NOTICE CONVENING THE MEETING OF THE SHAREHOLDERS OF CYBER MEDIA (INDIA) LIMITED

To
The Shareholders of
Cyber Media (India) Limited

Notice is hereby given that by an order dated 16th October, 2026 **("Order")**, the Hon'ble National Company Law Tribunal, Delhi Bench **("NCLT" or "Tribunal")** has directed a meeting to be held of the Shareholders of the Transferee Company for the purpose of considering, and if thought fit, approving, with or without modification(s), the Scheme of Merger by absorption of Cyber Media Research & Services Limited **("Transferor Company")** with and into Cyber Media (India) Limited **("Transferee Company")** and their respective shareholders and creditors, pursuant to the provisions of Sections 230 to 232 read with other applicable provisions of the Companies Act, 2013 **("Act")** and rules made thereunder.

In pursuance of the said Order and as directed therein, further notice is hereby given that a meeting of the Shareholders of the Transferee Company will be held on **Friday, 18th December, 2026 at 12:00 p.m. (IST)** through Video Conferencing ("VC")/ Other Audio Visual Means ("OAVM") **("NCLT Convened Meeting" or "Meeting")** at which date and time the Shareholders of the Transferee Company are requested to attend.

The Shareholders are requested to consider, and if thought fit pass, the following resolution:

"RESOLVED THAT in terms of Sections 230 to 232 read with other applicable provisions of the Companies Act, 2013 and the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force), the rules, circulars and notifications made thereunder as may be applicable, and relevant provisions of

other applicable laws, the provisions of the Memorandum of Association and Articles of Association of the Company, and subject to the approval of the Hon'ble National Company Law Tribunal, **(hereinafter referred to as "Hon'ble Tribunal"/"NCLT")** and/or such other forum or authority as may be vested with the appellate jurisdiction in this regard and such other approvals, permissions and sanctions of regulatory and other authorities, as may be necessary and subject to such conditions and modifications as may be deemed appropriate, at any time and for any reason whatsoever, or which may otherwise be considered necessary, desirable or as may be prescribed or imposed by the Hon'ble NCLT or by any regulatory or other authorities, while granting such approvals, permissions and sanctions, which may be agreed to by the Board of Directors of the Company **(hereinafter referred to as the "Board", which term shall be deemed to mean and include one or more Committee(s) constituted/to be constituted by the Board or any other person authorised by the Board to exercise its powers including the powers conferred by this Resolution)**, consent of the Shareholders of the Company be and is hereby accorded to the proposed Scheme of Merger by Absorption of Cyber Media Research & Services Limited **("Transferor Company")** with and into Cyber Media (India) Limited **("Transferee Company")** and their respective shareholders and creditors (hereinafter referred to the **"Scheme"**), as per the draft enclosed with this Notice."

"RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts, deeds, matters and things, as it may, in its absolute discretion deem desirable, appropriate or necessary, to give effect to this Resolution and effectively implement the arrangement embodied in the Scheme and to accept such modifications, amendments, limitations and/or conditions, if any, at any time and for any reason whatsoever, which may be required and/or imposed by the Hon'ble NCLT or its Appellate Authority(ies) while sanctioning the arrangement embodied in the Scheme or by any regulatory or statutory authority(ies), or as may be required for the purpose of resolving any doubts or difficulties that may arise including passing such accounting entries or making adjustments in the books of accounts of the Company as considered necessary, while giving effect to the Scheme, as the Board may deem fit and proper, without being required to seek any further approval of the Shareholders, and the Shareholders shall be deemed to have given their approval thereto expressly by authority under this Resolution."

"RESOLVED FURTHER THAT the Board may delegate all or any of its powers herein conferred to any Director(s) and / or officer(s) and / or employee(s) of the Company, to give effect to this Resolution, if required, as it may in its absolute discretion deem fit, necessary or desirable, without any further approval from the Shareholders of the Company."

Shareholders entitled to attend, and vote may vote through "remote e-voting prior to the Meeting" or through "e-voting during the Meeting". The "Remote E-voting prior to the Meeting" shall start at 09:00 a.m. (IST) on Tuesday, 15th December, 2026 and end at 05:00 p.m. (IST) on Thursday, 17th December, 2026. The "e-voting during the Meeting" shall be held for 15 minutes on conclusion of the Chairperson's address during the meeting on Friday, 18th December, 2026.

The Company has appointed MUFG Intime India Private Limited ("MUFG") to provide the facility for electronic voting through "remote e-voting", participation in the Meeting through VC/OAVM, and "e-voting during the Meeting".

Since the Meeting will be held through VC/OAVM, the facility for appointment of proxy will not be available.

A Shareholder whose name is recorded in the Register of Members / list of Beneficial Owners maintained by the Depositories as on Saturday, 12th December, 2026 ("Cut-off Date") shall be entitled to vote at the Shareholders' Meeting. The voting rights of Shareholders shall be in proportion to their holding in the paid-up share capital of the Company as on the cut-off date.

Shareholders can opt for only one mode of voting, i.e. either through remote e-voting or e-voting during the Meeting. Those who have cast their vote by remote e-voting prior to the Meeting may attend / participate in the Meeting through VC/OAVM but shall not be entitled to cast their vote again.

For queries / grievances regarding attending the Meeting through VC/OAVM or remote e-voting, Shareholders may write to the Company at investorcare@cybermedia.co.in. They may also refer to the FAQs and e-Voting user manual available on the website of MUFG or contact MUFG at instameet@in.mpms.mufg.com or contact on: Tel: 022 – 4918 6000 / 4918 6175.

The Hon'ble NCLT has appointed **Mr. Rahul Bhatnagar**, as the Chairperson of the Meeting, including any adjournments thereof. The Hon'ble NCLT has also appointed **Mr. Sameer Ali** as the Scrutinizer for the Meeting for conduct of e-voting process and scrutiny of votes in free and fair manner.

The results of the Meeting shall be announced in accordance with the applicable regulatory requirements upon receipt of the Scrutinizer's report and shall be displayed on the website of the Company, MUFG and communicated to the stock exchanges.

The Scheme, if approved at the Meeting, will be subject to subsequent approval of the Hon'ble NCLT and such other approvals, permissions and sanctions from any other regulatory or statutory authority(ies) as may be necessary and as contemplated in the Scheme.

EXPLANATORY STATEMENT UNDER SECTIONS 230(3) AND 102 OF THE COMPANIES ACT, 2013 READ WITH RULE 6 OF THE COMPANIES (COMPROMISES, ARRANGEMENTS AND AMALGAMATIONS) RULES, 2016 AND OTHER APPLICABLE LAWS

I. Meeting for the Scheme:

This is a Statement accompanying the Notice convening the Meeting of the Shareholders of the Transferee Company as per the directions given by the Hon'ble NCLT vide its Order dated 16th October, 2026 passed in the Company Scheme Application No. C.A. (CAA)/50/ND/2026. The Meeting is scheduled to be held on Friday, 18th December, 2026 12:00 p.m. (IST), through VC/OAVM for the purpose of considering, and if thought fit, approving, with or without modification(s), the proposed Scheme of Merger by absorption of Cyber Media Research & Services Limited **("Transferor Company")** with and into Cyber Media (India) Limited **("Transferee Company")** and their respective shareholders and creditors under the provisions of Sections 230 to 232 of the Companies Act, 2013 **("Act")** and other applicable provisions.

The Board of Directors of the Transferor Company, and the Transferee Company had approved the Scheme at their respective Board Meetings held on January 24, 2026.

The Scheme provides for the absorption of the Transferor Company into the Transferee Company, the dissolution of the Transferor Company without winding up and issue of New Equity Shares. Copy of the Scheme is enclosed herewith as **Annexure 1.**

The Reports of the Audit Committee recommending the Scheme to their respective Board of Directors of the Transferor Company and the Transferee Company are attached herewith as **Annexure 2A & 2B** respectively**,** and the Reports of the Independent Directors recommending the Scheme to their

respective Board of Directors of the Transferor Company and the Transferee Company are attached herewith as **Annexure 3A & 3B,** respectively.

II. Need, Rationale and Benefits of the Scheme of Merger:

a. The Transferee Company is renowned in the Indian technology media landscape with a legacy spanning over four decades. With strong national brands including Dataquest, PCQuest, Voice & Data, etc., the media business of the Transferee Company has successfully navigated to digital content for its communities and customers by expanding its offerings of media and content services to include media mesh, online platforms and physical events.

b. The Transferor Company is engaged in ad tech and data analytics business. The Company has four revenue streams i.e., Digital Marketing, Programmatic Media Buying, Publisher Monetization, and Data Analytics. These together form the pillars of the digital marketing landscape. This drives higher conversions and sales for advertisers and enables publishers to earn more. The Transferor Company's algorithms leverage large sets of data, process it via AI engines to provide the right results, therefore simplifying digital marketing. CMGalaxy, Auxo Ads and CyberAds are Transferor's Company's propriety products for different stakeholders in the ecosystem.

c. The merger will strategically position the merged entity as a single entity for marketing solutions for customers. The Transferee Company/Applicant Company 2 has historically built strong customer relationships, products and brands. A merged entity will enable the businesses to focus on higher value creation for customers and therefore higher profitability. The merged companies' key business activities will comprise Marketing & Technology Solutions, Print & Digital Publications, Industry Research & Consulting and Event Management.

d. With Deep Tech playing a pivotal role in Viksit Bharat 2047, the Transferee Company aims to establish market leading products across the above-mentioned categories. This will uniquely position the combined entity as a one-stop-shop for corporates and SMEs to choose for their transformation.

e. The merger will cause silos to be broken down resulting in cross-sell, up-sell of various products & services. This synergy will result in cross leveraging clients to fuel additional growth opportunities.

f. The merger will also strengthen decision making and optimize management bandwidth. The merged entity will therefore bring about a synergy at the strategic, decision-making and execution level.

g. The merged entity will lead to an increase in market capitalization. In addition to the aggregation of existing market caps of existing entities, the synergies will lead to enhancement of size and profitability. This would lay the roadmap for long-term growth both organic as well as inorganic.

h. The shares of the Transferor Company are listed on SME-Emerge Platform of NSE. The shares of the Transferee Company are listed on the main board of NSE and BSE. The Transferee Company's shares have a far higher trading volume in number of transactions, quantity and value as compared to the Transferor Company's shares. Upon merger, the shareholders of The Transferor Company will have better liquidity by trading in the Transferee Company shares at the main board of NSE and BSE with no restriction on lot size. Therefore, the Transferor Company investors will find better liquidity and value for their holdings.

i. Merger will result in better cost management. Sales operations will become far more effective with a reduction in duplicate marketing and selling costs. Duplication at senior management level would be eliminated.

j. There will be reduction in administrative expenses as cost duplication over HR, finance, admin, accounts, legal functions are rationalized.

k. Further cost savings will be achieved because of reduced compliance costs. This would include statutory fee incurred on compliances., viz., General Meetings, NSE, NSDL, CDSL, ROC, RTA. Work related to statutory audit, internal audit, secretarial audit, income tax audit, GST, PF, ESI, Professional Tax, etc. will halve. So will the professional cost associated with the consultants engaged for these activities.

l. Therefore, the proposed Merger will create and provide more customers, better customer relationship, simplification of business processes, operational synergies, economies of scale, optimum utilization of resources, which will create stronger base for future growth.

m. The merger will improve cash flow which shall result in efficient utilization of capital at the combined entity level. The combined balance sheet will have better ROCE, debt equity ratio, current ratios, etc.

n. The merger will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholders' value and improve the competitive position and negotiating power of the combined entity.

9. Details of potential benefits and risks associated with the merger, including integration challenges, market conditions and financial uncertainties.

Potential Strategic & Financial Benefits:

- **Elimination of Silos & Cross-Selling:** The combined entity unifies Print/Digital Publications, Marketing Solutions, and Data Analytics. This permits cross-leveraging B2B enterprise client bases to cross-sell market research alongside digital ad packages.

- **Enhanced Public Liquidity:** CMRSL shareholders transition from the restricted, low-volume SME platform to the highly liquid main-boards of the BSE and NSE via CMIL. This frequently expands institutional investor access.
- **Cost and Compliance Synergies:** Running two separate listed entities requires parallel compliances, separate secretarial audits, independent boards, and legal costs. Consolidation optimizes administrative expenses and frees up management bandwidth.
- **Tax Optimization:** Unabsorbed losses or tax credits can be integrated into the transferee company, establishing immediate tax efficiencies against future consolidated profits.

Integration Challenges:

- **Cultural Re-alignment:** Integrating a high-margin, nimble research and advisory workforce into a broader, more legacy-oriented publication and print media corporate culture can cause operational friction.
- **Operational Systems Merging:** Unifying back-end ad-tech tech stacks, CRM systems, accounting platforms, and billing cycles requires material IT oversight. Poor execution can disrupt active client campaigns.

Market Conditions:

- **Shift toward Deep Tech B2B Services:** The core driver is aligning with broader economic movements like digital transformation and AI analytics. A unified platform positions the company as a 'one-stop-shop' for corporate digital spend.
- **Ad-Tech Volatility:** Digital media and advertising revenues are highly cyclical and susceptible to macroeconomic downturns. Combining forces cushions individual business lines but leaves the consolidated entity highly exposed to shifts in aggregate corporate marketing budgets.

Financial Uncertainties & Risks:

- **Dilution of Promoter Stake:** The promoter holding is expected to down from 67.13% to 50.43% post-allotment. A thinner promoter float can sometimes elevate exposure to public market volatility or changing minority shareholder dynamics.
- **Balance Sheet Cross-Subsidisation:** This transaction effectively consolidates a fundamentally stronger, cash-generating research arm into a financially weaker parent entity. This could dilute the standalone growth capacity of the research business to service parent-level liabilities.

10. Financial implication of merger on Promoters, Public Shareholders and the companies involved.

a. Financial Implications for Promoters

- **Dilution of Equity Control:** Because new CMIL shares are being issued to external CMRSL shareholders, the consolidated share capital base will expand. This expands the public equity base, resulting in a mathematical dilution of the Promoters' overall equity stake in the merged entity from 67.13% to 50.43%.
- **Management & Voting Simplification:** Despite the minor dilution, the promoters retain clear majority control (i.e. 50.43%) of the merged entity. They will no longer need to manage parallel regulatory compliances or governance for two individual corporate structures.

b. Financial Implications for Public Shareholders

- **For CMRSL Public Shareholders:**
  - **Enhanced Liquidity:** CMRSL shareholders are transitioned into a larger, more liquid entity listed on main boards viz., NSE and BSE. This provides an active, open-market exit and growth option.
  - **Value Realisation:** They receive fractional premium valuation upside through the 35:8 swap mechanism based on an arm's-length independent appraisal.
- **For CMIL Public Shareholders:** While their ownership suffers mild dilution from new share supply, they gain direct fractional access to CMRSL's fundamentally stronger data-analytics and ad-tech revenue streams. This can boost the merged entity's consolidated earnings per share (EPS) over time.

c. Financial Implications for the Involved Companies:

- **Balance Sheet Consolidation:** Merges the fundamentally stronger research, ad-tech, and services cash flows of CMRSL into the legacy tech-media brand assets (Dataquest, PCQuest) of CMIL.
- **Asset & Tax Treatment:** All assets, operational liabilities, tax exemptions, and standard claims will transfer entirely to CMIL. Inter-company debts/balances shall cancel out upon merger.
- **Cost Synergies:** Drastically minimizes overhead expenses linked to separate audits, regulatory SEBI filings, secretarial maintenance, and general administrative double-spend.

11. Disclose all actions taken and/or initiated against the entities involved in the scheme including its promoters/directors/KMPs and possible impact of the same on CMIL to the shareholders along with its status.

- There are no pending actions against the Transferor Company, directors/promoters/KMPs of any of the Companies which in the event of any adverse outcome would materially affect the Transferee Company's operations or financial position or its shareholders.

- There are no pending actions against the Transferor Company which in the event of any adverse outcome would materially affect the Transferee Company's operations or financial position or the shareholders of any company.

- The details of the legal proceedings/ litigation in appeal filed by the Transferee Company are enclosed as **Annexure 7.**

12. Disclose the impact on reserves of CMIL and CMRSL pursuant to the scheme of arrangement along with quantitative details showing the impact for both pre & post the scheme of arrangement and the same is accordance with applicable accounting standards and other applicable provisions of the Companies Act, 2013. Disclose the approval requirement of shareholders under the Companies Act, 2013 and other relevant details.

a. Impact on Reserves & Accounting Treatment

Accounting Standards Compliance:

- In accordance with Indian Accounting Standard (Ind AS) 103 (Appendix C), it shall be accounted for using the Pooling of Interest Method.
- Under this method, all assets, liabilities, and reserves of CMRSL will be recorded in the books of CMIL at their existing carrying amounts.

Impact Framework and Quantitative Details:

- **Pre-Scheme Status (CMRSL):** All individual reserves of CMRSL (e.g., Retained Earnings, General Reserve, Securities Premium) maintain their identity and transfer intact to the corresponding reserves of CMIL.
- **Pre-Scheme Status (CMIL Equity Holding):** CMIL holds 11,17,600 shares (38.17%) in CMRSL. Upon the scheme becoming effective, this cross-holding shall get cancelled. No new shares of CMIL will be issued against this 38.17% chunk.
- **New Share Issuance:** CMIL shall issue its own fresh equity shares to the remaining shareholders of CMRSL (61.83%) according to the 35:8 swap ratio.
- **Post-Scheme Impact on Reserves:** Please refer **Annexure 19.**

b. Shareholder Approval & Statutory Requirements

- **Voting Threshold:** A majority in number representing three-fourths (75%) in value of the creditors or members present and voting (either in person or via proxy) must vote in favor of the scheme.
- **Meeting Platform:** As per NCLT's Order dated 16th October, 2026 on the First Motion Application, separate court-convened meetings will be conducted through Video Conferencing (VC) alongwith remote e-voting facility.
- **SEBI Rule:** Because the Transferor Company and the Transferee Company are listed with stock exchanges, hence SEBI Master Circular/Guidelines apply. According to SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20th June, 2023, voting on the scheme shall be through e-voting, and the votes cast by the public shareholders in favor of the scheme should exceed the votes cast by the public shareholders against it.

c. Other Relevant Details:

- **Appointed Date:** Appointed Date is April 01, 2026. The financial elements from this date onward shall get merged into CMIL upon the effectiveness of the Scheme.
- **Regulatory Clearances:** NSE, BSE & SEBI have issued their No Objection Letters dated 25th June, 2026.
- **Current Status:** The Hon'ble National Company Law Tribunal, Delhi Bench has allowed the first motion application. As per NCLT's order dated 16th October, 2026, the meetings for equity shareholders and unsecured creditors of the companies involved in the Scheme are being coordinated to prepare for the second motion application.

VI. Inspection of Documents:

Electronic copies of the following documents are available for inspection on the website of the Company at www.cybermedia.co.in:

a. Copy of the Order dated 16th October, 2026 passed by the Hon'ble NCLT, Delhi Bench, in the Company Scheme Application No. C.A.(CAA)/50/ND/2026, directing inter alia the

c. The merger will strategically position the merged entity as a single entity for marketing solutions for customers. CMIL has historically built strong customer relationships, products and brands. A merged entity will enable the businesses to focus on higher value creation for customers and therefore higher profitability. The merged companies' key business activities will comprise Marketing & Technology Solutions, Print & Digital Publications, Industry Research & Consulting and Event Management.

d. With Deep Tech playing a pivotal role in Viksit Bharat 2047, CyberMedia (merged entity) aims to establish market leading products across the above-mentioned categories. This will uniquely position the combined entity as a one-stop-shop for corporates and SMEs to choose for their transformation.

e. The merger will cause silos to be broken down resulting in cross-sell, up-sell of various products & services. This synergy will result in cross leveraging clients to fuel additional growth opportunities.

f. The merger will also strengthen decision making and optimize management bandwidth. The merged entity will therefore bring about a synergy at the strategic, decision-making and execution level.

g. The merged entity will lead to an increase in market capitalization. In addition to the aggregation of existing market caps of existing entities, the synergies will lead to enhancement of size and profitability. This would lay the roadmap for long-term growth both organic as well as inorganic.

h. The shares of CMRSL are listed on SME-Emerge Platform of NSE. The shares of CMIL are listed on the main board of NSE and BSE. CMIL shares have a far higher trading volume in number of transactions, quantity and value as compared to CMRSL shares. Upon merger, the shareholders of CMRSL will have better liquidity by trading in CMIL shares at the main board of NSE and BSE with no restriction on lot size. Therefore, CMRSL investors will find better liquidity and value for their holdings.

i. Merger will result in better cost management. Sales operations will become far more effective with a reduction in duplicate marketing and selling costs. Duplication at senior management level would be eliminated.

j. There will be reduction in administrative expenses as cost duplication over HR, finance, admin, accounts, legal functions are rationalized.

k. Further cost savings will be achieved because of reduced compliance costs. This would include statutory fee incurred on compliances., viz., General Meetings, NSE, NSDL, CDSL, RoC, RTA. Work related to statutory audit, internal audit, secretarial audit, income tax audit, GST, PF, ESI, Professional Tax, etc. will halve. So will the professional cost associated with the consultants engaged for these activities.

l. Therefore, the proposed amalgamation will create and provide more customers, better customer relationship, simplification of business processes, operational synergies, economies of scale, optimum utilization of resources, which will create stronger base for future growth.

m. The merger will improve cash flow which shall result in efficient utilization of capital at the combined entity level. The combined balance sheet will have better ROCE, debt equity ratio, current ratios, etc.

n. The merger will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholders' value and improve the competitive position and negotiating power of the combined entity.

7.3 The movable assets, other than those specified in Clause 7.2 above, including intangible assets, actionable claims, sundry debtors, outstanding loans and advances, if any, recoverable in cash or in kind or for value to be received, bank balances and deposits including deposits paid in relation to outstanding litigations, if any, with government, semi-government, local and other authorities and bodies, customers and other persons, shall without any further act, instrument or deed, be transferred to and vested into as the property of the Transferee Company. The Transferee Company may, if required, give notice in such form as it may deem fit and proper to each person or debtor that, pursuant to the Scheme, the said person or debtor should pay the debt, loan or advance or make good the same or hold the same to its account and that the rights of the Transferee Company to recover or realise the same is in substitution of the right of the Transferor Company and that appropriate entry should be passed in their respective books to record the aforesaid charges.

7.4 Without prejudice to any of the Clauses above, with effect from the Appointed Date and upon the Scheme becoming effective, all immovable properties, including land together with buildings and structure standing thereon, flats, whether freehold or leasehold, relating to any of the Transferor Company and any documents of title, rights, interest, claims, including leases, licenses and easements in relation thereto, shall, pursuant to the applicable provisions of the Act and the Scheme, without any further act, instrument, deed, matter or thing, stand transferred to and vested into the Transferee Company, as of the Appointed Date. The mutation of the title to the immovable properties shall be made and duly recorded by the appropriate authorities pursuant to the sanction of the Scheme and upon the Scheme becoming effective, in accordance with the terms hereof, in favour of the Transferee Company.

