KALPATARU PROJECTS INTERNATIONAL LIMITED

PRESS RELEASE

KPIL SECURES NEW ORDER OF ₹ 2,610 CRORES

Mumbai | Monday, 16 November 2026: Kalpataru Projects International Limited (KPIL), one of the leading engineering and construction players in the power and infrastructure sector, has secured notification of award for a prestigious order worth approximately ₹2,610 crores.

The details of the aforesaid new order are as follows:

- EPC project involving power transmission lines and substations in international market

Manish Mohnot, MD & CEO, KPIL, said, *"We are pleased to secure this prestigious order in our Power Transmission & Distribution (T&D) business, further strengthening our presence in South America and reinforcing our growing international footprint. This win marks another significant milestone in our global growth journey and reflects our strong execution capabilities, established market presence and the increasing demand for strengthening power grid infrastructure worldwide.*

Our order momentum continues to remain strong, with YTD FY27 order inflows exceeding ₹26,000 crore, registering a growth of over 50% year-on-year. In addition, we are favourably positioned for projects worth approximately ₹3,000 crore and have a robust tender pipeline over the coming months, primarily across T&D, Buildings & Factories (B&F) and Oil & Gas. With a strong business visibility, diversified market presence and proven execution capabilities, we remain confident of sustaining our growth momentum and strengthening our market position going forward."

About Kalpataru Projects International Limited (KPIL)

Kalpataru Projects International Limited (KPIL) is one of the largest engineering, procurement, and construction (EPC) companies in the world, with a global footprint spanning 75 countries. KPIL offers integrated EPC solutions across diverse sectors, including power transmission and distribution, buildings and factories, water supply and treatment, railways, oil and gas infrastructure, urban mobility, highways, and airports.

With a legacy of over four decades, KPIL has maintained a leadership position in all its major business verticals. This success is backed by strong organizational capabilities, superior technical expertise, and a strict adherence to best-in-class sustainability standards. The company operates two manufacturing facilities in India for the fabrication of power transmission towers, heavy metal structures, and scaffolding and formwork systems. In FY2026, KPIL generated a revenue of ₹27,143 crores (~USD 2.9 billion), with more than 250 projects under execution across over 30 countries.
