ABOUT THE COMPANY

Reflecting on the company's achievements in H2 FY25 & FY25, Mr. MM Kabra, Managing Director of Aluwind Infra-Tech Limited, We are proud to report a robust performance in the second half of FY25, building on the strong foundation we have laid over the more than three decades. Our continued focus on precision engineering, quality execution and customer satisfaction has allowed us to deliver high value projects across the country.

The ongoing trust of marquee clients and our ability to execute complex facade and fenestration projects are a testament to our team's capability and commitment. The growing adoption of innovative materials and energy efficient systems is further enabling us to stay ahead of industry trends.

With our state-of-the-art facility in Pune, expanding project pipeline, and planned geographical expansion into states like Tamil Nadu, Karnataka, Gujarat, and Telangana, we are well positioned for sustained growth. With a strong order pipeline and a passionate team, we are confident of scaling greater heights and reinforcing our position as a trusted name in the industry."

ORDER BOOK OF COMPANY AS ON DATE:

Currently, the Company has a healthy order book of approximately INR 302 Crore, indicating strong demand and robust business momentum. This order will enhance revenue visibility for the upcoming years.

INCORPORATION OF ALUWIND CLEAN-TECH PRIVATE LIMITED:

In order to provide high-quality professional window cleaning solutions for a variety of clients, the company has incorporated a Subsidiary Company named Aluwind Clean Tech Private Limited.

The Subsidiary Company will focus on undertaking Annual Maintenance Contracts (AMC) and service agreements for facade cleaning, exterior upkeep, and related maintenance services, ensuring periodic and comprehensive maintenance of buildings and infrastructure.

ANCHOR PARTNER FOR MMR REGION (MUMBAI METROPOLITAN REGION) FOR ERTERNIA, HINDALCO INDUSTRIES LIMITED (ADITYA BIRLA GROUP.)

The Company is the Anchor Partner for the Mumbai Metropolitan Region (MMR) for Eternia, the premium aluminium windows and doors brand by Hindalco Industries Limited (Aditya Birla Group.)

This strategic partnership reinforces position as a trusted leader in high-performance fenestration solutions and aligns with Eternia's mission to bring next-generation, sustainable aluminium window systems to the market.

INNOVATION:

The Company is using a patented cutting edge aluminium alloy named "Duranium" which is a trademark product of the Hindalco which have more strength and high finish exposure as compare to 6063-T6 alloy including corrosion resistance and a sleek, modern finish. Windows made out of Duranium offer superior window and noise protection

INFORMATION ON NEW PLANT AND MACHINES:

The Company has purchased new machine 5X CNC Machine for increasing production in Aluminium segment. The new machine is equipped as standard with an advanced cutting unit, for all the cutting needed for doors, windows, facades, HST sliding structures, or conservatories. This new machine leads to increase in production capacity.

FACILITY OF POWDER COATING FACILITY:

The Company provides fully automatic in house powder coating facility which leads to a significant step forward in the company's ongoing commitment to delivering high-quality surface finishes with improved speed, consistency, and sustainability.
