortised over asset life.

2.19 Provisions and Contingent Liabilities

- Recognised when obligation is probable and measurable.
- Discounted if effect of time is material.
- Contingent liabilities disclosed unless remote.

2.20 Share-Based Payments – Employee Stock Option Plan (Ind AS 102)

The Company offers share-based compensation to eligible employees under the Employee Stock Option Plan (ESOP). These are equity-settled options, measured at the fair value of the options on the grant date.

- The fair value is determined using the **Black-Scholes valuation model** and recognized over the **vesting period** as employee compensation expense with a corresponding increase in equity.
- **Significant judgments** include estimating the expected life, volatility, risk-free interest rate, and forfeiture rate.
- Options typically **vest over a period of 3 to 4 years**, and employees can exercise them within the contractual period.
- Modifications, cancellations, or forfeitures are accounted for in the period in which they occur.

Materiality basis: The impact of ESOP expense on employee benefits cost and equity reserves is material and requires estimation and valuation expertise.

2.21 Non-current Assets Held for Sale and Discontinued Operations (Ind AS 105)

Non-current assets, including investments in subsidiaries, are classified as held for sale when their carrying amount is expected to be recovered principally through sale rather than continuing use. Such assets are accounted for in accordance with Ind AS 105, where applicable.

2.22 Earnings Per Share (Ind AS 33)

- **Basic EPS**: Net profit / weighted average shares.
- **Diluted EPS**: Adjusted for dilutive instruments.

Notes to the Standalone financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.23 Events After the Reporting Period (Ind AS 10)

- **Adjusting events**: Reflected in financials.
- **Non-adjusting events**: Disclosed if material.

2.24 Segment Reporting (Ind AS 108)

- Based on internal reporting to the Chief Operating Decision Maker (CODM).
- Disclosures include segment revenue, profit, assets, and liabilities.

Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used. The Company's policy is to deal only with credit worthy counterparties.

Notes to the Standalone financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

The credit risk for cash and cash equivalents, bank deposits, loans and derivative financial instruments is considered negligible, since the counterparties are reputable organizations with high quality external credit ratings.

Trade receivables mainly consist of group companies. The Company follows 'simplified approach' for recognition of impairment loss allowance. The Company has very limited history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good.

Company provides for expected credit losses on financial assets by assessing individual financial instruments for expectation of any credit losses. Since the assets have very low credit risk, and are for varied natures and purpose, there is no trend that the company can draw to apply consistently to entire population. For such financial assets, the Company's policy is to provide for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk.

B) As per the revised ECL policy for non-Government business, receivables in the ageing bucket "Greater than 365 days' is considered as 'Loss' and accordingly taken for the purpose of determining the historical loss rates. The historical loss percentage based on roll rate method is found out for non government business. For government business, the historical loss rate is computed based on the cumulative receivable amounts and the corresponding amount of loss given default for every bucket. Following percentage of receivables is considered as 'Loss' (LGD) for government business:

Period outstanding	***Percentage of receivable considered as 'Loss'***
2 years	20%
3 years	40%
4 years	60%
5 years	80%

The historical loss percentage is applied on the receivables' balances at the valuation date. Two more scenarios are constructed based on an analysis of the regression between the forward-looking macroeconomic factors and the receivable balances and appropriate probability weight is assigned for the two scenarios and probability weighted expected credit loss is computed.

During the year, the Company has implemented the provisions of the new Labour Codes. The implementation has resulted in changes in the computation of employee benefit obligations, particularly with respect to provident fund, gratuity, and leave encashment, based on the revised definition of wages.

