Sub: Clarification on the Earnings Call held on November 23, 2026

Dear Sir/Madam,

Suntech Infra Solutions Limited hosted its Earnings Call on November 23, 2026 to discuss the financial performance of the Company for the half year ended September 30, 2026.

During the question-and-answer session, in response to a participant's query on employee cost as a percentage of revenue, the employee benefit cost was inadvertently stated as 8%.

Stakeholders are requested to read the **employee benefit cost as 16% in place of 8%**.

All other information shared during the Earnings Call remains unchanged. The inadvertent error is regretted.

Kindly take the same on your records.

Thanking you
For Suntech Infra Solutions Limited
