Sub.: Intimation regarding commencement of manufacturing operations at the Company's Bhiwadi Manufacturing Facility.

Dear Sir/ Ma'am,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Para B of Part A of Schedule III thereto, we wish to inform you that the Company shall commence commercial manufacturing/assembly operations at its new manufacturing unit situated at E-1229, RIICO Industrial Area, Ghatal, Bhiwadi, District Khairthal-Tijara, Rajasthan – 301019, with effect from November 23, 2026.

This disclosure is made in accordance with the requirements of Schedule III of the SEBI LODR Regulations, as well as SEBI Circular No. SEBI/HO/49/14/14(7)2025-CFD-POD2/I/3762/2026 dated January 30, 2026, enclosed as **Annexure A.**

You are requested to take the above information on record.

Thanking you,

Yours Sincerely
For Singer India Limited

Rupinder Kaur
Company Secretary & Compliance Officer

Annexure A:

S. No.	Particulars	Remarks
1.	Existing capacity	6,30,000 unit/annum at the existing unit
2.	Existing capacity utilization;	22%
3.	Proposed capacity addition	13,08,000 unit/annum at the Bhiwadi Plant 1) Sewing Machine - 9,48,000/annum 2) Home Appliances and Fans - 3,60,000/annum.
4.	Period within which the proposed capacity is to be added	2 to 3 Years
5.	Investment required	Rs. 11 crores (other than land & building) in the first phase
6.	Mode of financing	Self & Equity funded
7.	Rationale	**1. Expansion of Sewing Machine Manufacturing Capacity:** In line with the Make in India initiative, the Company (Singer India Limited) proposes to strengthen its domestic manufacturing capabilities by augmenting production capacity across its sewing machine product categories. **2. Capacity Augmentation for Home Appliances and Fans:** To support its strategy of developing new home appliance product ranges and scaling its recently launched Fans business, the Company is undertaking requisite expansion including assembly. This will help meet growing business requirements and enable the Company to offer differentiated and innovative products to its customers. **3. Strategic Benefits of the Bhiwadi Facility:** By leveraging Bhiwadi as a strategic manufacturing and engineering hub, Company will be better positioned to accelerate the introduction of new models and technologies. The co-location of manufacturing operations with the Engineering and R&D will enable faster product development, improved cross-functional collaboration and shorter time-to-market new products.
