Supreme Engineering Limited.
Rabale, Navi Mumbai- 400701.

Notes to Accounts for Q2 FY 2026 27

1. The unaudited financial results have been reviewed and recommended by the Audit Committee and approved by the Boards of Directors of the company.

2. The above figures of financial results for the quarter ended 30th September 2026 have been reviewed by M/s Rushabh Davda and Associates Chartered Accountants.

3. The unaudited financial results of the company have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS 34 Interim financial reporting") prescribed under sec 133 of the Companies Act 2013 read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, as amended.

4. The Company's secured loan account had been classified as a Non-Performing Asset (NPA) by the lending bank on 19th August, 2021. Since then, the Company had discontinued servicing the repayment of borrowings and interest thereon. The Company has been incurring losses over the past years and its financial position has remained under stress.

   During the quarter ended 30th September, 2026, the Company has reported a profit for the period. Further, its Earnings Before Interest, Depreciation and Tax (EBITDA) has also remained positive.

   Considering the operational performance, approval of the One-Time Settlement (OTS) proposal by the lender and subsequent successful completion of the OTS settlement, along with the measures undertaken by the Management to improve the Company's financial position and business operations, the Management has prepared these financial results on a going concern basis.

5. The Company has followed its significant accounting policies in the preparation of these financial results consistent with those followed in the annual financial statement for the year ended March 31, 2026.

6. During the quarter ended 30th September, 2026, the Company's One-Time Settlement (OTS) proposal was approved by the lender on 13th August, 2026, subject to the terms and conditions stipulated in the OTS approval/sanction letter. Pursuant to the approval, the Company had deposited an initial amount equivalent to 10% of the proposed settlement amount.

   The Management had undertaken various measures to arrange the requisite funds to comply with the terms of the approved OTS, including exploring options such as fund infusion, preferential allotment and monetisation of assets.

Subsequent to the quarter ended 30th September, 2026, the Company successfully completed payment of the entire OTS settlement amount on 11th November, 2026, in accordance with the terms and conditions stipulated by the lender. The lender has accordingly issued a No Due Certificate confirming settlement of the outstanding loan dues and discharge of the Company's liability towards the said borrowing. The Company has also intimated the completion of the OTS settlement to the Stock Exchange.

The successful completion of the OTS settlement is a significant subsequent event which is expected to have a positive impact on the Company's financial position and its ability to continue business operations.

7. The Company's One-Time Settlement (OTS) proposal was approved by the lender on 13th August, 2026. However, the settlement was fully completed only on 11th November, 2026, upon payment of the agreed settlement amount, pursuant to which the lender issued a No Due Certificate.

   Accordingly, as the settlement and extinguishment of the outstanding financial liability were completed subsequent to the reporting date of 30th September, 2026, any gain arising on account of the OTS settlement, being the difference between the carrying amount of the financial liability and the settlement consideration, shall be recognised in the subsequent quarter ending 31st December, 2026, in accordance with the applicable requirements of Ind AS 109 – Financial Instruments.

   No gain on account of the aforesaid OTS settlement has been recognised in the financial results for the quarter and half year ended 30th September, 2026. The completion of the OTS settlement has been disclosed as a significant subsequent event.

8. The figures have been presented in **Rs. lakh**, except for per-share data and where otherwise stated. The figures may not reconcile exactly due to rounding off.

9. The company does not have more than one reportable segment; hence segment wise reporting is not applicable.

Limited Review Report on the Standalone Statement of Financial Results of Supreme Engineering Limited pursuant to Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015:

To,
The Board of Directors,
Supreme Engineering Limited

We have reviewed the accompanying Standalone Unaudited Financial Results of Supreme Engineering Limited ("the Company") for the quarter ended 30 September 2026 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5 July 2016.

This Statement, which is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34 – Interim Financial Reporting, prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.