The financial impact of the implementation of the new Social Security Code has been recognised in the Statement of Profit and Loss for the year, and the Company has accordingly updated its payroll and employee benefit policies. The incremental impact arising from the transition from the existing rules to the new Social Security Code amounts to Rs. 268.17 Lakhs, comprising gratuity liability of Rs. 185.27 Lakhs (including Rs. 179.63 Lakhs relating to past services, disclosed as Exceptional Items) and leave encashment liability of Rs. 82.90 Lakhs. The Company has considered the restructured compensation of its employees effective April 1, 2026, and assessed the impact of the changes in line with the Labour Codes, draft rules, FAQs, and legal opinions obtained. The Company continues to monitor the finalisation of Central and State Rules, as well as clarifications from the Government on other aspects of the Labour Code, and will account for any further impact arising from such developments, as necessary.

55. The Exceptional item for the year ended represents provision for the loan given to the subsidiary Rs. 16.16 Lakhs (refer note no 31). In Addition, Rs. 1,79.63 Lakhs is due to impact of New Labour code which is fully explain in note no 54

56. The Company has received an order confirming the demand of Rs. 9.08 Crores from the GST Department for the financial years 2019–20 to 2022–23 towards disallowance of Input Tax Credit (ITC) claimed during the said period. The Company is in the process of filing an appeal on or before 30.06.2026.

The Company believes that Department claim is assumptive in nature since we have already received favourable orders at both adjudication and appellate levels on similar issues for the years 2017-18 and 2018-19. Despite bringing the same to the attention of the adjudicating authority, the same has not been appropriately considered in the present order.

Also, it is clearly contrary to the scheme of GST being a value added tax and to the scheme of SEZ Act 2005 to not burden the SEZ units with taxation.

Independent Auditor's Report

To the Members of

Trigyn Technologies Limited

Report on Audit of Consolidated Ind AS Financial Statements

Opinion

We have audited the accompanying Consolidated Ind AS Financial Statements of **Trigyn Technologies Limited ("the Holding company"), Regd. Office: 27A SDF-1 SEEPZ-SEZ Andheri (E) Mumbai Maharashtra 400096 India (CIN: L72200MH1986PLC039341)** and its subsidiaries listed in **Annexure I** (Holding Company and its subsidiaries together referred to as 'the Group'), which comprise the Consolidated Balance Sheet as at 31st March, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and Notes to the Consolidated Ind AS Financial Statements , including, a summary of Material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with Indian Accounting Standard prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rule 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31st, 2026, the consolidated Profit, consolidated total comprehensive income, consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the Consolidated Ind AS Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports, is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

Emphasis of Matter

We draw attention to-

1. Note 37- of the Consolidated Ind AS Financial Statements with respect to necessary approval and permissions from the Reserve Bank of India (RBI) under FEMA Regulations and carrying forward of balances in respect of wound-up overseas subsidiaries and step-down overseas subsidiaries. These balances which are fully provided for have no bearing on profitability nor on the assets and liabilities position of the Company (as fully explained in the Notes).
2. Note 54 A)- of the Consolidated Ind AS Financial Statements with respect to non-accounting of Quarterly Guaranteed Revenue for 3 years period totaling ₹8,000 lakhs. The Company's stand for non-booking of revenue is on the ground that it is probable that the Company will not be able to collect the consideration to which it is entitled under the contract in the near future (as explained in the Notes).
3. Note 54 B and Note 32(g)- of the Consolidated Ind AS Financial Statements with respect to Toll Collection project for parking sites in Nashik, there was no collection of tolls during the year on account of various issues. The company has been sent a termination notice in September 2023. The company has filed for Commercial Arbitration under the Arbitration and Conciliation Act, 1996. The company has filed a petition before the High Court for removal and substitution of the appointed Arbitrator. The NMSCDCL has invoked the Bank Guarantee on 20.10.2025. The unamortized Capital Cost carried forward in the Balance Sheet as of March 31, 2026, stands at Rs. 352 Lakhs. (as explained in the Notes).

4. Note 32- of the Consolidated Ind AS Financial Statements with respect to pending legal suits filed by the Company and against the Company and its wholly own subsidiary, as fully explained in the Notes.

5. Note 63- of the Consolidated Ind AS Financial Statements with respect to foreign subsidiary under voluntary liquidation, as fully explained in the Notes.

