FOCUS LIGHTING STRENGTHENS COMMERCIAL PORTFOLIO FROM INGKA CENTRES PRIVATE LIMITED

Mumbai | September 12, 2026

Focus Lighting And Fixtures Limited, a leading manufacturer in the lighting solutions and fixtures industry, has secured a significant order from Ingka Centres Private Limited, valued at approximately Rs 5-10 crores. The order encompasses the manufacture, supply and delivery of LED lights and fixtures in accordance with the specifications and requirements of the customer. This order further reinforces Focus Lighting And Fixtures Limited's capabilities in delivering high-quality, energy-efficient and innovative lighting solutions for large-scale projects.

The Company believes that this order is a significant addition to its order book and further strengthens its relationship with reputed institutional customers. It also reflects the confidence placed in the Company's product quality, manufacturing capabilities and execution expertise.

Commenting on the performance, Mr. Amit Vinod Sheth, Managing Director of Focus Lighting And Fixtures Limited said,

"We are delighted to have secured this significant order from Ingka Centres Private Limited. This order is a testament to our strong product capabilities, manufacturing expertise and commitment to delivering quality lighting solutions. We remain focused on expanding our presence across institutional and large-scale projects while continuing to create sustainable value for all our stakeholders."

"We believe this order further strengthens our business momentum and provides a solid foundation for deeper engagement with institutional and marquee customers. We will continue to pursue opportunities that complement our capabilities, enhance our market presence and support long-term, sustainable growth."

About Focus Lighting And Fixtures Limited

Focus Lighting And Fixtures Limited (NSE – FOCUS) The Company was established in 2005 and is engaged in the business of manufacturing LED lights and Fixtures. The Company provides wide range of products in different verticals in field of lighting which includes Retail, Home, Railway and Outdoor – landscape. The Company is further expanding with patented technology in outdoor facade lighting. Its comprehension of lighting technology, the influence it can have on the viewer and the techno-aesthetic requirement of the market has enticed it to develop lighting solutions where the criteria are efficiency, colour rendition and trouble-free service life to achieve optimum lighting parameters such as luminous intensity, maintenance-friendliness and freedom from glare. The new range of luminaires have been designed and developed by the finest product designers from Germany, proficient in the field of lighting design; supported by a proficient team of Indian Professionals. The company is having its manufacturing unit at Sanad Gujarat.
