Business Overview:

Product Portfolio:

Commenting on the performance Mr. Sushil Kumar Aggarwal Chairman said:

"Avro India is entering a new phase of growth, driven by the strength of our established plastic moulded furniture business and the emerging opportunities in plastic recycling. During Q2 FY27, revenue from operations grew by 41.2% YoY to Rs. 29.5 crore, while EBITDA increased by 25.0% YoY to Rs. 3.5 crore. For H1 FY27, revenue grew by 28.9% YoY to Rs. 54.9 crore, reflecting the growing scale and diversification of our business.

The plastic industry is undergoing a structural transformation, supported by evolving consumer preferences, increasing environmental awareness and regulatory mandates for recycled plastic content under the Extended Producer Responsibility framework. We believe these developments present a significant long term growth opportunity for Avro Recycling Ltd. with investments of Rs. 39.8 crore in recycling, advanced polymer sorting technologies and a customised digital scrap collection platform, we are building an integrated recycling ecosystem focused on efficient material recovery, consistent quality and responsible waste management. This also presents opportunities for greater operational synergies across our businesses.

In our furniture business, we remain focused on expanding our product portfolio, deepening distribution reach, leveraging digital sales channels and improving manufacturing efficiencies while maintaining our affordability led positioning.

Our strategic vision extends beyond business expansion. We aim to build an integrated and sustainable plastics enterprise that combines manufacturing expertise with circular economy solutions. As we scale both businesses, our priorities remain profitable growth, operational excellence and long term value creation for all stakeholders, while advancing our mission of Creating Waste to Wealth."
