EUROBOND Reports 17.15% YoY Sales Growth to ₹152.13 Crore in Q2 FY27

- *The company records a 27% sequential quarter-on-quarter sales growth led by a steady increase in order volumes.*

- *Panel sales volume reached 3,83,324 square meters for the quarter, marking a 22.68% rise from the preceding quarter.*

MUMBAI, 18th November, 2026: EUROBOND, the flagship brand of Euro Panel Products Limited, has announced its financial results for the second quarter ended September 30, 2026. The company reported net sales of ₹152.13 crore for the quarter, registering a 17.15% growth compared to the corresponding quarter in the previous financial year. On a sequential basis, net sales rose by 27% from the preceding quarter of the current financial year. The company also reported a profit before tax of ₹6.83 crores for the quarter.

The expansion was directly driven by significant volume growth in orders. During the second quarter, the company recorded sales of 3,83,324 square meters of metal panels. This represents a 22.68% increase in sales volume compared to the 3,12,452 square meters sold in the first quarter of the current financial year.

Mr Divyam Shah, Whole Time Director and CFO of Euro Panel Products Limited, stated, "*Our second-quarter performance demonstrates strong business momentum, highlighted by our 27% sequential sales growth as compared to the previous quarter and a steady 17.15% year-on-year increase. The corresponding 22.68% rise in panel sales volume reflects healthy market demand and our ability to consistently execute orders at scale. As we progress through the financial year, our focus remains on leveraging our installed capacity to meet the growing requirements of the infrastructure and commercial construction sectors.*"

Euro Panel Products Limited operates an advanced manufacturing facility in Umbergaon, Gujarat, featuring an installed production capacity of 10 million square meters per year. To support its commercial expansion, the company maintains continuous investments in technical quality and manufacturing infrastructure. EUROBOND operates an in-house laboratory accredited by NABL for 51 testing parameters across the mechanical and chemical testing of coil, coating, and core materials.