7.5 The transfer and vesting as aforesaid shall be subject to the existing charges/hypothecation/mortgages, if any, as may be substituting and agreed to be created over or in respect of the said assets or any part thereof, provided however, any reference in any security documents or arrangements to which the Transferor Company is a party wherein the assets of the Transferor Company have been or are offered or agreed to be

offered as security for any financial assistance or obligations shall be construed as reference only to the assets pertaining to the Transferor Company and vested in the Transferee Company by virtue of this Scheme to the end and intent that the charges shall not extend or deemed to extent to any assets of the Transferee Company.

7.6 Provided that the Scheme shall not operate to enlarge the security for the said liabilities of the Transferor Company which shall vest in the Transferee Company by virtue of the Scheme and the Transferee Company shall not be obliged to create any further, or additional security thereof after the merger by absorption has become effective or otherwise. The transfer/vesting of the assets of the Transferor Company as aforesaid shall be subject to the existing charges/hypothecation/mortgages over or in respect of the assets or any part thereof of the Transferor Company.

7.7 All debts, liabilities, duties and obligations of whatsoever nature of the Transferor Company shall also, without any further act, instrument or deed be transferred to and vested in and assumed by and/or deemed to be transferred to and vested in and assumed by the Transferee Company pursuant to the provisions of Sections 230 to 232 and all other applicable provisions of the Act, so as to become the debts, liabilities, duties and obligations of the Transferor Company and further that it shall not be necessary to obtain the consent of any third party or other person who is a party to any contract or arrangement by virtue of which debts, liabilities, duties and obligations have arisen, in order to give effect to the provisions of this Clause.

7.8 The Transferee Company may at any time after the coming into effect of the Scheme in accordance with the provisions of the Scheme, if so required, under any law or otherwise, execute Deeds of Confirmation, in favour of the creditors of the Transferor Company or in favour of any other party to any contract or arrangement to which the Transferor Company is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall under the provisions of the Scheme be deemed to be authorised to execute any such writings on behalf of the Transferor

Company and to implement or carry out all such formalities or compliance referred to above on the part of the Transferor Company to be carried out or performed.

7.9 With effect from the Appointed Date and upon the Scheme becoming effective, all development rights, statutory licenses, permissions, approvals or consents, if any, to carry on the operations and business of the Transferor Company shall stand vested in or transferred to the Transferee Company without any further act or deed and shall be appropriately mutated by the statutory authorities concerned in favour of the Transferee Company. The benefit of all statutory and regulatory permissions, environmental approvals and consents, registrations or other licenses and consents shall vest in and become available to the Transferee Company pursuant to this Scheme.

7.10 All taxes (including but not limited to disputed tax demands, advance tax, tax deducted at source, minimum alternate tax credits, dividend distribution tax, securities transaction tax, value added tax, goods and services tax, service tax, etc.) payable by or refundable to the Transferor Company, included all or any refunds or disputed tax demands, if confirmed, or claims shall be treated as the tax liability or refund/claims, as the case may be, of the Transferee Company. Any incentive, advantage, exemptions, other benefits, as would have been available to the Transferor Company, shall be available to the Transferee Company.

7.11 This part of the Scheme has been drawn up to comply with the conditions relating to 'Amalgamation' as specified under Section 2(1B) of the IT Act. If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the said Section of the IT Act, at a later date including resulting from an amendment of law or for any other reason whatsoever, the provisions of the said Section of the IT Act, shall prevail and the Scheme shall stand modified to the extent determined necessary to comply with Section 2(1B) of the IT Act. Such modification will however not affect the other parts of the Scheme.

7.12 All cheques and other negotiable instruments, payment orders received or presented for encashment which are in name of the Transferor Company after the Effective date shall be

accepted by the banker of the Transferee Company and credited to the account of the Transferee Company if presented by the Transferee Company. Similarly, the banker of the Transferee Company shall honor all cheques issued by the Transferor Company for payment after the Effective Date.

8. ISSUE OF SHARES BY THE TRANSFEREE COMPANY

8.1 Upon this Scheme becoming effective and in consideration for merger by absorption of the Transferor Company with the Transferee Company, the Transferee Company shall without any further application or deed, issue and allot shares, credited as fully paid-up, to the extent indicated below to the shareholders of the Transferor Company, holding fully paid-up equity shares and whose name appear in the register of members on the Effective date (other than the Transferee Company) (based upon the Benpos provided by the Depositories i.e. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) or to such of their respective heirs, executors, administrators or other legal representatives or other successors in title as may be recognised by the respective Board of Directors, in the following proportion:

35 fully paid-up equity shares of the face value of ₹ 10 each of the Transferee Company shall be issued and allotted at par for every 8 fully paid-up equity shares of the face value of ₹ 10 each held by the members of the Transferor Company.

8.2 No equity shares shall be issued and allotted in respect of fractional entitlements, if any, by the Transferee Company, to the members of the Transferor Company at the time of issue and allotment of equity shares under Clause 8.1 above.

8.3 The equity shares to be issued by the Transferee Company pursuant to Clause No. 8.1 above shall be issued and allotted in Demat mode only.

8.4 The New Equity Shares to be issued and allotted by the Transferee Company pursuant to this Scheme shall, upon allotment and subject to the provisions of this Scheme, rank *pari*

passu in all respects with the then existing equity shares of the Transferee Company, including with respect to dividend, voting rights and other corporate benefits attached thereto.

8.5 The equity shares to be issued and allotted by the Transferee Company pursuant to Clause 8.1 above shall be subject to the Scheme and the Memorandum and Articles of Association of the Transferee Company.

8.6 The Transferee Company shall take necessary steps to increase or alter or re-classify, (if necessary), its Authorised Share Capital suitably to enable it to issue and allot the shares required to be issued and allotted by it pursuant to Clause 8.1 of this Scheme.

8.7 Approval of this Scheme by the shareholders of the Transferee Company shall be considered adequate compliance of Section 62 of the Companies Act, 2013, and other relevant and applicable provisions of the Act for the issue and allotment of equity shares by the Transferee Company to the shareholders of the Transferor Company, as provided in this Scheme.

8.8 The approval of this Scheme by the shareholders of the Transferee Company under the Act shall be deemed to have the approval under Sections 13, 14 and other applicable provisions of the Act and the relevant provisions in the Articles of Association of the Transferee Company and any other consents and approvals required in this regard.

8.9 If any member of the Transferor Company becomes entitled to any fractional shares, entitlements or credit on the issue and allotment of the shares to be issued and allotted by the Transferee Company in accordance with Clause 8.1 above, the Board of the Transferee Company shall consolidate all such fractional entitlements and shall round up the aggregate of such fractions to the next whole number and issue consolidated shares to a trustee nominated by the Transferee Company (the "Trustee"), who shall hold such shares with all additions or accretions thereto in trust for the benefit of the respective shareholders, to whom they belong and their respective heirs, executors, administrators or successors for

the specific purpose of selling such equity shares in the market at such price or prices and such time or times within 90 (Ninety) days from the date of allotment, as the Trustee may in its sole discretion decide and on such sale, pay to the Transferee Company, the net sale proceeds (after deduction of applicable taxes and costs incurred) thereof and any additions and accretions, whereupon the Transferee Company shall, subject to withholding tax, if any, distribute such sale proceeds to the concerned shareholders of the Transferor Company in proportion to their respective fractional entitlements.

9. ACCOUNTING TREATMENT IN THE BOOKS OF THE TRANSFEREE COMPANY

9.1 Upon this Scheme becoming effective on the Effective Date, the Merger by Absorption/Amalgamation of the Transferor Company with the Transferee Company shall be accounted for in accordance with the applicable provisions of the Act; Accounting Standards prescribed under Section 133 of the Act; and Generally Accepted Accounting Principles in India (Indian GAAP), as the case may be. The Transferee Company shall give effect of this Scheme in its Books of Accounts in accordance with accounting prescribed under, 'Pooling of Interest' method in the Indian Accounting Standard (IndAS) 103- 'Business Combinations', Appendix C as notified under Section 133 of the Act read together with the Companies (Indian Accounting Standard) Rules, 2015, as amended from time to time. Notwithstanding anything above, the Transferee Company, in consultation with their statutory auditors, are authorised to account for this Scheme and effect thereof in any manner whatsoever as may be deemed fit in accordance with applicable accounting standards.

9.2 The Transferee Company shall, upon the Scheme becoming effective, record the assets and liabilities of the Transferor Company (as appearing in the books of accounts of the Transferor Company at the close of business on the day preceding the Appointed Date) as vested in the Transferee Company, at the respective book values thereof.

Report of the Audit Committee of Cyber Media Research & Services Limited recommending the Scheme of Amalgamation (Merger by Absorption) of Cyber Media Research & Services Limited into Cyber Media (India) Limited at its meeting held on January 24, 2026.

Members Present

1. Mr. Krishan Kant Tulshan — Chairperson
2. Mr. Rajesh Kumar — Member

1. **Background of the proposed Scheme:**

- A meeting of the Audit Committee of Cyber Media Research & Services Limited(**"Transferor Company"**) was held on January 24, 2026 to, inter alia, consider and recommend to the Board of Directors of the Company, the proposed Scheme of Amalgamation (Merger by Absorption) between Cyber Media Research & Services Limited (**"Transferor Company" or "CMRSL"**) and Cyber Media (India) Limited (**"Transferee Company" or "CMIL"**), their respective shareholders and creditors (**"the Scheme"**) under Sections 230 to 232 and other applicable provisions, if any, of the Companies Act, 2013 read with the rules made thereunder.

- The transferor company is a Company incorporated under the provisions of the Companies Act, 1956 and its equity shares are listed on Emerge Platform of National Stock Exchange of India Limited (NSE-SME).

- The transferee company is a Company incorporated under the provisions of the Companies Act, 1956 and the equity shares of CMIL are listed on the main Board of BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE').

- The Scheme, *inter-alia* provides for amalgamation of the Transferor Company with and into the Transferee Company and the consequent issuance of equity shares by the Transferee Company to the members of the Transferor Company whose names appear in the register of members as on the Record Date (other than the Transferee Company), and subsequent listing of such equity shares.

- The Appointed date for the purpose of this Scheme and for Income Tax Act, 1961 ("IT Act"), means April 01, 2026 or such other date as may be fixed or approved by NCLT or such other competent authority.

- This report of the Audit Committee is made in order to comply with the Master Circular bearing No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023 (**"SEBI Master Circular"**) on 'Scheme of Arrangement by Listed Entities' issued by Securities and Exchange Board of India ('SEBI'), and all other circulars and regulations issued by SEBI in this regard under Regulation 37 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") (hereinafter referred to as the "SEBI Circular") (including any amendment(s) or re-enactment(s) thereto).

- While deliberating on the Scheme, the Independent Directors, inter-alia, considered and took record of the following documents:

CYBER MEDIA RESEARCH & SERVICES LIMITED

a. Draft Scheme of Arrangement;

b. Valuation Report dated January 23, 2026 issued by Bhavin R. Patel & Associates, IBBI Registered Valuer, recommending the Share Exchange Ratio ('Valuation Report');

c. Fairness Opinion dated January 24, 2026 issued by Novus Capital Advisors Private Limited *(Formerly known as Fast Track Finsec Private Limited)*, Category I SEBI registered Merchant Banker, on the Share Exchange Ratio in the Valuation Report ('Fairness Opinion');

d. Certificate dated January 24, 2026, issued by M/s. Goel Mintri & Associates, Statutory Auditor of the Company, as required under SEBI Master Circular, certifying that the accounting treatment in the Scheme is in compliance with all the applicable Accounting Standards specified by the Central Government under Section 133 of the Companies Act, 2013; and

e. Other presentations, reports, documents and information pertaining to the Scheme made available to/ circulated to the Audit Committee.

2. **Salient Features of the Scheme**

- In consideration of the amalgamation of CMRSL into CMIL, based upon the Valuation Report dated January 23, 2026, issued by Bhavin R Patel & Associates, Registered Valuer, the following Share Exchange Ratio be and is hereby approved:

  "35(Thirty-five) fully paid up equity shares of the face value of ₹ 10 each of the Transferee Company shall, without any application or deed, be issued and allotted for every 8 (Eight) fully paid up equity shares of the face value of ₹ 10 each held by the members of the Transferor Company.

  All the equity shares issued and allotted as such shall rank pari passu in all respects with the existing equity shares of the Transferee Company.

  No equity shares shall be issued in respect of fractional entitlements, if any, by the Transferee Company, to the members of the Transferor Company at the time of issue and allotment of equity shares.

- Upon the Scheme coming into effect and with effect from the Appointed Date, CMIL shall account for the merger in its books as per the applicable accounting principles prescribed under Indian Accounting Standard (IndAS) 103 Appendix C or such other accounting principles as may be applicable or prescribed under the Act.

- Appointed Date stated in the Scheme is April 01, 2026.

- Effective Date for the proposed Scheme is the date on which the Scheme shall become effective pursuant to Clause 3.7 of the Scheme.

- The shareholders of the Transferor Company will be allotted shares of the Transferee Company in accordance with the share exchange ratio, as set out in the Valuation Report.

- The entire paid-up share capital of the Transferor Company shall stand cancelled in its

entirety without any further act or deed upon the Scheme becoming effective. The Transferor Company shall stand dissolved without being wound up.

- The effectiveness of the Scheme is contingent upon certain conditions as mentioned in the Scheme, which interlia include:

  (i) Obtaining No objection letter(s), approvals, consent from lenders, customers, vendors, the Stock Exchanges in relation to the Scheme under Regulation 37 of SEBI LODR and SEBI Master Circular;
  (ii) Approval of the Scheme by the requisite majority in number and value of such classes of persons including the respective shareholders and / or creditors of the Transferee Company and / or Transferor Companies, as may be required or directed by the Tribunal;
  (iii) Obtaining the sanction of the Tribunal under Sections 230 to 232 and other applicable provisions of the Act;
  (iv) The certified copy of the order of the Tribunal under Sections 230 to 232 and other applicable provisions of the Act sanctioning the Scheme being filed with the Registrar of Companies by the Transferor Companies and the Transferee Company.

3. **Need for the Arrangement and Rationale of the Scheme**

The Audit Committee noted the need and the rationale of the Scheme and that the Proposed Amalgamation would be in the best interest of the Transferor Company and Transferee Company and their respective stakeholders as the Proposed Amalgamation will yield advantages as set out below:

a. CMIL is renowned in the Indian technology media landscape with a legacy spanning over four decades. With strong national brands including Dataquest, PCQuest, Voice&Data, etc., the media business of CMIL has successfully navigated to digital content for its communities and customers by expanding its offerings of media and content services to include media mesh, online platforms and phygital events.

b. CMRSL is engaged in ad tech and data analytics business. The Company has four revenue streams i.e., Digital Marketing, Programmatic Media Buying, Publisher Monetization, and Data Analytics. These together form the pillars of the digital marketing landscape. This drives higher conversions and sales for advertisers and enables publishers to earn more. CMRSL's algorithms leverage large sets of data, process it via AI engines to provide the right results, therefore simplifying digital marketing. CMGalaxy, Auxo Ads and CyberAds are CMRSL's propriety products for different stakeholders in the ecosystem.

c. The merger will strategically position the merged entity as a single entity for marketing solutions for customers. CMIL has historically built strong customer relationships, products and brands. A merged entity will enable the businesses to focus on higher value creation for customers and therefore higher profitability. The merged companies' key business activities will comprise Marketing & Technology Solutions, Print & Digital Publications, Industry Research & Consulting and Event Management.

d. With Deep Tech playing a pivotal role in Viksit Bharat 2047, CyberMedia (merged entity) aims to establish market leading products across the above-mentioned categories. This will uniquely position the combined entity as a one-stop-shop for corporates and SMEs to choose for their transformation.

CYBER MEDIA RESEARCH & SERVICES LIMITED

e. The merger will cause silos to be broken down resulting in cross-sell, up-sell of various products & services. This synergy will result in cross leveraging clients to fuel additional growth opportunities.

f. The merger will also strengthen decision making and optimize management bandwidth. The merged entity will therefore bring about a synergy at the strategic, decision-making and execution level.

g. The merged entity will lead to an increase in market capitalization. In addition to the aggregation of existing market caps of existing entities, the synergies will lead to enhancement of size and profitability. This would lay the roadmap for long-term growth both organic as well as inorganic.

h. The shares of CMRSL are listed on SME-Emerge Platform of NSE. The shares of CMIL are listed on the main board of NSE and BSE. CMIL shares have a far higher trading volume in number of transactions, quantity and value as compared to CMRSL shares. Upon merger, the shareholders of CMRSL will have better liquidity by trading in CMIL shares at the main board of NSE and BSE with no restriction on lot size. Therefore, CMRSL investors will find better liquidity and value for their holdings.

i. Merger will result in better cost management. Sales operations will become far more effective with a reduction in duplicate marketing and selling costs. Duplication at senior management level would be eliminated.

j. There will be reduction in administrative expenses as cost duplication over HR, finance, admin, accounts, legal functions are rationalized.

k. Further cost savings will be achieved because of reduced compliance costs. This would include statutory fee incurred on compliances., viz., General Meetings, NSE, NSDL, CDSL, RoC, RTA. Work related to statutory audit, internal audit, secretarial audit, income tax audit, GST, PF, ESI, Professional Tax, etc. will halve. So will the professional cost associated with the consultants engaged for these activities.

l. Therefore, the proposed amalgamation will create and provide more customers, better customer relationship, simplification of business processes, operational synergies, economies of scale, optimum utilization of resources, which will create stronger base for future growth.

m. The merger will improve cash flow which shall result in efficient utilization of capital at the combined entity level. The combined balance sheet will have better ROCE, debt equity ratio, current ratios, etc.

n. The merger will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholders' value and improve the competitive position and negotiating power of the combined entity.

Synergies of business of the entities involved in the Scheme

Upon effectiveness of the Scheme, the benefits and synergies as mentioned in paragraph 3 above are expected to be derived by the respective companies.

5. **Impact of the Scheme on the shareholders of the Transferor Company**

(i) The scheme is expected to be beneficial to the shareholders (promoter and non-promoter shareholders) of the Transferor Company leading to opportunity for growth and value creation in the long run and maximizing the value and returns to the shareholders, achieving

cost and operational efficiencies;

(ii) In consideration for the amalgamation of the Transferor Company with the Transferee Company, the shareholders of the Transferor Company, as on the Record Date (as defined in the Scheme) shall receive equity shares of the Transferee Company. The equity shares to be issued by the Transferee Company to the shareholders of the Transferor Company pursuant to the Scheme shall rank pari-passu in all respects with the existing equity shares of the Transferee Company. The Fairness Opinion issued above opines that the share exchange ratio, as proposed by the registered valuer, is fair to the shareholders of the Transferor Company from a financial point of view;

(iii) The shareholders of the Transferor Company will become the shareholders of the Transferee Company.

(iv) Upon the Scheme becoming effective, the Transferor Company shall be dissolved without being wound up and the shareholders of the Transferor Company shall become shareholders of the Transferee Company.

After discussions and deliberations on the rationale and expected benefits of the Scheme, the Audit Committee has concluded that the Scheme will not have any detrimental impact on the shareholders of CMRSL. Upon review the Scheme and other related documents, the Audit Committee is of the opinion that the proposed merger is in the best interests of the shareholders of both the Companies involved in the amalgamation. The Scheme is expected to bring about operational efficiencies, cost savings, and strategic advantages for the combined entity without adversely affecting the interests of the shareholders. Therefore, the Audit Committee supports the implementation of the Scheme as it aligns with CMRSL's commitment to enhancing shareholders' value while ensuring growth and competitiveness in the media business.

6. **Cost Benefit Analysis of the Scheme**

The proposed amalgamation will create and provide operational synergies, economies of scale, optimum utilization of resources, elimination of duplication and rationalization of administrative expenses. The benefits of the Scheme would, over a longer period of time, outweigh the costs incurred towards implementation of the Scheme.

7. **Recommendation of the Audit Committee**

The Audit Committee after due deliberations and consideration of all the terms of the draft Scheme, the Valuation Report, Fairness Opinion and certificates issued by Statutory Auditors of the Transferor Company have noted the rationale, benefits and impact of the Scheme on the shareholders of CMRSL and have noted that the scheme is not detrimental to the shareholders of the Company. The Audit Committee recommends the Scheme for favorable consideration by the Board of Directors of CMRSL.

d. Certificate dated January 24, 2026, issued by M/s. S. Agarwal & Co., Statutory Auditor of the Company, as required under SEBI Master Circular, certifying that the accounting treatment in the Scheme is in compliance with all the applicable Accounting Standards specified by the Central Government under Section 133 of the Companies Act, 2013; and

e. Other presentations, reports, documents and information pertaining to the Scheme made available to/ circulated to the Audit Committee.

2. Salient Features of the Scheme

- In consideration of the amalgamation of CMRSL into CMIL, based upon the Valuation Report dated January 23, 2026 issued by Bhavin R Patel & Associates, Registered Valuer, the following Share Exchange Ratio be and is hereby approved:

  35 (Thirty-Five) Equity Shares of CMIL of ₹ 10 each fully paid up for every 08 (Eight) equity shares of CMRSL of ₹ 10 each fully paid up.

  All the equity shares issued and allotted as such shall rank pari passu in all respects with the existing equity shares of the Transferee Company.

  No equity shares shall be issued in respect of fractional entitlements, if any, by the Transferee Company, to the members of the Transferor Company at the time of issue and allotment of equity shares.

- Upon the Scheme coming into effect and with effect from the Appointed Date, CMIL shall account for the merger in its books as per the applicable accounting principles prescribed under Indian Accounting Standard (IndAS) 103 Appendix C or such other accounting principles as may be applicable or prescribed under the Act.

- Appointed Date stated in the Scheme is April 01, 2026.

- Effective Date for the proposed Scheme is the date on which the Scheme shall become effective pursuant to Clause 3.7 of the Scheme.

- The Scheme is conditional upon approval by the public shareholders through e-voting in terms of Para (A)(10)(a) of Part I of SEBI Master Circular and the Scheme shall be acted upon only if the number of votes cast by the public shareholders in favour of the proposal are more than the number of votes cast by the public shareholders against it.

