ROX Hi-Tech Limited Recognised in the Cisco APJC Partner Winners Circle 2026

Chennai, November 18, 2026: ROX Hi-Tech Limited (NSE: ROXHITECH), an AI-led digital transformation and enterprise technology solutions company, has been recognised in the **Cisco APJC Partner Winners Circle 2026**, one of Cisco's most distinguished partner recognition programs across the Asia Pacific, Japan and Greater China (APJC) region.

The recognition highlights ROX Hi-Tech's outstanding performance, technical excellence, and commitment to delivering transformative customer outcomes through Cisco technologies. The Cisco APJC Partner Winners Circle celebrates a select group of partners that demonstrate exceptional business growth, innovation, customer success, and execution excellence across the region. This reflects its continued success in enabling enterprises to modernise and secure their technology environments through Cisco's networking, cybersecurity, collaboration, and datacentre solutions. As enterprises increasingly invest in AI adoption, cloud transformation, and intelligent infrastructure, ROX has consistently helped customers build agile, resilient, and future-ready digital ecosystems that support long-term growth and innovation.

Management Commentary

Commenting on the recognition, Mr. Jim Rakesh, Managing Director, ROX Hi-Tech Limited, said:

"We are honoured to be recognised in the Cisco APJC Partner Winners Circle 2026. This achievement reflects the strength of our long-standing partnership with Cisco, the unwavering trust placed in us by our customers, and the exceptional commitment of our teams across the organisation.

Being recognised among Cisco's leading partners across the APJC region is a significant milestone in our growth journey.

As enterprises accelerate their adoption of AI and modernise their infrastructure, we remain committed to delivering secure, resilient and future-ready technology solutions that create measurable value for our customers." We view this recognition as both an endorsement of what we have accomplished and a motivation to continue raising the bar for customer success and technological excellence.