We have conducted our review of the Statement in accordance with the Standard on Review (SRE) 2410 "Review of Interim Financial Information performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement has not been prepared, in all material respects, in accordance with the applicable Indian Accounting Standards and other accounting principles generally accepted in India and has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

RUSHABH DAVDA & ASSOCIATES M. No. 188053 CHARTERED ACCOUNTANTS

Basis for Qualified Opinion (Matters)

We draw attention to the following matters in the notes to the financial results:

1. **Non-Compliance with Laws & Regulations:**

a. The company is required to file Audit report under income tax act 1961 and file income tax return under the same act: however, the same has not filed for the financial year FY 2020-21.

Continue on Next Page.....

b. The company has not paid/short paid the statutory dues such as TDS, PF, ESIC, Professional Tax etc., that have become overdue and remained unpaid. Interest, penalties in respect of the same remained unascertained and unaccounted for.

c. The Secretarial Report of Independent Company Secretary has highlighted various delays and non-compliances, the effect of the same is presented as a part of Contingent Liability.

d. The Company is required to get cost audit conducted as per the requirement of section 148 of the Companies Act, 2013. However, the same has not been conducted from the financial year 2020-21 and onwards.

e. The Company is required to conduct an internal audit under the provisions of the Companies Act, 2013. However, no internal audit has been carried out for the previous financial year. Further, no records or evidence were provided to substantiate whether internal audits were conducted for years prior to the previous year.

2. The Company has long-outstanding trade receivables, trade payables, recoverable advances, and borrowings, including cash credit accounts, which have remained unsettled for a substantial period. However, the Management on conservative basis and as per IND AS has provided for Expected Credit Losses on such Assets.

3. The Company has not provided interest on delayed payment to MSME Vendors.

4. The Company has ongoing litigations before various forums under Income Tax and GST laws, the impact of which is contingent upon the outcome of such proceedings.

5. Although the Company has adopted the computation of employee benefits and related liabilities in accordance with the applicable provisions of the New Labour Laws. However, the same does not have any restrain on the qualification relating to outstanding payments, and the said qualification shall continue to remain as reported.

Our conclusion is not qualified in respect of the matters other than mentioned above.

Emphasis of Matter Para

The Company's secured loan account was classified as a Non-Performing Asset (NPA) by the lending bank on 19th August, 2021, following which the Company had discontinued repayment of principal and interest on the said borrowings. The Company has been incurring losses over the past years, and its current liabilities exceed its total assets, resulting in a negative net worth. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern.

During the quarter ended 30th September, 2026, the Company has reported a profit and positive Earnings Before Interest, Depreciation and [illegible]ITDA), indicating an improvement in its operational performance.

RUSHABH DAGA & ASSOCIATES ★ CHARTERED ACCOUNTANTS ★ M. No. 188053

R. K. Dauda

Continue on Next Page…….

During the quarter, the Company's One-Time Settlement (OTS) proposal was approved by the lender on 13th August, 2026, subject to the terms and conditions stipulated in the OTS approval/sanction letter. The Company had deposited an initial amount equivalent to 10% of the proposed settlement amount.

Subsequent to the quarter ended 30th September, 2026, the Company successfully completed payment of the entire OTS settlement amount on 11th November, 2026, in accordance with the terms and conditions stipulated by the lender. The lender has accordingly issued a No Due Certificate confirming settlement of the outstanding loan dues and discharge of the Company's liability towards the said borrowing. The Company has also intimated the completion of the OTS settlement to the Stock Exchange.

The Management believes that the successful completion of the OTS settlement, improvement in operational performance and various measures undertaken to strengthen the Company's financial position will support the continuation of its business operations. Accordingly, the financial results have been prepared on a going concern basis.

However, the Company's ability to continue as a going concern remains dependent upon its ability to generate sufficient cash flows from operations, improve its financial position and sustain its business operations. The ultimate outcome of these matters cannot be determined with certainty as at the date of approval of these financial results.
