Shri Kamlesh Sharma, Chairman and Managing Director of URBAN, commented,

"We are proud to share that our company has demonstrated strong operational resilience and strategic growth, reinforcing our commitment to creating a cleaner and more sustainable environment. As a solid waste management company, our performance reflects the consistent efforts of our dedicated team, the trust of our clients, and the impact of our ongoing investments in technology and efficiency.

While the first half of the year presented some challenges, our full-year results showcase the strength of our long-term strategy and our ability to scale operations effectively. We continue to focus on expanding our services, optimizing processes, and building capabilities that align with our vision of becoming a leading force in sustainable waste management. Our growth is not just measured in numbers but in the positive difference we make to communities and the environment we serve.

We thank our stakeholders for their continued support and confidence, and we remain committed to driving further progress, innovation, and excellence in all that we do."