3. Need for the Arrangement and Rationale of the Scheme

The Audit Committee noted the need and the rationale of the Scheme and that the Proposed Amalgamation would be in the best interest of the Transferor Company and Transferee Company and their respective stakeholders as the Proposed Amalgamation will yield advantages as set out below:

CYBER MEDIA (INDIA) LIMITED NEW DELHI

a. CMIL is renowned in the Indian technology media landscape with a legacy spanning over four decades. With strong national brands including Dataquest, PCQuest, Voice&Data, etc., the media business of CMIL has successfully navigated to digital content for its communities and customers by expanding its offerings of media and content services to include media mesh, online platforms and phygital events.

b. CMRSL is engaged in ad tech and data analytics business. The Company has four revenue streams i.e., Digital Marketing, Programmatic Media Buying, Publisher Monetization, and Data Analytics. These together form the pillars of the digital marketing landscape. This drives higher conversions and sales for advertisers and enables publishers to earn more. CMRSL's algorithms leverage large sets of data, process it via AI engines to provide the right results, therefore simplifying digital marketing. CMGalaxy, Auxo Ads and CyberAds are CMRSL's propriety products for different stakeholders in the ecosystem.

c. The merger will strategically position the merged entity as a single entity for marketing solutions for customers. CMIL has historically built strong customer relationships, products and brands. A merged entity will enable the businesses to focus on higher value creation for customers and therefore higher profitability. The merged companies' key business activities will comprise Marketing & Technology Solutions, Print & Digital Publications, Industry Research & Consulting and Event Management.

d. With Deep Tech playing a pivotal role in Viksit Bharat 2047, CyberMedia (merged entity) aims to establish market leading products across the above-mentioned categories. This will uniquely position the combined entity as a one-stop-shop for corporates and SMEs to choose for their transformation.

e. The merger will cause silos to be broken down resulting in cross-sell, up-sell of various products & services. This synergy will result in cross leveraging clients to fuel additional growth opportunities.

f. The merger will also strengthen decision making and optimize management bandwidth. The merged entity will therefore bring about a synergy at the strategic, decision-making and execution level.

g. The merged entity will lead to an increase in market capitalization. In addition to the aggregation of existing market caps of existing entities, the synergies will lead to enhancement of size and profitability. This would lay the roadmap for long-term growth both organic as well as inorganic.

h. The shares of CMRSL are listed on SME Platform of NSE i.e. NSE Emerge. The shares of CMIL are listed on the main board of NSE and BSE. CMIL shares have a far higher trading volume in number of transactions, quantity and value as compared to CMRSL shares. Upon merger, the shareholders of CMRSL will have better liquidity by trading in CMIL shares at the main board of NSE and BSE with no restriction on lot size. Therefore, CMRSL investors will find better liquidity and value for their holdings.

i. Merger will result in better cost management. Sales operations will become far more effective with a reduction in duplicate marketing and selling costs. Duplication at senior management level would be eliminated.

CYBER MEDIA (INDIA) LIMITED NEW DELHI

j. There will be reduction in administrative expenses as cost duplication over HR, finance, admin, accounts, legal functions are rationalized.

k. Further cost savings will be achieved because of reduced compliance costs. This would include statutory fee incurred on compliances., viz., General Meetings, NSE, NSDL, CDSL, RoC, RTA. Work related to statutory audit, internal audit, secretarial audit, income tax audit, GST, PF, ESI, Professional Tax, etc. will halve. So will the professional cost associated with the consultants engaged for these activities.

l. Therefore, the proposed amalgamation will create and provide more customers, better customer relationship, simplification of business processes, operational synergies, economies of scale, optimum utilization of resources, which will create stronger base for future growth.

m. The merger will improve cash flow which shall result in efficient utilization of capital at the combined entity level. The combined balance sheet will have better ROCE, debt equity ratio, current ratios, etc.

n. The merger will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholders' value and improve the competitive position and negotiating power of the combined entity.

4. Synergies of business of the entities involved in the Scheme

Upon effectiveness of the Scheme, the benefits and synergies as mentioned in paragraph 3 above are expected to be derived by the respective companies.

5. Impact of the Scheme on the shareholders of the Transferee Company

In consideration for the amalgamation of CMRSL into CMIL, all the members of CMRSL as on the Record Date shall receive equity shares of CMIL.

Post merger, the shareholding of the 'Promoter & Promoter Group' of CMIL will decrease by 16.45%.

After discussions and deliberations on the rationale and expected benefits of the Scheme, the Audit Committee has concluded that the Scheme will not have any material impact on the shareholders of CMIL. Upon review the Scheme and other related documents, the Audit Committee is of the opinion that the proposed merger is in the best interests of the shareholders of both the Companies involved in the amalgamation. The Scheme is expected to bring about operational efficiencies, cost savings, and strategic advantages for the combined entity without adversely affecting the interests of the shareholders. Therefore, the Audit Committee supports the implementation of the Scheme as it aligns with CMIL's commitment to enhancing shareholders' value while ensuring growth and competitiveness in the media business.

6. Cost Benefit Analysis of the Scheme

The proposed amalgamation will create and provide operational synergies, economies of scale, optimum utilisation of resources, elimination of duplication and rationalisation of administrative expenses. The benefits of the Scheme would, over a longer period of time, outweigh the costs incurred towards implementation of the Scheme.

7. **Recommendation of the Audit Committee**

The Audit Committee after taking into consideration the documents stated hereinabove, rationale of the Scheme and impact of the Scheme on the shareholders of CMIL recommends the Scheme for favourable consideration by the Board of Directors of CMIL.

4. Impact of the Scheme on the Transferor Company and the Shareholders (Promoter/Public shareholders)

(i) The scheme is expected to be beneficial to the shareholders (promoter and non-promoter shareholders) of the Transferor Company leading to opportunity for growth and value creation in the long run and maximizing the value and returns to the shareholders, achieving cost and operational efficiencies;

(ii) In consideration for the amalgamation of the Transferor Company with the Transferee Company, the shareholders of the Transferor Company, as on the Record Date (as defined in the Scheme) shall receive equity shares of the Transferee Company. The equity shares to be issued by the Transferee Company to the shareholders of the Transferor Company pursuant to the Scheme shall rank pari-passu in all respects with the existing equity shares of the Transferee Company. The Fairness Opinion issued above opines that the share exchange ratio, as proposed by the registered valuer, is fair to the shareholders of the Transferor Company from a financial point of view;

(iii) The shareholders of the Transferor Company will become the shareholders of the Transferee Company

(iv) Upon the Scheme becoming effective, the Transferor Company shall be dissolved without being wound up and the shareholders of the Transferor Company shall become shareholders of the Transferee Company.

5. Scheme not detrimental to the Shareholders of CMRSL

The ID Committee discussed and deliberated on the rationale and expected benefits of the Scheme. In view of the same, draft Scheme and other documents presented to the ID Committee, it is noted that the Scheme shall not have any detrimental impact on the shareholders of CMRSL. The ID Committee is of the opinion that the Scheme is not detrimental to the interest of the shareholders of CMRSL.

6. Recommendation of the ID Committee

The ID Committee after due deliberations and consideration of all the terms of the draft Scheme, the Valuation Report, Fairness Opinion and certificates issued by Statutory Auditors of the Transferor Company have noted the rationale, benefits and impact of the Scheme on the shareholders of CMRSL and have noted that the scheme is not detrimental to the shareholders of the Company. Accordingly, the ID committee recommends the Scheme for favourable consideration and approval by the Board of Directors of CMRSL.

Report adopted by the Board of Directors of Cyber Media Research & Services Limited at its meeting held on January 24, 2026 explaining effect of the Scheme on shareholders, key managerial personnel, creditors and employees laying out in particular the Share Exchange Ratio under the provisions of Section 232(2)(c) of the Companies Act, 2013,

---

1. Background

1.1 The Board of Directors (**"Board"**) of Cyber Media Research & Services Limited at its meeting held on January 24, 2026 has considered and approved the Draft Scheme of Amalgamation (Merger by Absorption) between Cyber Media Research & Services Limited **("Transferor Company" or "CMRSL")** and Cyber Media (India) Limited **("Transferee Company" or "CMIL")**, their respective shareholders and creditors **("the Scheme")** under the provisions of Sections 230 to 232 and other applicable provisions, if any, of the Companies Act, 2013 read with the rules made thereunder.

1.2 The Scheme, *inter-alia* provides for amalgamation of the Transferor Company with and into the Transferee Company and the consequent issuance of equity shares by the Transferee Company to the members of the Transferor Company whose names appear in the register of members as on the Record Date (other than the Transferee Company), and subsequent listing of such equity shares.

1.3 The equity shares of CMIL are listed on BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE'). The equity shares of CMRSL are listed on NSE (SME-Emerge Portal).

1.4 As per Section 232(2)(c) of the Companies Act, 2013, a report adopted by the Board explaining effect of the Scheme on shareholders, key managerial personnel, creditors and employees laying out in particular the Share Exchange Ratio is required to be circulated to the shareholders and/or creditors alongwith the notice convening the meeting of shareholders and/or creditors, if ordered, by the jurisdictional National Company Law Tribunal ("NCLT").

1.5 This report of the Board is being made in pursuance of the requirements of Section 232(2)(c) of the Companies Act, 2013.

1.6 Upon the Scheme coming into effect and with effect from the Appointed Date, CMIL shall account for the merger in its books as per the applicable accounting principles prescribed under Indian Accounting Standard (IndAS) 103 or such other accounting principles as may be applicable or prescribed under the Act.

1.7 Appointed Date stated in the Scheme is April 01, 2026.

1.8 Effective Date for the proposed Scheme is the date on which the Scheme shall become effective pursuant to Clause 3.7 of the Scheme.

1.9 The following documents were, inter-alia, placed before the Board:

Further, the shareholding of CMIL in CMRSL will be cancelled consequent to merger. All the consideration will be discharged at arm's length and as per the independent valuation. There will be no other benefit that will flow to the promoters other than that mentioned in the draft

CYBER MEDIA RESEARCH & SERVICES LIMITED New Delhi

- All costs, charges and expenses relating to the Scheme will be borne by CMIL.

3.2 Effect on the Key Managerial Personnel (KMPs) and Directors

In pursuance of the Scheme becoming effective, CMRSL will get dissolved. Consequently, the KMPs and Directors will get released automatically from all the responsibilities of CMRSL.

KMPs and Directors of CMRSL and their respective relatives may be deemed to be concerned and/or interested in the Scheme only to the extent of their shareholding, if any, in CMRSL, or to the extent the said KMPs/Directors are the partners, directors, members of the companies, firms, association of persons, body corporate and / or beneficiary of the trust that holds shares in CMRSL, as and if applicable.

3.3 Effect on the Creditors

Under the Scheme, there is no arrangement with the creditors (secured or unsecured) of CMRSL. No compromise is offered under the Scheme to any of the creditors of CMRSL. The liability towards creditors of CMRSL, under the Scheme, is neither being reduced nor being extinguished, it shall get transferred and assigned to CMIL from the date of Scheme becoming effective, as if it were of CMIL.

3.4 Effect on the staff or employees

Under the Scheme, no rights of the staff and employees of CMRSL are being affected. The services of the staff and employees of CMRSL shall get shifted and transferred to CMIL and shall be continued on the same terms and conditions as was prior to the proposed Scheme.

4. Conclusion

While deliberating the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter/public shareholders), key managerial personnel, creditors and employees. The Scheme is in the best interest of the shareholders (promoters and non-promoter/public shareholders), key managerial personnel, creditors and employees of CMIL and there shall be no prejudice caused to them in any manner by the Scheme.

Report adopted by the Board of Directors of Cyber Media (India) Limited at its meeting held on January 24, 2026 explaining effect of the Scheme on shareholders, key managerial personnel, creditors and employees laying out in particular the Share Exchange Ratio under the provisions of Section 232(2)(c) of the Companies Act, 2013.

---

1. Background

1.1 The Board of Directors (**"Board"**) of Cyber Media (India) Limited at its meeting held on January 24, 2026 has considered and approved the Draft Scheme of Amalgamation (Merger by Absorption) between Cyber Media Research & Services Limited **("Transferor Company" or "CMRSL")** and Cyber Media (India) Limited **("Transferee Company" or "CMIL")**, their respective shareholders and creditors **("the Scheme")** under the provisions of Sections 230 to 232 and other applicable provisions, if any, of the Companies Act, 2013 read with the rules made thereunder.

1.2 The Scheme, *inter-alia* provides for amalgamation of the Transferor Company with and into the Transferee Company and the consequent issuance of equity shares by the Transferee Company to the members of the Transferor Company whose names appear in the register of members as on the Record Date (other than the Transferee Company), and subsequent listing of such equity shares.

1.3 The equity shares of CMIL are listed on BSE Limited ('BSE') and National Stock Exchange of India Limited ('NSE'). The equity shares of CMRSL are listed on NSE (SME-Emerge Portal).

1.4 As per Section 232(2)(c) of the Companies Act, 2013, a report adopted by the Board explaining effect of the Scheme on shareholders, key managerial personnel, creditors and employees laying out in particular the Share Exchange Ratio is required to be circulated to the shareholders and/or creditors alongwith the notice convening the meeting of shareholders and/or creditors, if ordered, by the jurisdictional National Company Law Tribunal ("NCLT").

1.5 This report of the Board is being made in pursuance of the requirements of Section 232(2)(c) of the Companies Act, 2013.

1.6 Upon the Scheme coming into effect and with effect from the Appointed Date, CMIL shall account for the merger in its books as per the applicable accounting principles prescribed under Indian Accounting Standard (IndAS) 103 or such other accounting principles as may be applicable or prescribed under the Act.

1.7 Appointed Date stated in the Scheme is April 01, 2026.

1.8 Effective Date for the proposed Scheme is the date on which the Scheme shall become effective pursuant to Clause 3.7 of the Scheme.

1.9 The following documents were, inter-alia, placed before the Board:

a. Draft Scheme of Arrangement;

CYBER MEDIA (INDIA) LIMITED NEW DELHI

b. Valuation Report dated January 24, 2026 issued by Bhavin R Patel & Associates, IBBI Registered Valuer, recommending the Share Exchange Ratio ('Valuation Report');

c. Fairness Opinion dated January 24, 2026 issued by Novus Capital Advisors Private Limited *(Formerly known as Fast Track Finsec Private Limited)*, Category I SEBI registered Merchant Banker, on the Share Exchange Ratio in the Valuation Report ('Fairness Opinion');

d. Certificate dated January 24, 2026, issued by M/s. S. Agarwal & Co., Statutory Auditor of the Company, as required under SEBI Master Circular, certifying that the accounting treatment in the Scheme is in compliance with all the applicable Accounting Standards specified by the Central Government under Section 133 of the Companies Act, 2013;

e. Report of the Audit Committee on the Scheme;

f. Report of the Committee of Independent Directors; and

g. Last three years audited financial statements of CMRSL and CMIL.

2. Valuation Report – Share Exchange Ratio

2.1 In consideration of the amalgamation of CMRSL into CMIL, based upon the Valuation Report dated January 24, 2026 issued by Bhavin R Patel & Associates, Registered Valuer, the following Share Exchange Ratio be and is hereby approved:

"XX (XXXXX) fully paid up equity shares of the face value of ₹ 10 each of the Transferee Company shall, without any application or deed, be issued and allotted for every XX (XXXX) fully paid up equity shares of the face value of ₹ 10 each held by the members of the Transferor Company.

2.2 All the equity shares issued and allotted as such shall rank pari passu in all respects with the existing equity shares of the Transferee Company.

2.3 No equity shares shall be issued in respect of fractional entitlements, if any, by the Transferee Company, to the members of the Transferor Company at the time of issue and allotment of equity shares.

3. Effect of Scheme of Merger on the Shareholders (Promoters and Non-Promoter Shareholders), Key Managerial Personnel, Creditors, Employees and Directors

3.1 **Effect on Shareholders (Promoters and Non-Promoter Shareholders)**

- The Scheme provides for issuance and allotment of Equity Shares of CMIL on a proportionate basis to each member of CMRSL or to their executors, administrators, other legal representatives or the successor entitled, as the case may be, whose name appear in the Register of Members as on the record date as per the Share Exchange Ratio. Further, the shareholding of CMIL in CMRSL will be cancelled consequent to merger. All the consideration will be discharged at arm's length and as per the independent valuation. There will be no other benefit that will flow to the promoters other than that mentioned in the draft Scheme.

CYBER MEDIA (INDIA) LIMITED NEW DELHI

- The post-merger shareholding of the Promoter & Promoter Group of CMIL will decrease by 16.45%. Consequently, the shareholding of the Promoter & Promoter Group in CMIL will change in accordance with the changes in the non-promoter/public shareholding.

- All costs, charges and expenses relating to the Scheme will be borne by CMIL.

3.2 Effect on the Key Managerial Personnel and Directors

- CMIL is not expecting any change in the Key Managerial Personnel and Directors in pursuance of the Scheme becoming effective.

- Key Managerial Personnel and Directors of CMIL and their respective relatives may be deemed to be concerned and/or interested in the Scheme only to the extent of their shareholding, if any, in CMIL, or to the extent the said Key Managerial Personnel / Directors are the partners, directors, members of the companies, firms, association of persons, body corporate and / or beneficiary of the trust that holds shares in CMIL, as and if applicable.

3.3 Effect on the Creditors

Under the Scheme, there is no arrangement with the creditors (secured or unsecured) of CMIL. No compromise is offered under the Scheme to any of the creditors of CMIL. The liability towards creditors of CMIL, under the Scheme, is neither being reduced nor being extinguished.

3.4 Effect on the staff or employees

Under the Scheme, no rights of the staff and employees of CMIL are being affected. The services of the staff and employees of CMIL shall continue on the same terms and conditions as was prior to the proposed Scheme and there is no case of transfer of employees of CMIL as part of the Scheme.

4. Conclusion

While deliberating the Scheme, the Board has considered its impact on each of the shareholders (promoters and non-promoter/public shareholders), key managerial personnel, creditors and employees. The Scheme is in the best interest of the shareholders (promoters and non-promoter/public shareholders), key managerial personnel, creditors and employees of CMIL and there shall be no prejudice caused to them in any manner by the Scheme.

Sub: Recommendation of fair equity share exchange ratio for the proposed amalgamation of Cyber Media Research & Services Limited with Cyber Media (India) Limited

Dear Sir/Madam,

We refer to our engagement letter by Cyber Media (India) Limited ("CMIL") and Cyber Media Research & Services Limited ("CMRSL") for recommendation of fair equity share exchange ratio ("Share Exchange Ratio") for the proposed amalgamation of CMRSL with CMIL ("Proposed Amalgamation").

CMIL and CMRSL are hereinafter jointly referred to as "Companies".

M/s. Bhavin R Patel & Associates is hereinafter referred to as 'the Valuer', 'we', 'our', 'us'.

The Share Exchange Ratio for this report refers to number of equity shares of CMIL which would be issued to the equity shareholders of CMRSL pursuant to the Proposed Amalgamation.

Our deliverable for this engagement would be a report ("Report") recommending fair equity share exchange ratio for the Proposed Amalgamation with January 23, 2026, being the "Valuation Date".

For the purpose of this valuation, the valuation is based on 'Going Concern' premise.

SCOPE AND PURPOSE OF THE REPORT

Cyber Media Research & Services Limited is a public limited company incorporated under the Companies Act, 1956, having its registered office at D-74, Panchsheel Enclave, New Delhi-110017, India, with Permanent Account Number: AAACI2770A and Corporate Identification Number: L74130DL1996PLC081509. CMRSL was incorporated on August 29, 1996. CMRSL is, inter alia, engaged in the business of providing services related to digital marketing, advertisements, social media campaign, search engine optimisation, management consulting, market research and analysis, etc. CMRSL's shares (as defined hereinafter) are listed on NSE.

We understand that the management of the Companies (hereinafter collectively referred to as "the Management") are evaluating an amalgamation of CMRSL into CMIL through a Scheme of Amalgamation ("Scheme") under the provisions of Sections 230-232 and the other applicable provisions of the Companies Act, 2013.

In this connection, the Board of Directors of the Companies have appointed us as Registered Valuer, to recommend a fair equity share exchange ratio ("Share Exchange Ratio"), for issue of CMIL's equity shares to the equity shareholders of CMRSL for the Proposed Amalgamation, to be placed before the Audit Committee/ Board of Directors of the Companies.

We understand that the Appointed Date for the Proposed Amalgamation as per the Scheme means the Effective Date, or such other date as may be approved by the Board of the amalgamating Companies.

The scope of our services is to conduct a fair valuation of equity shares of the Companies on a relative basis and report Share Exchange Ratio for the Proposed Amalgamation.

We have been provided with the limited reviewed financials of CMIL and CMRSL for the six months period ended September 30, 2025. We have taken into consideration the current market parameters in our analysis and have made adjustments for additional facts made known to us till the date of our Report. Further, we have been informed that all material information impacting the Companies has been disclosed to us.

We have been informed by the Management that:

a) there would not be any capital variation in the Companies till the Proposed Amalgamation becomes effective. In the event that either of the Companies restructure their equity share capital by way of share split/ consolidation/ issue of bonus shares before the Proposed Amalgamation becomes effective, the issue of shares pursuant to the Share Exchange Ratio recommended in this Report shall be adjusted accordingly to take into account the effect of any such corporate actions.

b) till the Proposed Amalgamation becomes effective, neither Company would declare any substantial dividends having materially different yields as compared to past few years.

c) there are no unusual/ abnormal events in the Companies materially impacting their operations/ financial position after September 30, 2025 till the Report date.

SCOPE LIMITATIONS, ASSUMPTIONS, QUALIFICATIONS, EXCLUSIONS AND DISCLAIMERS

Provision of valuation opinions and consideration of the issues described herein are areas of our regular practice. The services do not represent accounting, assurance, accounting / tax due diligence, consulting or tax related services that may otherwise be provided by us.

This Report has been prepared for the purposes stated herein and should not be relied upon for any other purpose. The Companies are the only authorized users of this report and use of the report is restricted for the purpose indicated in the respective engagement letter. To the extent mandatorily required under applicable laws of India, this Report may be produced before judicial, regulatory or government authorities, in connection with the proposed Scheme. This restriction does not preclude the Companies from providing a copy of the Report to third-party advisors whose review would be consistent with the intended use. We do not take any responsibility for the unauthorized use of this Report. If any person/ party (other than the Companies) chooses to place reliance upon any matters included in the Report, they shall do so at their own risk and without recourse to us.

While our work has involved an analysis of financial information and accounting records, our engagement does not include an audit in accordance with generally accepted auditing standards of the Companies' existing business records. Accordingly, we express no audit opinion or any other form of assurance regarding the truth and fairness of the financial position as indicated in the historical financials/ financial statements and projections of the Companies. Our Scope did not involve financial or technical feasibility study. We have not done any independent technical valuation or appraisal or due diligence of the assets or liabilities of the Companies. Also, with respect to explanations and information sought from the Companies, we have been given to understand by the Companies that they have not omitted any relevant and material factors and that they have checked the relevance or materiality of any specific information to the present exercise with us in case of any doubt. Our conclusion is based on the information provided by/on behalf of the Companies.

This Report, its contents and the results herein are specific to (i) the purpose of valuation agreed as per the terms of our engagement; (ii) the Valuation Date; (ii) limited reviewed financials of CMIL and CMRSL, and (iv) other information obtained by us from time to time. We have been informed that the business activities of the Companies have been carried out in the normal and ordinary course between September 30, 2025 and the Report date and that no material changes have occurred in their respective operations and financial position between September 30, 2025 and the Report date.

In no event shall we be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or willful default on part of the Companies, their directors, employees or agents.

The management of the Companies warranted us that the information they supplied was complete, accurate and true and correct to the best of their knowledge. We have relied upon the representations of the management, concerning the financial data, operational data and other information, except as specifically stated to the contrary in the Report.

We are not aware of any contingency, commitment or material issue which could materially affect the Companies' economic environment and future performance and therefore, the equity value of the Companies.

Whilst we have conducted analysis of the financial projections of CMIL and CMRSL for arithmetic and logical consistency, our review was not in the nature of an audit/ a due diligence. We do not express an opinion as to how closely the actual revenues, expenses, cash flows and position of assets and liabilities will correspond to these financial projections. There will usually be differences between predicted and actual results and those differences may be material. The Management have provided us with a set of financial projections that are based on internal estimates including growth expectations of end user industries, cost estimations, etc. and represent their best estimate of the expected performance of CMIL and CMRSL going forward. We take no responsibility for the achievement of the predicted results.

