LIMITED REVIEW REPORT

Review Report to Board of Directors

1. We have reviewed the accompanying statement of unaudited financial results of **Eurotex Industries and Exports Limited** ("the Company") for the quarter and half-year ended 30th September, 2026 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulations 33 of The SEBI (Listing, Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Obligations'). The statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial results based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. **Emphasis of Matter:**

   Without qualifying, we draw attention to note no. 5 of the financial results in respect of wrongly demanded electricity charges amounting to Rs. 1680.26 lakhs and electricity duty on CPP generation amounting to Rs.305.54 lakhs for earlier years and that the Hon'ble Supreme Court vide its Orders dated 24th July, 2026 and 25th March, 2026 respectively has decided against the Company. However, the Company has filed review petitions before Hon'ble Supreme Court against the said Orders on 22nd August, 2026 and 24th August, 2026 respectively. The Company expects a favourable decision as per expert legal opinion obtained by the Company highlighting favourable Orders from MERC and APTEL (in the matter of electricity charges) and High Court (in the matter of electricity duty) in the earlier years in similar matters and accordingly, no liability provisioning has been considered necessary for the electricity charges and duty /interest, if any.

   Our opinion is not modified in respect of this matter.

4. **Material Uncertainty Related to Going Concern**

   Without qualifying, we draw your attention to note no. 3 of the financial results with respect to the fact that the financial results have been prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business though the entire net worth got eroded and that the operations of the manufacturing plants at Kolhapur having being discontinued since 25th March, 2019 and announcement of their closure on 30th March, 2022. The management has settled dues of lender banks (by borrowing from promoter group companies) and as explained by the management, the Company is planning to undertake the further development of available land area at Kolhapur in near future and in view of such positivities, the financial statements have been prepared on a going concern basis.

   Our conclusion is not modified in respect of this matter.

5. Based on our review, conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian Accounting Standards (Ind AS) and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with circulars issued from time to time, including the manner in which it is to be disclosed, or that it contains any material misstatement.
