Note: The Company confirms that pending utilisation, the unutilised proceeds are held in the public issue bank account and fixed deposits with scheduled commercial banks as disclosed in the Prospectus. Infomerics Valuation and Rating Limited has been appointed as the Monitoring Agency in accordance with Regulation 262 of the SEBI ICDR Regulations (although the Issue size is below

the threshold for mandatory appointment). The Monitoring Agency's report will be placed before the Audit Committee on a quarterly basis until the Net Proceeds are fully utilised.

Reasons for the variation

- **Leadership Team:** As the IPO was delayed, the Company has already incurred expenditure towards augmenting its leadership team (including hiring of senior resources) in the interim. The requirement for the proceeds earmarked for this object has therefore reduced, and Rs. 2,61,50,040/- is being released from this object.

- **General Corporate Purposes:** Raised to approximately 15% of Gross Proceeds totaling to Rs. 3,29,84,000/- to give the Company flexibility for business needs. This is within the ceiling of 15% of the amount raised or Rs. 10 Crores, whichever is lower, prescribed for general corporate purposes under the SEBI ICDR Regulations.

- **Issue Expenses:** revised to 15% of Gross Proceeds totaling to Rs. 3,29,84,640/- to reflect the actual expenses incurred and payable in connection with the Issue.

- **Capital Expenditure on IT Infrastructure and Enhancing the visibility and awareness of our brand:** The revision does not change the capital expenditure on IT infrastructure or the spend on brand visibility. However, the Company has proposed the revision in utilisation towards IT infrastructure by adding expenditure towards purchase of laptops, software and other IT assets amounting to Rs. 3,25,00,000/-.

Break-up of Utilisation towards Capital Expenditure for Upgrading the Existing IT Infrastructure as follows:

Proposal	One- Time Cost (In Rs.)
Cybersecurity Infrastructure	1,12,26,000
CoreAudit OCR + AI Audit Automation	3,20,00,000
Ctrl-F AI OCR (1,300 Formats)	3,10,00,000
Application & Productivity Licenses	48,53,000
AWS Infra & Managed Services	60,00,000
Purchase of laptops, software and other IT assets	3,25,00,000
Total	**11,75,79,000**

Break up of Augmenting Leadership Team for the Company – revised count, level and estimated annual compensation

The Prospectus provided for utilisation of up to Rs. 5,75,00,000/- from the Net Proceeds in Fiscal 2027 for on boarding 11 senior professionals, with an estimated annual compensation. As the IPO was delayed, the Company has already incurred expenditure on certain of these positions in the interim out of its internal accruals. The requirement from the Net Proceeds is accordingly reduced to Rs. 3,13,49,960/-. The revised position are as follows:

Particulars / Levels (Head)	Level	Revised Count	Revised Est. annual comp. (Rs.)
Head – Quality & Transitions	VP	1	35,00,000
Account Management	AVP/DVP	3	75,00,000
DB Developers – IT (2 positions – HR Tech, Reg Tech)	AVP / DVP	2	40,00,000
Head – Training & Development	AVP / DVP	1	25,00,000
Product Head – IT (2 positions – HR Tech, Reg Tech)	AVP / DVP	2	40,00,000
Head – Legal	AVP/DVP	1	25,00,000
Head – Marketing	AVP/DVP	1	25,00,000
Central Operations Unit Leads	Manager/ Sr. Manager	4	48,49,960
Total		**15**	**3,13,49,960**

The revised estimated annual compensation is based on the cost-to-company of the positions yet to be filled. Compensation of the positions already filled has been met from internal accruals and no part of it will be charged to the Net Proceeds. None of the persons hired / proposed to be hired is a Promoter, Director, Key Managerial Personnel or related party of the Company.

Other disclosures:

Means of finance: The revised Objects continue to be funded entirely from the Net Proceeds, and any requirement over the revised allocation will be met from internal accruals. The revised utilisation has not been appraised by any bank, financial institution or agency.

Interim use: Pending utilisation, the unutilised proceeds will be kept only in deposits with scheduled commercial banks and will not be used for buying, trading or otherwise dealing in equity shares or equity-linked securities, as stated in the Prospectus.

Monitoring: Infomerics Valuation and Rating Limited, the Monitoring Agency, will continue to report quarterly to the Audit Committee on utilisation of the proceeds as per the revised Objects, until the proceeds are fully utilised.

Exit opportunity: The Prospectus provides that the Promoters or controlling Shareholders are required to provide an exit opportunity to Shareholders who do not agree to a variation of the objects, in the manner prescribed by SEBI, if required.

The Board through its resolution dated 14th November, 2026 on recommendation of Audit Committee has approved the variation in objects of the Company.

Accordingly, in terms of Section 13 and Section 27 of the Companies Act, 2013 and rules made thereunder and applicable provisions of SEBI ICDR Regulations, the Board recommends the resolution set out at Item No. 1 of the Notice for approval by the Members by way of a Special Resolution. Further, in terms of Section 27(2) of the Companies Act, 2013 and in accordance with the provisions of the SEBI ICDR Regulations, as amended, the Promoters of the Company shall offer an exit offer to the dissenting Shareholders, if required, in accordance with the applicable laws and the SEBI ICDR Regulations.

None of the Directors, Key Managerial Personnel, members of the Senior Management and their relatives are concerned or interested, financially or otherwise, in the resolution except upto the extent of their shareholding in the Company. The Promoters, Directors, Key Managerial Personnel, Senior Management and Group Companies have no interest in the revised utilisation of the Net Proceeds, including the proposed IT assets and the vendors, other than in the ordinary course of business and other than the remuneration payable to any member of the senior management hired under the leadership augmentation. No part of the Net Proceeds will be paid as consideration to the Promoters, members of the Promoter Group, Directors, Key Managerial Personnel, Senior Management or Group Companies.
