Management Commentary

Mr. Ashish K Mittal- Managing Director of TSC India, stated:

"H1 FY26 has been a period of strong and diversified growth for TSC India. We are proud to report a 30.8% YoY increase in our consolidated revenue from operations, reaching ₹1,570.31 lakhs. Our profitability was even stronger, with Profit After Tax rising by 35.9% YoY to ₹342.32 lakhs, and 62.9% sequentially compared to the previous half-year.

The key story this half-year is our successful diversification. While our core Travel Services segment continues to be the bedrock of our operations, our Financial Services segment has emerged as a powerful growth engine. Its revenue surged by an exceptional 334% YoY to ₹225.97 lakhs, and its profit contribution grew exponentially from ₹5.36 lakhs to ₹62.82 lakhs. This performance validates our strategic initiatives and highlights a significant new avenue for growth.

This balanced growth, combined with our commitment to financial prudence, has resulted in a 36.8% YoY increase in our Profit Before Tax. Looking ahead, TSC India is well-positioned to capitalize on the opportunities in both the travel and financial services sectors.
We thank our customers, partners, employees, and shareholders for their continued trust and support."