6. Note 40- of the Consolidated Ind AS Financial Statements with respect to advances extended by the company to United Telecoms Limited and to Priyaraja Electronics Limited pursuant to Memorandum of Understanding which were subsequently converted into inter-corporate loans as per section 185 of the Companies Act. The Company has recognized interest income amounting to Rs. 84 Lakhs during the year ended 31st March 2026 (cumulative Rs.210 Lakhs up to 31st March 2026) based on management assessment and commercial understanding between the parties. The management has provided signed MOUs, draft loan agreements and related correspondence exchanged with UTL and PEL evidencing ongoing Negotiation/Formalization of detailed loan documentation and commercial terms between the parties. The formal execution of final loan agreements and receipt of balance confirmations for principal and interest receivable were pending as at 31 March 2026.

Our opinion is not qualified in the above matter.

Key Audit Matters

Key Audit Matters (KAM) are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Sl. No.	Key Audit Matters	Auditor's Response
1.	**Accounting for fixed price contracts:** In respect of Andhra Pradesh State Fibernet Limited (APSFL) Project, which was a fixed price contract, awarded through tendering process where over 90% work has been completed by March 2026, there has been undue delay in completion of the balance work as APSFL is yet to provide the sites for balance classrooms and Central Studio. Also, civil works which is the responsibility of APSFL is pending at 59 schools, 1 District Studio and Central Studio. APSFL has not given go live certificate which is one of the conditions under the contract. As per the terms of the contract the Company has raised 3 milestone bills. The total amount outstanding against this project as at 31st March, 2026 amounted to ₹6,150 lakhs which is outstanding for more than 3 years. As of the date of the reporting, work has not commenced for completion of the remaining portion of the contract and there is uncertainty regarding expected completion of the balance work and collection of dues. The management has adopted a cautious approach towards booking of Quarterly Guaranteed Revenue (QGR) amounting to ₹ 8,000 lakhs including GST on account of uncertainty of collection. (Refer note - 54A).	We have examined the status report provided to us by the management of the Company from time to time. We have also been provided with certain correspondence which the Company's project team has had with APSFL in respect of balance work and recovery of dues. The Company is prepared to execute the balance work but there is no response from APSFL. The Company has not received any balance confirmation of the outstanding from APSFL. Under IND AS-115, one of the conditions to recognize revenue is the probability that the entity will collect the consideration due under the contract. The Company has obtained opinion from subject matter expert in support of their stand towards non-booking of Quarterly Guaranteed Revenue (QGR) in earlier year. We have relied on the expert's opinion in this regard. The Company's ECL policy is framed on the basis of historical data, segregating the government and non-government dues. by an expert. We have relied on the expert's opinion in this regard.

Sl. No.	Key Audit Matters	Auditor's Response
2.	With respect to toll Collection project for parking sites in Nashik, out of 33 sites 15 sites were commissioned. However, there was no collection of tolls during the year on account of various issues. The company has received a termination notice in September 2023. The company has filed for Commercial Arbitration under Arbitration and Conciliation Act, 1996. The company has filed a petition before the High Court for removal and substitution of the appointed Arbitrator. The NMSCDCL has invoked the Bank Guarantee on 20.10.2025. The Company is carrying in its Standalone Balance Sheet an unamortized amount of ₹352 Lakhs towards capital cost. (Refer Note- 54B)	We have examined the status report provided to us by the management of the Company from time to time along with the correspondence with NSCDCL and the reliefs claimed by the company in their filings for Commercial Arbitration at Commercial Division Nashik.
3.	**Disputed Tax Matters** We draw your attention to Note 32 of Consolidated Ind AS Financial Statements regarding pending litigations.	**Procedures performed by the Auditor:** For tax matters our procedures included examining the Company's tax consultants' views, discussions with the Company's legal department and advisor and assessing the management's conclusions.

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. We are also responsible for expressing our opinion on whether the Parent Company has an adequate internal financial control system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Ind AS Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Ind AS Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Ind AS Financial Statements may be influenced, We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Ind AS Financial Statements .

