Annexure II

PRESS RELEASE

Tonbo Imaging wins order from the Ministry of Defence for its clip-on thermal weapon sights

Bengaluru, 18 November 2026**:** Tonbo Imaging India Limited (NSE: TONBO; BSE: 544999) ("Tonbo" or the "Company") has received an order from the Ministry of Defence, Government of India, for the supply of its clip-on thermal weapon sights and associated support equipment.

The order is valued at approx. INR 35.62 crore, inclusive of taxes. Deliveries are to be completed in two lots within 52 weeks. The order also includes an option clause and a repeat order clause, each for up to 50% of the ordered quantity, exercisable at the customer's discretion.

The clip-on thermal weapon sight is a compact, lightweight, uncooled thermal imager that mounts on an assault rifle to give the user night-fighting capability, and can also be used helmet-mounted or hand-held. It is designed, developed and manufactured by Tonbo in India.

"Thermal weapon sights are a core Tonbo product line, built on our own imaging cores, optics and software. We are proud that the Ministry of Defence has chosen a sight designed and manufactured in India for its personnel. Delivering on schedule and supporting the equipment in the field is our immediate priority." said **Arvind Lakshmikumar, Founder, Managing Director and Chief Executive Officer**, Tonbo Imaging India Limited.

About Tonbo Imaging

Tonbo Imaging India Limited is a global defence electronics original equipment manufacturer (OEM). The Company designs, develops and manufactures sensing, processing, communication and guidance systems for surveillance, reconnaissance, targeting and control. Its diversified product portfolio includes thermal imaging cores, weapon sights, hand-held thermal imaging binoculars, targeting systems, missile seekers, fire control systems and missile guidance systems, amongst others, to enable autonomy on the battlefield. The Company offers a diverse suite of field-proven electro-optic products that are designed and developed in India. The Company owns 100% of its intellectual property, ranging from optics to embedded software and electronics, and is a supplier under the Indigenously-Designed, Developed and Manufactured (IDDM) category of the Defence Acquisition Procedure 2020. Incorporated in 2003, the Company transitioned in 2012 into a defence-focused product manufacturing company. Its equity shares are listed on the National Stock Exchange of India Limited and BSE Limited. For more information, visit www.tonboimaging.com.

Forward-looking statements: *This release contains statements about the Company's expectations that are subject to risks and uncertainties, including delivery schedules, acceptance of the equipment by the customer and the customer's decision on exercising the option and repeat order clauses. Actual results may differ materially. The Company does not undertake to update these statements except as required by law.*