Our Report is not, nor should it be construed as recommending the Proposed Amalgamation or anything consequential thereto/ resulting therefrom. This Report does not address the relative merits of the Proposed Amalgamation as compared with any other alternatives or whether or not such alternatives could be achieved or are available. Any decision by the Companies/ their shareholders/ creditors regarding whether or not to proceed with the Proposed Amalgamation shall rest solely with them. We express no opinion or recommendation as to how the shareholders/ creditors of the Companies should vote at any shareholders'/ creditors' meeting(s) to be held in connection with the Proposed Amalgamation. This Report does not in any manner address, opine on or recommend the prices at which the securities of the Companies could or should transact at following the announcement/ consummation of the Proposed Amalgamation. Our Report and the opinion/ valuation analysis contained herein is not nor should it be construed as advice relating to investing in, purchasing, selling or otherwise dealing in securities or as providing management services or carrying out management functions. It is understood that this analysis does not represent a fairness opinion.

The Report assumes that the Companies comply fully with relevant laws and regulations applicable in all its areas of operations unless otherwise stated, and that the Companies will be managed in a competent and responsible manner. Further, as specifically stated to the contrary, this Report has given no consideration to matters of a legal nature, including issues of legal title and compliance with local laws, and litigation and other contingent liabilities that are not disclosed in the audited / unaudited balance sheets of the Companies, if any provided to us.

The valuation analysis and result are governed by concept of materiality.

It has been assumed that the required and relevant policies and practices have been adopted by the Companies and would be continued in the future.

The fee for the engagement is not contingent upon the results reported.

The actual equity share exchange ratio may be higher or lower than our recommendation depending upon the circumstances of the transaction, the nature of the business. The knowledge, negotiating ability and motivation of the buyers and sellers will also affect the exchange ratio achieved. Accordingly, our recommended Share Exchange Ratio will not necessarily be the equity share exchange ratio at which actual transaction will take place.

We have also relied on data from external sources to conclude the valuation. These sources are believed to be reliable and therefore, we assume no liability for the truth or accuracy of any data, opinions or estimates furnished by others that have been used in this analysis. Where we have relied on data, opinions or estimates from external sources, reasonable care has been taken to ensure that such data has been correctly extracted from those sources and /or reproduced in its proper form and context.

APPROACH FOR RECOMMENDATION OF FAIR EQUITY SHARE EXCHANGE RATIO

The Scheme contemplates the amalgamation of CMRSL with CMIL. Arriving at the Share Exchange Ratio for the Proposed Amalgamation of CMRSL with CMIL would require determining the fair value of equity shares of CMRSL and CMIL on a relative basis. These values are to be determined independently, but on a relative basis for the Companies, without considering the effect of the Proposed Amalgamation.

Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for mergers and our reasonable judgment, in an independent and bona fide manner.

BASIS OF FAIR EQUITY SHARE EXCHANGE RATIO

The basis of the amalgamation of CMRSL with CMIL would have to be determined after taking into consideration all the factors and methods mentioned herein after. Though different values have been arrived at under each of the approaches / methods as mentioned in the Annexure, for the

purposes of recommending the Share Exchange Ratio it is necessary to arrive at a final value for each of the Companies. For this purpose, it is necessary to give appropriate weights to the values arrived at under each approach / method.

The Share Exchange Ratio has been arrived at on the basis of value of equity shares of the Companies based on the various approaches/methods explained herein after considering various qualitative factors relevant to each company, business dynamics and growth potentials of the businesses of the Companies, information base and key underlying assumptions and limitations.

While we have provided our recommendation of the Share Exchange Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion as to the Share Exchange Ratio. The final responsibility for the determination of the Share Exchange Ratio at which the Proposed Amalgamation shall take place will be with the Board of Directors of the respective Companies who should take into account other factors such as their own assessment of the Proposed Amalgamation and input of other advisors.

We have independently applied approaches/ methods discussed in the Annexure, as considered appropriate, and arrived at the value per share of the Companies. To arrive at the Share Exchange Ratio for the Proposed Amalgamation, suitable minor adjustments/ rounding off have been done.

In light of the above, and on a consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we recommend the following Share Exchange Ratio for the Proposed Amalgamation of CMRSL with CMIL:

35 (Thirty-Five) Equity Shares of CMIL of ₹ 10 each fully paid up for every 08 (Eight) equity shares of CMRSL of ₹ 10 each fully paid up.

The exchange ratio as calculated comes out to 34.12 shares for every 8 shares, so it has been rounded off to 35 shares for every 8 shares.

It should be noted that we have not examined any other matter including economic rationale for the Proposed Amalgamation per se or accounting, legal or tax matters involved in the Proposed Amalgamation.

Annexure-Approach to Valuation

The Valuer has considered International Valuation Standards in carrying out the valuation analysis and delivering the valuation conclusion. There are several commonly used and accepted valuation approaches for determining the value of shares of a company, which have been considered in the present case, to the extent relevant and applicable:

1. Asset Approach - Net Asset Value Method

The asset-based valuation technique is based on the value of the underlying net assets of the business, either on a book value basis or realizable value basis or replacement cost basis. This valuation approach is mainly used in cases where the firm is to be liquidated i.e., it does not meet the 'going concern' criteria or in case where the assets base dominates earnings capability. A Scheme of Amalgamation/ Slump Sale would normally be proceeded with, on the assumption that the companies/ business would continue as going concerns and an actual realization of the operating assets is not contemplated. In such a going concern scenario, the relative earning power is of importance to the basis of merger, with the values arrived at on the net asset basis being of limited relevance.

We understand that the business of the company has a definite life and definite cash flows. Accordingly, the current NAV method would not be reflective of its growth potential going forward and thus would not reveal the true business value of the company. Hence keeping the context and purpose of the report in mind, we have not used this method in the Analysis.

2. Market Approach:

Under this approach, value of a company is assessed basis its market price (i.e., if its shares are quoted on a stock exchange) or basis multiples derived using comparable (i.e., similar) listed companies or transactions in similar companies. Following are the methods under Market Approach:

- Market Price (MP) Method:

The market price of an equity share as quoted on a stock exchange is normally considered as the value of the equity shares of that company where such quotations are arising from the shares being regularly and freely traded in, subject to the element of speculative support that may be inbuilt in the value of the shares. But there could be situations where the value of the share as quoted on the stock market would not be regarded as a proper indicator of the fair value of the share especially where the market values are fluctuating in a volatile capital market or when the shares are thinly traded. Further, in the case of merger, where there is a question of evaluating the shares of one company against those of another, the volume of transactions and the number of shares available for trading on the stock exchange over a reasonable period would have to be of a comparable standard.

For Cyber Media Research & Services Limited

Managing Director

For Cyber Media (India) Limited

Chairman & Managing Director

Under this method, the valuation of shares is determined as per the provisions laid down under Chapter IV of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 ('ICDR Regulations'). As per Regulation *164(1) of ICDR Regulations, if the equity shares of the issuer have been listed on a recognised stock exchange for a period of 90 trading days or more as on the*

relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:

a. *the 90 trading days' volume weighted average price of the related equity shares quoted on the recognised stock exchange preceding the relevant date; or*
b. *the 10 trading days' volume weighted average price of the related equity shares quoted on a recognised stock exchange preceding the relevant date.*

For the purpose of Chapter IV of ICDR Regulations, "frequently traded shares" means the shares of the issuer, in which the traded turnover on any recognised stock exchange during the 240 trading days preceding the relevant date, is at least ten per cent of the total number of shares of such class of shares of the issuer.

The shares of CMIL and CMRSL are frequently traded on the recognised stock exchanges during the 240 trading days preceding the relevant date.

Therefore, the Valuer has considered the higher of 90 days or 10 days volume weighted average price as Market Price for computation.

- Comparable Companies' Multiple (CCM) Method

Under this method, value of a business/ company is arrived at by using multiples derived from valuations of comparable companies, as manifest through stock market valuations of listed companies. The market price, as a ratio of the comparable company's attribute such as sales, capital employed, earnings, etc. is used to derive an appropriate multiple. This multiple is then applied to the attribute of the asset being valued to indicate the value of the subject asset. This valuation is based on the principle that market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

- Comparable Companies' Transaction Multiples (CTM) Method

Under this method, value of the equity shares of a company is arrived at by using multiples derived from valuations of comparable transactions. This valuation is based on the principle that transactions taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

3. Income Approach (Discounted Cash Flows (DCF) Method)

Under the DCF Method the projected free cash flows to the firm are discounted at the weighted average cost of capital/ cost of equity. The sum of the discounted value of such free cash flows is the value of the firm/ equity shareholders.

REGISTERED VALUER
Bhavin R. Patel
IBBI / RV / 05 / 2019 / 11668
S&FA

Using the DCF analysis involves determining the following:

Estimating future free cash flows:

Free cash flows are the cash flows expected to be generated by the company/ business that are available to all providers of the companies'/ business' capital - both creditors and shareholders.

Since the future projections forms part of price sensitive information and as the company is a listed company, the management is of the opinion to not to disclose any price sensitive information. Thus, we have not used this method.

In the ultimate analysis, valuation will have to be tempered by the exercise of judicious discretion by the Valuer and judgment taking into account all the relevant factors. There will always be several factors, e.g., present and prospective competition, yield on comparable securities and market sentiment, etc. which are not evident from the face of the balance sheets, but which will strongly influence the worth of a share. The determination of share exchange ratio/ valuation is not a precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. This concept is also recognized in judicial decisions. There is, therefore, no indisputable single share exchange ratio/ equity value estimate. The Share Exchange Ratio rendered in this Report only represent our recommendation(s) based upon information till the date of this Report, furnished by the Management (or its representatives) and other sources, others may place a different value. The final responsibility for the determination of the Share Exchange Ratio at which the Proposed Amalgamation shall take place will be with the Board of Directors who should take into account other factors such as their own assessment of the Proposed Amalgamation and input of other advisors.

The Valuer's choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and its reasonable judgment, in an independent and bona fide manner based on its previous experience of assignments of a similar nature. The valuation approaches/ methods used, and the values arrived at using such approaches/ methods by the Valuer as discussed below.

The Share Exchange Ratio has been arrived at on the basis of equity valuation (on a per share basis) of CMIL and CMRSL, on a relative basis, based on the various methodologies explained herein earlier and other factors considered relevant, having regard to information base, key underlying assumptions, and limitations. Though different values have been arrived at under each of the above methodologies, it is finally necessary to arrive at a single value for the Proposed Amalgamation. For this purpose, it is necessary to give appropriate weights to the values arrived at under each methodology.

In the current analysis, the merger of CMRSL into CMIL is proceeded with on the assumption that CMRSL and CMIL would merge as going concerns and an actual realization of the operating assets is not contemplated. In such a going concern scenario, the relative earning power, as reflected under the Income and Market approaches, is of greater importance to the basis of merger, but since income approach has price sensitive information, it has not been used and with the values arrived at on the net asset basis is also of limited relevance. Hence, while the Valuer has calculated the values of the shares of CMIL and CMRSL only under the Market Approach, the Valuer has considered it appropriate not to use Asset Approach or Income Approach and not to give any weight to the same in arriving at the Share Exchange Ratio.

For the analysis under Market Approach, the Valuer has considered the Market Price Method to arrive at the value of the equity shares of the Companies for the purpose of arriving at the Share Exchange Ratio. For determining the market price, the volume weighted share price of the Companies over an appropriate period up to January 23, 2026, has been considered in this case.

Comparable Companies' Multiple (CCM) method has not been used due to lack of comparable companies in this space. Further, comparable companies multiples may include the stage of operations of the Companies, nature of their industry and the current profitability status of the Companies.

Comparable Companies' Transaction Multiple (CTM) method has not been used due to lack of comparable transactions in this space. Further, the transaction multiples may include acquirer specific considerations, synergy benefits, control premium and minority adjustments.

For the final analysis and recommendation, the Valuer has considered the values arrived under the Market Approach, to determine value of the equity shares of CMIL and CMRSL on a relative basis for the purpose of the Proposed Amalgamation.

In view of the above, and on consideration of the relevant factors and circumstances as discussed and outlined hereinabove, the tables below summarize the workings for valuation of CMIL and CMRSL, and the Share Exchange Ratio as derived by the Valuer.

The computation of fair equity share exchange ratio for the Proposed Amalgamation of CMRSL into CMIL is tabulated below:

Valuation Approach	**CMIL**		**CMRSL**	
	Value per share (₹)	Weight	Value per share (₹)	Weight
Asset Approach-Net Asset Value	NA	00%	NA	NA
Market Approach-Market Price Method	18.70	100%	79.75	100%
Income Approach – DCF	NA	00%	NA	00%
Share Exchange Ratio (Rounded)	35:8			
Share Price Considered for Calculating ratio	18.70		79.75	

Notes:

- There are not Comparable Companies in the listed space in India, and therefore the Valuer has not used CCM Method under Market Approach for valuing the Companies.
- Since the equity shares of the Companies are listed on the recognized stock exchanges, the Valuer has considered the Market Price Method under Market Approach for its valuation. The Valuer has considered the higher of 90 days or 10 days volume weighted average price as Market Price for computation in accordance with the pricing method prescribed under Regulation 164(1) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018.
- The Valuer has not considered valuation as per CTM Method under Market Approach for valuing the Companies, as there is no adequate data available in public domain/ subscribed databases for Comparable Transactions in the listed space.

- CMIL and CMRSL are operating companies, their equity value deriving from future earning potential, therefore the Valuer has not considered Cost Approach for the valuation.

This Valuation Report and Equity Share Exchange Ratio is based on the equity share capital structure of CMIL and CMRSL as mentioned earlier in this report. Any variation in the equity capital of the Companies may have material impact on the Equity Share Exchange Ratio.

Summary of Proposed Transaction

Subject to the terms and conditions contained in Draft Scheme of Merger by Absorption, the Proposed Scheme will be implemented by the Merger of the Transferor Company with the Transferee Company on a going concern basis.

For the purpose of this report, Transferor Company and Transferee Company are collectively referred to as the "Companies" as of the valuation date. The management including the board of directors of both the Companies shall together be referred to as the "Management".

Rationale of the Proposed Merger as per the Scheme

The Transferee Company is the Subsidary company of the Transferor Company. Proposed consolidation of the business operations of the Transferor Company with the Transferee Company by way of amalgamation will lead to a more efficient utilization of capital, assets, customer relationships and thereby create stronger base for future growth.

The proposed integration of the respective business activities of both the Companies in a single Company will enable the following:

a. CMIL is renowned in the Indian technology media landscape with a legacy spanning over four decades. With strong national brands including Dataquest, PCQuest, Voice & Data, etc., the media business of CMIL has successfully navigated to digital content for its communities and customers by expanding its offerings of media and content services to include media mesh, online platforms and phygital events.

b. CMRSL is engaged in ad tech and data analytics business. The Company has four revenue streams i.e., Digital Marketing, Programmatic Media Buying, Publisher Monetization, and Data Analytics. These together form the pillars of the digital marketing landscape. This drives higher conversions and sales for advertisers and enables publishers to earn more. CMRSL's algorithms leverage large sets of data, process it via AI engines to provide the right results, therefore simplifying digital marketing. CMGalaxy, Auxo Ads and CyberAds are CMRSL's propriety products for different stakeholders in the ecosystem.

c. The merger will strategically position the merged entity as a single entity for marketing solutions for

customers. CMIL has historically built strong customer relationships, products and brands. A merged entity will enable the businesses to focus on higher value creation for customers and therefore higher profitability. The merged companies' key business activities will comprise Marketing & Technology Solutions, Print & Digital Publications, Industry Research & Consulting and Event Management.

d. With Deep Tech playing a pivotal role in Viksit Bharat 2047, Cyber Media (merged entity) aims to establish market leading products across the above-mentioned categories. This will uniquely position the combined entity as a one-stop-shop for corporates and SMEs to choose for their transformation.

e. The merger will cause silos to be broken down resulting in cross-sell, up-sell of various products & services. This synergy will result in cross leveraging clients to fuel additional growth opportunities.

f. The merger will also strengthen decision making and optimize management bandwidth. The merged entity will therefore bring about a synergy at the strategic, decision-making and execution level.

g. The merged entity will lead to an increase in market capitalization. In addition to the aggregation of existing market caps of existing entities, the synergies will lead to enhancement of size and profitability. This would lay the roadmap for long-term growth both organic as well as inorganic.

h. The shares of CMRSL are listed on SME Platform of NSE (NSE Emerge). The shares of CMIL are listed on the main board of NSE and BSE. CMIL shares have a far higher trading volume in number of transactions, quantity and value as compared to CMRSL shares. Upon merger, the shareholders of CMRSL will have better liquidity by trading in CMIL shares at the main board of NSE and BSE with no restriction on lot size. Therefore, CMRSL investors will find better liquidity and value for their holdings.

i. Merger will result in better cost management. Sales operations will become far more effective with a reduction in duplicate marketing and selling costs. Duplication at senior management level would be eliminated.

j. There will be reduction in administrative expenses as cost duplication over HR, finance, admin, accounts, legal functions are rationalized.

k. Further cost savings will be achieved because of reduced compliance costs. This would include statutory fee incurred on compliances., viz., General Meetings, NSE, NSDL, CDSL, RoC, RTA. Work related to statutory audit, internal audit, secretarial audit, income tax audit, GST, PF, ESI, Professional Tax, etc. will halve. So will the professional cost associated with the consultants engaged for these activities.

l. Therefore, the proposed amalgamation will create and provide more customers, better customer relationship, simplification of business processes, operational synergies, economies of scale, optimum utilization of resources, which will create stronger base for future growth.

m. The merger will improve cash flow which shall result in efficient utilization of capital at the combined entity level. The combined balance sheet will have better ROCE, debt equity ratio, current ratios, etc.

n. The merger will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholders' value and improve the competitive position and negotiating power of the combined entity.

Thus, the merger is in the interest of the shareholders, creditors and all other stakeholders of the companies and is not prejudicial to the interests of the concerned shareholders, creditors or the public at large.

The letter is only intended for the aforementioned specific purpose and if it is used for any other purpose; we will not be liable for any consequences thereof.

- We express no opinion whatever and make no recommendation at all as to the company underlying decision to effect to the proposed transaction or as to how the holders of equity shares of the Companies should vote at their respective meetings held in connection with the proposed merger. We do not express and should not be deemed to have expressed any views on any other terms of transaction. We also express no opinion and accordingly accept no responsibility for or as to the prices at which the equity shares of the company will trade following the announcement of the transaction or as to the financial performance of the company following the consummation of the transaction.

- In no circumstances however, will NCAPL or its associates, directors or employees accept any responsibility or liability to any third party. Our liability (statutory or otherwise) for any economic loss or damage arising out of the rendering this opinion shall be limited to amount of fees received for rendering this Opinion as per our engagement with the company.

Our Fairness Opinion

Based upon valuation work carried out by Bhavin R Patel (Securities or Financial Assets) IBBI Registration No. IBBI/RV/05/2019/11668 (referred to as 'Valuer') we are of the opinion that the purpose of the proposed Scheme of Merger by Absorption of CMIL and CMRSL is fair, from a financial point of view

The fairness of the Proposed absorption is tested by:

(1) Considering whether the Valuation methods adopted by Bhavin R Patel, Registered Valuer (Securities or Financial Assets) IBBI Registration No. IBBI/RV/05/2019/11668 (referred to as 'Valuer') depict a correct picture on the value of shares of all companies;

(2) Calculating the fair market value of companies;

(3) Considering qualitative factors such as economics of scale of operations, synergy benefits that may result from the proposed scheme of Merger by Absorption of CMIL and CMRSL.

The rationale for Share Entitlement Ratio as explained above, as assumed by Bhavin R Patel, Registered Valuer (Securities or Financial Assets) IBBI Registration No. IBBI/RV/05/2019/11668 (referred to as 'Valuer') is justified. We are in opinion that, Bhavin R Patel, Registered Valuer (Securities or Financial Assets) IBBI Registration No. IBBI/RV/05/2019/11668 (referred to as 'Valuer') has fairly estimated the fair value of companies and has covered all the aspects required for the valuation exercise. This being best of professional understanding, we hereby sign the Fairness Opinion report on valuation.

Amalgamation of the Transferor Company with and into the Transferee Company

The calculation of the Share Exchange Ratio of CMRSL with CMIL is presented below:

The computation of fair equity share exchange ratio for the Proposed Amalgamation of CMRSL into CMIL is tabulated below:

Valuation Approach	CMIL		CMRSL	
	Value per share (₹)	Weight	Value per share (₹)	Weight
Asset Approach-Net Asset Value	NA	00%	NA	NA
Market Approach-Market Price Method	18.70	100%	79.75	100%
Income Approach – DCF	NA	00%	NA	00%
Share Exchange Ratio (Rounded)	35:8			
Share Price Considered for Calculating ratio (Rounded Off)	18.70		79.75	

Recommendation by Registered Valuer:

35 (Thirty-Five) Equity Shares of CMIL of ₹ 10 each fully paid up for every 08 (Eight) equity shares of CMRSL of ₹ 10 each fully paid up.

Based on the information, data made available to us, including the Valuation Report by the Registered Valuer, to the best of our knowledge and belief, the Fair Share Exchange Ratio in relation to the 'Proposed Scheme of Merger/Amalgamation', in our opinion, is fair and reasonable.

The aforesaid Scheme of Merger/Amalgamation shall be subject to the receipt of approvals from the Hon'ble National Company Law Tribunal, New Delhi Bench and other regulatory/statutory authorities as may be required.

The detailed terms and conditions are more fully set forth in the Draft Scheme of Merger/Amalgamation.

We have issued this Fairness Opinion with the understanding that the Draft Scheme of Merger/Amalgamation shall not be materially altered and the parties hereto agree that the Fairness Opinion shall not stand good in case the final Scheme of Merger/Amalgamation alters the transaction.