We also communicate with those charged with governance of the Parent and such other entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current period and are therefore the Key Audit Matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Internal Financial Controls with reference to Consolidated Ind AS Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Consolidated Financial Ins AS Statements of **Trigyn Technologies Limited (**"the Parent") and its subsidiary companies which are companies incorporated in India as on 31st March, 2026 in conjunction with our audit of the Consolidated Ind AS Financial Statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Ind AS Financial Statements based on the internal controls with reference to Consolidated Ind AS Financial Statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the company's internal financial controls with reference to Consolidated Ind AS Financial Statements of the Parent and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to Consolidated Ind AS Financial Statements, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Ind AS Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Consolidated Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, which are companies incorporated in India, are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system with reference to Consolidated Ind AS Financial Statements of the Parent and its subsidiary companies, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Consolidated Ind AS Financial Statements

A company's internal financial controls with reference to Consolidated Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to Consolidated Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles in India, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Ind AS Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated Ind AS Financial Statements to future periods are subject to the risk that internal financial control with reference to Consolidated Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors referred to in the Other Matters paragraph below, the Parent and its subsidiaries, have, in all material respects, an adequate internal financial controls system with reference to Consolidated Ind AS Financial Statements and such Internal Financial Controls over Financial Reporting were operating effectively as at 31st March, 2026, based on the Internal Controls over Financial Reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to Consolidated Ind AS Financial Statements insofar as it relates to 4 subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

2. Summary of Material Accounting Policies

Recent Standards Adopted

New and Amended Standards Adopted by the Company:

The Company has applied the following amendments for the first time for the annual reporting period commencing April 1, 2025:

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21

Ind AS 21 – The Effects of Changes in Foreign Exchange Rates

The Effects of Changes in Foreign Exchange Rates, applicable for annual periods beginning on or after April 1, 2025. The amendment introduces a new framework for assessing whether a currency is exchangeable into another currency and provides guidance when exchangeability is lacking.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

In August 2025, the MCA notified the following amendments:

Ind AS 1 – Presentation of Financial Statements (applicable w.e.f. April 1, 2025)

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants.

Based on the Company's assessment, the Company has no impact of these amendments in its classification criteria of current and non- current liabilities

Ind AS 7 – Statement of Cash Flows and Ind AS 107 – Financial Instruments: Disclosures (applicable w.e.f. April 1, 2025)

The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk.

The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

New Standards/Amendments Not Yet Effective

As of March 31, 2026, the Ministry of Corporate Affairs (MCA) has not notified any additional new Ind AS or amendments applicable to the Company beyond those mentioned above.

All significant accounting policies applied in the preparation of these financial statements are disclosed below. These policies have been consistently applied to all periods presented unless otherwise stated.

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.1 Basis of Preparation

- These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') (to the extent notified), presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), and the Companies (Indian Accounting Standards) Rules, as amended and guidelines issued by the Securities and Exchange Board of India (SEBI).
- They follow the historical cost convention on an accrual basis, except for certain items measured at fair value (e.g. financial instruments and employee benefit plan assets).
- The Group discloses only material accounting policy information in line with revised Ind AS 1 and Ind AS 34.

2.2 Principles of Consolidated Financial Statements

- The Consolidated Financial Statements comprise the financial statements of the Company and its subsidiaries ("the Group"), prepared in accordance with Ind AS. Subsidiaries are consolidated on a **line-by-line basis**, with intra-group balances and unrealised profits eliminated. Results of subsidiaries are included from the date control is obtained and until control ceases.
- For **foreign subsidiaries**, income and expenses are translated at average exchange rates and assets and liabilities at the closing rate, with differences recognised in the **Foreign Currency Translation Reserve**.
- eCapital Solutions (Bermuda) Ltd., a wholly owned subsidiary, was wound up in March 2014 in accordance with applicable local laws. On liquidation, TTIPL and TTI, which were step-down subsidiaries, became direct wholly owned subsidiaries of the Company. Assets distributed on winding up were recorded at values as per the liquidation orders.
- **Goodwill** arising on consolidation is tested annually for impairment, while any surplus on acquisition is recognised as **Capital Reserve**. **Non-controlling interests** are presented separately in the financial statements. On loss of control, the Group derecognises assets, liabilities and related NCI, and any retained interest is measured at fair value.
- **Business combinations** are accounted for using the acquisition method under Ind AS 103, with consideration measured at fair value and acquisition costs expensed. Uniform accounting policies are applied across the Group.

