VAKRANGEE LIMITED

PRESS RELEASE

Vakrangee Achieves CMMI Maturity Level 3 Appraisal, Reinforcing our Commitment to Technology & Operational Excellence

Mumbai, November 20, 2026: Vakrangee Limited, one of India's leading technology-driven last-mile distribution platforms, is proud to announce that it has successfully achieved CMMI Maturity Level 3 appraisal in service domain, marking a significant milestone in the Company's ongoing journey towards strengthening its technology capabilities, process excellence and operational efficiency.

This achievement underscores Vakrangee's unwavering commitment to service excellence, process standardisation, operational discipline and continuous improvement. It reflects the Company's focused efforts towards institutionalising structured, well-defined and globally aligned processes, fostering a culture of consistency, accountability, quality and predictable service delivery.

The CMMI Maturity Level 3 appraisal recognises the maturity of an organisation's defined processes within the assessed scope, demonstrating its focus on embedding globally recognised best practices, strengthening service management and ensuring consistent and quality-driven execution. This milestone further reinforces Vakrangee's organisational capabilities and provides a robust foundation for scalable and sustainable growth.

Building Excellence. Strengthening Capabilities. Delivering Quality Services.

With an extensive nationwide network of Vakrangee Kendras, the Company leverages technology to bridge the last-mile access gap by delivering banking, financial services, insurance, e-governance, e-commerce and other essential services, particularly across rural, semi-urban and underserved markets.

The CMMI ML3 appraisal in the Services domain further strengthens the Company's focus on enhancing service delivery standards, improving operational effectiveness and building a scalable, reliable and future-ready service ecosystem.

Commenting on this achievement, **Mr. Vedant Nandwana, Managing Director, Vakrangee Limited**, said: *"Achieving CMMI Maturity Level 3 appraisal in the Services domain is a landmark milestone in Vakrangee's transformation journey and a testament to our unwavering commitment to service excellence, process maturity and continuous improvement. This achievement reflects the collective dedication, discipline and collaborative efforts of our teams, who have worked relentlessly to embed quality, consistency and operational excellence into the way we work.*

Guided by the vision of our Founder, Shri Dinesh Nandwana Ji, we have always believed in building a strong foundation for sustainable and scalable growth. This journey has further strengthened our processes, institutionalised globally recognised best practices and reinforced a culture where excellence is embedded in every action and not left to chance.

As we continue to expand our technology-driven last-mile distribution ecosystem, this achievement provides us with a stronger foundation to scale with confidence, drive innovation and deliver greater value to our customers and stakeholders. I sincerely appreciate the efforts of our entire team and the support of our partners in making this milestone possible. This is not just a certification; it is a reflection of our commitment to building a more agile, resilient and future-ready Vakrangee."

This achievement marks another important step in Vakrangee's journey towards building a robust, process-driven and scalable organisation, reinforcing our mission of bridging the last-mile access gap through technology-enabled solutions and making essential services accessible across every corner of the country.

About Vakrangee Limited **(BSE Code: 511431; NSE Code: VAKRANGEE)**

Incorporated in 1990, Vakrangee has emerged as one of India's largest Last Mile Distribution Platform with a Physical as well as Digital Eco-system in place with a PAN INDIA Presence. We are delivering real time banking & Financial Services, ATM, insurance, e-Governance, and e-Commerce s services to the unserved rural, semi-urban and urban markets and enabling Indians to benefit from financial, social and digital inclusion.

Vakrangee has emerged as the “Go To Market Platform” for various Business verticals including Fintech and Digital platforms. The Assisted Digital Convenience stores (Physical Outlets) are called as “Vakrangee Kendra” which acts as the “One-stop shop” for availing various services and products and Digital platform is called as BharatEasy Mobile Super app.

Vakrangee also operates Vortex Engineering, its technology subsidiary focused on “Make in India” powering banking innovation with secure ATMs, including Perfo®. Together, these capabilities position Vakrangee as a differentiated offline distribution and service platform for institutions seeking trusted access, deeper penetration and scalable participation in India’s next phase of inclusion-led growth.