Independent Auditor's Report

To the Members of Cyber Media Research & Services Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **CYBER MEDIA RESEARCH & SERVICES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA" s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Goel Mintri & Associates * Chartered Accountants * F.R.No. 013211N M.No. 520858

S.no	Key Audit Matters	How our audit addressed the key audit matter
1	**Revenue Recognition** • The timing of revenue recognition is relevant to the reported performance of the Company. • We identified revenue recognition as a key audit matter because of quantum of revenue and the time and audit effort involved in auditing the terms of the customers contract and the revenue recognised. • Accuracy of recognition, measurement, presentation and disclosures of revenues and related balances in view of IND AS 115 "Revenue from Contracts with Customers". Ind AS 115 requires certain key judgements including identification of distinct performance obligations and transaction price.	• We assessed the compliance of the revenue recognition accounting policies against the requirements of Ind AS. • We evaluated the design and operating effectiveness of the relevant key financial controls with respect to revenue recognition on selected transactions. • Using sampling, we tested the terms of the revenue contracts against the recognition of revenue based on the underlying documentation and records. • We tested the accuracy of revenue recognised around year end. On a sample basis, we evaluated the revenue being recognised in the correct accounting period. • We assessed the adequacy of disclosures in the standalone financial statements against the requirements of Ind AS 115, Revenue from contracts with customers. • We assessed the Company's process of identification of distinct performance obligations and transaction price and for the same we selected a sample of contracts, covering all types of revenue recognized by the Company and performed the following procedures: ➢ Considered the terms of the contracts to determine the transaction price specially to ascertain if there is any financing component in the arrangement where advances have been received from the customers. ➢ Read, analysed and identified the distinct performance obligations in these contracts. ➢ Compared these performance obligations with that identified and recorded by the Company. ➢ Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings. Based on work performed, we found the

Goel Mintri & Associates Chartered Accountants

		management's assessment of determination of transaction price and identification of distinct performance obligation is reasonable.
2	**Impairment of Trade Receivables** • The Company has applied a simplified ECL model to determine the impairment against trade receivables at the reporting date. The expected credit loss (ECL) model involves the use of various assumptions and study of historical observed defaults rates over the expected life of trade receivables. The significant judgments include the assessment for the forward-looking estimates. Due to the significance of trade receivables and the significant judgment involved in determining the ECL, the impairment of trade receivables was considered to be Key audit matter	• We have assessed the design and implementation and tested the operating effectiveness of the Company's relevant key financial controls around the ECL allowance. • We critically assessed the ECL model developed by the Company and verified with requirement of Ind AS 109. • Tested Key assumptions and judgments, such as those used to assess the likelihood of default and loss on default by comparing two historical data • We considered the adequacy of the disclosures in the standalone financial statements against the requirement of Ind As 109, Financial Instruments and Ind AS 107, Financial Instruments Disclosures

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charges with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate

accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

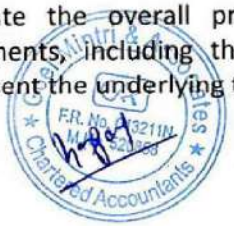

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, based on our audit we report that:

   a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

   d) In our opinion, the aforesaid standalone financial statements comply with accounting standards (i.e. Companies (Indian Accounting Standard) Rules 2015) specified under Section 133 of the Act.

   e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure 'A' to the Independent Auditor's Report of even date on standalone financial statements as at and year ended 31st March 2026 of Cyber Media Research & Services Limited

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Cyber Media Research & Services Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's property, plant and equipment and Intangible Assets:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.

(d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii. (a) The Company does not have any inventory and hence reporting under clause 3(ii)(a) of the Order is not applicable.

(b) The Company has not been sanctioned working capital limits at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. The company has not made investment in, provided any guarantee or security or advances in the nature of loans secured or unsecured to companies, firms, Limited liability partnerships or any other parties.

(a) However, the Company has granted a secured loan of Rs 985.00 Lakhs to its Holding Company Cyber Media (India) Limited in FY 2022-23. No amount granted in any way to

Govindan & Associates Chartered Accountants FRN No. 013211N M. No. 520858

any other party during the year. The said loan outstanding amount is Rs. 868.58 Lakhs on 31st March 2026.

(b) In our opinion the grant of aforesaid loan is not prejudicial to the interest of the Company.

(c) With respect to the aforesaid loan the schedule of repayment of Principal and payment of interest has been stipulated.

(d) The repayment of principal and payment of interest shall commence from the financial year 2023-24. There is no overdue of amount.

(e) No loan or advance in the nature of loan granted earlier has fallen due during the year.

(f) The company has not granted any loans or advances in the nature of loan either repayable on demand or without specifying any terms or period of repayment.

iv) In respect of loans granted by the company the provisions of section 185 & 186 of the Companies act, 2013 have been complied with. The company has not made any investment, given any guarantee or security to any person during the year.

v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi) The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

vii) In respect of statutory dues:

(a) In our opinion, the Company has been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no dues of GST, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Value added tax, Cess or other statutory dues which have not been deposited by the Company on account of disputes.

viii) The Company has not surrendered or disclosed income which has not been recorded in the books of accounts in the assessment under the Income Tax Act, 1961. Hence reporting under clause 3(viii) of the Order is not applicable to the Company.

ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not defaulted in repayment of loans or other

Mintri & Associates Chartered Accountants F.R. No. 013211N

borrowings or in the payment of interest thereon to any lender. Hence reporting under clause 3(ix)(a) of the Order is not applicable.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or other lender.

(c) The Company has applied term loans for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries and hence reporting on clause 3(ix)(f) of the Order is not applicable.

x) (a) The Company has raised moneys by way of initial public offer during the financial year 2022-23 of Rs. 734.40 Lakhs. Objects for which funds have been raised and its utilisation is as per the following table:

Original Object	Original allocation	Modified allocation, if any	Funds Utilized	Funds Unutilized	Deviation (being inter head reallocation)
Meeting working capital requirement	430.00	NA	412.43	-	17.57
Investment in new projects and general corporate purpose	252.09	NA	252.09	-	Nil
Public Issue expenses	52.31	NA	69.88	-	(17.57)
Total	**734.40**		**734.40**	-	-

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) According to the information and explanations given by the Management, the Company has not received any whistle-blower complaints during the year.

xii) The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.

xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party

transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

(b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.

xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi) (a) In our opinion, the Company not being a Non-Banking Financial Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) The Company has not conducted any Non-Banking Financial or Housing Financial Activities.

(c) The Company is not a Core Investment Company (CIC) as defined by the regulation made by Reserve Bank of India.

(d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.

xviii) There has been no resignation of the statutory auditors of the Company during the year.

xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx) In our opinion and according to the information and explanations given by the Management, provision of section 135 of the Companies Act, 2013 is not applicable on the company. Accordingly, reporting under clause 3(xx) of the Order is not applicable.

xxi) These are not consolidated financial statements. Accordingly reporting under clause 3(xxi) of the Order is not applicable.

Annexure "B" to the Independent Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Cyber Media Research & Services Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of **CYBER MEDIA RESEARCH & SERVICES LIMITED** (the "Company") as of March 31, 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

MATERIAL ACCOUNTING POLICIES OF STANDALONE FINANCIAL STATEMENTS

1. Corporate Information

Cyber Media Research & Services Limited is a public limited company incorporated under Indian Companies Act, 1956, having its registered office at D - 74, Panchsheel Enclave, New Delhi - 110017 and Corporate Office at B - 35, Sector 32, Gurugram - 122003, Haryana. The object of the company is to act as market research, market analysis, management and consulting organization dedicated to computer, communications and information technology industry and to investigate and collect information and to provide for and undertake delivery and holding of lectures, denominations, exhibitions, seminars and meetings in connection therewith.

2. Material Accounting Policies

A summary of basis of preparation and material accounting policies adopted in the preparation of these financial statements are as given below. These bases of preparation and accounting policies have been applied consistently to all periods presented in the financial statements.

2.1 Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time and other accounting principles generally accepted in India.

2.2 Basis of preparation and presentation

The Financial Statements are prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.
Unless otherwise stated, all amounts are stated in Lakhs of Rupees.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

In addition, for financial reporting purposes fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs for the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

Goel Mintri & Associates Chartered Accountants M.No. 520858

CYBER MEDIA RESEARCH & SERVICES LIMITED New Delhi

b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.

c) Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Use of Estimates

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience & other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In order to enhance understanding of the financial statements, information about material areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most material effect on the amounts recognized in the financial statements is as under:

1. Formulation of accounting policies

The accounting policies are formulated in a manner that results in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial.

2. Post-employment benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

3. Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37 'Provisions, contingent liabilities and contingent assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter.

d) Income taxes

Material estimates are involved in determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.

2.4 Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer and complete satisfaction of all performance obligations. Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange

for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

If at the time of rendering of services or sales there is material uncertainty in Ultimate collection of the revenue, then the revenue recognition is postponed and, in such Cases, revenue is recognized only when it becomes reasonably certain that ultimate collection will be made. When the uncertainty of collection of revenue arises subsequently after the revenue recognition, provision for the uncertainty in the collection is made rather than adjustment in revenue already recognized. Dividend income is recognized when right to receive is established. Interest Income is recognized on time proportion basis taking in to account the amount outstanding and rate applicable based on effective interest method.

2.5 Property, Plant and Equipment (PPE)

Property, plant and equipment (PPE) are carried at cost less accumulated depreciation and impairment losses, if any.

The cost of Property, plant and equipment (PPE) comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses, present value of decommissioning costs (where there is a legal or constructive obligation to decommission) and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Property, plant and equipment are tested for impairment whenever events or changes in circumstances indicate that an asset may be impaired. If an impairment loss is determined, the remaining useful life of the asset is also subject to adjustment. If the reasons for previously recognised impairment losses no longer exist, such impairment losses are reversed and recognised in income. Such reversal shall not cause the carrying amount to exceed the amount that would have resulted had no impairment taken place during the preceding periods.

Depreciation

Depreciation is provided for Property, Plant and Equipment so as to expense the cost less residual values over their estimated useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period. Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful Life
Office equipment	5 years
Furniture and fixture	10 years
Computers	3 years
Building	60 years
Vehicle	8 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains and losses arising from Derecognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognised.

Amortization of Intangible assets

Intangible assets are amortized on a straight-line basis over the estimated useful economic life. The amortization period and the amortization method are reviewed at each financial year end. If the expected useful life of the asset is materially different from the previous estimate, the amortization period is changed accordingly.

The useful lives of intangible assets are assessed as either definite or indefinite. Intangible assets are tested for impairment at the end of each reporting period.

Softwares are amortised over the life of the software or 5 years, whichever is lower

2.6 Inventory

Inventory of newsprint, goods in transit are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First in First Out', 'Average cost', or 'Specific Identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

2.7 Taxation

Income tax expense represents the sum of tax currently payable and deferred tax.

2.7.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.
Current tax is determined on the basis of taxable income and tax credits computed for Company, in accordance with the applicable tax rates and the provisions of applicable tax laws applicable to Company in the respective jurisdiction in which it operates.

Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant taxpaying units intends to settle the asset and liability on a net basis.

2.7.2 Deferred Tax

Deferred tax assets and liabilities are measured using the enacted/substantively enacted tax rates and laws for continuing operations. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realisation.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.8 Employee Benefits

Defined contribution plan

A Defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions in respect of the employees into an independent fund administrated by the government/ pension fund manager and will have no legal or constructive obligation to pay further amounts after its payment of the fixed contribution. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in statement of profit and loss in the period during which services are rendered by employees.

The company has a defined contribution plan which includes pension scheme and provident fund scheme. Company's contribution towards provident fund and pension scheme for the year are recognised as an expense and charged to the statement of profit and loss.

Defined benefit plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The company's liability towards gratuity and post-retirement benefits such as medical benefits are in the nature of defined benefits plans.

The company's net obligation in respect of defined benefit plans is determined using the projected unit credit method, with actuarial valuations being carried out at the end of reporting period. Actuarial gain/loss on re-measurement of gratuity and other post-employment defined plans are recognised in other comprehensive income (OCI). Past service cost is recognised in the statement of Profit and Loss account in the period of a plan amendment.

Other long-term employee benefits

The company's obligation towards leave encashment is in the nature of other long term employee benefits. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the period in which such gains or losses are determined.

Short-term employee benefits

Short term employee benefits such as salaries and wages are recognised on undiscounted basis in the statement of Profit and Loss account, on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.9 Provision, Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote .Contingent liabilities are not recognized but are disclosed in notes.

2.10 Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and

financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss (FVTPL) are recognised immediately in the statement of profit and loss.

Trade receivables not containing any material financing component or where practical expedient as per para 63 of Ind AS 115 is applied are recognised and measured at transaction price.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income (OCI) if these financial assets are held within a business whose objective is achieved by both selling financial assets and collecting contractual cash flows, the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the "Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. So far, the Company has not elected to present subsequent changes in fair value of any investment in OCI.

Financial assets at fair value through profit or loss ('FVTPL')

Investment in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Impairment of financial assets (other than at fair value)

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. However, for trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. In cases where the amounts are expected to be realised up to one year from the date of the invoice, loss for the time value of money is not recognised, since the same is not considered to be material.

Derecognition of financial assets

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in profit or loss if such gain or loss.

2.11 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its liabilities. As per paragraph B5.2.3 of Ind AS 109, Financial Instruments, all investments in equity instruments must be measured at fair value. However, in limited circumstances, cost may be an approximate estimate of fair value. That may be the case if sufficient more recent information is not available to measure the fair value. As in each of these investments, the Company's % voting power is less than 20% (in most of cases it is less than 2%) and as these are unlisted entities, recent detailed information is not available. Hence these are valued at cost which is considered to be approximate fair value. Investments in equity shares of subsidiary and associates are measured at costs as per Ind-As 28. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Compound financial instruments

The components of compound instruments are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by issue of fixed number of the Company's own equity instruments in exchange of a fixed amount of cash or another financial asset is an equity instrument. At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortized cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised,

Goel Mittal & Associates

in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.12 Trade and other Payables

These amounts represent liabilities for goods & services provided to the Company prior to the end of the financial year which are unpaid. These are recognised initially at fair value and subsequently measured at amortised cost using effective interest method.

2.13 Segment reporting

The Company is mainly engaged in Media Business which is identified as the only reportable business segment of the Company in accordance with the requirements of Ind AS 108, 'Operating Segment Reporting', notified under the Companies (Indian Accounting Standards) Rules, 2015. All the operating facilities are located in India. The Company's business activity primarily falls within a single geographical segment.

2.14 Statement of Cash flow

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.15 Earnings per share

Basic earnings per share are computed by dividing the profit/loss for the year attributable to the shareholders of the parent Company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/loss for the year attributable to the shareholders of the parent as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the

Goel Mittal & Associates
Chartered Accountants

period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.16 Operating Cycle, Current Assets and Current Liabilities

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

2.17 Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

As a lessee, the Company determines the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis

F.R. No. 013211N
No. 520958
New Delhi

and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.18 Critical accounting judgements and key sources of estimation uncertainty

2.18.1 Critical accounting judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations that the Management have made in the process of applying the Company's accounting policies and that have most significant effect on the amounts recognised in the consolidated financial statements.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

2.19 Key Source of estimation uncertainty

Key source of estimation uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, provisions and contingent liabilities.

The areas involving critical estimates are:

Useful lives and residual values of property, plant and equipment

Useful life and residual value of property, plant and equipment are based on management's estimate of the expected life and residual value of those assets. These estimates are reviewed at the end of each reporting period. Any reassessment of these may result in change in depreciation expense for future years (Refer note no 2.5).

Impairment of Property Plant and Equipment

The recoverable amount of the assets has been determined on the basis of their value in use. For estimating the value in use it is necessary to project the future cash flow of assets over its estimated useful life. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in statement of profit or loss.

Valuation of Deferred tax assets

Deferred tax assets are recognised only to the extent it is considered probable that those assets will be recoverable. This involves an assessment of when those deferred tax assets are likely to reverse and a judgment as to whether or not there will be sufficient taxable profits available to offset the tax assets when they do reverse. The Company reviews the carrying amount of deferred tax assets at

Goel Mittal & Associates Chartered Accountants
CYBER MEDIA RESEARCH & SERVICES LIMITED New Delhi

the end of each reporting period. Any change in the estimates of future taxable income may impact the recoverability of deferred tax assets.

2.20 Going concern

There are no significant material orders passed by the Regulators/Courts which would impact the going concern status of the Company and its future operations.

2.21 Foreign Currency Transaction

Functional and presentation currency

Items included in the financial statements of entity are measured using currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

Transactions and Balances

Transactions in foreign currencies are initially recorded at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

2.22 Dividend

Dividends and interim dividends payable to the Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

2.23 Material Prior Period Error

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

2.24Subsequent Event

There is no event after reporting period which needs to be disclosed.

2.25 Recent pronouncement:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

Amendment of Ind AS 1 - Presentation of Financial Statements by Notification Dated 13th August 2025

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no material impact of these amendments in its classification criteria of current and non-current liabilities.

Amendment of Ind AS 21 – The Effects of Changes in Foreign Exchange Rates by Notification Dated 7th May 2025

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, applicable with effect from April 1, 2025. The amendment provides additional guidance in situations where a currency is not exchangeable and clarifies the determination of exchange rates to be used in such circumstances, along with related disclosure requirements. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

Amendment of Ind AS 7 – Statement of Cash Flows by Notification Dated 13th August 2025

In August 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 7, Statement of Cash Flows, applicable with effect from April 1, 2025. The amendments require entities to provide enhanced disclosures relating to supplier finance arrangements, including the nature of such arrangements, the carrying amount of related financial liabilities, and the range of payment due dates. The objective of the amendment is to enable users of financial statements to assess the impact of supplier finance arrangements on an entity's liabilities, cash flows, and liquidity risk. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

Amendment of Ind AS 107 – Financial Instruments: Disclosures by Notification Dated 13th August 2025

In August 2025, the MCA notified amendments to Ind AS 107, Financial Instruments: Disclosures, applicable with effect from April 1, 2025. The amendments require entities to include supplier finance arrangements as a factor in evaluating concentration of liquidity risk and to provide related qualitative and quantitative disclosures. These disclosures are intended to enhance transparency regarding the effect of such arrangements on an entity's risk exposure and financial position. The Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

Amendment of Ind AS 12 – Income Taxes by Notification Dated 13th August 2025

The MCA also notified amendments to Ind AS 12, Income Taxes, relating to the International Tax Reform – Pillar Two Model Rules. The amendments introduce a temporary mandatory exception from accounting for deferred taxes arising from the implementation of the Pillar Two rules and require entities to disclose the application of such exception. The amendment is effective

viii. **Maturity profile of defined benefit obligation**

Year	As at 31 March 2026	As at 31 March 2025
0 to 1 Year	28.34	2.02
2 to 5 Year	36.14	25.22
More than 5 Years	7.01	4.97

These plans typically expose the Company to actuarial risks such as Investment risk, salary risk, discount rate risk, mortality risk, withdrawals risk.

Salary risk	The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government Bonds Yield. If plan liability is funded and return on plan assets is below this rate, it will create a plan deficit.
Discount rate risk	A decrease in the bond interest rate (discount rate) will increase the plan liability.
Mortality & disability risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. For this report we have used Indian Assured Lives Mortality (2006-08) ultimate table. A change in mortality rate will have a bearing on the plan's liability.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF CYBER MEDIA RESEARCH & SERVICES LIMITED

REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of **CYBER MEDIA RESEARCH & SERVICES LIMITED**("hereinafter referred to as the Holding Company"), its subsidiaries (Holding Company and its Subsidiaries together referred to as "the "Group"), which comprise consolidated balance sheet as at 31st March 2026, consolidated statement of profit and loss, including statement of other comprehensive income, consolidated statement of cash flow and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013 ('Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the Companies (Indian Accounting Standards) Rules 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March 2026, of its consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis of opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountant of India (ICAI), together with ethical requirement that are relevant to our audit of the consolidated financial statements under the provisions of the act and rules made there under and we have fulfilled our other ethical responsibilities and in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended 31st March, 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S.No.	Key Audit Matters	How our audit addressed the key audit matter
1	**Revenue Recognition** • The timing of revenue recognition is relevant to the reported performance of the Company. • We identified revenue recognition as a key audit matter because of quantum of revenue and the time and audit effort involved in auditing the terms of the customers contract and the revenue recognised. • Accuracy of recognition, measurement, presentation and disclosures of revenues and related balances in view of IND AS 115 "Revenue from Contracts with Customers". Ind AS 115 requires certain key judgements including identification of distinct performance obligations and transaction price.	• We assessed the compliance of the revenue recognition accounting policies against the requirements of Ind AS. • We evaluated the design and operating effectiveness of the relevant key financial controls with respect to revenue recognition on selected transactions. • Using statistical sampling, we tested the terms of the revenue contracts against the recognition of revenue based on the underlying documentation and records. • We tested the accuracy of revenue recognised around year end. On a sample basis, we evaluated the revenue being recognised in the correct accounting period. • We assessed the adequacy of disclosures in the standalone financial statements against the requirements of Ind AS 115, Revenue from contracts with customers. • We assessed the Company's process of identification of distinct performance obligations and transaction price and for the same we selected a sample of contracts, covering all types of revenue recognized by the Company and performed the following procedures: ➢ Considered the terms of the contracts to determine the transaction price specially to ascertain if there is any financing component in the arrangement where advances have been received from the customers. ➢ Read, analysed and identified the distinct performance obligations in these contracts.

Goel Mintri & Associates Chartered Accountants

		➢ Compared these performance obligations with that identified and recorded by the Company. ➢ Performed analytical procedures for reasonableness of revenues disclosed by type and service offerings. Based on work performed, we found the management's assessment of determination of transaction price and identification of distinct performance obligation is reasonable.
2	**Impairment of Trade Receivables** • The company has applied a simplified ECL model to determine the impairment against trade receivables at the reporting date. The expected credit loss (ECL) model involves the use of various assumptions and study of historical observed defaults rates over the expected life of trade receivables. The significant judgments include the assessment for the forward-looking estimates. Due to the significance of trade receivables and the significant judgment involved in determining the ECL, the impairment of trade receivables was considered to be Key audit matter	• We have assessed the design and implementation and tested the operating effectiveness of the Company's relevant key financial controls around the ECL allowance. • We critically assessed the ECL model developed by the Company and verified with requirement of Ind AS 109. • Tested Key assumptions and judgments, such as those used to assess the likelihood of default and loss on default by comparing two historical data • We considered the adequacy of the disclosures in the Consolidated financial statements against the requirement of Ind As 109, Financial Instruments and Ind AS 107, Financial Instruments Disclosures

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to

read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions required under SA 720, 'The Auditor's Responsibilities Relating to Other Information'

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with companies (Indian Accounting Standard) Rules, 2015 as amended, ("Ind AS").

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the group are also responsible for the overseeing the financial reporting process of the group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements.

Our objectives are to obtain reasonable assurance about whether the consolidated financial

statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with standards of auditing ('SA's) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and board of Directors.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial

statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance of the Holding Company and such other Companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31st March, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements and other financial information, in respect of one wholly owned subsidiary, whose financial statements include **total assets of Rs. 1,047.26 lakhs** as at March 31, 2026, and **total revenues of Rs. 3,514.49 lakhs** and **net profit after tax of Rs. 26.65 lakhs** for the year ended on that date. The financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. Our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of subsidiary and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the report(s) of such other auditors.

Report on Other Legal and Regulatory Requirements

   d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;

   e. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2026 taken on record by the Board of Directors of the Holding Company and on the basis of written representations received by the management from directors of its subsidiaries which are incorporated in India, as on 31 March 2026, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure 2'.

   g. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

      In our opinion and according to the information and explanations given to us, the remuneration paid by the group to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any of the director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

   h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our

opinion and to the best of our information and according to the explanations given to us:

Annexure "2" to the Independent Auditor's Report of even date on Ind AS consolidated financial statements as at and year ended 31st March 2026 of Cyber Media Research & Services Limited

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of consolidated financial statements of **Cyber Media Research & Services Limited** (hereinafter referred to as "the Holding Company") as of and for the year ended 31st March 2026. We have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its Subsidiary Company (the Holding and its Subsidiary together referred to as "the group"), which is a company incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary Company, incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the Holding Company, its Subsidiary Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective companies' policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements with reference to these financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial with reference to consolidated financial statements includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and

- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under section 143(3)(i) of the act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it related to one subsidiary, (which is a company incorporated in India) is based solely on the corresponding reports of the auditor of such company incorporated in India.