2.3 Current v/s non-current classification

The company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset /liability is current when it is:

- Expected to be realised/settled or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised / settled within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other assets/ liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

2.4 Functional and Presentation Currency

The financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All figures are rounded to the nearest lakh unless otherwise stated.

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.5 Use of Estimates and Judgements

Management makes estimates and assumptions concerning the future, which may differ from actual outcomes. These are reviewed periodically.

Key areas include:

- Revenue recognition
- Employee benefit obligations
- Tax provisioning and deferred taxes
- Expected credit losses
- Impairment testing
- Useful lives of assets
- Provisions and contingencies
- Fair valuation of instruments

As clarified under Ind AS 8, accounting estimates are assumptions used in applying accounting policies and in determining the carrying amounts of assets and liabilities. The Group reassesses key estimates annually.

2.6 Property, Plant and Equipment (PPE)

- Carried at cost less accumulated depreciation and impairment.
- Depreciation on straight-line basis over useful lives:

Asset Category	Useful Life
Buildings	20 years
Office Equipment	3–4 years
Computers & Peripherals	3 years
Furniture & Fixtures	4 years
Leasehold Improvements	Over lease term

2.7 Intangible Assets

- Intangible assets are capitalised at cost if future economic benefit is probable.
- Amortised over estimated useful life, generally 3 years for software.
- Reviewed for impairment indicators annually.

2.8 Leases (Ind AS 116)

- The Group recognises right-of-use (ROU) assets and lease liabilities at present value of lease payments.
- Lease liabilities are discounted using The Group's incremental borrowing rate.
- ROU assets are depreciated over lease term.
- Short-term and low-value leases are expensed.

The Company has evaluated the amendments to Ind AS 116 relating to sale and leaseback transactions, effective from September 9, 2024, and concluded that these do not materially impact its current or prior reporting periods.

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.9 Revenue Recognition (Ind AS 115)

The Group follows the five-step revenue recognition model:

1. Identify the contract
2. Identify performance obligations
3. Determine the transaction price
4. Allocate transaction price
5. Recognise revenue upon satisfaction of obligations

Revenue categories:

- **Time & Material**: Recognised as services are rendered.
- **Fixed Price**: Recognised based on percentage-of-completion.
- **Product Sales**: On delivery and transfer of control.
- **Service Concessions:** Based on usage.

2.10 Other Income

- **Interest**: Recognised using effective interest rate (EIR) method.
- **Dividends**: Recognised when entitlement is established.
- **Others:** Recognised when collection is probable and measurable.

2.11 Foreign Currency Transactions

- Transactions recorded at exchange rates on transaction date.
- Monetary items retranslated at year-end rates; differences go to profit or loss.
- Non-monetary items held at historical cost.
- **Translation of financial statements of foreign operations**
- Assets and liabilities of foreign entities are translated into Indian Rupees on the basis of the closing exchange rates as at the end of the year. Income and expenditure and cash flow are generally translated using average exchange rates for the period. All resulting exchange differences are recognised in Other Comprehensive Income.

2.12 Employee Benefits (Ind AS 19)

- **Short-term benefits**: Recognised as expense when incurred.
- **Defined contribution plans**: PF/ESI – expensed when due.
- **Defined benefit plans**: Gratuity – actuarially valued; remeasurements in OCI.
- **Long-term benefits**: Leave encashment actuarially valued.
- **Termination benefits**: Recognised on formal commitment.
- For other overseas companies, social security contributions are made as per the respective local laws and regulations. The same is charged to the Statement of Profit and Loss on an accrual basis. There are no obligations beyond the respective entity's contributions

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.13 Borrowing Costs

- Capitalised if directly attributable to qualifying assets.
- Others expensed as incurred.
- Exchange differences considered borrowing cost if applicable.

2.14 Income Taxes (Ind AS 12)

- **Current tax:** Based on taxable income under the Income Tax Act.

Deferred tax: Recognised on all temporary differences.It is recognised in the statement of profit and loss except to the extent that it relates to a business combination, or items recognised directly in equity or in OCI.

This policy reflects the amendment to Ind AS 12 that narrows the initial recognition exemption. The Group now recognises deferred tax on transactions that result in equal and offsetting temporary differences, such as lease liabilities and corresponding right-of-use assets.

2.15 Impairment

- **Financial assets**: Assessed using expected credit loss (ECL) model.
- **Non-financial assets:** Impairment tested when indicators exist. Recoverable amount is higher of fair value less cost and value in use.

The impairment calculations involve accounting estimates as per Ind AS 8, especially for DCF models and growth assumptions.

2.16 Fair Value Measurement (Ind AS 113)

- Based on exit price in orderly transaction.
- Valuation hierarchy:
  - Level 1: Quoted prices
  - Level 2: Observable inputs
  - Level 3: Unobservable inputs

2.17 Financial Instruments (Ind AS 107, 109)

- **Initial measurement**: At fair value.
- **Classification**: Amortised cost, FVTOCI, FVTPL.
- The Group applies hedge accounting when applicable.

As required by Ind AS 107, The Group discloses the measurement basis used for financial instruments. Classification is based on business model and cash flow characteristics.

The Company continues to account for financial guarantee contracts under Ind AS 109, and accordingly, the introduction of Ind AS 117 does not result in any changes to its accounting policies.

2.18 Inventories

- Valued at lower of cost and net realisable value. Cost includes purchase and directly attributable costs.

2.19 Government Grants

- **Revenue grants**: Matched to expenses.
- **Capital grants:** Deferred and amortised over asset life.

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

2.20 Provisions and Contingent Liabilities

- Recognised when obligation is probable and measurable.
- Discounted if effect of time is material.
- Contingent liabilities disclosed unless remote.

2.21. Share-Based Payments – Employee Stock Option Plan (Ind AS 102)

The Company offers share-based compensation to eligible employees under the Employee Stock Option Plan (ESOP). These are equity-settled options, measured at the fair value of the options on the grant date.

- The fair value is determined using the **Black-Scholes valuation model** and recognized over the **vesting period** as employee compensation expense with a corresponding increase in equity.
- **Significant judgments** include estimating the expected life, volatility, risk-free interest rate, and forfeiture rate.
- Options typically **vest over a period of 3 to 4 years**, and employees can exercise them within the contractual period.
- Modifications, cancellations, or forfeitures are accounted for in the period in which they occur.

Materiality basis: The impact of ESOP expense on employee benefits cost and equity reserves is material and requires estimation and valuation expertise.

2.22 Non-current Assets Held for Sale and Discontinued Operations (Ind AS 105)

Non-current assets and disposal groups are classified as held for sale when their carrying amounts are expected to be recovered principally through sale rather than continuing use.

A discontinued operation is a component of the Group representing a separate major line of business or geographical area of operations that has been disposed of or classified as held for sale. The post-tax results of discontinued operations are presented separately in the Consolidated Statement of Profit and Loss.

2.23 Earnings Per Share (Ind AS 33)

- **Basic EPS**: Net profit / weighted average shares.
- **Diluted EPS:** Adjusted for dilutive instruments.

2.24 Events After the Reporting Period (Ind AS 10)

- **Adjusting events**: Reflected in financials.
- **Non-adjusting events:** Disclosed if material.

