Performance highlights

- Manufacturing contributed 39.6% of revenue in Q2 FY27, up from 30.9% in Q2 FY26, with H1 manufacturing revenue growing 40.0% year-on-year to Rs. 240.78 crore.
- Net cash flow from operating activities stood at Rs. 55.28 crore in H1 FY27, against Rs. 16.43 crore for the whole of FY 2025-26.
- Inventories were brought down to Rs. 187.06 crore as on 30th September, 2026 from Rs. 227.25 crore as on 31st March, 2026.

Strategic priorities

- **Larger manufacturing footprint:** the Company is strongly focused on increasing its manufacturing footprint.
- **Building products and dealer network:** increasing focus on building products, supported by an expanding dealer base.
- **Faster collections:** management is prioritising products and projects where receivables are realised faster.
- **Debt reduction:** reducing debt remains the top priority.

Management comment

Commenting on the results, **Mr. Mukesh Sangla, Chairman & Managing Director, Signet Industries Limited**, said:

> *"FY 2026-27 is a turning point for Signet. This is the first year in which we have completely changed our strategy to put better cash flows at the centre of every decision. We are strongly focused on increasing our manufacturing footprint, with a growing emphasis on building products and on expanding our dealer base. We are consciously choosing products and projects where receivables come in faster. Debt reduction remains our top priority, and the improvement in operating cash flows in the first half gives us confidence in the direction we have taken."*