Opinion

In our opinion, to the best of our information and according to the explanation given to us and on the consideration of reports of other auditor, the Holding Company and its Subsidiary Company which is a company incorporated in India have maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements are generally operating effectively as at 31st March 2026, based on the internal control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1. General Information

Cyber Media Research & Services Limited is a public limited company incorporated under Indian Companies Act, 1956, having its registered office at D - 74, Panchsheel Enclave, New Delhi - 110017 and Corporate Office at B - 35, Sector 32, Gurugram - 122003, Haryana. The object of the company is to act as market research, market analysis, management and consulting organization dedicated to computer, communications and information technology industry and to investigate and collect information and to provide for and undertake delivery and holding of lectures, denominations, exhibitions, seminars and meetings in connection therewith.

2. Recent pronouncement:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

Amendment of Ind AS 1 - Presentation of Financial Statements by Notification Dated 13th August 2025

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no material impact of these amendments in its classification criteria of current and non-current liabilities.

Amendment of Ind AS 21 – The Effects of Changes in Foreign Exchange Rates by Notification Dated 7th May 2025

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, applicable with effect from April 1, 2025. The amendment provides additional guidance in situations where a currency is not exchangeable and clarifies the determination of exchange rates to be used in such circumstances, along with related disclosure requirements. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

Amendment of Ind AS 7 – Statement of Cash Flows by Notification Dated 13th August 2025

In August 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 7, Statement of Cash Flows, applicable with effect from April 1, 2025. The amendments require entities to provide enhanced disclosures relating to supplier finance arrangements, including the nature of such arrangements, the carrying amount of related financial liabilities, and the range of payment due dates. The objective of the amendment is to enable users of financial statements to assess the impact of supplier finance arrangements on an entity's liabilities, cash flows, and liquidity risk. The Company has evaluated the amendment and concluded that it does not have any impact on its

financial statements.

Amendment of Ind AS 107 – Financial Instruments: Disclosures by Notification Dated 13th August 2025

In August 2025, the MCA notified amendments to Ind AS 107, Financial Instruments: Disclosures, applicable with effect from April 1, 2025. The amendments require entities to include supplier finance arrangements as a factor in evaluating concentration of liquidity risk and to provide related qualitative and quantitative disclosures. These disclosures are intended to enhance transparency regarding the effect of such arrangements on an entity's risk exposure and financial position. The Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

Amendment of Ind AS 12 – Income Taxes by Notification Dated 13th August 2025

The MCA also notified amendments to Ind AS 12, Income Taxes, relating to the International Tax Reform – Pillar Two Model Rules. The amendments introduce a temporary mandatory exception from accounting for deferred taxes arising from the implementation of the Pillar Two rules and require entities to disclose the application of such exception. The amendment is effective immediately and applies retrospectively. The Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

3. Material Accounting Policies

3.1 Statement of Compliance

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as Ind AS) to comply with the Companies (Indian Accounting Standards) Rules 2015, as amended specified under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013.

3.2 Basis of consolidation, preparation and presentation (Refer management assessment on going concern at note 3.21)

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Unless otherwise stated, all amounts are stated in Millions of Rupees.

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition or the amount of proceeds received in exchange for the obligation, or at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. Fair value for measurement and/or disclosure purpose in these financial statements is determined on such basis except for, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value.

In addition, for financial reporting purposes fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs for the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as

follows:

•Level 1 -Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

•Level 2 -Inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

•Level 3- inputs are unobservable inputs for the asset or liability.

Enterprises consolidated as subsidiary in accordance with Indian Accounting standard 110-Consolidated Financial Statement

S.No.	Name of Enterprises	Country of Incorporation	Proportion of Ownership Interest
1.	Cyber Media Services Pte Limited	Singapore	100 %

3.3 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known/materialised.

3.4 Revenue recognition

Revenue of all material items and nature are recognized at the time of rendering of sales or Services. If at the time of rendering of services or sales there is material uncertainty in Ultimate collection of the revenue, then the revenue recognition is postponed and in such Cases revenue is recognized only when it becomes reasonably certain that ultimate collection will be made. When the uncertainty of collection of revenue arises subsequently after the revenue recognition, provision for the uncertainty in the collection is made rather than adjustment in revenue already recognized. Dividend income is recognized when right to receive is established. Interest Income is recognized on time proportion basis taking in to account the amount outstanding and rate applicable.

3.5 Property, Plant and Equipment (PPE)

Property, plant and equipment (PPE) are carried at cost less accumulated depreciation and impairment losses, if any.

The cost of Property, plant and equipment (PPE) comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses, present value of decommissioning costs (where there is a legal or constructive obligation to decommission) and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use.

Property, plant and equipment are tested for impairment whenever events or changes in circumstances indicate that an asset may be impaired. If an impairment loss is determined, the remaining useful life of the asset is also subject to adjustment. If the reasons for previously recognised impairment losses no longer exist, such impairment losses are reversed and recognised in income. Such reversal shall not cause the carrying amount to exceed the amount that would have resulted had no impairment taken place during the preceding periods.

Depreciation

Depreciation is recognised for Property, Plant and Equipment (PPE) so as to write-off the cost less residual values over their estimated useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis taking into account commercial and technological obsolescence as well as normal wear and tear. Depreciation on tangible assets is provided on straight line method, except for vehicles which are depreciated on written down value method, over the useful lives of the assets estimated by Management. Depreciation on assets acquired is provided for the full month, irrespective of the date on which the assets were put to use and depreciation is not provided in the month of sale/discard of an asset. Depreciation for assets purchased/sold during a period is proportionately charged. Individual low cost assets (acquired for less than Rs.5000) are entirely depreciated in the year of acquisition.

3.6 Inventory

Inventory of newsprint, goods in transit are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First in First Out', 'Average cost', or 'Specific Identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company / Group.

3.7 Taxation

Income tax expense represents the sum of tax currently payable and deferred tax.

3.7.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax is determined on the basis of taxable income and tax credits computed for Company / Group, in accordance with the applicable tax rates and the provisions of applicable tax laws applicable to Company / Group in the respective jurisdiction in which it operates. Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant taxpaying units intends to settle the asset and liability on a net basis.

3.7.2 Deferred Tax

Deferred tax assets and liabilities are measured using the enacted/substantively enacted tax rates and laws for continuing operations. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realisation.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

3.8 Employee Benefits

Defined contribution plan

A defined contribution plan is a plan under which the Company / Group pays fixed contributions into an independent fund administered by the government/Company / Group administrated Trust. The Company / Group have no legal or constructive obligations to pay further contributions after its payment of the fixed contribution.

Defined benefit plan

The defined benefit plans sponsored by the Company / Group define the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. Gratuity is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of the plan is the present value of the defined benefit obligation net of fair value of plan assets at the reporting date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of Other Comprehensive Income in the period in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed more than one-year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.
Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the period in which such gains or losses are determined.

Short-term employee benefits

Expense in respect of other short-term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

3.9 Provision, Contingent Liabilities

Provisions are recognised when the Company / Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company / Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement; unless the possibility of an outflow of resources embodying economic benefits is remote. Contingent liabilities are not recognized but are disclosed in notes.

3.10 Financial instruments

Financial assets and liabilities are recognised when the Company / Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial

asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss (FVTPL) are recognised immediately in the statement of profit and loss.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Cash and cash equivalents

The Company / Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income (OCI) if these financial assets are held within a business whose objective is achieved by both selling financial assets and collecting contractual cash flows, the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the Company / Group makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the "Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. So far, the Company / Group has not elected to present subsequent changes in fair value of any investment in OCI.

Financial assets at fair value through profit or loss ('FVTPL')

Investment in equity instruments are classified as at FVTPL, unless the Company / Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Impairment of financial assets (other than at fair value)

The Company / Group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company / Group measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. However, for trade receivables, the Company / Group measures the loss allowance at an amount equal to lifetime expected credit losses. In cases where the amounts are expected to be realised up to one year from the date of the invoice, loss for the time value of money is not recognised, since the same is not considered to be material.

Derecognition of financial assets

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in profit or loss if such gain or loss.

3.11 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company / Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its liabilities. Equity instruments issued by the Company / Group are recognised at the proceeds received, net of direct issue costs.

Compound financial instruments

The components of compound instruments are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by issue of fixed number of the Company / Group's own equity instruments in exchange of a fixed amount of cash or another financial asset is an equity instrument. At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortized cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date. The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

Derecognition of financial liabilities

The Company / Group derecognise financial liabilities when, and only when, the Company / Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

3.12 Trade and other Payables

These amounts represent liabilities for goods & services provided to the Company / Group prior to the end of the financial year which are unpaid. These are recognised initially at fair value and subsequently measured at amortised cost using effective interest method.

3.13 Segment reporting

The Company / Group is mainly engaged in Media Business which is identified as the only reportable business segment of the Company / Group in accordance with the requirements of Ind AS 108 , 'Operating Segment Reporting', notified under the Companies (Indian Accounting Standards) Rules, 2015. All the operating facilities are located in India. The Company / Group's business activity primarily falls within a single geographical segment.

3.14 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company / Group are segregated based on the available information.

3.15 Earnings per share

Basic earnings per share is computed by dividing the profit/loss for the year attributable to the shareholders of the parent Company / Group by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/loss for the year attributable to the shareholders of the parent as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

3.16 Operating Cycle

Based on the nature of products/activities of the Company / Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company / Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.17 Leases

Till 31st March 2019, the Company / Group had adopted Ind AS 17, Leases. In March 2019, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2019 notifying Ind AS 116, Leases and withdrawing Ind AS 17, Leases. Ind AS 116 is effective from accounting periods beginning from 1st April 2019.

Ind AS 116 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognizes a right of use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the erstwhile standard – i.e. lessors continue to classify leases as finance or operating leases. The Company / Group has applied the transition provisions as mentioned in Appendix C to Ind AS 116. There is no financial impact on the Company / Group on adoption of Ind AS 116.

At inception of a contract, the Company / Group assesses whether the contract is, or contains a lease. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

Company / Group as a lessor

The Company / Group classify each of its leases as either an operating lease or a finance lease.

Leases in which the Company / Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. The depreciation policy for depreciable underlying assets subject to operating leases is consistent with the Company / Group's normal depreciation policy for similar assets.

Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company / Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company / Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Company / Group as a lessee

At the contract commencement date, the Company / Group recognize right – of – use asset and a lease liability. A right – of – use asset is an asset that represents a lessee's right to use an underlying asset for the lease term. The Company / Group has elected not to apply the aforesaid requirements to short term leases (leases which at the commencement date has a lease term of 12 months or less) and leases for which the underlying asset is of low value as described in paragraphs B3 – B9 of Ind AS 116.

A right of use asset is initially measured at cost and subsequently applies the cost mode ie less any accumulated depreciation and any accumulated impairment losses and adjusted for any remeasurement of lease liability. Ind AS 16, Property, Plant and Equipment is applied in depreciating the right – of – use asset.

A lease liability is initially measured at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the Company / Group's incremental borrowing rate is used. Subsequently, the carrying amount of the lease liability is increased to reflect interest on lease liability; reduced to reflect the lease payments; and remeasured to reflect any reassessment or lease modifications or to reflect revised in – substance fixed lease payments.

3.18 Subsequent events

There is no event after reporting period which needs to be disclosed.

3.19 Critical accounting judgements and key sources of estimation uncertainty

3.19.1 Critical accounting judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations that the Management have made in the process of applying the Company / Group's accounting policies and that have most material effect on the amounts recognised in the consolidated financial statements.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

3.20 Key Source of estimation uncertainty

Key source of estimation uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, provisions and contingent liabilities.

The areas involving critical estimates are:

Useful lives and residual values of property, plant and equipment

Useful life and residual value of property, plant and equipment are based on management's estimate of the expected life and residual value of those assets. These estimates are reviewed at the end of each reporting period. Any reassessment of these may result in change in depreciation expense for future years (Refer note no 3.5).

Impairment of Property Plant and Equipment

The recoverable amount of the assets has been determined on the basis of their value in use. For estimating the value in use it is necessary to project the future cash flow of assets over its estimated useful life. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in statement of profit or loss.

Valuation of Deferred tax assets

Deferred tax assets are recognised only to the extent it is considered probable that those assets will be recoverable. This involves an assessment of when those deferred tax assets are likely to reverse and a judgment as to whether or not there will be sufficient taxable profits available to offset the tax assets when they do reverse. The Company / Group review the carrying amount of deferred tax assets at the end of each reporting period. Any change in the estimates of future taxable income may impact the recoverability of deferred tax assets.

5.2 **Valuation note for Mutual Funds**

As per Ind AS 113 – Fair Value Measurement, mutual fund investments are valued at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Accordingly, mutual funds are valued at market value as per the statement provided by the asset management company (AMC), which reflects the net asset value (NAV) as on the reporting date. This NAV is considered a reliable estimate of the fair value, provided the units are readily marketable and the market is active.

vii. The employer 's best estimate of contribution expected to be NIL since the scheme is managed on unfunded basis.

viii. **Maturity profile of defined benefit obligation**

Year	As at 31 March 2026	As at 31 March 2025
0 to 1 Year	28.34	2.02
2 to 5 Year	36.14	25.22
More than 5 Years	7.01	4.97

These plans typically expose the Company to actuarial risks such as Investment risk, salary risk, discount rate risk, mortality risk, withdrawals risk.

Salary risk	The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government Bonds Yield. If plan liability is funded and return on plan assets is below this rate, it will create a plan deficit.
Discount rate risk	A decrease in the bond interest rate (discount rate) will increase the plan liability.
Mortality & disability risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. For this report we have used Indian Assured Lives Mortality (2006-08) ultimate table. A change in mortality rate will have a bearing on the plan's liability.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Independent Auditor's Report
To the members of Cyber Media (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **CYBER MEDIA (INDIA) LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year ended on that date and a summary of material accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its profit before tax, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended 31st March, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

S.no	Key Audit Matters	How our audit addressed the key audit matter
1	**Revenue Recognition** • Revenue is measured net of discounts,	• We have assessed the Company's accounting policies relating to revenue,

	incentives, rebate etc. given to the customer on the Company's sales. • The Company's presence across different marketing products within the country and the competitive business environment makes the assessment of various type discount, incentives and rebates as complex and judgmental. • Therefore, there is a risk of revenue being misstated as a result of variations in the assessment of discounts, incentives and rebates. • Given the complexity and judgment required to access the provision for discounts, incentives and rebates, this is a key audit matter	discounts, incentives and rebates by comparing with applicable accounting standards. • We accessed the design and implementation and tested the operating effectiveness Company's internal controls over the provisions, approvals and disbursements of discounts, incentives and rebates. • We have accessed Company's computation for accrual of discounts, incentives and rebates, on a sample basis, and compared the accrual made with the approved schemes and underlined documents. • We have verified, on a sample basis, the underlying documentation for discounts, incentives and rebates recorded and disbursed dusting the year. • We have compared the historical trends of payments and reversal of discounts, incentives and rebates to provisions made to assess the current year accruals. • We have examined the manual journals posted to discounts, rebates and incentives to identify unusual or irregular items.
2	**Impairment of Trade Receivables** • The company has applied a simplified ECL model to determine the impairment against trade receivables at the reporting date. The expected credit loss (ECL) model involves the use of various assumptions and study of historical observed defaults rates over the expected life of trade receivables. The significant judgments include the assessment for the forward-looking estimates. Due to the significance of trade receivables and the significant judgment involved in determining the ECL, the impairment of trade receivables was considered to be Key audit matter	• We have assessed the design and implementation and tested the operating effectiveness of the Company's relevant key financial controls around the ECL allowance. • We critically assessed the ECL model developed by the Company and verified with requirement of Ind AS 109. • Tested Key assumptions and judgments, such as those used to assess the likelihood of default and loss on default by comparing two historical data • We considered the adequacy of the disclosures in the standalone financial statements against the requirement of Ind As 109, Financial Instruments and Ind AS 107, Financial Instruments Disclosures

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

S. AGARWAL & Co. FRN 000808N New Delhi Chartered Accountants

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

S. AGARWAL & Co. FRN 000808N New Delhi Chartered Accountants

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company does not have any pending litigations which would impact its financial position except disputed employees provident fund liabilities of Rs. 20.81 Lakhs as mentioned in note 41 of the financial statements.

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. During the year the company neither proposed nor declared any dividend.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure 'A' to the Independent Auditor's Report
(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of CYBER MEDIA (INDIA) LIMITED of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:

(a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and relevant details of right-of-use assets.

(b) The Company has maintained proper records showing full particulars of intangible assets.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its property, plant and equipment by which all Property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain Property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company as at the balance sheet date.

(e) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.

(f) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.

ii. (a) The Company holds no inventory, hence clause 3 (ii) (a) of the Order is not applicable.

(b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. During the year, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other party. The other requirement of clause 3(iii) of the order is not applicable to the Company.

iv. The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of investments by it during the year. The Company has not granted any

loan or provided any guarantee or security during the year to which section 185 & 186 of the Companies Act, 2013 apply.

v. The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. The maintenance of cost records has not been specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013 for the business activities carried out by the Company. Hence, reporting under clause (vi) of the Order is not applicable to the Company.

vii. (a) In our opinion, the Company has been regular in depositing undisputed statutory dues, including Goods and Services tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues applicable to it with the appropriate authorities.

There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, Cess and other material statutory dues in arrears as at March 31, 2026.

(a) According to the information and explanations given to us, there are no dues of GST, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Value added tax, Cess or other statutory dues which have not been deposited by the Company on account of disputes except disputed employees provident fund of Rs. 20.81 Lakhs as detailed in note 41 being 'contingent liabilities' to the financial statements.

viii. There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

ix. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

(b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) The Company has applied term loans for the purpose for which the loans were obtained.

(d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.

(e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.

(f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries and hence reporting on clause 3(ix)(f) of the Order is not applicable.

x. (a)The Company has raised moneys by way of Right Issue during the year and were applied for the purposes for which those are raised. Details of funds raised and utilized are given in note no. 15 (viii) & note no. 47 of the financial statement.

(b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi. (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.

(c) According to the information and explanations given by the Management, the Company has not received any whistle-blower complaints during the year.

xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable.

xiii. In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv. The Company has an internal audit system commensurate with the size and nature of its business. The reports of the internal auditor were considered by us.

xv. In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors, and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.

(b) The Company has not conducted any Non-Banking Financial or Housing Financial Activities.

(c) The Company is not a Core Investment Company (CIC) as defined by the regulation made by Reserve Bank of India.

(d) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.

xvii. The Company has not incurred any cash losses during the financial year covered by our audit but incurred cash losses of Rs. 1,173.89 Lakhs in the immediately preceding financial year.

xviii. There has been no resignation of the statutory auditors of the Company during the year.

xix. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. In our opinion and according to the information and explanations given by the Management, provision of section 135 of the Companies Act, 2013 is not applicable on the company. Accordingly, reporting under clause 3(xx) of the Order is not applicable.

xxi. These are not consolidated financial statements. Accordingly reporting under clause 3(xxi) of the Order is not applicable.

Annexure "B" to the Independent Auditor's Report
(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of CYBER MEDIA (INDIA) LIMITED of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of **CYBER MEDIA (INDIA) LIMITED** (the "Company") as of March 31, 2026 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Management of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

S. AGARWAL & Co. FRN 000808N New Delhi Chartered Accountants

Meaning of Internal Financial Controls with reference to standalone financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to standalone financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

MATERIAL ACCOUNTING POLICIES OF STANDALONE FINANCIAL STATEMENTS

1. Corporate Information

Cyber Media (India) Limited is a public limited company incorporated under Indian Companies Act, 1956, having its registered office at D - 74, Panchsheel Enclave, New Delhi - 110017 and Corporate Office at Cyber House B - 35, Sector 32, Gurugram - 122003, Haryana. The Company is the largest speciality media house in South Asia and amongst India's top five magazine brands. The media business includes several media properties such as Dataquest, PC Quest, Voice & Data, DQ Channels and DQ Week(s). The Company has several websites led by www.CIOL.com, India's largest technology business website. Over the past three decades, the Company has continued to be the torch bearer for technology business, knowledge and information for India's growing industry needs.

2. Material Accounting Policies

A summary of basis of preparation and Material accounting policies adopted in the preparation of these financial statements are as given below. These bases of preparation and accounting policies have been applied consistently to all periods presented in the financial statements.

2.1 Statement of Compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules 2015 as amended from time to time and other accounting principles generally accepted in India.

2.2 Basis of preparation and presentation

The Financial Statements are prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Unless otherwise stated, all amounts are stated in Lakhs of Rupees.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

In addition, for financial reporting purposes fair value measurements are categorised into Level 1, 2 or 3 based on the degree to which the inputs for the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:

a) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

b) Level 2 inputs are inputs that are observable, either directly or indirectly, other than quoted prices included within level 1 for the asset or liability.

c) Level 3 inputs are unobservable inputs for the asset or liability.

2.3 Use of Estimates

The preparation of financial statements requires management to make judgments, estimates and assumptions that may impact the application of accounting policies and the reported value of assets, liabilities, income, expenses and related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. The estimates and management's judgments are based on previous experience & other factors considered reasonable and prudent in the circumstances. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

In order to enhance understanding of the financial statements, information about material areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most material effect on the amounts recognized in the financial statements is as under:

1. Formulation of accounting policies

The accounting policies are formulated in a manner that results in financial statements containing relevant and reliable information about the transactions, other events and conditions to which they apply. Those policies need not be applied when the effect of applying them is immaterial.

2. Post-employment benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

3. Provisions and contingencies

The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Ind AS 37 'Provisions, contingent liabilities and contingent assets'. The evaluation of the likelihood of the contingent events has required best judgment by management regarding the probability of exposure to potential loss. Should circumstances change following unforeseeable developments, this likelihood could alter.

d) Income taxes

Material estimates are involved in determining the provision for income taxes, including amount expected to be paid/ recovered for uncertain tax positions.

2.4 Revenue recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer and complete satisfaction of all performance obligations. Revenue is

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional.

If at the time of rendering of services or sales there is material uncertainty in Ultimate collection of the revenue, then the revenue recognition is postponed and in such Cases revenue is recognized only when it becomes reasonably certain that ultimate collection will be made. When the uncertainty of collection of revenue arises subsequently after the revenue recognition, provision for the uncertainty in the collection is made rather than adjustment in revenue already recognized. Dividend income is recognized when right to receive is established. Interest Income is recognized on time proportion basis taking in to account the amount outstanding and rate applicable based on effective interest method.

2.5 Property, Plant and Equipment (PPE)

Property, plant and equipment (PPE) are carried at cost less accumulated depreciation and impairment losses, if any.

The cost of Property, plant and equipment (PPE) comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses, present value of decommissioning costs (where there is a legal or constructive obligation to decommission) and interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use. Property, plant and equipment are tested for impairment whenever events or changes in circumstances indicate that an asset may be impaired. If an impairment loss is determined, the remaining useful life of the asset is also subject to adjustment. If the reasons for previously recognised impairment losses no longer exist, such impairment losses are reversed and recognised in income. Such reversal shall not cause the carrying amount to exceed the amount that would have resulted had no impairment taken place during the preceding periods.

