Mumbai, November 25, 2026: Sanathan Textiles Limited (BSE: 544314 | NSE: SANATHAN), one of India's integrated and diversified yarn manufacturers with a presence across Polyester Filament Yarns, Cotton Yarns and Yarns for Technical Textiles, will commence Phase 2 production at its Punjab facility in December. The expansion will increase the facility's capacity from 700 MTPD to 900 MTPD and is expected to support additional revenue potential of ₹1,000 crore. The first 80 MTPD of Phase 2 is scheduled to start in December and the balance will be commissioned over the coming months. The additional capacity from Phase 2 will drive volume growth, allowing fixed costs to be absorbed over a larger output base and support an improvement in EBITDA per tonne.