2.25 Segment Reporting (Ind AS 108)

- Based on internal reporting to the Chief Operating Decision Maker (CODM).
- Disclosures include segment revenue, profit, assets, and liabilities.

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

Level 1 : Level 1 hierarchy includes financial instrument measured using quoted prices

Level 2 : The fair value of financial instrument that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 : Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Quantitative disclosures fair value measurement hierarchy for assets as at 31 March 2026 and 31 March 2025:

45. Financial risk management

The Group's activities expose to a variety of financial risks viz.,market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The primary market risk to The Group is credit risk and liquidity risk. The Group's exposure to credit risk is influenced mainly by Government Orders.

The Group resumes reviews each of these risks summarizes below:

i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk interest rate risk, currency risk and other price risk such as equity price risk and commodity risk. Financial instruments affected by market risk include trade and other payables, investments in unquoted equity shares, security deposit, loans to employees and others, trade and other receivables, deposits with banks.

The sensitivity analysis in the following sections relate to the position as at 31 March 2026 and 31 March 2025. The sensitivity of the relevant income statement item is the effect of the assumed changes in respective market risks. The sensitivity analyses have been prepared on the basis that the amount of net debt, the ratio of fixed to floating interest rates of the debt, proportion of financial instruments in foreign currencies are all constant at 31 March 2026. The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. Group's activities expose it to variety of financial risks, including effect of changes in foreign currency exchange rate and interest rate.

a) Foreign currency risk

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. The Group operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions primarily to USD. The Group also incurs employee benefit expenses in foreign currency. The Group manages its foreign currency risk by natural hedging transactions that are expected to receive in USD and payable in USD. b) Interest rate risk & price risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group does not account for any fixed rate financial asset or financials liability at fair value through profit or loss therefore a change in interest rates at the reporting date would not affect profit or loss. The group does not have any financial instruments which is exposed to change in price.

ii) Credit risk

Credit risk is the risk that a customer or counterparty to a financial instrument will fail to perform or pay amounts due to the Group causing financial loss. It arises from cash and cash equivalents, deposits with banks and financial institutions, security deposits, loans given and principally from credit exposures to customers relating to outstanding receivables. The Group's maximum exposure to credit risk is limited to the carrying amount of financial assets recognized at reporting date.

The Group continuously monitors defaults of customers and other counterparties, identified either individually or by the Group, and incorporate this information into its credit risk controls. Where available at reasonable cost, external credit ratings and/or reports on customers and other counterparties are obtained and used. The Group's policy is to deal only with credit worthy counterparties.

The credit risk for cash and cash equivalents, bank deposits, loans and derivative financial instruments is considered negligible, since the counterparties are reputable organizations with high quality external credit ratings.

Trade receivables mainly consist of group companies. The Group follows 'simplified approach' for recognition of impairment loss allowance. The Group has very limited history of customer default, and considers the credit quality of trade receivables that are not past due or impaired to be good.

Notes to the Consolidated financial statements for the year ended 31st March, 2026

(All amounts in Indian Rupees lakhs unless otherwise stated)

Group provides for expected credit losses on financial assets by assessing individual financial instruments for expectation of any credit losses. Since the assets have very low credit risk, and are for varied natures and purpose, there is no trend that the Group can draw to apply consistently to entire population. For such financial assets, the Group's policy is to provide for 12 month expected credit losses upon initial recognition and provide for lifetime expected credit losses upon significant increase in credit risk.

As per the revised ECL policy for non-Government business, receivables in the ageing bucket "Greater than 365 days' is considered as 'Loss' and accordingly taken for the purpose of determining the historical loss rates. The historical loss percentage based on roll rate method is found out for non government business. For government business, the historical loss rate is computed based on the cumulative receivable amounts and the corresponding amount of loss given default for every bucket. Following percentage of receivables is considered as 'Loss' (LGD) for government business:

Period outstanding	***Percentage of receivable considered as 'Loss'***
2 years	20%
3 years	40%
4 years	60%
5 years	80%

The historical loss percentage is applied on the receivables' balances at the valuation date. Two more scenarios are constructed based on an analysis of the regression between the forward-looking macroeconomic factors and the receivable balances and appropriate probability weight is assigned for the two scenarios and probability weighted expected credit loss is computed.