Depreciation

Depreciation is provided for Property, Plant and Equipment so as to expense the cost less residual values over their estimated useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period. Depreciation is calculated on a straight-line basis over the estimated useful lives of the assets as follows:

Category	Useful Life
Office equipment	5 years
Furniture and fixture	10 years
Computers	3 years
Building	60 years
Vehicle	8 Years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

S.AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Gains and losses arising from Derecognition of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognised.

Amortization of Intangible assets

Intangible assets are amortized on a straight-line basis over the estimated useful economic life. The amortization period and the amortization method are reviewed at each financial year end. If the expected useful life of the asset is significantly different from the previous estimate, the amortization period is changed accordingly.

The useful lives of intangible assets are assessed as either definite or indefinite. Intangible assets are tested for impairment at the end of each reporting period.

Softwares are amortised over the life of the software or 5 years, whichever is lower

2.6 Inventory

Inventory of newsprint, goods in transit are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First in First Out', 'Average cost', or 'Specific Identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company.

2.7 Taxation

Income tax expense represents the sum of tax currently payable and deferred tax.

2.7.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.
Current tax is determined on the basis of taxable income and tax credits computed for Company, in accordance with the applicable tax rates and the provisions of applicable tax laws applicable to Company in the respective jurisdiction in which it operates.

Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant taxpaying units intends to settle the asset and liability on a net basis.

2.7.2 Deferred Tax

Deferred tax assets and liabilities are measured using the enacted/substantively enacted tax rates and laws for continuing operations. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realisation.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

2.8 Employee Benefits

Defined contribution plan

A Defined contribution plan is a post-employment benefit plan under which the company pays fixed contributions in respect of the employees into an independent fund administrated by the government/ pension fund manager and will have no legal or constructive obligation to pay further amounts after its payment of the fixed contribution. Obligations for contributions to defined contribution plans are recognized as an employee benefit expense in statement of profit and loss in the period during which services are rendered by employees.

The company has a defined contribution plan which includes pension scheme and provident fund scheme. Company's contribution towards provident fund and pension scheme for the year are recognised as an expense and charged to the statement of profit and loss.

Defined benefit plan

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The company's liability towards gratuity and post-retirement benefits such as medical benefits are in the nature of defined benefits plans.

The company's net obligation in respect of defined benefit plans is determined using the projected unit credit method, with actuarial valuations being carried out at the end of reporting period. Actuarial gain/loss on re-measurement of gratuity and other post-employment defined plans are recognised in other comprehensive income (OCI). Past service cost is recognised in the statement of Profit and Loss account in the period of a plan amendment.

Other long-term employee benefits

The company's obligation towards leave encashment is in the nature of other long term employee benefits. Liability in respect of compensated absences becoming due or expected to be availed more than one year after the balance sheet date.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the period in which such gains or losses are determined.

Short-term employee benefits

Short term employee benefits such as salaries and wages are recognised on undiscounted basis in the statement of Profit and Loss account, on the basis of the amount paid or payable for the period during which services are rendered by the employee.

2.9 Provision, Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement, unless the possibility of an outflow of resources embodying economic benefits is remote .Contingent liabilities are not recognized but are disclosed in notes.

2.10 Financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss (FVTPL) are recognised immediately in the statement of profit and loss.

Trade receivables not covering any material financing component or practical expedient as para 63 of Ind AS 115 is applied are recognised and measured at transaction price.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income (OCI) if these financial assets are held within a business whose objective is achieved by both selling financial assets and collecting contractual cash flows, the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the Company makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the "Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. So far, the Company has not elected to present subsequent changes in fair value of any investment in OCI.

Financial assets at fair value through profit or loss ('FVTPL')

Investment in equity instruments are classified as at FVTPL, unless the Company irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi
CYBER MEDIA (INDIA) LIMITED NEW DELHI

investment in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Impairment of financial assets (other than at fair value)

The Company measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. However, for trade receivables, the Company measures the loss allowance at an amount equal to lifetime expected credit losses. In cases where the amounts are expected to be realised up to one year from the date of the invoice, loss for the time value of money is not recognised, since the same is not considered to be material.

Derecognition of financial assets

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in profit or loss if such gain or loss.

2.11 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its liabilities. As per paragraph B5.2.3 of Ind AS 109, Financial Instruments, all investments in equity instruments must be measured at fair value. However, in limited circumstances, cost may be an approximate estimate of fair value. That may be the case if sufficient more recent information is not available to measure the fair value. As in each of these investments, the Company's % voting power is less than 20% (in most of cases it is less than 2%) and as these are unlisted entities, recent detailed information is not available. Hence these are valued at cost which is considered to be approximate fair value. Investments in equity shares of subsidiary and associates are measured at costs as per Ind-As 28. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Compound financial instruments

The components of compound instruments are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by issue of fixed number of the Company's own equity instruments in exchange of a fixed amount of cash or another financial asset is an equity instrument. At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortized cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date.

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option.

Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

2.12 Trade and other Payables

These amounts represent liabilities for goods & services provided to the Company prior to the end of the financial year which are unpaid. These are recognised initially at fair value and subsequently measured at amortised cost using effective interest method.

2.13 Segment reporting

The Company is mainly engaged in Media Business which is identified as the only reportable business segment of the Company in accordance with the requirements of Ind AS 108, 'Operating Segment Reporting', notified under the Companies (Indian Accounting Standards) Rules, 2015. All the operating facilities are located in India. The Company's business activity primarily falls within a single geographical segment.

2.14 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

S.AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

2.15 Earnings per share

Basic earnings per share are computed by dividing the profit/loss for the year attributable to the shareholders of the parent Company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/loss for the year attributable to the shareholders of the parent as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

2.16 Operating Cycle, Current Assets and Current Liabilities

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

2.17 Leases

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
As a lessee, the Company determines the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any material leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

S. AGARWAL & Co. FRN 000808N New Delhi Chartered Accountants

CYBER MEDIA (INDIA) LIMITED NEW DELHI

The Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

2.18 Critical accounting judgements and key sources of estimation uncertainty

2.18.1 Critical accounting judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations that the Management have made in the process of applying the Company's accounting policies and that have most material effect on the amounts recognised in the consolidated financial statements.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

2.19 Key Source of estimation uncertainty

Key source of estimation uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, provisions and contingent liabilities.

The areas involving critical estimates are:

Useful lives and residual values of property, plant and equipment

Useful life and residual value of property, plant and equipment are based on management's estimate of the expected life and residual value of those assets. These estimates are reviewed at the end of each reporting period. Any reassessment of these may result in change in depreciation expense for future years (Refer note no 2.5).

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Impairment of Property Plant and Equipment

The recoverable amount of the assets has been determined on the basis of their value in use. For estimating the value in use it is necessary to project the future cash flow of assets over its estimated useful life. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in statement of profit or loss.

Valuation of Deferred tax assets

Deferred tax assets are recognised only to the extent it is considered probable that those assets will be recoverable. This involves an assessment of when those deferred tax assets are likely to reverse and a judgment as to whether or not there will be sufficient taxable profits available to offset the tax assets when they do reverse. The Company reviews the carrying amount of deferred tax assets at the end of each reporting period. Any change in the estimates of future taxable income may impact the recoverability of deferred tax assets.

2.20 Going concern

There are no material material orders passed by the Regulators/Courts which would impact the going concern status of the Company and its future operations.

2.21 Foreign Currency Transaction

Functional and presentation currency

Items included in the financial statements of entity are measured using currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is entity's functional and presentation currency.

Transactions and Balances

Transactions in foreign currencies are initially recorded at their respective functional currency spot rates at the date the transaction first qualifies for recognition.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date.

Differences arising on settlement or translation of monetary items are recognised in profit or loss.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item.

2.22 Dividend

Dividends and interim dividends payable to the Company's shareholders are recognized as changes in equity in the period in which they are approved by the shareholders' meeting and the Board of Directors respectively.

2.23 Material Prior Period Error

Material prior period errors are corrected retrospectively by restating the comparative amounts for the prior periods presented in which the error occurred. If the error occurred before the earliest

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

period presented, the opening balances of assets, liabilities and equity for the earliest period presented, are restated.

2.24 Subsequent Event

There is no event occur after reporting period which needs to be disclosed.

2.25 Recent pronouncements:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

Amendment of Ind AS 1 - Presentation of Financial Statements by Notification Dated 13th August 2025

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no material impact of these amendments in its classification criteria of current and non-current liabilities.

Amendment of Ind AS 21 – The Effects of Changes in Foreign Exchange Rates by Notification Dated 7th May 2025

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, applicable with effect from April 1, 2025. The amendment provides additional guidance in situations where a currency is not exchangeable and clarifies the determination of exchange rates to be used in such circumstances, along with related disclosure requirements. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

Amendment of Ind AS 7 – Statement of Cash Flows by Notification Dated 13th August 2025

In August 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 7, Statement of Cash Flows, applicable with effect from April 1, 2025. The amendments require entities to provide enhanced disclosures relating to supplier finance arrangements, including the nature of such arrangements, the carrying amount of related financial liabilities, and the range of payment due dates. The objective of the amendment is to enable users of financial statements to assess the impact of supplier finance arrangements on an entity's liabilities, cash flows, and liquidity risk. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

Amendment of Ind AS 107 – Financial Instruments: Disclosures by Notification Dated 13th August 2025

In August 2025, the MCA notified amendments to Ind AS 107, Financial Instruments: Disclosures, applicable with effect from April 1, 2025. The amendments require entities to include supplier finance arrangements as a factor in evaluating concentration of liquidity risk and to provide related qualitative and quantitative disclosures. These disclosures are intended to enhance transparency regarding the effect of such arrangements on an entity's risk exposure and financial position. The

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

Amendment of Ind AS 12 – Income Taxes by Notification Dated 13th August 2025

The MCA also notified amendments to Ind AS 12, Income Taxes, relating to the International Tax Reform – Pillar Two Model Rules. The amendments introduce a temporary mandatory exception from accounting for deferred taxes arising from the implementation of the Pillar Two rules and require entities to disclose the application of such exception. The amendment is effective immediately and applies retrospectively. The Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

5.3 As per paragraph B5.2.3 of Ind AS 109, Financial Instruments all investments in equity instruments must be measured at fair value. However in limited circumstances, cost may be an approximate estimate of fair value. That may be the case if sufficent more recent information is not available to measure the fair value. As in each of these investments, the Company's % voting power is less than 20% (in most of cases it is less than 2%) & as these are unlisted entities, recent detailed information is not available. Hence these are valued at cost which is considered to be approximate fair value.

The Company has incurred continuous losses over the past financial years, resulting in the absence of sufficient taxable profits against which the deferred tax assets can be realized. In accordance with the principles laid down in Ind AS 12 – Income Taxes, and based on a prudent assessment of future taxable profit projections, the management has decided to discontinue the recognition of deferred tax assets in the books of account.
This decision has been made to ensure compliance with the requirement that deferred tax assets should be recognized only to the extent that it is probable that future taxable profits will be available against which such deferred tax assets can be utilized.
The Company will continue to reassess the recognition of deferred tax assets at each reporting date and will recognize the same as and when reasonable certainty regarding availability of future taxable profits arises.

(ii) Rights, preferences and restriction attached to equity shares

Company has only one class of equity shares having a par value of Rs.10/-. Each holder of equity shares is entitled to one vote per share. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Partly paid-up equity shares holders having a face value of Rs. 10 per share are entitled to voting rights in proportion to the amount paid-up on such shares relative to the total paid-up value of a fully paid-up equity share. They are also entitled to receive dividends, if declared by the Company, in proportion to the amount paid-up on such shares, unless otherwise provided in the terms of issue. In the event of liquidation of the Company, holders of partly paid-up equity shares shall be entitled to participate in the distribution of the remaining assets of the Company, after payment of all liabilities and preferential amounts and after adjustment of any unpaid amount due on such shares, in proportion to the amount paid-up on the equity shares held by them, in accordance with the provisions of the Companies Act, 2013 and other applicable laws.

(v) The Company has not allotted any fully paid up shares pursuant to contract(s) without payment being received in cash nor has bought back any class of shares during the period of five years immediately preceding the balance sheet date.

(vi) The Company has not allotted bonus shares during the period of five years immediately preceding the balance sheet date.

(vii) The Board of Directors has not proposed any dividend on equity shares.

(viii) **Right issue of Equity Shares & forfeiture of partly paid up equity shares**

During the financial year, the Company made a rights issue of up to 62,66,897 equity shares of face value of ₹10 each at an issue price of ₹15.80 per share (including a securities premium of ₹5.80 per share), aggregating up to ₹ 9.90 crore.

The Company received share application money in respect of 51,62,479 equity shares at ₹7.90 per share, comprising ₹5.00 per share towards share capital and ₹2.90 per share towards securities premium. Accordingly, these shares were allotted as partly paid-up equity shares on 02-09-2025, with ₹5.00 per share towards face value and ₹2.90 per share towards securities premium remaining unpaid.

The Company made the first and final call for the balance amount of ₹7.90 per share, comprising ₹5.00 per share towards face value and ₹2.90 per share towards securities premium. The Company received the call money in respect of 49,53,415 equity shares. Consequently, these shares became fully paid-up upon receipt of the call money on 20-02-2026, while the balance 2,09,064 equity shares continued to remain partly paid-up as at 31 March 2026, pending receipt of the first and final call money.

Pursuant to the final reminder-cum-forfeiture notice dated 05 March 2026, the Company has received call money amounting to ₹ 2.99 lakhs in respect of 37,735 partly paid-up equity shares (Rs. 7.90 per share) by 05-05-2026. However, call money in respect of the remaining 1,71,329 partly paid-up equity shares is still outstanding. The Rights Issue Committee, in its meeting held on 11 April 2026, has approved the forfeiture of these remaining unpaid 1,71,329 partly paid-up equity shares (amounting to ₹ 13.55 lakhs). The forfeiture process is currently under progress.

Year	As at 31 March 2026	As at 31 March 2025
0 to 1 Year	15.49	12.27
1 to 2 Year	8.46	16.46
More than 5 Years	10.20	1.87

These plans typically expose the Company to actuarial risks such as Investment risk, salary risk, discount rate risk, mortality risk, withdrawals risk.

Salary risk	The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government Bonds Yield. If plan liability is funded and return on plan assets is below this rate, it will create a plan deficit.
Discount rate risk	A decrease in the bond interest rate (discount rate) will increase the plan liability.
Mortality & disability risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. For this report we have used Indian Assured Lives Mortality (2006-08) ultimate table. A change in mortality rate will have a bearing on the plan's liability.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

49 On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as "Statutory impact of new Labour Codes" under "Exceptional Items" in the standalone statement of profit and loss for the year ended 31st March 2026.

50 **Approval of financial statements**
The financial statements of the Company for the year ended March 31, 2025 were approved by the Board of Directors at its meeting held on May 06, 2026. The financial statements can be re-opened/voluntarily revised under certain circumstances as provided under sections 130 & 131 of the Companies Act, 2013.

INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF CYBER MEDIA (INDIA) LIMITED

REPORT ON THE AUDIT OF CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of **CYBER MEDIA (INDIA) LIMITED**("hereinafter referred to as the Holding Company"), its subsidiaries (Holding Company and its Subsidiaries together referred to as "the "Group"), which comprise consolidated balance sheet as at 31st March 2026, consolidated statement of profit and loss, including statement of other comprehensive income, consolidated statement of cash flow and the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act 2013('Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the Companies (Indian Accounting Standards) Rules 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the group as at 31st March 2026, of its consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis of opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountant of India (ICAI), together with ethical requirement that are relevant to our audit of the consolidated financial statements under the provisions of the act and rules made thereunder and we have fulfilled our other ethical responsibilities and in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended 31st March, 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

S. No.	Key Audit Matters	How our audit addressed the key audit matter
1	**Revenue Recognition** • Revenue is measured net of discounts, incentives, rebate etc. given to the customer on the Company's sales. • The Company's presence across different marketing products within the country and the competitive business environment makes the assessment of various type discount, incentives and rebates as complex and judgmental. • Therefore, there is a risk of revenue being misstated as a result of variations in the assessment of discounts, incentives and rebates. • Given the complexity and judgment required to access the provision for discounts, incentives and rebates, this is a key audit matter	• We have assessed the Company's accounting policies relating to revenue, discounts, incentives and rebates by comparing with applicable accounting standards. • We accessed the design and implementation and tested the operating effectiveness Company's internal controls over the provisions, approvals and disbursements of discounts, incentives and rebates. • We have accessed Company's computation for accrual of discounts, incentives and rebates, on a sample basis, and compared the accrual made with the approved schemes and underlined documents. • We have verified, on a sample basis, the underlying documentation for discounts, incentives and rebates recorded and disbursed dusting the year. • We have compared the historical trends of payments and reversal of discounts, incentives and rebates to provisions made to assess the current year accruals. • We have examined the manual journals posted to discounts, rebates and incentives to identify unusual or irregular items.
2	**Impairment of Trade Receivables** • The company has applied a simplified ECL model to determine the impairment against trade receivables at the reporting date. The expected credit loss (ECL) model involves the use of various assumptions and study of historical observed defaults rates over the expected life of trade receivables. The significant judgments include the assessment for the forward looking estimates. Due to the significance of trade receivables and the significant judgment involved in determining the ECL, the impairment of trade receivables	• We have assessed the design and implementation and tested the operating effectiveness of the Company's relevant key financial controls around the ECL allowance. • We critically assessed the ECL model developed by the Company and verified with requirement of Ind AS 109. • Tested Key assumptions and judgments, such as those used to assess the likelihood of default and loss on default by comparing two historical data • We considered the adequacy of the disclosures in the Consolidated financial statements against the requirement of

Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon. The Holding Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Holding Company's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions required under SA 720, 'The Auditor's Responsibilities Relating to Other Information'

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with companies (Indian Accounting Standard) Rules, 2015 as amended, ("Ind AS").

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management and Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the group are also responsible for the overseeing the financial reporting process of the group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with standards of auditing (SAs) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and board of Directors.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other Companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended 31st March, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate report in 'Annexure 2'.

g. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the group to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any of the director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Group does not have any pending litigation that would impact its financial positions in its financial statements as at and for the year ended 31st March 2026;

ii. The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.;

iv.

a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary companies incorporated in India to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:

1. Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Holding Company or its subsidiary companies incorporated in India; or

2. Provided any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

b) The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Holding Company or its subsidiary companies incorporated in India from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary companies incorporated in India shall:

1. directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Parties or
2. provided any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries

c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub clause (iv)(a) and (iv)(b) contain any material mis-statement.

v. The Holding Company has neither declared nor paid any dividend during the year. Hence, no reporting is required under rule 11(f) of Companies (Audit and Auditors) Rules 2014 read with section 143(3)(j) of the Companies Act, 2013.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026 which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure "2" to the Independent Auditor's Report of even date on Ind AS consolidated financial statements as at and year ended 31st March 2026 of Cyber Media (India) Limited

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of consolidated financial statements of **Cyber Media (India) Limited** (hereinafter referred to as "the Holding Company") as of and for the year ended 31st March 2026, We have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its Subsidiary Company (the Holding and its Subsidiary together referred to as "the group"), which is a company incorporated in India as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its Subsidiary Company, incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the criteria established by the Holding Company, its Subsidiary Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (the 'ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective companies' policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the 'Act').

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements with reference to these financial statements and their operating effectiveness.

Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the

S. AGARWAL & Co. FRN 000808N New Delhi Chartered Accountants

financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial with reference to consolidated financial statements includes those policies and procedures that:

- Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the company; and

- Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under section 143(3)(i) of the act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements in so far as it related to one subsidiary, (which is a company incorporated in India) is based solely on the corresponding reports of the auditor of such company incorporated in India.

Opinion

In our opinion, to the best of our information and according to the explanation given to us and on the consideration of reports of other auditor, the Holding Company and its Subsidiary Company which is a company incorporated in India have maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements are generally operating effectively as at 31st March 2026,

S. AGARWAL & Co. FRN 000808N New Delhi Chartered Accountants

based on the internal control with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India.

2. Recent pronouncements:

IND-AS Amendments for F.Y 2025-26

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

Amendment of Ind AS 1 - Presentation of Financial Statements by Notification Dated 13th August 2025

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no material impact of these amendments in its classification criteria of current and non-current liabilities.

Amendment of Ind AS 21 – The Effects of Changes in Foreign Exchange Rates by Notification Dated 7th May 2025

In May 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 21, The Effects of Changes in Foreign Exchange Rates, applicable with effect from April 1, 2025. The amendment provides additional guidance in situations where a currency is not exchangeable and clarifies the determination of exchange rates to be used in such circumstances, along with related disclosure requirements. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Amendment of Ind AS 7 – Statement of Cash Flows by Notification Dated 13th August 2025

In August 2025, the Ministry of Corporate Affairs (MCA) notified amendments to Ind AS 7, Statement of Cash Flows, applicable with effect from April 1, 2025. The amendments require entities to provide enhanced disclosures relating to supplier finance arrangements, including the nature of such arrangements, the carrying amount of related financial liabilities, and the range of payment due dates. The objective of the amendment is to enable users of financial statements to assess the impact of supplier finance arrangements on an entity's liabilities, cash flows, and liquidity risk. The Company has evaluated the amendment and concluded that it does not have any impact on its financial statements.

Amendment of Ind AS 107 – Financial Instruments: Disclosures by Notification Dated 13th August 2025

In August 2025, the MCA notified amendments to Ind AS 107, Financial Instruments: Disclosures, applicable with effect from April 1, 2025. The amendments require entities to include supplier finance arrangements as a factor in evaluating concentration of liquidity risk and to provide related qualitative and quantitative disclosures. These disclosures are intended to enhance transparency regarding the effect of such arrangements on an entity's risk exposure and financial position. The Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

Amendment of Ind AS 12 – Income Taxes by Notification Dated 13th August 2025

The MCA also notified amendments to Ind AS 12, Income Taxes, relating to the International Tax Reform – Pillar Two Model Rules. The amendments introduce a temporary mandatory exception from accounting for deferred taxes arising from the implementation of the Pillar Two rules and require entities to disclose the application of such exception. The amendment is effective immediately and applies retrospectively. The Company has reviewed the amendment and determined that it does not have any impact on its financial statements.

3. Material Accounting Policies

3.1 Statement of Compliance

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (referred to as Ind AS) to comply with the Companies (Indian Accounting Standards) Rules 2015, as amended specified under Section 133 of the Companies Act, 2013, and the relevant provisions of the Companies Act, 2013.

3.2 Basis of consolidation, preparation and presentation (Refer management assessment on going concern at note 3.21)

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below. Unless otherwise stated, all amounts are stated in Millions of Rupees.

Historical cost is the amount of cash or cash equivalents paid or the fair value of the consideration given to acquire assets at the time of their acquisition or the amount of proceeds received in

S. AGARWAL & CO. FRN 000808N New Delhi Chartered Accountants
CYBER MEDIA (INDIA) LIMITED NEW DELHI

exchange for the obligation, or at the amounts of cash or cash equivalents expected to be paid to satisfy the liability in the normal course of business.
Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. Fair value for measurement and/or disclosure purpose in these financial statements is determined on such basis except for, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value.

In addition, for financial reporting purposes fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs for the fair value measurements are observable and the significance of the inputs to the fair value measurements in its entirety, which are described as follows:
•Level 1 -Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

•Level 2 -Inputs are inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly or indirectly; and

•Level 3- inputs are unobservable inputs for the asset or liability.

