Bench Mark Infotech Services Secures Orders Worth ₹6.67 Crore

Announces Wins for AI-Based Audio-Visual and Video Conferencing Systems and Last-Mile Dark Fibre Connectivity

Kolkata, November 25, 2026 – Bench Mark Infotech Services Limited (NSE: BMISL), an integrated IT and digital infrastructure solutions company, has secured further orders from Government Clients with a combined value of ₹6.67 Crore (inclusive of taxes). The orders cover the implementation, deployment and integration of an AI-based digital audio-visual system with the existing audio infrastructure of an auditorium, the deployment of AI-based video conferencing systems with displays at a High Court and various Government Departments, the provisioning of an AI-enabled audio video conferencing system, and last-mile dark fibre hiring for existing hired links in the States of Bihar, Uttar Pradesh and Madhya Pradesh.

These orders reflect the Company's capabilities in delivering integrated multimedia, audio-visual and connectivity solutions, and the continued trust placed in it by Government Clients. The AI-based systems will enhance presentation, virtual communication and collaboration for the institutions concerned, while the dark fibre orders strengthen the Company's connectivity work across three States.

Mr. Vineet Kumar Gupta, Chairman & Managing Director, Bench Mark Infotech Services Limited, said,
"Securing these orders is another milestone for Bench Mark. They span AI-based audio-visual and video conferencing systems for judicial and government institutions as well as last-mile dark fibre connectivity across Bihar, Uttar Pradesh and Madhya Pradesh, which shows the breadth of solutions we can deliver. Reliable communication and collaboration are increasingly central to how public institutions function, and we are glad to support them. With our headquarters in Kolkata and our branch office in Patna, we are well placed to execute these projects across the eastern region and beyond."

About Bench Mark Infotech Services Limited
