SWREL bagged three domestic orders including L1 position for a marquee project with a combined value of more than INR 2050 crore

~ Receives 600 MWh BESS turnkey project order from a leading PSU in Gujarat

~ Secures 350 MW Solar projects, which includes L1 position for a turnkey solar project from a leading PSU

Mumbai; November 23, 2026: Sterling and Wilson Renewable Energy Limited (SWREL) (BSE Scrip Code: 542760; NSE Symbol: SWSOLAR), a leading renewable EPC has announced three marquee domestic orders – a 600 MWh BESS turnkey project in Gujarat awarded by a leading PSU and a solar project from a Private IPP in Rajasthan. The company has also recently emerged L1 for a prestigious solar turnkey project in Madhya Pradesh. The total value of all the projects is more than INR 2050 crore.

Speaking on the new developments, Mr. Chandra Kishore Thakur, Global CEO, Sterling and Wilson Renewable Energy said, *"We are honored and privileged to have received two significant orders and for being selected as an L1 bidder for a prestigious project in India. These orders mark another noteworthy milestone in SWREL's growing renewable project portfolio and reinforces our position as a competitive, trusted reliable EPC player in India's rapidly expanding renewable sector. We look forward to supporting our customer's long-term growth, exceeding their expectations, and delivering meaningful impact as we build on this momentum."*

About Sterling and Wilson Renewable Energy Limited

Sterling and Wilson Renewable Energy Limited (SWREL) is a global pure-play, end-to-end renewable engineering, procurement, and construction (EPC) solutions provider. The company provides EPC services for utility-scale solar, floating solar, hybrid & energy storage and wind solutions and has a total portfolio of over 29.8 GWp (including projects commissioned and under various stages of construction). SWREL also manages an operation and maintenance (O&M) portfolio of 18.9 GWp solar power projects, including for projects constructed by third parties. Present in 28 countries today, Sterling and Wilson Renewable Energy Limited has operations in India, South-east Asia, Middle East, Africa, Europe, Australia, and the Americas.