MATERIAL ACCOUNTING POLICIES

3.3 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Difference between the actual results and estimates are recognized in the period in which the results are known/materialised.

3.4 Revenue recognition

Revenue of all material items and nature are recognized at the time of rendering of sales or Services. If at the time of rendering of services or sales there is material uncertainty in Ultimate collection of the revenue, then the revenue recognition is postponed and in such Cases revenue is recognized only when it becomes reasonably certain that ultimate collection will be made. When the uncertainty of collection of revenue arises subsequently after the revenue recognition, provision for the uncertainty in the collection is made rather than adjustment in revenue already recognized. Dividend income is recognized when right to receive is established. Interest Income is recognized on time proportion basis taking in to account the amount outstanding and rate applicable.

3.5 Property, Plant and Equipment (PPE)

Property, plant and equipment (PPE) are carried at cost less accumulated depreciation and impairment losses, if any.

Depreciation

Depreciation is recognised for Property, Plant and Equipment (PPE) so as to write-off the cost less residual values over their estimated useful lives. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis taking into account commercial and technological obsolescence as well as normal wear and tear. Depreciation on tangible assets is provided on straight line method, except for vehicles which are depreciated on written down value method, over the useful lives of the assets estimated by Management. Depreciation on assets acquired is provided for the full month, irrespective of the date on which the assets were put to use and depreciation is not provided in the month of sale/discard of an asset. Depreciation for assets purchased/sold during a period is proportionately charged. Individual low cost assets (acquired for less than Rs.5000) are entirely depreciated in the year of acquisition.

3.6 Inventory

Inventory of newsprint, goods in transit are stated at cost or net realisable value, whichever is lower. Cost comprises all cost of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. Cost formulae used are 'First in First Out', 'Average cost', or 'Specific Identification', as applicable. Due allowance is estimated and made for defective and obsolete items, wherever necessary, based on the past experience of the Company / Group.

3.7 Taxation

Income tax expense represents the sum of tax currently payable and deferred tax.

S. AGARWAL & CO. CA FRN 000808N New Delhi Chartered Accountants

CYBER MEDIA (INDIA) LIMITED NEW DELHI

3.7.1 Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. Current tax is determined on the basis of taxable income and tax credits computed for Company / Group, in accordance with the applicable tax rates and the provisions of applicable tax laws applicable to Company / Group in the respective jurisdiction in which it operates. Advance taxes and provisions for current income taxes are presented in the Balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant taxpaying units intends to settle the asset and liability on a net basis.

3.7.2 Deferred Tax

Deferred tax assets and liabilities are measured using the enacted/substantively enacted tax rates and laws for continuing operations. Deferred tax assets are recognized for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realisation.

Current and deferred tax for the year

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

3.8 Employee Benefits

Defined contribution plan

A defined contribution plan is a plan under which the Company / Group pays fixed contributions into an independent fund administered by the government/Company / Group administrated Trust. The Company / Group have no legal or constructive obligations to pay further contributions after its payment of the fixed contribution.

Defined benefit plan

The defined benefit plans sponsored by the Company / Group define the amount of the benefit that an employee will receive on completion of services by reference to length of service and last drawn salary. Gratuity is in the nature of a defined benefit plan. The liability recognised in the financial statements in respect of the plan is the present value of the defined benefit obligation net of fair value of plan assets at the reporting date, together with adjustments for unrecognised actuarial gains or losses and past service costs. The defined benefit obligation is calculated at the reporting date by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are credited or charged to the statement of Other Comprehensive Income in the period in which such gains or losses are determined.

Other long-term employee benefits

Liability in respect of compensated absences becoming due or expected to be availed more than one-year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged to statement of profit and loss in the period in which such gains or losses are determined.

S. AGARWAL & CO. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

3.9 Provision, Contingent Liabilities

Provisions are recognised when the Company / Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company / Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). Contingent Liability is disclosed after careful evaluation of facts, uncertainties and possibility of reimbursement; unless the possibility of an outflow of resources embodying economic benefits is remote .Contingent liabilities are not recognized but are disclosed in notes.

3.10 Financial instruments

Financial assets and liabilities are recognised when the Company / Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss (FVTPL) are recognised immediately in the statement of profit and loss.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortized cost or fair value, depending on the classification of the financial assets.

Cash and cash equivalents

The Company / Group considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortized cost

Financial assets are subsequently measured at amortised cost using the effective interest method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

S. AGARWAL & Co. Chartered Accountants FRN 000808N New Delhi

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income (OCI) if these financial assets are held within a business whose objective is achieved by both selling financial assets and collecting contractual cash flows, the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. On initial recognition, the Company / Group makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the "Reserve for equity instruments through other comprehensive income'. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments. So far, the Company / Group has not elected to present subsequent changes in fair value of any investment in OCI.

Financial assets at fair value through profit or loss ('FVTPL')

Investment in equity instruments are classified as at FVTPL, unless the Company / Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investment in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortized cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in profit or loss.

Impairment of financial assets (other than at fair value)

The Company / Group measures the loss allowance for a financial instrument at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the Company / Group measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses. However, for trade receivables, the Company / Group measures the loss allowance at an amount equal to lifetime expected credit losses. In cases where the amounts are expected to be realised up to one year from the date of the invoice, loss for the time value of money is not recognised, since the same is not considered to be material.

Derecognition of financial assets

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in profit or loss if such gain or loss.

3.11 Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company / Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its liabilities. Equity instruments issued by the Company / Group are recognised at the proceeds received, net of direct issue costs.

CYBER MEDIA (INDIA) LIMITED NEW DELHI

Compound financial instruments

The components of compound instruments are classified separately as financial liabilities and equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument. A conversion option that will be settled by issue of fixed number of the Company / Group's own equity instruments in exchange of a fixed amount of cash or another financial asset is an equity instrument. At the date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for similar non-convertible instruments. This amount is recognised as a liability on an amortized cost basis using the effective interest method until extinguished upon conversion or at the instrument's maturity date. The conversion option classified as equity is determined by deducting the amount of the liability component from the fair value of the compound instrument as a whole. This is recognised and included in equity, net of income tax effects, and is not subsequently remeasured. In addition, the conversion option classified as equity will remain in equity until the conversion option is exercised, in which case, the balance recognised in equity will be transferred to other component of equity. When the conversion option remains unexercised at the maturity date of the convertible note, the balance recognised in equity will be transferred to retained earnings. No gain or loss is recognised in profit or loss upon conversion or expiration of the conversion option. Transaction costs that relate to the issue of the convertible notes are allocated to the liability and equity components in proportion to the allocation of the gross proceeds. Transaction costs relating to the equity component are recognised directly in equity. Transaction costs relating to the liability component are included in the carrying amount of the liability component and are amortised over the lives of the convertible notes using the effective interest method.

Financial liabilities

All financial liabilities are subsequently measured at amortized cost using the effective interest method.

Derecognition of financial liabilities

The Company / Group derecognise financial liabilities when, and only when, the Company / Group's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

3.12 Trade and other Payables

These amounts represent liabilities for goods & services provided to the Company / Group prior to the end of the financial year which are unpaid. These are recognised initially at fair value and subsequently measured at amortised cost using effective interest method.

3.13 Segment reporting

The Company / Group is mainly engaged in Media Business which is identified as the only reportable business segment of the Company / Group in accordance with the requirements of Ind AS 108 , 'Operating Segment Reporting', notified under the Companies (Indian Accounting Standards) Rules, 2015. All the operating facilities are located in India. The Company / Group's business activity primarily falls within a single geographical segment.

3.14 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company / Group are segregated based on the available information.

3.15 Earnings per share

Basic earnings per share is computed by dividing the profit/loss for the year attributable to the shareholders of the parent Company / Group by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/loss for the year attributable to the shareholders of the parent as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented. The number of equity shares and potentially dilutive equity shares are adjusted for share splits / reverse share splits and bonus shares, as appropriate.

3.16 Operating Cycle

Based on the nature of products/activities of the Company / Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Company / Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

3.17 Leases

Till 31st March 2019, the Company / Group had adopted Ind AS 17, Leases. In March 2019, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Amendment Rules, 2019 notifying Ind AS 116, Leases and withdrawing Ind AS 17, Leases. Ind AS 116 is effective from accounting periods beginning from 1st April 2019.

Ind AS 116 introduces a single, on-balance sheet lease accounting model for lessees. A lessee recognizes a right of use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. There are recognition exemptions for short-term leases and leases of low-value items. Lessor accounting remains similar to the erstwhile standard – i.e. lessors continue to classify leases as finance or operating leases. The Company / Group has applied the transition provisions as mentioned in Appendix C to Ind AS 116. There is no financial impact on the Company / Group on adoption of Ind AS 116.

At inception of a contract, the Company / Group assesses whether the contract is, or contains a lease. A contract is, or contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration

CYBER MEDIA (INDIA) LIMITED NEW DELHI

S. AGARWAL & CO. FRN 000808N New Delhi Chartered Accountants

Company / Group as a lessor

The Company / Group classify each of its leases as either an operating lease or a finance lease.

Leases in which the Company / Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. The depreciation policy for depreciable underlying assets subject to operating leases is consistent with the Company / Group's normal depreciation policy for similar assets.

Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company / Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company / Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

Company / Group as a lessee

At the contract commencement date, the Company / Group recognize right – of – use asset and a lease liability. A right – of – use asset is an asset that represents a lessee's right to use an underlying asset for the lease term. The Company / Group has elected not to apply the aforesaid requirements to short term leases (leases which at the commencement date has a lease term of 12 months or less) and leases for which the underlying asset is of low value as described in paragraphs B3 – B9 of Ind AS 116.

A right of use asset is initially measured at cost and subsequently applies the cost mode ie less any accumulated depreciation and any accumulated impairment losses and adjusted for any remeasurement of lease liability. Ind AS 16, Property, Plant and Equipment is applied in depreciating the right – of – use asset.

A lease liability is initially measured at the present value of the lease payments that are not paid at that date. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, the Company / Group's incremental borrowing rate is used. Subsequently, the carrying amount of the lease liability is increased to reflect interest on lease liability; reduced to reflect the lease payments; and remeasured to reflect any reassessment or lease modifications or to reflect revised in – substance fixed lease payments.

3.18 Subsequent events

There is no event after reporting period which needs to be disclosed.

3.19 Critical accounting judgements and key sources of estimation uncertainty

3.19.1 Critical accounting judgements in applying accounting policies

The following are the critical judgements, apart from those involving estimations that the Management have made in the process of applying the Company / Group's accounting policies and that have most material effect on the amounts recognised in the consolidated financial statements.

Defined benefit plans (gratuity benefits)

The cost of the defined benefit gratuity plan and other post-employment medical benefits and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit

S. AGARWAL & CO. FRN 000808N New Delhi Chartered Accountants

CYBER MEDIA (INDIA) LIMITED NEW DELHI

obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

3.20 Key Source of estimation uncertainty

Key source of estimation uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, provisions and contingent liabilities.

The areas involving critical estimates are:

Useful lives and residual values of property, plant and equipment

Useful life and residual value of property, plant and equipment are based on management's estimate of the expected life and residual value of those assets. These estimates are reviewed at the end of each reporting period. Any reassessment of these may result in change in depreciation expense for future years (Refer note no 3.5).

Impairment of Property Plant and Equipment

The recoverable amount of the assets has been determined on the basis of their value in use. For estimating the value in use it is necessary to project the future cash flow of assets over its estimated useful life. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in statement of profit or loss.

Valuation of Deferred tax assets

Deferred tax assets are recognised only to the extent it is considered probable that those assets will be recoverable. This involves an assessment of when those deferred tax assets are likely to reverse and a judgment as to whether or not there will be sufficient taxable profits available to offset the tax assets when they do reverse. The Company / Group review the carrying amount of deferred tax assets at the end of each reporting period. Any change in the estimates of future taxable income may impact the recoverability of deferred tax assets.

3.21 Going concern

There are no material orders passed by the Regulators/Courts which would impact the going concern status of the Company and its future operations.

6.3 Valuation note for Mutual Funds

As per Ind AS 113 – Fair Value Measurement, mutual fund investments are valued at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Accordingly, mutual funds are valued at market value as per the statement provided by the asset management company (AMC), which reflects the net asset value (NAV) as on the reporting date. This NAV is considered a reliable estimate of the fair value, provided the units are readily marketable and the market is active.

The Company has incurred continuous losses over the past financial years, resulting in the absence of sufficient taxable profits against which the deferred tax assets can be realized. In accordance with the principles laid down in Ind AS 12 – Income Taxes, and based on a prudent assessment of future taxable profit projections, the management has decided to discontinue the recognition of deferred tax assets in the books of account.
This decision has been made to ensure compliance with the requirement that deferred tax assets should be recognized only to the extent that it is probable that future taxable profits will be available against which such deferred tax assets can be utilized.
The Company will continue to reassess the recognition of deferred tax assets at each reporting date and will recognize the same as and when reasonable certainty regarding availability of future taxable profits arises.

(ii) **Rights, preferences and restriction attached to equity shares**

Company has only one class of equity shares having a par value of Rs.10/-. Each holder of equity shares is entitled to one vote per share. In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

Partly paid-up equity shares holders having a face value of Rs. 10 per share are entitled to voting rights in proportion to the amount paid-up on such shares relative to the total paid-up value of a fully paid-up equity share. They are also entitled to receive dividends, if declared by the Company, in proportion to the amount paid-up on such shares, unless otherwise provided in the terms of issue. In the event of liquidation of the Company, holders of partly paid-up equity shares shall be entitled to participate in the distribution of the remaining assets of the Company, after payment of all liabilities and preferential amounts and after adjustment of any unpaid amount due on such shares, in proportion to the amount paid-up on the equity shares held by them, in accordance with the provisions of the Companies Act, 2013 and other applicable laws.

Note 33: Segment Reporting

The Company is mainly engaged in two business operating segments: Media and Media Services in accordance with the requirements of Ind AS 108 -'Operating Segment Reporting', notified under the Companies (Indian Accounting Standards) Rules, 2015. The Company's business segments offer different products and require different technology and marketing strategies.

Identification of Segments

The Board of Directors of the Company has been identified as Chief Operation Decision Maker who monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. Accounting policy in respect of segments is in conformity with accounting policy of the company as a whole.

Intersegment Transfer

Segment revenue resulting from transactions with other business segments is accounted for on basis of transfer price agreed between the segments. Transfer prices between operating segments are on arm's length basis in a manner similar to transactions with third parties.

Segment Revenue & Results

The Revenue and Expenditures in relation to the respective segments have been identified and allocated to the extent possible. Other revenue and expenditures non allocable to specific segments are disclosed separately as unallocated and adjusted directly against total income of the Company.

Segment Assets & Liabilities

Segment Assets includes all operating assets used by the operating segment and mainly consisting property, plant & equipment, trade receivables, cash and cash equivalents and inventory etc. Segment Liabilities primarily include trade payables and other liabilities. Common assets & liabilities which can not be allocated to specific segments are shown as a part of unallocable assets/liabilities.

(Amount in lakhs)

Year	As at 31 March 2026	As at 31 March 2025
0 to 1 Year	45.30	33.28

More than 5 year	9.61	7.04

These plans typically expose the Company to actuarial risks such as Investment risk, salary risk, discount rate risk, mortality risk, withdrawals risk.

Salary risk	The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.
Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government Bonds Yield. If plan liability is funded and return on plan assets is below this rate, it will create a plan deficit.
Discount rate risk	A decrease in the bond interest rate (discount rate) will increase the plan liability.
Mortality & disability risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. For this report we have used Indian Assured Lives Mortality (2012-14) ultimate table. A change in mortality rate will have a bearing on the plan's liability.
Withdrawals	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Note:
These disclosures are based on the best information that was available with the Company.

44 On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Group has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory driven, non-recurring nature of this impact, the Group has presented such incremental impact as "Statutory Impact of new Labour Codes" under "Exceptional Items" in the standalone statement of profit and loss for the year ended March 31, 2026.

7. The Appointed Date of the Scheme is 01.04.2026, as mentioned in the scheme.

8. The rationale for the proposed Scheme of Merger by Absorption, as stated by the Applicant Companies, as under:

C. RATIONALE FOR THE SCHEME[4]

a. *The Transferee Company / Applicant Company 2 is renowned in the Indian technology media landscape with a legacy spanning over four decades. With strong national brands including Dataquest, PCQuest, Voice & Data, etc., the media business of the Transferee Company/Applicant Company 2 has successfully navigated to digital content for its communities and customers by expanding its offerings of media and content services to include media mesh, online platforms and physical events.*

b. *The Transferor Company/Applicant Company 1 is engaged in ad tech and data analytics business. The Company has four revenue streams Le., Digital Marketing, Programmatic Media Buying, Publisher Monetization, and Data Analytics. These together form the pillars of the digital marketing landscape. This drives 'higher conversions and sales for advertisers and enables publishers to earn more. The Transferor Company/Applicant Company 1's algorithms leverage large sets of data, process it via AT engines to provide the right results, therefore simplifying digital marketing. CMGalaxy, Auxo Ads*

[3] Page Nos. 525- 528 of the Application
[4] Page Nos. 36-39 of the Application.

and CyberAds are Transferor's Company/Applicant Company 1's propriety products for different stakeholders in' the ecosystem.

c. *The merger will strategically position the merged entity as a single entity for marketing solutions for customers. The Transferee Company/Applicant Company 2 has historically built strong customer relationships, products and brands. A merged entity will enable the businesses to focus on higher value creation for customers and therefore higher profitability. The merged companies' key business activities will comprise Marketing & Technology Solutions, Print & Digital Publications, Industry Research & Consulting and Event Management.*

d. *With Deep Tech playing a pivotal role in Viksit Bharat 2047, the Transferee Company/Applicant Company 2 aims to establish market leading products across the above-mentioned categories. This will uniquely position the combined entity as a one-stop-shop for corporates and SMEs to choose for their transformation.*

e. *The merger will cause silos to be broken down resulting in cross-sell, upsell of various products & services. This synergy will result in cross leveraging clients to fuel additional growth opportunities.*

f. *The merger will also strengthen decision making and optimize management bandwidth. The merged entity will therefore bring about a synergy at the strategic, decision-making and execution level.*

g. *The merged entity will lead to an increase in market capitalization. In addition to the aggregation of existing market caps of existing entities, the synergies will lead to enhancement of size and profitability. This would lay the roadmap for long-term growth both organic as well as inorganic.*

h. *The shares of the Transferor Company/Applicant Company 1 are listed on SME-Emerge Platform of NSE. The shares of the Transferee Company/Applicant Company 2 are listed on the main board of NSE and BSE. The Transferee Company/Applicant Company 2's shares have a far higher trading volume in number of transactions, quantity*

and value as compared to the Transferor Company/Applicant Company 1 shares. Upon merger, the shareholders of The Transferor Company/Applicant Company 1 will have better liquidity by trading in the Transferee Company/Applicant Company 2 shares at the main board of NSE and BSE with no- restriction on lot size. Therefore, the Transferor Company/Applicant Company 1 investors will find better liquidity and value for their holdings.

i. *Merger will result in better cost management. Sales operations will become far more effective with a reduction in duplicate marketing and selling costs. Duplication at senior management level would be eliminated.*
j. *There will be reduction in administrative expenses as cost duplication over HR, finance, admin, accounts, legal functions are rationalized.*
k. *Further cost savings will be achieved because of reduced compliance costs. This would include statutory fee incurred on compliances., viz., General Meetings, NSE, NSDL, CDSL, ROC, RTA. Work related to statutory audit, internal audit, secretarial audit, income tax audit, GST, PF, ESI, Professional Tax, etc. will halve. So will the professional cost associated with the consultants engaged for these activities.*
l. *Therefore, the proposed Merger will create and provide more customers, better customer relationship, simplification of business processes, operational synergies, economies of scale, optimum utilization of resources, which will create stronger base for future growth.*
m. *The merger will improve cash flow which shall result in efficient utilization of capital at the combined entity level. The combined balance sheet will have better ROCE, debt equity ratio, current ratios, etc.*
n. *The merger will help in achieving consolidation, greater integration and flexibility that will maximize overall shareholders' value and improve the competitive position and negotiating power of the combined entity.*

Affidavits in support of the above Application have been sworn by Mr. Dhaval Gupta, (Transferor Company) and Mr. Pradeep Gupta, (Transferee Company) who have been duly authorized by the Board of Directors of the Transferor Company at the Board Meetings held on 24.01.2026[5] and Transferee Company at the Board Meetings held on 24.01.2026[6] respectively and the same have been duly filed along with the Application.

10. Clause 12 of the Scheme refers to the status of all staff and employees of the Transferor Company on the Effective date following the proposed Scheme of Merger by Absorption with and into the Transferee Company.

> *12.1 Upon the Scheme becoming effective, all staff, workmen and employees of the Transferor Company, who are in service as on the Effective Date shall become staff, workmen and employees of the Transferee Company, without any break in their service and on the basis of continuity of service, and the terms and conditions of their employment with the Transferee Company. shall not be less favourable than those applicable to them with reference to their employment with the Transferor Company on the Effective date. The Transferee Company agrees that the services of all such employees with the Transferor Company, up to the Effective date shall be taken into account for purposes of all retirement benefits to which they may be eligible as on the Effective Date.*
>
> *12.2 It is expressly provided that, on the Scheme becoming effective, the Provident Fund, Gratuity Fund, Superannuation Fund or such other Special Fund, if any, or Trusts (hereinafter collectively*

[5] Page Nos. 521- 524 of the Application
[6] Page Nos. 525- 528 of the Application

referred to as 'Funds') created for the benefit of the staff, workmen and employees of the Transferor Company shall, with the approval of the concerned authorities, become Funds of the Transferee Company, or shall be transferred to or merged with other similar funds of the Transferee Company for all purposes whatsoever in relation to the administration or operation of such Funds or in relation to the obligation to make contributions to the said Funds in accordance with the provisions thereof as per the terms provided in the respective Trust Deeds, if any, to the end and intent that all rights, duties, powers and obligations of the Transferor Company in relation to: such Funds shall become those of the Transferee Company. It is clarified that the services of the staff, workmen and employees will be treated as having been continuous for the purpose of the said Funds.

11. The Board of Directors of the Applicant Companies, at the meetings held on 24.01.2026 by the Transferor Company and 24.01.2026 by the Transferee Company, approved and adopted the Scheme of Merger by Absorption.

12. The proposed Scheme involves the Merger by Absorption of the Transferor Company with the Transferee Company, whereby the entire business of the Transferor Company is proposed to be transferred with the Transferee Company in the manner set out in the Scheme. The Transferor Company is the subsidiary of the Transferee Company. Transferee Company holds 38.17% of the total equity shares of Transferor Company. Further, the proposed consolidation is intended to streamline the corporate structure by eliminating redundancies and reducing compliance and administrative costs. It is expected to enable optimal utilization of combined assets and resources, consolidation of manpower and operations, and achievement of economies of

scale. The Scheme would also facilitate unified accounting and improved cash flow management, resulting in greater operational efficiency and enhanced management control over the combined business.

13. As per the Valuation Report dated 23.01.2026 issued by M/s Bhavin R Patel & Associates, (IBBI Registration No. IBBI/RV/05/2919/11668), a Registered Valuer, the share exchange ratio[7] is as follows:
