PRESS RELEASE

XTGlobal Infotech Limited received RBI approval for equity investment in its wholly owned subsidiary in Ireland

Hyderabad, November 16, 2026: XTGlobal Infotech Limited (BSE: 531225) is pleased to announce that it has received approval from the Reserve Bank of India (RBI) for an overseas equity investment of EUR 10,000 in its wholly owned subsidiary, **XTG Infotech Europe Limited**, incorporated in Ireland on July 24, 2026.

The equity investment represents the Company's initial capital contribution towards the share capital of its Irish subsidiary.

The establishment and capitalisation of XTG Infotech Europe Limited form part of XTGlobal's strategy to expand its international presence, strengthen its European footprint and explore new business opportunities in the region.

Through its European subsidiary, the Company intends to pursue opportunities in software development, IT consulting, technology services and finance and accounting services.

This development marks another step in XTGlobal's efforts to strengthen its global presence and expand its business operations across international markets.

About XTGlobal Infotech Limited

XTGlobal Infotech Limited is an information technology and IT-enabled services company providing software development, technology and business process services to clients across global markets.
