We have invited the State leadership and senior-most officials of both Central and State agencies to grace the occasion. The Settlement Scheme, as approved by the NCLT, NCLAT and the Hon'ble Supreme Court of India, requires payments to be made to claimants within a specified timeframe. In view of this time-bound schedule as per the Court order of the Scheme, we are extending invitations to the Honourable dignitaries and claimants at short notice.

They have given their blessings, and their presence at the event is subject to availability. The ceremony, however, will take place as scheduled because it has to comply with the timeline as per the order of the Court on the Scheme.

This historic and first-of-its-kind settlement will be written in golden words for bringing closure to claimants in the 14th year. We extend our sincere gratitude to the leadership at the Central Government and the Government of Maharashtra, the Economic Offences Wing, the Enforcement Directorate, the Central Bureau of Investigation, the Ministry of Corporate Affairs and the most honourable Indian Judicial System, which is the jewel of the constitution and democracy, for their constructive support in making this possible.
