Annexure I: Transcript of the Earnings Conference Call

Moderator: Ladies and gentlemen, good day and welcome to the Q2 FY27 conference call of Richa Infosystems Limited.

As a reminder, all participants' line will be in listen-only mode and there will be an opportunity for you to ask questions after the presentation concludes. Should you need assistance during the conference call please signal an operator by pressing '*' and '0' on your touchtone phone.

I now hand over the conference to Mr. Tushar Shah. Thank you and over to you, sir.

Tushar Shah: Welcome to all. My name is Tushar Shah from Richa Infosystems Limited. Welcome to the Q2 FY27 conference call of Richa Info Systems Limited. As a reminder, all participants' line will be in this listen-only mode and there will be an opportunity for you to ask questions after the presentation concludes. Should you need assistance during the conference call, please signal an operator by pressing '*' and '0' on your touch-tone phone. I now hand over the conference to Mr. Tushar Shah. Thank you very much. Thank you for the question-and-answer session (01.50). (Blank Audio from 1.50 to 02.24) touch panels, video conference cameras, we are manufacturing and across India we have B2B business also there. We have a product which goes to government e-market place and government department. The other products which we have they are lined up and electronic brand which has LED touch TV, mobile accessories, IT accessories and we have recently launched AC which is by the name of COOL MAXX. I have just talked about the two brands which we have are TECHNO (Technikknow) and the other one is EARTHONIC.

Anyway, we have three directors in our company. I am Tushar Shah, MD. My second director is Hema Shah, CEO and my third director is Dineshchandra Fulchand Shah. We started in 2007. In 2014, we expanded our business. We started our business with Office Automations. In 2021, we brought the IPO for business growth. We also had to do manufacturing. That's why we brought the IPO in 2021. Our product portfolio is working with two brands. One is TECHNO (Technikknow), which is a smart education platform. We are giving it across India. The other product is Digital Podium, Kiosk, Signage, and VC

Cameras. The other product is going to the government department. We are doing B2B business. Our main customer is also in the list. In 2024, we launched LED TV for business growth. The brand name is EARTHONIC. We also launched mobile and IT accessories. Recently, we launched fixed speed and Inverter AC. These are for company growth and revenue. We launched two series, fixed speed and Inverter. The brand name is EARTHONIC. The product name is COOL MAXX. We are managing the TV and Internet panels. Our business model is 100% B2B business. We do business with B2B dealers across India. Our product is available on Amazon and Flipkart. Please tell me the questions which you have.

Moderator: Thank you, sir. We will now begin the question-and-answer session. The first question comes from the line of Mr. Deepak from Mars Wealth Management. Please go-ahead sir.

Deepak: Hello sir. Which new products are we bringing to our company? Do we have any planning?

Tushar Shah: Recently, we launched AC. In January, we are bringing refrigerator. Before March, we are planning home appliances.

Deepak: Okay.

Tushar Shah: We are also discussing with the government about solar. It is not fixed yet. We are planning solar park in Bhopal.

Deepak: Thank you.

Moderator: Thank you, sir. The next question comes from the line of Marshika, an individual investor. Please go ahead.

Marshika: In which state is the company doing business now? And in the coming time, what new states are you planning to expand?

Tushar Shah: Currently, the company is working in three states, Gujarat, Maharashtra and Rajasthan. This particular product is for TV and AC. The rest of the products are for interactive panels, VC cameras. We have been doing all these products across India for the last 6 years. The interactive panels are available in all the

central ministries like PM House. This product is available in the government e-marketplace through GEM as well. We are working across India for this.

Marshika: Okay. Thank you, sir.

Moderator: Thank you, sir. There are no further questions, sir. I now hand the conference over to Mr. Tushar Shah from Richa Info Systems Limited for closing comments.

Tushar Shah: Thank you so much for participating and any requirement, any query, please call me.

Moderator: Thank you, sir. On behalf of Richa Info Systems Limited, that concludes this conference. Thank you for joining us. You may disconnect your lines.