54. Major Contracts of the Holding company

A) Implementation and Management of Cloud-Based Virtual Classroom System in identified schools in Andhra Pradesh

The total contract value of the Andhra Pradesh State Fibernet Limited (APSFL) project amounts to Rs. 160 Crores inclusive of GST. This comprises Rs. 80 crores for the supply of materials and installation of video conferencing equipment and the balance Rs. 80 crores towards operations and maintenance. The company has completed a major portion of the supply contract. Balance work at 59 schools, 1 District Studio and Central Studio is still pending for completion due to non-allotment of sites from APSFL.

The Company has recognized revenue of Rs. 79.90 crores in respect of the supply contract up to 31st March 2026. This is in line with IND AS 115 – (Revenue from contracts with customers) accounting for contracts based on completion of the performance obligation.

Against the milestone billings done of Rs. 79.40 crores, Rs. 17.90 crores have been received and balance of Rs. 61.50 crores are outstanding for more than 6 years. The Company is also holding an inventory of Rs. 2.17 crores as on 31st March 2026.

The operation and maintenance part of the contract was taken up in February 2019. The management has not booked any Quarterly Guaranteed Revenue on this part of the contract amounting to Rs. 80 crores, in view of uncertainty of collection.

Keeping in view the old outstanding of Rs. 61.50 crores being carried forward and poor collection till date, the management is of the view that their decision for not accounting unbilled revenue for AMC charges is justified and proper due to uncertainty of collection. In support of the management's stand, the company has obtained an opinion from a subject matter expert as of 31st March 2022.

The management has not classified the outstanding balance as doubtful of recovery and no provision has been made towards old outstandings.

However, as per the Company's policy, the company has made an Expected Credit Loss (ECL) provision of Rs.11.20 crores for the year ended March 31, 2026. The cumulative ECL provision made is Rs. 61.50 crores for the above outstanding.

B) Design, Development, Implementation, Operation, and Maintenance of Smart Parking Solution at Nashik

Nashik Municipal Smart City Development Corporation Ltd (NMSCDCL) had issued a termination notice to the company on September 4, 2023 on account of dispute with the company. The company has made adequate provision for the claim raised by NMSCDCL and have contested the termination by filing for Commercial Arbitration with the Commercial Division in Nashik to seek appropriate reliefs under the Arbitration and Conciliation Act, 1996.

NMSCDCL had appointed Mr. Jayant T. Nashikar as their arbitrator. Statement of Claim to be filed by TTL (Claimant) was filed on 20th August, 2025 and Statement of Defence was filed by Respondents as on 17th October, 2025. TTL has filed a petition before the High Court for removal and substitution of the appointed Arbitrator.

As at the reporting date, the utilisation of the fund-based facilities amounted to Rs.9.66 crores, comprising an overdraft utilisation of Rs. 6.05 crores and Rs. 3.61 crores earmarked towards bank guarantee/performance bank guarantee (“PBG”) and earnest money deposit (“EMD”) requirements. The above borrowing facilities are secured as follows:

57. The Company has received an order confirming the demand of Rs. 9.08 Crores from the GST Department for the financial years 2019–20 to 2022–23 towards disallowance of Input Tax Credit (ITC) claimed during the said period. The Company is in the process of filing an appeal on or before 30.06.2026.

The Company believes that Department claim is assumptive in nature since we have already received favourable orders at both adjudication and appellate levels on similar issues for the years 2017-18 and 2018-19. Despite bringing the same to the attention of the adjudicating authority, the same has not been appropriately considered in the present order.

Also, it is clearly contrary to the scheme of GST being a value added tax and to the scheme of SEZ Act 2005 to not burden the SEZ units with taxation.
